## ADMINISTRATIVE OFFICER'S REPORTS

### **Chairperson's Report**

**Dan A.**

Hello everyone,

Please forgive this lengthy report as I submit my final report as Chair of the MHASC.

As you are aware, MHASC Subcommittee and Administrative Committee elections are today. I am excited to learn who our new Trusted Servants will be. I remind all current Trusted Servants that you can best ensure a smooth transition to your successor by actively training them and working with them over the next few months.

It has been a privilege to serve the Mile High Area of Service Committee of Narcotics Anonymous. I want to thank you all for allowing me to be of service to this body for the past 3 years in an Administrative capacity. As I stated last month, I believe I have been blessed most by the service positions you have entrusted me with at MHASC. I will miss our monthly meetings, but I have no doubt you will all succeed and flourish with the newly elected Team.

#### As I look back on the past years, a few facts stand out:

- Our average meeting attendance was less than 20 GSRs.
- The Area Meetings had a reputation as being confrontational, inefficient, and painfully long.
- In July, 2005, we were in a downward financial spiral; we were outspending our income by thousands of dollars per year.
- At times we had less than \$150, no prudent reserve and no Guidelines to ensure we met our most basic obligations.

#### I want to review some of the accomplishments over the past 2 years:

- Area meetings now have an atmosphere of compassion, respect and efficiency, and our Groups are aware of this.
- This awareness is best demonstrated by the increase in GSR participation by more than 50%. As of May, 2007, we are averaging more than 33 GSRs in attendance! I applaud you and your Groups for this.
- We have successfully written and implemented fiscally responsible Guidelines to avoid financial shortfalls as severe as in the past.

- We have maintained active, vibrant, and expanding Sub-Committees carrying more messages to more still suffering addicts than ever before.

The job is not finished; there is plenty more to do. I am confident that this body will rise to meet the challenges we still face by:

- Electing strong leadership in our Administrative Committee and Subcommittees, and holding all Trusted Servants to the highest standards of integrity and commitment.
- Continuing to take ownership of issues this body faces and making sound decisions on issues on the table, such as the Area Planning Tool and the direction of our Literature Subcommittee based on recommendations from the Ad-Hoc Committee, as well as new issues that will face this body.
- Maintaining fiscal responsibility within the MHASC so we can better carry the message to the addict who still suffers.

As we move forward with our newly elected Trusted Servants, I challenge you all to keep the primary purpose of this body as stated in the Guidelines of the MHASC as your top priority: *The purpose of the MHASC is to support its groups on fulfilling their primary purpose by providing services deemed necessary by the groups. In all its proceedings, the MHASC shall adhere to The Twelve Traditions, Twelve Concepts of Service of N.A. and the resources of A Guide to Local Services.*

The next regularly scheduled meeting of the MHASC will be held on Sunday, July 1, 2:00 P.M. at 1212 Mariposa. *Thank you for letting me be of service. Dan A*

## **Vice-Chairperson's Report**

**Jerry**

Hello, everyone.

I had a great time at the World Learning Days and look forward to sharing my newly learned information with you all. I also met with the Treasurer and the Chair to go over the budget. I would like to express my gratitude for being allowed to be of service to this body for the past year. I would also like to thank Dan for all of his hard work and dedication to service at the Mile High Area. Thanks also to all of the subcommittee chairs, admin committee and GSR's. It has been a good year.

*Thank you for letting be of service, Jerry*

## **Secretary's Report**

**Karen W.**

*Thank you for allowing me to be of service, Karen*

## **Treasurer's Report**

**Lindsay**

**Opening Balance for June, 2007:** \$1,761.03

**Emergency Reserve:** \$1,413.97

We had additional returned checks this month, totaling \$278.63. They were from the same individual who bounced checks last month. Therefore, I will no longer be able to accept checks from this individual – you know who you are. If possible, please provide area with a money order in the amount of \$278.63 to make good on the returned checks.

**Closing Balance June, 2007:** \$548.36

**Opening Balance July, 2007:** \$393.10 (\$300 of which is for H&I, so the ACTUAL opening balance is \$93.10)

Please see the attached approved budget for Quarter 1, 2007.

\*Hospitality room sign ups are for 2 hours this year. You can sign up at [nacolorado.org](http://nacolorado.org). Any group signing up will be responsible for cleaning up the room after they have used it and keeping fresh coffee brewed in their allotted time period.

\*We still need a Convention and Web Chair

\*The main hope/idea for the Saturday night event is a Halloween/costume party. Alan introduced a band that was voted in. The name of the Saturday night band is "Boogie Machine."

\*Terri, from H&I, is continuing to request facilities that she can fax an information sheet to with all the low down on CRCNA.

\*All subcommittees continue to need help at this point. Due to the lack of support CRCNA was hoping to piggy back on a lot of events that are already occurring. I explained that MHASC doesn't presently have an Activities chair. You can find out when and where all CRCNA subcommittees meet by going to [nacolorado.org](http://nacolorado.org) and clicking on the link to CRCNA.

\*The convention is going to have three main speakers and 42 topics have been chosen for marathon meetings to present to region.

\*You can register for CRCNA online at this time. They are currently having problems with being able to print the flier from the website and this is being addressed.

\*I also need to correct something from my announcement at area. I was under the belief that up to 5 addicts could get in a room for the \$79 room rate. After re-reading the minutes and my notes, I found that the maximum number of addicts allowed to stay in one room is 5 (due to fire code). Jay is still checking with the hotel if all 5 are covered under the rate. I will keep everyone updated as soon as I know.

Thank you and in loving service, Vale , MHASC CRCNA XXI Liaison

### **H&I**

**Jay Mc.**

We had our last subcommittee meeting on May 13, 2007. We had 17 people in attendance. Our next subcommittee meeting is next Sunday (June 10th) at 5 PM at 1212 Mariposa. We are looking for people to go in to several different facilities. We will be doing H & I Training at the July 8<sup>th</sup> subcommittee meeting. I ask that all GSR's please announce this at their home groups. 6<sup>th</sup> months clean time and H&I training are all that are required to go into many of the facilities we serve. We have not been able to take meeting into certain facilities as scheduled due to lack of volunteers (Jefferson County Jail – Men's and The Federal Correctional Institute). We are still looking for Panel Coordinators for Parker Valley Hope, Jefferson County Jail – Men's and The Phoenix Center.

We are still disbursing the Basic Texts given to us by the Colorado Region. This should be completed by July. My tenure as Chair of the H&I subcommittee is coming to an end. It is still my hope to complete a thorough review of our literature needs on a facility by facility basis if the new H&I Chair feels that is something we need to do. I would also like to see our subcommittee conduct an inventory which I would be happy to spearhead.

I want to thank the Mile High Area and all the member of the fellowship for the opportunity to serve this past year. It has been a great chance to learn and grow and further my recovery. I am humbled by the notion that everyone here trusted me with such an awesome job. I hope that in some small way I was able to help carry our message. I still believe that H&I is one of the most rewarding service opportunities for our members.

I have full faith that Terry C will be an awesome Chair, if elected. She has helped me tremendously in serving as H&I chair. She really made me look good.....even when I was too proud to admit I was overwhelmed. She has my full support.

*In loving service, Jay Mc*

The Outreach Subcommittee for the Mile High Area

June Report

The Outreach Subcommittee for the Mile High Area meets at 1212 Mariposa St. at 5:00 pm the 2nd Sunday of the month.

With our correspondence program we received 8 letters, we sent 13 letters and we sent 2 books

Our Adopt-a-Meeting program is currently supporting the meeting "Hope Without Dope".

Our Meetings-on-Wheels program saw no activity this last month.

We had 2 people show up for subcommittee meeting last month.

*Thank you for letting me be of service Nick S.*

**Phone Line Subcommittee****Brenda C.**

Hello, I am Brenda. he Phone Line Chair, the schedule is all taken again; also only 2-3 members give me their phone log monthly reports. The phone line has been difficult over the last year. If no one is able to step up for the phone line chairperson, I suggest we just let it go. No one showed up for the Phone Line Subcommittee meeting. However, I was able to train 2 that following weekend which was at CRCNA fund raising event, one and the day before, one at a time. We will be electing a new chair today.

Thank you for allowing me to be of service, Brenda C.

**Public Information Subcommittee****Dawn S.**

Thanks for checking. Actually, my last month was the previous month, so I didn't have a report this month. Only one person showed up to the May subcommittee, and since it was Mother's Day, we decided to cut it short, so there's nothing much to report. Drug court is up and running -- so that's good news.

As far as I know, there's nobody else to step up. There are a few women I know who are interested in doing some PI work, but not able to commit to 12 months of Sunday area meetings in addition to 12 months of Sunday subcommittee meetings. We have discussed trying to go forward without a chair and each of us would share the responsibility of going to area meetings.

Not even sure if PI got a budget for the next quarter. I've tried to announce that PI needs bodies to show up, but I started to get an attitude (not a positive one), and so decided it's time to step away. I know enough about NA that if I'm still showing up and acting like the chair, nobody else will.

I keep telling myself it's about me showing up for my recovery, but it would be nice to see some commitment from the fellowship, too. It would be nice to see this area doing something to reach out to the addict who still suffers -- so they don't have to go to jail or institutions to hear about us.

One thing I am grateful for is to have gotten to know some fellow addicts -- like you -- that I might not have run into otherwise. If you get tired of being secretary and want to join the PI underground women, let me know.

Thanks for letting me ramble. *In loving service, Dawn S.*

Attached you'll find several options for the Yellow Pages ad for the Denver metro area. Listed costs are the per month cost. Decision due early to mid-September.

- a) Small box ad, with: DRUG PROBLEMS? WE CAN HELP! Call Narcotics Anonymous 303-832-DRUG (303-832-3784) [www.nacolorado.org](http://www.nacolorado.org): \$109.50
- b) Yellow Pages Internet Pointer (YIP) ad, includes: NARCOTICS ANONYMOUS (in bold capital letters), web site, 303-832-3784: \$75.80
- c) Name in bold capital letters, and number (303-832-3784): \$36.00
- d) Name & number: free, as long as our 832-DRUG service is with QWEST

Please take into account:

- ∞ In a recent informal survey, about half of our fellowship says they have used the Yellow Pages/phonebook to find NA information.
- ∞ In that same survey, most people said they found out about NA through treatment, jail, friend/family member. Right now, our major PR efforts in this area are limited to H&I and the phoneline. How do people who are not incarcerated or in treatment find out about us?? Right now, there isn't much else. If we want to do something different, we will need more people willing to show up and do the work for PR, something we have NOT had in the past 18 months or more.
- ∞ Remember, PR is not about serving the membership, it is about reaching people who have NOT heard about the solution we offer. Be aware that these POTENTIAL members will not necessarily be looking under "N" for Narcotics Anonymous – they will be looking under the heading of Drug Abuse Information & Treatment for something that can help their drug problem. The name, Narcotics Anonymous, may not mean anything to them.

## **Lit. Ad Hoc**

I was glad to see double the participation at this meeting and have a feeling that this will not be a few addicts will but an actual diverse group conscience I also would like to state that at no time in the past nor in the future is it a goal of this body to dismantle the literature sub-committee much like our personal recovery it is suggested to partake in a thorough inventory it is also suggested to do the same with our service boards and committees .it is essential to identify what services are working, where improvement is needed, and whether services are absent For the last time there is no goal of dismembering the sub-committee.

This is the format so far for this ad-hoc that I have taken from the Area Planing Tool.

- Gather information
- List the issues
- Develop goals (identifying what not how)
- Prioritize goals
- Create approaches (actions to reach goals)
- Prioritizing approaches (a second look)
- Develop an action plan

Through the brain storming process these are the ideas we have produced from our second meeting they are in a raw state some having the same ideas behind them each one no better or less than the other.

- Divide the lit. inventory into 3 categories 1.staple items i.e. books I.p.'s Key tags stock 3xthe par on these 2. non selling items i.e. cd rom tapes etc. hold zero of these and 3. a middle group that stocks 1x the par amount sold
- Stream line order forms to minimize errors in dollar amounts of group order
- Have lit. distributed at one time possibly at the break so sub committee and GSR's can participate in the ASC meeting
- Reduce lit. inventory that doesn't sell through a lit specific activity with raffles , games and silent auction to reduce the amount of lit. inventory that the chair has to mope and to liquidate that inventory to money

- Reduce commotion at the ASC
- change lit ordering to 30 min. prior to ASC for those not ordering on line thus all sub committees will be allowed to participate in ASC also reducing the noise from lit distribution in room
- Have a new groups packet with a set amount of lit and tags
- Use a p.a. system so people can hear over the distraction of lit. distribution
- Maintain a double supply of most essential lit., I.P's and medallion have this reviewed and adjusted to the needs of the group as a whole to be adjusted annually basis with an adjustable spending based on the needs of the area

At the next ad hoc meeting we will take a look at any other ideas and start to move towards consolidating like minded ideas and prioritizing these goals .Thank you to all who participated and as always I encourage all interested to attend the next meeting will be Tues. June 5<sup>th</sup> 6:30 PM at 1995 s. Colorado Blvd.

In loving service  
Joseph C
