CHAIR'S REPORT - DENNIS C. I have just a few of things to cover this month ...

Hey every one, hope you got to enjoy your May and your recovery with family, friends and loved ones.

Hey all this month we have all positions for the MHASC up for nomination and election , as in all Sub Committee Chairs and all Admin Positions.. Please step up and get out self and into service...

Thanks to all that attended the CRCNA Bowling Event, and I believe it was supported by Mile High Area extremely strong...The Memorial Day Picnic was a blast as well , and tons of people ... Let's not forget that we also have the Lakeside Event coming up as well as the Regional Campout at Turquoise Lake ...

I would also like to thank all of you for supporting me, guiding me, and allowing me to serve this body. It has been an honor and a privilege to be here for 5 of the last 6 years and trusted by you all to fulfill this commitment. Much Love & Respect too all ...

There is 1 thing that never stops surprising me, and that is the Dedication and Devotion that all the Sub Committee members of the Mile High Area perform and display And as always would like to thank all Mile High Area Sub committees for helping us to fulfill our primary purpose to carry the message to the addict that still suffers

Freakin N. A. ROCKS Thanks so much for allowing me to serve !!

MHASC Chair Dennis C.

Heartfelt goodbye to Dennis C.

VICE CHAIR'S REPORT - PAT G. Greetings,

In order for the election process to move a little faster on an already busy day I have made copies of the section of the guidelines covering the qualifications. This will keep us from having to read them.

I know there is a long agenda today. Please be patient and we will get through it.

Pat G.

SECRETARY'S REPORT - KARL If you are a new GSR, GSRA, or visitor, and wish to get our meeting minutes by email, there's a sheet going around for you to sign up on.

If you currently receive the minutes you do not need to sign up again.

If you signed up at a past area to get the minutes by email and have not gotten them, please see me at the break.

There is also a sheet going around for clean-time anniversaries to be announced in the minutes.

There are group report forms on the back table, if you have any group news you want included in the minutes.

There are also proposal forms and disbursement forms on the back table.

Anna B. our Activities Chair is maintaining an Activities Calendar which gets posted at our Area's website Events Page. If you would like to get your group's event on the calendar, I'm going to start a sign-up sheet around.

You can also email your report to me at mhascsecretary@gmail.com. We would like to get the minutes emailed out in ten days as per our guidelines, so please try to get your reports to me by Tuesday the 10th.

I recognized that there is a Policy Log that I've been supposed to keep updated. I have not been doing that.

We've completed a draft of Area Policies thru last month. That Log is at the end of the 2nd draft of May minutes distributed last night.

And we'll have that up at the Trsted Servants' web page shortly.

Thank you for taking time to be here to be of service.

Activities: Report given by Sean P.-See attached.

Also announced that Next Saturday at 2p, Volleyball across the street from 1212 Mariposa at the Park Free event.

H&I-Report Given by Terry C.We had our elections and the following positions have been filled. All of the positions in H&I were available for election including the H&I Literature Chair, Volunteer Coordinator, Event Coordinator, Vice Chair position. We are nominating Nellie H as the H&I Chair, as she has fulfilled the position for the past year of H&I Vice Chair.

I am pleased to announce that there have been many positions filled at Jefferson County Jail and we have had 2 volunteers that are now cleared that are stepping up as the panel coordinators. James K for the men's side and Marylou L for the women's.

We are now taking meetings into the Douglas County Jail on the women's side. We will be there on the 2nd and 4th Sunday's at 7:00pm. This facility requires 5 years off paper and at least 6 months clean. Douglas County is a little different in the clearance process. You can come in and participate in a meeting to see if it is a fit for you before you fill out the required paperwork. So if anyone here is willing to carry our message to the addicts that are incarcerated- we need your service!!!

I have a very important message concerning the Denver Women's facility. They are now accepting applications for women who would like to personally sponsor a woman and take her through the 12 step of Narcotics Anonymous. This is a huge accomplishment at DWCF as AA has been sponsoring for years and there are women who refuse to do the work unless it's through NA.

Several of our facilities are in need of volunteers for a once a month commitment- that's **an hour** of your time **once a month**. So if you have 6 months clean come and discover the high in H&I and I guarantee it will help keep you clean.

The next Mile High Area H&I/ Service training is next month on July , 2014 at 11:00am, please announce at your home group that we need your help to carry the message to the still suffering addict. It has been my honor to serve the Mile High Area for the past year as the H&I Chair and I will continue to serve as the DOC coordinator for the region. Hospitals and Institutions is such a necessary subcommittee as the addicts behind the walls are dying to hear our message. Narcotics Anonymous is their solution!!!

ILS, Terry C

Asked for women in the fellowship to work the steps with Women in Denver County.

Next H&I Training will be July 13-2pm

Paul asked if we giving as much support to Mile Hi area as we were to DOC facilities. Terry replied Yes.

Literature Committee- Given by Steve P.- See attached.

Literature current value of physical inventory- \$5003.61

was discussed process for new meetings started. Readings were given to two groups.

Outreach-No report

Phoneline-Report given by Jordan.

Once again, I am unable to make Area this month due to work-

Your Mile High Area Phone-line had 525 incoming calls this month and eight missed calls.

The volunteer schedule still has 2 openings for volunteers to have a completely filled schedule. This was my goal for my service term. We came VERY close to succeeding! I would like to once again thank all 73 volunteers for their OUTSTANDING efforts on the phone-line. Your MHA phone-line missed calls have been at an incredible low this past year, with one month only having one missed call!!! Incredible.

Please note the Event line needs to be updated. If possible when your group is having an event, be sure to get a flier to our Web Chair, as this line will be updated with what is on our web page for consistency throughout the fellowship. Event line will be updated on Monday June 2, 2014.

We have updated all History Documents in the Hotmail account as well as doing a final update on the Onebox 'How-To' manual. Making it easier for someone to step into this position. Jordan B. has shared an interest in being the next Phone-line chair, her help on the committee for the last few years has been invaluable. She is truly an asset and hope that the Mile High Area will trust that this position will be in good hands with her as chair! Thank you to our vice-chair Paul and Danielle our training chair for their help, service and time. As well as everyone else that participated and stepped up when needed.

There are no words to express my gratitude for allowing me to be of service. It sincerely has been an honor and a privilege. Once again, thank you for helping me stay clean.

-In humble and loving service

Public Information Subcommittee Report. Chairperson Dan M. June 1, 2014.

Hello from your Public Information committee! My name is Dan and I'm an addict.

First I'd like to mention that our "Drug Problem?" bus kiosk advertisement has moved. It is now located on the the NORTH side of Colfax and EAST side of Kalamath. This location receives many thousand views DAILY! Our 1-year contract formally began on February 3, 2014 and runs through February 2, 2015. Within the past week, the company we have been working with, Outdoor Ads, sold its bus shelter inventory to Street Media Group. I will remain diligent as this transition happens and inform the Area body of any crucial information related to this change.

On another note, myself and 3 other recovering addicts successfully staffed an N.A. table at the annual 9th Health Fair being held at the Colorado Convention Center. This was a free event for us to participate in. The event organizers estimated this event was attended by upwards of 1,500 people from the community.

Another PI activity that we 6 recovering addicts completed over a 3 presentation event at a metro Denver alternative high school enrichment class on Monday April 14th, April 21st and April 28th was well received and a director expressed interest in making this an annual part of their class curriculum.

A VERY BIG THANK YOU TO ALL THESE FOLKS THAT TOOK TIME OUT OF THEIR PERSONAL SCHEDULES AND HELPED CARRY OUR PRIMARY PURPOSE TO THE PUBLIC!!!

On the horizon are some of P.I.'s largest and most resource demanding events of the year....People's Fair on June 7th and 8th and Pride on June 21st and 22nd. We have a few more 3 hour time slots to fill for both days of People's Fair, so if you're interested please approach vice-chair Travis or I as soon as possible please. We strongly encourage those that haven't been trained, or simply need a refresher, to attend the last remaining INTRO TO SERVICE training that will occur on Area Sunday, June 1st at 11am prior to these event dates.

Your Mile High Public Information committee is staying busy with assisting the Boulder Area's Public Information committee in getting some much needed training materials like our Power Point presentations, as well as continuing to stock literature at several metro Denver locations like this 1212 Mariposa facility, clinics and alternative high schools, delivering donated N.A. books to local library branches, and to fulfill any future incoming requests from the public to carry the N.A. message to folks who need it.

Worth mentioning out loud today is that we're look for a Secretary! Our guidelines suggest:

Secretary\Treasurer: elected by the PI subcommittee. Clean time requirement of nine months is suggested.

Responsibilities of the position include:

- I. Records minutes of all meetings of the subcommittee and maintains archives of prior meeting minutes and related materials
- II. Copies and distributes minutes from subcommittee meetings
- III. Keeps current records of all subcommittee members including addresses, phone numbers, and e-mail addresses
- IV. Prints or copies (fliers, etc.)
- V. Responsible for treasury

Please pass along an invitation to anyone in our Fellowship, with any length of clean time, to attend our monthly Public Information meeting on Area Sundays at **12 noon**. The more folks we have involved, the more we can carry the N.A. message to the still suffering addict. Please spread the word that every N.A. member has a place in the Public Information committee and we would be delighted to serve along with you; carrying our primary purpose to those that may not be aware of our life-saving Fellowship.

A variety of rewarding service opportunities await you as Public Information fulfills our primary purpose of carrying the message to addicts who still suffer.

In humble service,

Dan M. (personal cell for any inquiries -->720.569.7746 or napidenver@hotmail.com)

PR COMMITTEE-

Report given by Kris G-Public Relations Report June 1, 2014

I received a single inquiry about meetings that might no longer be meeting. I passed this information on to Mike the web chair.

I am submitting an updated version of the social media guide lines (attached with this report) for your review.

Please review them with your home group. I expect to submit these guild lines for approval in July. Please contact me at 303 523-6045 if you have any questions or concerns.

In the next year my goal is to work with the subcommittees to create 6 month 1 and 2 year goals, and to do further research on the possible mile high aria social medial porthole.

Thanks in loving service
