Vice-Chairperson's Report:

Hey everyone

Just want to let you all know in case you have been witnessing it on your own. The Mile High Area has some incredible subcommittees doing some really good work.

Phoneline continues to train and add more people to the system like never before. Public Information is training, doing events and presentations and working on developing PSA's. H & I keeps that big machine rolling which is a lot of work to keep it on track. Outreach continues to reach out to struggling groups and offer suggestions and support. Activities seem to put on one successful event after another.

I did attend the Public Relation Adhoc Committee meeting last night. My opinion is that the implementation of a Public Relations system would help broaden and unify the work that our subcommittees do. I look forward to seeing what the Adhoc committee brings forward to area of how this structure is to work.

Thanks for letting be of service

SUBCOMMITTEE REPORTS

Activities Subcommittee:

Activities Subcommittee Report

February 6th 2011

Hi everyone! My name is Scott C. and I am the newest Activities Subcommittee Vice Chair. I am giving this report as our Chair Brittany L. is out of the country.

I am happy to report that all monies from the Tri-Area New Years Eve Bash have been collected and the money was turned in today for the final disbursements to be made to both the Boulder and Off The Wall Areas. All three Areas will receive a profit as the 2nd annual Tri-Area New Years Eve Bash was a huge success.

Due to having a successful year with the various activities that were held. I am happy to announce that \$184.61 will be transferred to the Area account, while still maintaining the \$1000.00 cap in the activities account. It is very important to the Activities Subcommittee that this \$184.61 go to the Area account.

Our next event will be the 2nd Annual Throwback Valentines Dance. Flyers for this event are on the back table. This event will be held here at 1212 Mariposa. This years theme is the 1970's. Feel free to wear your 70's outfits. There will be an open meeting starting at 06:00pm, Then there will be open mic time at 07:00pm where you can show case your appropriate talents, followed by a dance from 08:00pm until midnight. There will be a game room and child care is available. It is suggested that parents make a donation to the volunteers in the child care room. Admission is 3 dollars for singles and 5 dollars for couples. The price of admission includes one piece of pizza and one ticket with a chance to win in the drawing.

If you would like to help us plan future events, we can always use new ideas and a fresh perspective, please join us at our next Activities Subcommittee meeting, next Sunday at 5pm here at 1212 Mariposa.

We could really use the GSR's support in making sure that our events are being announced at every meeting. We want to show every addict, that we can and do have fun in recovery!

Our Chair Brittany L. is out of the country. She will be at the next Area to share the latest news with regards to future events. If you have any questions for the Activities Subcommittee, please send me an email to mha.activitieschair@gmail.com.

Thank you so much for letting me be of service,

Scott C.

Hospitals and Institutions:

Mile High Area H&I Subcommittee

Chair Report

February 6, 2011

The Hospitals & Institutions Sub-Committee of the Mile High Area of Narcotics Anonymous met on Sunday, January 9th. There were 10 sub-committee members in attendance.

We are happy to announce that the meeting at Synergy (the teen boy's part of Peer 1) is back up and running. We would like to thank Richard T. and Scott C. for stepping up and helping to get this facility going again. Anyone interested in carrying the message to teen boys should let us know, we could use more volunteers at this facility.

We are currently working with The Wright Center to re-establish our Sunday night meeting there. The facility tried transporting their clients to an outside NA meeting, but have decided they would prefer for us to come to them. We are shooting for a start date in March if we can get the meeting staffed.

The H&I subcommittee is excited about the renewed interest in PR. Things got started last night with the first meeting and we are looking forward to this addition to the Area Service Structure.

Since this is an even numbered month, that means we will be hosting our training/orientation next Sunday. Anyone interested in getting involved should be right here in this room on Sunday, February 13th, at 3:00p.m. The training takes about an hour and we suggest you visit the website and look at our facilities list ahead of time.

As a reminder, H&I is always accepting new and gently used key tags, as well as any NA books that are in good condition. These donations help keep our costs down and help us to carry a more complete NA message.

Take Care & God Bless,

Lou S.

Outreach Subcommittee:

Outreach Subcommittee Report, February 2011

First of all, we invite all of you to offer your thoughts on what Outreach might do to help the isolated addicts and meetings in our area.

You can contact an Outreach trusted servant at MileHighNAOutreach at gmail dot com, or call Karl at 303-762-9193.

The next Outreach Subcommittee meeting is on Sunday, February 13 at 2:00 PM, 1212 Mariposa St., Denver, CO 80204 (That's the community center across from Lincoln Park--3 blocks S of Colfax, 3 blocks W of Santa Fe Dr.). Everybody's welcome!

Correspond w/ Inmates Program

After many years of service as our Correspondence Coordinator, Teresa K., is stepping down. So we are looking for a new coordinator. The suggested clean time for this position is one year. The position requires about 2-3 hours a week, plus the ability to drop by the post office at 20th and Chase once a week. The PO box is accessible 24/7.

Please consider being of service at this position. This program is a way for inmates who can't get to a meeting to learn about Narcotics Anonymous. You can contact the current Correspondence Coordinator at MileHighNAOutreach at gmail dot com or 303-522-1252.

A brief description of the Correspondence Program: Inmates who cannot get to a meeting but want to learn about our new way of life in NA write to our PO Box address. Our Correspondence Coordinator goes to the post office, gets the letters from our PO Box, and mails them out to us. We write replies and send them back to the Coordinator who in turn mails them to the inmates. In this way the Coordinator acts as a firewall--there is never any direct contact between the inmates and us on the outside.

It can be very rewarding to sit down with an inmate's letter, pray, and write a response telling the inmate how our recovery is going, how we are working the program, and how we're doing in general. One of my penpals wrote to me: "Your letters are my meetings."

Outreach provides the stamps and envelopes. You provide the paper and pen, and strength, hope, and experience.

We are currently expanding our Correspond w/ Inmates program in institutions in the Denver Metro area. We are very grateful to the H&I folks who present the case for our correspondence program to the coordinators in the local institutions. Thank You!

Building Available for Meetings

Area was contacted via our website about an offer of mtg space in a church building in Old Towne Arvada near Wadsworth & 58th. Anyone interested in finding out about establishing a mtg there can contact us at MileHighNAOutreach at gmail dot com or thru the webservant or attend the next Outreach mtg.

Assist-a-Mtg, Part 1

Meetings are using special formats to attract folks to their rooms. Potluck meetings, speaker meetings, step-study meetings, etc., are ways to attract people to meetings with attendance issues, etc.

The men of our fellowship are invited to support **The Men's Room** meeting. This men's mtg moved in December in both time and space. It now meets at 7:00 PM on MONDAYS at the clubhouse at 9629 W. Colfax, --cross street is Iris, 2 blocks East of Kipling, enter at back.

The **Ray of Light** meeting of NA invites you to attend its Wednesday 7:30 PM meeting at 1301 E. Colfax. This meeting is looking for support with attendance. It is also looking for a Treasurer--that's a great way to get into service at the group level.

Finding the Way meets in a treatment center at 3400 Lutheran Parkway, Wheat Ridge 80033, Friday nights at 7:30 PM. This meeting has many, many newcomers with just a few days clean time who are eager to hear our message, so they are looking for attendance by folks with a good NA message. It is not an H&I mtg--it is open to everybody. I had no trouble finding this meeting the first time I went up there. Also, Finding the Way provides a lot of key tags, info pamphlets, and white booklets to the folks in the treatment center, so it can always use 7th Tradition support.

Phone (Teleconference) Meetings

Phone meeting lists are available now. They are online at the Mile High Area's meeting list page in pdf format. (Go to nacolorado dot org, select the "meeting list" link at the left side of the page. At the meeting list page go down to "Phone Meetings:")

Phone meetings are a great way to get to a meeting if your location, bad weather, transportation failure, or handicap prevents you from getting to a "face-to-face" mtg. NOTE: If you live outside the area code of the mtg, then **it is a toll call**, that is, **long distance**. Other than that, there is no fee for calling any of these mtgs.

The mtgs on the list are all registered with the World Service Organization. They are open to everybody.

Assist-a-Mtg, Part 2

The Assist-a-Mtg program would benefit greatly with a dedicated coordinator guiding it. We invite you to pray and meditate on this. Talk to your sponsees, your sponsors, and anyone whom you think would be a good candidate to step up to this service.

Below is a list of meetings that are looking for support. Everyone is welcome to attend. There is no obligation for a 2nd visit or to be of any specific service. Just like any meeting, you can go once to check it out and see if you like it.

It is my experience that attending a meeting I've never gone to before is its own reward. I meet people I've never met before; I'm surprised to run into people I already know but maybe haven't seen for a while; I check out a mtg space I've never been in before. Going to a meeting I've never been to before gets the ol' recovery juices flowing. It's fun.

If you are thinking of finding a service position, many of these groups are looking for home group members and trusted servants. The specific kinds of help each meeting is looking for are listed in the right-hand column. We invite everyone to consider being of service at these meetings. Don't be daunted. Please pray, meditate, talk to your sponsor, & consider setting one foot outside your usual comfort zone.

Some notes:

- Work your recovery to the best of your ability.
- The newcomers are the most important people at any meeting.
- Anytime we attend a meeting we are being of service. Just by being there we contribute to the fellowship of the meeting; we help create a sacred space in which people feel comfortable opening up and sharing their hope, strength, and experience with the gathering.

When we are doing service, we want our service to be humble, recovery-based service. We don't want to tell other members of NA the way things are going to be. But it is our responsibility to share information with folks in NA in the hopes of strengthening the atmosphere of recovery. We run opportunities by people so that we may better carry the message to the addict who still suffers. We do this most effectively when we are humble and patient.

- If you are planning a trip to one of the caravan candidates, we suggest getting the contact info of the meeting's trusted servants beforehand, so you can make sure the meeting will be held at the time and place you plan to attend it, or if you need help with finding the meeting, etc.

We are still talking to trusted servants of meetings that may be looking for support, so this list is by no means complete.

In humble service,

Nick A. - MHASC Web Chair

PR Adhoc Committee:

Dear MHASC,

The PR Implementation Adhoc Committee (heretofore referred to as the PR Adhoc) met for the first time Saturday, February 5th at 1605 E. Evans Ave., 80210. Outreach, Phonline, and the Administrative committees were all represented. Thank you to all who attended.

As the charge of the MHASC to this adhoc was to determine how to best implement the principles and structures present in the PR Handbook, the adhoc set out to determine first what were the main principles and steps outlined in the PR handbook and what the priorities of the MHASC are in relation to those principles. Second was, what steps would be necessary to realize those principles and structures. Being that PR handbook is based heavily on the concepts it is important to remember that it is guided by principles like anonymity, communication, strong leadership, unity, and good handling of service resources. It is with these principles that the PR Adhoc starts its work.

It is important to define a few key terms in order to understand what the PR Adhoc is considering. First, service resources. The PR handbook divides resources into two main areas: human resources and financial resources. It says that often our human resources are far more valuable than our financial resources. These include our service member's time, ideas, and skills. This is often an area that the MHASC tends to run short on. Another is service bodies. These would be any group of addicts that come together to carry out a service on behalf of the groups that participate at the MHASC. This includes all of the standing subcommittees and future bodies that come together to do such service. Also, coordinator. Coordinators are not that different from chairs in the sense that they facilitate discussion, guide topics, and help other point people of service bodies in their service efforts. The biggest difference is that a coordinator acts primarily as a communicator between service bodies and less as a leader of the service bodies.

In light of these principles we looked at what were the priorities of the MHASC. It is pretty clear that the majority of the MHASC's service resources are utilized by H&I, PI, and Phonline. Outreach, though under attended is also a vital part of how the MHASC reaches the groups in the Area. With this in mind, it is the opinion of the Adhoc that

the first step needs to be combining the meeting time and place of all four of the service bodies by their first meeting in March. This would eliminate a number of problems that these bodies have had in the past such as redundancy of service, miscommunications, and lack of service members to carry out service. Having all of these bodies meet in the same place at the same and being dialoguing with one another would help to eliminate some if not all of these issues. Furthermore, it would provide a more dynamic forum in which service projects and issues can be addressed and approached in a spirit of efficiency, unity, and better carrying out our primary purpose.

In terms of the structure of this meeting it is completely open to suggestion and I encourage all to attend our next meeting. After some discussion the idea with the most consensus was to have the four service bodies meet at 1212 Mariposa on the second Sunday of the month as they have been for one hour together in the individual subcommittees and then all four subcommittees to come together and discuss issues and opportunities for service together in the spirit of unity. The PR Handbook suggests entrusting a coordinator that facilitates discussion and then communicates between the services bodies during the following time between meetings.

As for the other service bodies of the MHASC (i.e. Activities, Training, etc.), it is felt as this time, because they are already functioning fairly autonomously and smoothly, that they function as is for the time being. As we move forward in this process, those service bodies can be incorporated in the PR structure or can continue to function autonomously. The choice will ultimately be up to the MHASC and the GSR's who attend.

As the first meeting was mainly a preliminary planning meeting, the PR Adhoc is open to any and all questions and suggestions. Once this step has been approved the PR committee, using the PR Handbook and Area Planning Tool and keeping in the spirit of our concepts and traditions, we will meet with all the chairs of the four committees mentioned above and determine the structure that would be best for all involved.

Our next meeting will be held on February 20th at 6p at 1605 E. Evans Ave. 80210. If needed, a second meeting will be held at the same time and location the following Sunday, February 27th. Thank you for the opportunity to serve the fellowship.

In Anonymity,

Keegan W.

NEW BUSINESS:

Open discussion:

Keegan – Homegroup discussion and concern in regards to H & I members going into facilities alone. No one person carries the voice of NA and it is not in the spirit of principles and concepts. If this is happening, what can the groups do to help or we should look at the number of facilities we are trying to support and ask if we have the necessary people to fulfill the commitment.

- ◆ Training of addicts
- ◆ H & I needs to expand their outreach
- ◆ A member stated that he did the training, received a call to request service and then didn't hear anything for a couple of weeks
- ◆ H & I guidelines no longer states 2 or more addicts required for a H & I meeting
- ◆ Single point of accountability is panel coordinator
- ◆ Denver County jail has been an issue but has been resolved
- ◆ Pooling resources - wider our pool deepen our resources

◆ H&I will adjust their guidelines ????
