ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report: AI

Hello Everyone

Hope everyone had a good month. Did CRCNA rock or what? Especially when we get it started with a speaker like Mile High's own Marie A. Thanks to all who put forth efforts to make the 25th Annual CRCNA a success and to show that recovery can be fun.

The 3rd Annual Freakers Ball had a hiccup getting started but overall was a success. Thanks to all on the Activities subcommittee for working hard to make these events happen.

Public Information is putting on a poster day on Nov. 12th. I personally have not heard this announced in meetings lately. I'm not sure why, but usually it is such a small portion of our fellowship that shows up to help in the poster day efforts. It

really is a lot of fun and great fellowshiping to take part in the poster day. I encourage all GSRs and everyone here to announce this and to step up and be a part of this event.

Area Inventory is today. George W. has put a great deal of effort towards putting together a format for this process. I sure will be well thought out and will produce what we need to find out about our efforts here at area. We will be streamlining a lot of the area process today in order to squeeze in time in for the inventory.

Thank you for letting be of service

Al G.

Vice-Chairperson's Report: George

Hello All,

We did have a small snafu with the Freaker's ball NA Activity; it did end up concluding in unexpected and mostly positive manner. Most of my resource time has been in preparation for the Area Inventory.

Thank you for letting me be of service,

George W.

RCM - Spencer:

We did not have a Regional meeting since the last Area meeting. The next meeting is scheduled for Nov 20 10am 1212 Mariposa. At that meeting we will be taking nominations and voting on the next CRCNA administration committee and I believe also for the new Campvention admin committee as well. In January the CRCNA committee will be taking nominations and voting on the various subcommittees chairs within that committee.

The Conference Agenda Report communally referred to as the "CAR" I believe is due to be released this month I do not have the exact date of its release. I do know that part of the report will include the new Service Structure proposal and the Living clean project book.

The Region is looking into getting Insurance. I am not sure at this time what it actually includes but I do know that the Insurance agent that is working on getting a quote has found an agency that is willing to cover the Region for around \$532.00 a year. Keep in mind this quote is tentative and we at the Region still need to discuss the matter before a decision is made. I also do not know if the Insurance would cover the Areas as well. However I do know the Pikes Peak Area has insurance for around \$200 a year and the agent who got that policy said they would help the Mile High Area get insurance if we decide to go that route.

SUBCOMMITTEE REPORTS

Activities Subcommittee: Melissa F.

Hello Everyone! I have so much to talk about; I am just going to get down to it. First I will talk about the Halloween event. I would like to thank everyone who showed their support. I would also like to thank my subcommittee. They are amazing and without them I might have hung myself by now. Halloween wasn't the smoothest event we've had. We had to change our location because we were double booked. By the time we did that, we had to cancel the meeting because it was too late and there was nowhere to have it. We also had to cancel the kid's room and babysitter because there was nowhere to put them. Through all this I tried to persevere. Then the fire alarm went off because of the DJ's smoke machine. Before we had to move locations, I asked them about the new location and they said everything was the same. Because of this, I told the DJ he could use his smoke machine. Oh I forgot, we also had to shut the dance down an hour early in this new location. As far as budget, I am not sure of the profit. I personally don't think we should have to pay anything after what they put us through. Last I heard, they want us to pay for the firemen coming out. Our kitty was at zero because we took the \$509 out for the dance. As of right now I have \$620.70 to turn in. I am not sure if we need to take out for the firemen or what amount we owe so I will keep you posted.

Boulder has asked us to cohost an ice skating day with them in December. They are working on the event now and will get me a flyer to put up on the website. They would just really ask for our support in announcing it. New Years is also coming up. Tickets are on sale now. There are a limited amount of tickets being sold so please get your tickets ASAP. There are fliers on the back table. Pike's Peak will not be joining us this year but the area that makes the fliers had already made them and printed them and said it was too late to change them. It is a tri-area dance.

I have noticed that the attendance rate for activities is rapidly declining. I am not sure why this is. I have done a short survey that I would like the GSR's to take to their home group and bring back to me by next area. I would like to know how this area feels about our subcommittee and events. We are lucky that we didn't lose a lot of money on Halloween. The only reason we didn't is because some very kind people made some very large donations. If I am losing money on every event, I can't keep throwing events. If people don't want to support activities, there is no point in having a subcommittee.

Last but not least, on a personal note, my schedule might be changing. I am in a full time accelerated nursing program and I was just informed that my clinicals may be on a Sunday. If this happens, I might miss a few areas. I have two choices. I can resign or send someone to read my report. My subcommittee doesn't want me to resign but I will do whatever the area thinks is best. My vice chair has offered to come and read my report. I just want to make everyone well aware of my absence and my reasoning. I will know by January.

One more thing, if you want something on the calendar it needs to be to me by November 15th. If I do not have a flier or an email, I don't know what to put on the calendar.

Thank You,
Melissa

Outreach Subcommittee Report, November 2011

You can contact an Outreach trusted servant at MileHighNAOutreach@gmail.com, or call Karl S. at 303-762-9193 -- sorry I can't receive texting.

The next Outreach Subcommittee meeting is Sunday, December 4th at noon, 1212 Mariposa St., Denver, CO 80204. (That's the community center across from Lincoln Park--3 blocks S of Colfax, 3 blocks W of Santa Fe Dr.) Everybody's welcome!

1. Outreach is Looking For: Outreach is looking for a vice-chairperson, a treasurer, and a secretary. The folks filling these positions should have at least one year clean time and be able to regularly attend the subcommittee meetings at Noon on the 1st Sunday of each month. Job descriptions for these positions can be seen in Section III. Elected Positions in Outreach's guidelines at: http://www.nacolorado.org/denver/forms_guidelines/guidelines/outreach_guidelines.pdf

2. Assist-a-Meeting.

We are looking for someone to form a caravan to go up to the Razor's Edge meeting of Narcotics Anonymous sometime in November. Razor's Edge is Thursday nights at 6:30 PM. The meeting is in a nice big comfy cabin with lots of good, NA-grade coffee. The meeting is on US 285, about 18 miles west of C-470. Please contact Outreach at 303-762-9193 if you'd like to lead that one-time commitment. We are looking for someone to sign folks up for a 1-time commitment to attend the 2nd Chance meeting on Weds. mornings. This sign-up position is a 2-month commitment. Also we are brainstorming ideas about how to attract folks to Solo por Hoy. Solo por Hoy meets Tuesdays at 7:30 PM at 1510 Glen Ayr (8800 block west, 2 doors north of Colfax). English speakers are gladly welcome. The message is carried in Spanish.

3. Correspond w/ Inmates Program:

Correspond with Inmates Statistics for October:

We received 20 letters.

We sent 24 letters.

30% of those letters were to or from Colo. institutions.

Books sent to inmates: None.

5. Meeting Outreach:

Outreach attends meetings that have not recently sent a GSR to area. We distribute new meeting lists and activity flyers. We give out "Attracting Trusted Servants" and "Group Assistance" documents to interested trusted servants. The Group Assistance document lists the various ways the several NA service bodies can help a meeting.

We are contacting the women's groups in our area to see how they're doing, and encouraging them to have regular contact with area.

6. The NA brand: Using NA Logos in flyers:

We encourage folks to use the words "Narcotics Anonymous" along with NA logos on flyers you are handing out at area and at other meetings. Those logos are registered trademarks of NA, and as members of NA, we are more than welcome to use them. That way, everyone--newcomers, relatives and friends of addicts, treatment center folks, legal system folks, and so forth--will know that the meetings and events being advertised are NA sponsored.

7. Assist-a-Meeting. We are looking for someone to step up and sign up folks for a 1-time commitment to attend the 2nd Chance meeting on Weds. mornings.

8. October Disbursements: Outreach gave a \$15 Welcome Coupon and a Start-up Kit to Still Awake, Still Dreaming. Approximately \$80 on photocopying.

Thank you for letting us be of service! NA Rocks!

Happy November MHASC!

PR met today after missing last month and had a very successful meeting. I am continuing to work with Nick A. and Krys G. on the website to come up with some mach webpages to show the MHASC as soon as possible. I will be sending an email in the next week or so that includes all of the service opportunities that are going on with PI, H&I, Phoneline, and Outreach. A new issue of the Public Relations Bulletin will be coming out for November. Furthermore, I have reached out to the PR Coordinator at the region and the Pikes Peak Area to open the lines of communications and start trading ideas about how to make PR more effective in each of our service structures. I will be attending the next regional PR meeting to start making some connections and discussing possible directions for PR.

Beyond that, I would like to reiterate the accessibility of the mhascpr@gmail.com email alias. Feel free to email any questions, concerns, events upcoming, or opportunities to serve and I will contact everyone on the list to get that information out to as many people as possible. Thank you for letting me serve.

In anonymity,

Keegan W.

Mile High Area Service Committee – Web Committee Report – November 2011

Date: 6 November 2011 Meeting Location & Time: Called by request

Meeting list changes:

Deleted meetings

- None this month

Added meetings

- Saturday 10:30pm Still Awake, Still Dreaming • O,SP,WA, 90 min. – 1630 E. 14th St. (church, enter south side basement)

Changed meetings

- Thursday 6:30pm Razor's Edge • O,D,WA – 12795 Hwy 285, Conifer (club)

Note: Time changed from 7:30 to 6:30.

There are currently 59 groups in the MHA. They hold 101 meetings per week. We list an additional 5 meetings from nearby areas on our meeting list for a total of 106.

The website email (milehina@nacolorado.org) received three outside requests this month. One was from a case manager looking for information about meetings for a client, which I provided them. The second request was from a student doing a research project on addiction and NA, who I passed on to Krys from PI. The last was from an addict seeking more information about a Halloween event at 33rd & Gilpin. Unfortunately I was unable to help this person as no flier had been submitted to the area website, nothing was on the regional website, and the events subcommittee did not have any information about this event.

Not much else to report on this month. The meeting lists in the back are the last bunch from the Fall printing. As always, please make sure all meeting list changes are submitted in time for the next printing. All meeting list changes for the next printing should be submitted by November 27th, the Sunday before next area. Any changes submitted after that date may not be in the next printing. It is extremely helpful and greatly appreciated if members can check the PDF version of the meeting list on the area website and make sure that the information for their home group looks accurate.

I have some life stuff coming up that will have me pre-occupied and away from a computer for a couple weeks. Unfortunately during this time, I will not be able to fulfill any requests to have fliers posted to the website, or changes to the online meeting list. But rest assured, I will complete any requests after I am back in town and have access to my computer again.

Please submit requests for changes to subcommittee web pages or event fliers by email. milehina@nacolorado.org
