I would like to thank the MHAC for your confidence in my ability to assume this commitment to be of service. I look forward to serving this body and taking an active role our new and exciting area. I have seen the great progress achieved over the past year. It is a privilege to participate in our purpose to continue supporting the groups of this area their primary purpose, which is to carry the message to the addict who still suffers.

I attended the Activities Committee on June 13 at 6750 Carr St. and I am excited with the leadership and energy that Angie will provide. We discussed many great ideas and her committee is in need of addicts to help carry out these exciting plans. I am committed to working with her as her Committee needs to write Guidelines and provide this Area with events to show us how we can recover together and have fun doing so.

I am not sure if I will be able to attend the July Service Committee Meetings, as I have a family commitment and the Regional Assembly on the same weekend. However, I am happy to be available to any Sub-Committee and their Chairs whenever possible.

The next Guideline Sub-Committee will be Saturday July 11, at 1:00 at Erin and Paul's home. I trust that those Sub-Committee members who have provided their experience, strength and hope will continue with this process through its completion. I look forward to our finalizing and approving the remaining Sub-Committee Guidelines so they will be solid and effective over the long term. Thank You for letting me be of service. Dan A.

This month the committee elected a new vice chair Marylou L. and a new training coordinator Allen F. The secretary position is still open, we also elected a new panel coordinator for Denver County Women's Elaine. We received the 3rd and final allotment of Basic Texts. All the books have been distributed amongst the facilities we currently service (18). A new meeting has been requested from Santa Fe House, a residential facility for mental health. Next subcommittee meeting will be held on Sunday July 11th at 5:00 pm at 6750 Carr St. Arvada.

#Outreach Report given by Teresa

We met with Phone line sub committee. Worked out logistics. Agreed to put up poster for the letter writing program at two of the men's jails. Reviewed letter writing programs. We reviewed the meetings on wheels program, Much discussion on helping isolated groups.

Meetings are held on the 2nd Sunday of the month at 6750 Carr. They are working with H & I on some matter.

Working with adhoc Committee on Guidelines. Questions were answered about outreach.

#Phone Line Report given by Chair Jeff L.

Report We met on Sunday June 13th, all seems to be going well at our meeting we also met with Community Outreach to discuss putting a message for them on the phone line message i.e., "if you are an addict who needs a meeting and can't get out" meaning terminally ill or wheel chair bound ect. This has been added; we also made the changes

that early Birds meeting has relocated with the new address listed. We discussed the next possible time for a workshop? Orientation with in our committee and also talked a little about the Activities chair for support. All sub committees need support but if all GSR's could announce that a few of us really need support it would be greatly appreciated.

Thank you Jeff L.
