ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report:

Greetings MHASC!

This month we will be having our nominations for all positions except CRCNA liaison. Elections will occur next month (June). It is imperative that GSRs remain so we can have a quorum for the elections.

The Guidelines Subcommittee met at 12:30 to continue our revisions. Today we continued with our revisions to the Administrative Committee positions.

Speaking of the Guidelines, several months back the MHASC directed the Subcommittee to bring the revisions to the MHASC in pieces rather than the complete document. This was to reduce the complexity of the process. Last month I sent out an email with the first portion ready for review - Elections and Voting Procedures. I was not present at MHASC last month, and apparently this was never discussed. However, today I will distribute copies to all the GSRs for review at

your business meetings. The Secretary will also distribute these revisions via email. We will begin discussions (and perhaps voting) on these first sections at the June 7, 2009 MHASC.

This committee will reconvene at 2PM on June 7, 2009. Please note Guidelines revisions will continue at 12:30.

In loving Service

Alan T.
MHASC Chair

Vice-Chairperson's Report: No written report

The **Regional Assembly has been rescheduled for Saturday May 16th @ 3700 Baseline Road in Boulder from 11:00 am until 4pm. GSR orientation will begin at 10:30 am.** There will be three (3) proposals to be voted on by GSRs as well as several regional service positions. These include: Secretary, Treasurer, Public Information Chair, and Hospitals & Institutions Chair, as well as the vacant literature resource position, and two budget sub-committee positions. A copy of the three proposals to be decided upon is available on the back table. They can also be viewed at the regional web site. I encourage all GSRs to attend the assembly.

SUBCOMMITTEE REPORTS

CRCNA Liaison:

CRCNA XXIII will be in Colorado Springs on October 23, 24 and 25, 2009!

The CRCNA XXIII committee met on April 11, 2009 at the Castle Rock Library.

Happy to announce, Tiffany S. attended Region and was voted in as Vice Chair!

With this event all Administrative and Subcommittee Chair positions have been filled and the Committees are ahead of schedule and functioning above expectations! There are still plenty of opportunities available on each subcommittee for those addicts who would like to be of service.

The sponsor/sponsee breakfast was a huge success and i will have more to report on this after our next meeting when the official numbers are in. Early Bird registration forms were available at the breakfast at \$15.00 and more will be revealed on continued distribution. the \$15.00 is good through June 26th 2009.

Workshops this year will include 4 Interactive, 4 Panel Discussion, and 12 Speaker Workshops.

We are putting together a Friday afternoon event called "Unplugged", where addicts can come in, get registered, and go hang out in a loud and fun environment where they can showcase their talents in the form of music, song, poetry, juggling or whatever other "talents" they may want to show off.

In May we will name Marathon Meetings and begin matching chairs to these meetings.

We will have main speakers chosen by the beginning of May and will begin booking them. Friday speaker will be chosen by the end of May.

Fund raising Schedule. Rough projection is:

May - Off The Wall - will get date and activity outline as soon as possible

June - Boulder Area.. JJ will get back to us with meeting time and ideas

July - Pikes Peak Area. I'm sure we'll get this one figured out.

Aug - Thinking Poker run in Denver . This should gel by May meeting

Sept. - Right now we're thinking to get Bringing Freedom East, our new area into the picture.

More will be revealed!

Thanks for allowing me to be of service!

Hospitals and Institutions:

The H&I Subcommittee met last on April 5 with 17 in attendance. This meeting was devoted to going through the newly revised H&I Guidelines to allow committee members to view the revisions and give their input. The document was approved and all changes have now been made. A copy of the revised H&I Guidelines will be submitted to Area today.

We had three people step up at last month's meeting who are ready to take over as Panel Coordinators at Marvin Foote, The Haven & The Mom's House and Denver Health. We hope to bring in more new people to Panel Coordinator positions as we move forward, giving more H&I members the chance to benefit from this leadership role.

We continue to work on our interactive facility map with descriptions and directions. We will let you know when we are ready to launch this fun and informative addition to H&I.

Requests for new H&I meetings are still on hold as we put in place our new processes and procedures for new volunteer retention and facility information tracking. We hope to be able to move forward with new facility requests in the near future.

Our next meeting will be held Sunday, May 10th at 5pm, right here at 1212 Mariposa. This will be a training meeting so please come if you would like to get involved with H&I service work.

I am Grateful to be of Service!

Valery M.

MHASC H&I Chair

Literature Subcommittee:

Reminder – if you are sending orders by email, please use the short form if you are not ordering items requiring the long form. If you have ordered by email, please bring a hard copy just in case. This month I ordered under my budget by advice. I now have backordered form I will give groups if there are backordered items. Hopefully, there will not be a need. Please remember to pick up your order from the back of the room. GSR's you may want to take a blank form with you to use during your group business meeting. I am occasionally receiving orders on the old forms with the old prices. Please dispose of any of these lists at your home groups.

Scott H.

Outreach Subcommittee:

Greetings from Outreach

In correspondence this month we received 18 letters and answered 17.

This month we're adopting "Hope Without Dope". It's every Wednesday at 7:00 PM and is a closed meeting for addicts only. It's at 3355 South Wadsworth, #125, in the small meeting room at the club house located there.

We're also developing an Outreach e-mail newsletter. Sign up to receive it on our page on the Area Web site. It'll keep you up-to-date on what meetings we're supporting and everything else Outreach is up to and any other pertinent info that other members would like to add .

Finally, Tom our coordinator for adopt a meeting is going to step down as Adopt-A-Meeting coordinator in June and focus his service elsewhere. He is happy to do whatever needs to be done to help someone else step into that position. At our next meeting, we will be getting a newsletter off the ground. and looking for someone to take over Toms job.

Phone Line Subcommittee:

In the month of April we used 2476min. & .46 sec. we returned 60 calls to addicts seeking recovery and directed them to meetings.

I personally have found the women's resource list to be a positive extension of service to help connect new comer women with women in recovery I am working on a wallet size list to be distributed to phonenumber volunteers, I will again ask for any additional women willing to help out in this aspect to sign up when the sheet is past around.

We are also in the process of making a wallet sized emergency contact list for the phone line volunteers this will eliminate having to carry the handbook around if the need arose to provide a caller with community resource numbers. We were able to negotiate a deal with Paul from Accessline when we choose to purchase an unlimited minute package for 79.99 a month with a 50.00 one time start up fee he will include as many bulletins options and menus to serve our system. I am fully in favor of moving forward with this system.

When we move to the new system we will have to record the entire list of meetings and options to the new system. I would like to have input from a few other members on this. If necessary I will move forward with the skeleton crew I have. Although no one person speaks for NA I am looking for a few people to be the voice of our areas phone line. If you think you have what it takes step up and try out this will not be a contest you will not win anything at all just a chance to be of service to NA.

In loving service
Joseph C.

Public Information Subcommittee:

Held poster distribution day May 2nd – went well we put up around 25 posters on Colfax. We are going to have a booth at Pride Fest at the end of June. We are also going to put an application in for the Taste of Colorado. We also had poster printed in Spanish. We will be having a poster identification once a month. Please listen for dates.

Training Subcommittee:

I was unable to attend area last month due to my work schedule. I did attend part of PI's meeting on Friday, May 1, 2009 and agreed to participate in a training with PI on the Do's and Don'ts for presentations on June 14th, 1212 Mariposa from 2:00 – 4:00 pm.

I am turning over 22.00 and 18 Concepts for Service booklets. These are from the 12 Concepts Training I did in March. The cost of the booklet is \$1.75, most of the addicts just gave me \$2.00 for the book so the money and books will probably not match.

Service is a privilege,

Torri F.

Website Subcommittee:

Report:

I delivered 1500 Mile High Area meeting lists at the MHASC meeting.
I delivered 60 Colorado Region meeting lists to Area Subcommittee chairs.

Meeting list changes:

Note: Added birthday meeting 1st Thurs

There are currently 58 groups holding 109 meetings per week on our meeting list.

The website email (milehina@nacolorado.org) received a request from a family member of an addict looking for information about meetings. I also received a request from a yellow pages company that I forwarded to PI and Phoneline.

There is a meeting list update sheet going around, please return it to me.

I held an in-person meeting of the website committee at noon on 05/03/09 here at 1212 Mariposa.

If any MHASC Subcommittee chairs or administrative committee members need changes made to their webpage then please talk to me at the break. If any group wants a flyer posted on the events page or the speaker meeting page then please email those to me well in advance of your event.

This report was forwarded to the Regional web servant and the MHASC members.

Thank you for allowing me to serve,

Mike H. - MHASC Web Chair

SHARING SESSION:

- Marion K. – seeking direction regarding starting up an on line meeting
 - Outside issue
 - According to an addict – on line meetings are not recognized by world
 - Need to be very careful due to possibility of confused messages
 - Possibly motion to have on line meeting on nacolorado.org
- JoAnn – monetary order amount for hospitals and institutions
 - Amount of hard cover books being purchased and given out in facilities
 - Concepts charge us to be financially responsible
 - Contribution made by an event with suggestion to use for H & I
 - Possibly have groups adopt a H & I facility
 - H & I has reduced amount of basic text - for libraries
 - Fellowship has been requesting more in money in the basket encourage people to WSO website and read literature – one dollar isn't the same as a dollar a few years ago
- Spencer – rotation
 - What is the spirit of rotation and how is it carried out
 - Introduce people to service – sponsor direct sponsee's into service
 - 10% of people do 90% of service
- Unconscious problem in the area – last area meeting
 - Principles we claim to up hold and in reference to guidelines
 - Concerns about vice chair administrating area
 - Lack of GSR's – maybe look at lack of direction – area is here to provide services to groups and serve groups – has to do with how we are picking our leaders – warm body syndrome
 - Raise awareness about decisions not being grounded in concepts – if guidelines don't follow WSO literature than we shouldn't proceed with guidelines.
 - Addict's first experience with area – he was given a copy of the concepts. He raised his hand and asked question – he felt he was sloughed off. Conscious vs. sub-conscious
 - Easier to govern than to serve – concepts are on line, we have access to them. MHASC has been a governing body.
 - Groups to reduce prudent reserve –
 - GSR's treatment of each other – creates disunity – it is not just the administrative committee but GSR's also
 - Theory – the more we do the easier it gets – whether good or bad
 - Rotation of service – is everywhere across the board
 - Lack of participation at the service level

- Groups are autonomous as far as their use of funds – group expressed that they didn't feel area was serving them, therefore they were not contributing.
- Groups that don't participate in area don't contribute to area – lack of attraction on group levels to attend area
- GSRA expressed they would never come back to MHASC again due to what happened at end of previous meeting.
- Passion does not excuse bad behavior
- Solution for GSR attendance – go to meetings that are not participating and welcome them back
- Learning service through coming up through the groups – how do we question what is written in literature. Is it wrong to hold someone accountable for position they serve in. Groups right to question why?
