(See Ad-Hoc Committee Report p. 12)

Old Business:

No business outstanding, from last month's meeting of the MHASC, for consideration at this time.

Sharing:

- Kerry W. (GSR, *Bring Your Own Lunch*) shared that the New Orleans area now back up & running after the hurricane. New Orleans Area is Planning on having their annual MFnvention August 31-September 2, 2006. GSRs are being asked to take it back to your groups, that the purchase of at least one individual registration (\$15.00 each), would greatly help the New Orleans Area get back up & running.
- Marie Mile High Unity Day proposed for Saturday March 25, 2006. This is a fundraising event for the Mile High Area (as planned). Registration forms will be available soon—being sponsored by *The Midnight Meeting*, at 809 S. Washington Street—and the cost for an individual registration will be \$15.00
- Humble lights will be putting on a “Unity Potluck” event January 24, 2006 (see fliers).
- Sunday school is looking for speakers and special, guest chairpersons to come to their meetings— asking for qualified people to sign up; see Dannielle W., GSR for further information. The meeting is held at 0900 (9:00am) on Sundays at the Cornerstone Bookstore. *Information purposes only—NOT an implied endorsement or affiliation.

Disbursement of Funds:

1. Desiree F. requesting reimbursement (to training subcommittee) of \$11.88, for copies made during the training of new GSRs/GSRAs.
Motion, as presented, called to vote (majority vote) and **approved** unanimously.
2. Activities Subcommittee requested \$515.00, for Valentine’s Day “Sweetheart Dance” event, scheduled for February 11, 2006 (proposed budgetary utilization of funds presented).
Motion, as presented, called to vote (majority vote) and **approved** unanimously.
3. Motion received for a donation of funds to Region, in the amount of \$500.00.
Last month’s **unanimous** approval of the temporary, MHASC guidelines change motion: *That the MHASC suspend all forwarding of funds, to the Colorado Regional Subcommittee and the World Service Office of Narcotics Anonymous, until the Budgetary Ad-Hoc Committee has fully completed its assigned tasks,* negates this motion, as presented, at this time.
Motions to modify, or nullify, the *previously approved* motion to suspend the forwarding of funds, tabled until next month’s meeting.

New Business:

1. Nominations for CRNCA Liaison: Tracy L. was nominated and nomination was seconded. He was then asked to qualify himself. He has three and ½ years clean and has worked all steps up to #11. Has never taken NA service position that he did not fulfill.
Election of Tracy L., as CRCNA Liaison, was called to a vote (consensus vote) and was **approved** by consensus.
The meeting for CRCNA is this Saturday January 14, 2006 at the Englewood Public Library.
2. Motion: that the MHASC meeting, scheduled for February 5’ 2006, start at 1300 (1:00pm) instead of 1400 (2:00pm); subsequently therefore, be concluded at 1600 (4:00pm), instead of 1700 (5:00pm).
Motion, as presented, called to a vote (consensus vote)— **unable to reach consensus**.
Therefore (in accordance with MHASC Guidelines):
Motion, re-called to a vote (under *Robert’s Rules of Order*) and **failed** by greater than 2/3 of quorum.

3. Motion: for a subcommittee be formed to keep the NA World website up to date.

Discussion: It has always been part of the GSRs responsibility of the group to make changes and updates on the NA World website. Discussions pointed out, that this has not been happening. Centralized updating responsibility would be possibly good, but would better serve the Area if done by a currently existing subcommittee, rather than form an entirely new Area Subcommittee.

--Motion Tabled until next month's meeting.

4. Motion put forth by Peace out West and seconded by Clean & Serene to hold a CAR workshop—region has already proposed a workshop for this purpose, to travel to the different areas to.

Motion, as presented, called to vote and failed by 6:8:15.

MHASC Chair Report January 8, 2005

Hello all!

Happy New Year to all! I hope your holiday season was happy and blessed.

I am happy to report that this facility is available for our Subcommittee meetings the 2nd Sunday of each month. The cost would be \$50.00, so if numerous Subcommittees chose this as their location, significant savings, as well as a familiar and central location could be realized. Numerous Subcommittees have decided to meet here today immediately following this meeting to evaluate the feasibility of using this location permanently.

Believe it or not, we are at the halfway point of the 05-06 Administrative Committee term. We have maintained Chairpersonship and productive activity in every one of our Subcommittees. We also have identified a crucial long-term challenge, which is maintaining our financial well being to continue providing the level of services we have committed to provide. I thank you all for your dedication and service!

I challenged this body to do 4 things to improve our financial stability at our October 2005 meeting. I would like to revisit those challenges and offer my assessment. We are well on our way to successfully meeting these challenges, although we must continue to work in these areas.

1. I challenged you to support Activities by announcing, supporting, and attending all Area events. *Activities added \$150 to the Treasury, as compared with having cost \$300 at this time last year. That is a \$450 improvement over 6 months, translating to \$900 per year!*
2. I suggested we reach out to isolated Groups and support Outreach in these efforts. *Outreach has made significant strides in this area and Area meeting attendance by Groups is on the rise, increasing participation in Area decisions.*
3. I recommended we maintain adequate levels of literature to reflect the needs of the Area and buy at the best discount possible. *Our Literature Chair, Alan has done an exceptional job of intelligent ordering as he becomes more familiar with this crucial position. Literature has added over \$1400 to our Treasury and is on pace to contribute \$2800 to the Area Treasury in the year.*
4. I requested we continuously monitor our financial situation and make sound financial decisions at the Area level. *The fiscal awareness of our Subcommittee Chairs has been helpful. Our Ad-Hoc Committee is providing us with valuable insights and suggestions for us to continue this monitoring on a regular basis. It is up to us to responsibly act on these suggestions.*

Here are my goals for the next 6 months:

1. Complete the Budgetary Ad-Hoc Committee work, analyze their recommendations, make responsible decisions for a course of action, and fully implement those decisions.
2. Each Subcommittee Chair to identify and train a qualified replacement, if you aren't planning on continuing your Chairpersonship. I see this as crucial in creating and maintaining continuity within your Subcommittee. Now is the time to plan for the future!

I have gone to the www.na.org website and have found that the CAR report is available for your review and downloading. I suggest that each GSR get your copies of this report and initiate the process of getting your groups' direction for the upcoming Regional Assembly in April.

I welcome any suggestions as to how I can facilitate this body in accomplishing our primary purpose. My email address is danthone@juno.com. My cell phone number is 303-570-3342.

Next month's meeting will be held on February 5, 2006 at 2:00 P.M. at 1212 Mariposa.

Thank you for letting me be of service.

Dan A.

MHASC Vice Chair Report
January 8, 2006

I continue to visit new groups.

If any of your groups see any benefit in my attending your group conscience/business meeting please let me know and I would be honored to attend to address any concerns or questions your group may have regarding the MHASC.

Please allow me to thank the Mile High Area of Narcotics Anonymous for the opportunity to be of service.

Such reports can be sent even in advance of the actual meeting, if a GSR so desires to do so.

Other forms are potentially impending, at a future date, that will also be sent out after completion for use. Reminder: all such forms are also available on the web, as I send copies of all such items to Krys for posting, in order to make the availability of such additionally pervasive for MHASC members.

I am working on templating the Treasure and Literature Report spreadsheets to the “improved format”, for your ongoing consideration of these presentational enhancements, designed to make the information presented more readily understood. MHASC H&I Subcommittee Report

Greetings and a Happy New year to everyone. We held our last Subcommittee meeting on December 11th 2006 at the Carr St. location for the last time in that facility. We had 5 new addicts attend the H&I training and all have been placed in various facilities. I was decided the if two or more people show up at the monthly subcommittee meeting for training they will be trained during the meeting instead of when we only had training once a month. Robby G. was elected new panel coordinator for Salvation Army men's and Jody R. was elected for the literature distribution position. We are in need of a second panel coordinator to train for the Rite of Passage facility as Chuck Mc. Is the only one doing the meeting at this time and we are also in need of panel members for this facility. We will be holding our January subcommittee meeting at this location 1212 Mariposa, today 1/8 and will coordinate with the other subcommittees and decide where to hold our subcommittee meetings in the future.

Yours In Service,

Marilou L. H&I Subcommittee Chair

Monthly Report for Mile High Area Outreach Committee January 8, 2006

The Outreach Subcommittee meets on the second Sunday of the month at 5:30pm. Starting January, the meeting place has changed to 1212 Mariposa. There were five members present.

We received and answered letters this. Two books were sent this month.

Adopt a Group summary: We continue to work with the 5th Tradition group. Please announce that they need support and return the sign up for the January meeting.

- There was no Meeting on Wheels meeting this month.
- We continue visiting meetings that have not been coming to Area. We will be getting feedback from everyone at the next sub committee meeting.
- We discussed our quarterly budget for postage and copies. The last two quarters we have gone over by about \$10.00 for the quarter. This has been from a combined increase of both expenses. We understand that area is having budget constraints, and will continue to be prudent in our spending. Unfortunately, we would have to either cut back services or continue to spend at \$30.00/month instead of \$25.00.

Phoneline Report—January 8, 2006

We improved drastically this month only 5 missed shifts!!Yea!! Thanks to everyone who covered their shift helping the phoneline be of service to the new addict calling in. An average week of calls into the phoneline is 250, 33 of those are for shift sign in's. We had on new trainee at our last phone line meeting Amy. Plus a Sunday morning shift covered By Kirk S. that leaves us 4 open shifts Monday, Tuesday and Wednesday 6am to 10am. Then Tuesdays 10am to 2pm. We are checking other phone services for better price when our contract comes due with Golden Voice thanks to Kent C. for making all the calls.

Our Sub-committee meeting will now be held the second Sunday of the month at 1212 Mariposa 5:30pm

Thanks for letting me be of service Caroline B.

PI Subcommittee Report—January 8, 2006

Our last subcommittee meeting was held on Monday, December 12th @ 8965 E. Hamden. There were four in attendance, including a special visit by John V., who has been actively working with P.I. for many years! Our main focus was on re-organizing the P.I. racks, locating them and re-establishing valid point of contact information.

I have provided Drug posters and ask all G.S.R.'s in attendance to take some back to your home groups to be distributed.

The P.I. committee also voted to move their monthly meetings to 1212 Mariposa @ 5:30 p.m., the first Sunday of each month.

We also discussed the Qwest ads and voted within committee to discontinue the listing. The committee feels that at this time that it was the best use of our resources, as Dex provides free white pages listings.

P.I. is still looking for volunteers and we do have two positions open. We really need a secretary, and it would be helpful if they have access to a computer and the internet. We are also searching for a volunteer to be the point of contact with the phone line. P.I. really needs dedicated and enthusiastic members. I encourage area members to stay for our subcommittee meeting this afternoon to see what projects we are working on, and to find out what P.I. is all about.

In loving service,

Lori C.
