**Chairperson’s Report:** George

Thank you for letting me be of service, I have made a few attempts to meet with and invite the owner of the truck that started a previous discussion concerning traditions. So far I have not had the timing right I will make one more attempt on the night of the Jan 5<sup>th</sup>. Failing connecting with him, It has not been detrimental to the NA

body as of yet and while yes it is questionable; we may want to let the issue rest until such time as there is any evidence that harm is occurring.

Scheduling until July is set please see the mini-prints on the back table this will also get posted on the web. New Proposal forms are on the back Table. Group Condition and changes reports are also available on the back table.

I'm proud to be a member of this body thanks to all of you.

- The Vehicle previously discussed in the November Area meeting. Chairperson could not find the owner of vehicle but is in belief that this isn't causing any harm and warrants no further pursuit. Should we continue to pursue the conscious of the Area or reevaluate taking any action. Some issues raised by the PI Chair and RCM 2 that there is harm being caused. Chairperson has checked with World Service Lawyers and we have no legal recourse.

GSR raised point that this conversation embodies the first step.

Motion to release the Chair as the single point of contact with this individual.

Motion Passed.

Group conscience after discussion: anyone from Area to come into contact with this individual can if they want invite this person to come to Area and give a presentation on their work.

#### **10 MINUTE BREAK**

#### **NEW BUSINESS:**

#### **OPEN SHARING:**

- New Years activity was not on region's website.

Action: RCMs please take this suggestion to Area

- Gmail Motion from last Area, question raised does it have to be Gmail?

Action: No.

- Last regional meeting did not lend to conscious in this body.

This was discussed last month; ending with conscious if we weren't there we shouldn't discuss it.

Offense is taken to this opinion.

No one in attendance was present at that region.

Action: Direction to RCMs to reign in drama at that level.

Point Raised that this is the result of a chronic lack of effective communication.

Activities Chair puts forth: There has been a 10<sup>th</sup> Concept Grievance levied against the Region; are we sending our representatives in prepared to deal with the consequences of this action and do we understand what it means?

Vice Chair offers to attend the next region to aid the RCMs and ensure that the grievance as well as the traditions violations are clearly addressed.

Chairperson: We want a higher level of professionalism at the Region. We suggest that our RCMs aide the person who had acted in the position of Chair to understand that they are trusted with the ability and duty to remove any persons violating traditions or concepts. In addition our Area fully supports a redress of the vote for CRCNA level personnel.

Brief discussion of eye witness accounts as they were recounted to this body.

Counter to what was previously stated there may not be a formal grievance and there is not as of now an intention to revisit that Regional Meeting at the next one.

Brief discussion of the upside down triangle and our Area's interpretation.

Encouragement to request a Regional inventory.

Lively Discussion Ensued.

Chairperson's Recap: Action for RCM:

- 1) We want a report of accountability – Specifically what transpired last region
- 2) An increase of spirituality at the regional level
- 3) Request a Regional Inventory – Service Specific
- 4) Further feedback is needed and we may want a recount of CRCNA Election
- 5) A strong desire to encourage and raise comment on rotation of service; please allow room for other members to in
