HANG OUT IN THE GAME ROOM AT CRCNA XXIII AND BE OF SERVICE AT THE SAME TIME!!

The game room at CRCNA XXIII is a place to go and play poker or backgammon or any other game that you and your buddies would like to get together and play. We know that some of you are held up in your hotel rooms most CRCNA's, this year we are giving you a space.

We will have the game room open 24-7 all weekend as long as we have willing addicts to host the room. Similar to the Hospitality Suite, you can sign up for a 1 hour, or a 2 hour time slot to assure us someone is there all weekend.

If gaming is your thing, then this is your space!!

Thanks for your help in keeping the game room doors unlocked and open!

We need you to sign up to host a time slot in the meditation room!

Do you teach meditation, or do you know how to lead guided meditation?

Have you ever searched high and low at CRCNA for that quiet place to go gather your thoughts?

Looking for a place to get away and relax?

Maybe you really need to write on your step work....

Would you like a place to go play a game of chess and concentrate on your next move?
