**Vice-Chairperson's Report: Al**

Hello everyone

Well we're doing it , the number one objective produced by the area inventory in

November was to have increased communication between subcommittees and possible implementation of a PR Committee. Today was our first trial run at implementing this system. I'm sure adjustments will need to be made as we learn this new system. Thanks again to Keegan for the efforts he put into PR adhoc committee.

All subcommittees of MHASC have been functioning incredibly well over the last year. Hopefully we are able to continue and build on the current success of these subcommittees as we move into newly elected servants for the subcommittees. The PR committee should be a format that can be used to help support any subcommittee that is struggling. On that note the Outreach subcommittee could use members. Karls efforts have in large part been a solo effort on his part. If your willing to be of service please see Karl S or show up at next Outreach subcommittee on June 5<sup>th</sup> at 10:00 here at 1212 Mariposa.

Thanks to all the GSRs who attended regional assembly last month. I hear it can be challenging to sit through the process. I'm sure your presence and opinions were appreciated.

I have still have two hard copies of the area guidelines up here if anyone needs a copy. Also wanted to make sure everyone knows that between Nick and Bridget's efforts the MHASC policy change log is up and functional on the website under For Trusted Servants just before the latest area minutes.

Thanks for letting be of service

MHASC Vice Chair

CRCNA met at the Englewood Library on April 9<sup>th</sup> at 10:45am. Right now everything to be running on schedule pretty well. The remaining CRCNA fundraisers are: Mexican Dinner in the Springs in May, a formal event in June, Poker run, Carnival and Movie in the park in July, the barn dance will be in August and we will be bowling in Boulder in September. Merchandise is continuing to come up with ideas for the convention. Programs is still accepting speaker tapes and they are now starting to plan out the workshops. Early bird registration is open until June

## **SUBCOMMITTEE REPORTS**

### **Activities Subcommittee: Brittany**

May 1, 2011

Hi everyone!

First off, I'd like to thank everybody who attended our 1st Annual Pajama Jammy Jam! We had a much better turn out than we had foreseen. So thank you, thank you, thank you again for all of the support! Just another reminder of what we can do TOGETHER that we can never do alone!

On behalf of the Subcommittee I'd like to apologize; because of scheduling conflicts, we were unable to have our treasury meeting for this event yet. Based on the original count, I think it's safe to say that this event was profitable. We will for sure have the money and final numbers available at the next MHASC meeting. The treasury meeting will be combined with our regularly scheduled meeting next Sunday, May 8th, here at 1212 Mariposa @ 5pm, at which time we will also be discussing the details for the much anticipated 3rd Annual Luau as well as a possible co hosted formal event with CRCNA F&E in June, the 2nd Annual co hosted Independence Day event with Surrender & Recovery, & the 2nd Annual Turquoise Lake Campout which is of course co hosted with Ain't Dead Yet. We welcome, and very much appreciate new voices and imaginations at our meetings!

The fliers are out and on the back table for our 3rd Annual Luau! It will be Saturday, June 25th at the Cherry Creek State Park White Tail Picnic Area from 11am-7pm. The event itself is a \$3 suggested donation per person. Unfortunately, the park upped their entry prices this year, and it is now \$9 per car. That price is non negotiable, so we strongly urge everyone to use their "fellowshipping skills" to pick up the phone and round up as many people as will fit in your car to pitch in and come down to the Luau, with or without your grass skirts and coconut tops! This picnic area is reserved to us and us only on the beach of the beautiful, swimmable, boatable, jetskiable, waterskiable body of water. We will have pizza (Hawaiian of course), ice cold beverages, Hawaiian background music, tiki torches, beach volleyball, and hula hoops just to set the scene to celebrate a warm summer day in recovery! Please help us spread the word...

We could really use the GSR's support in making sure that our events are being announced at every meeting. We want to show every addict, that we can and do have fun in recovery!

On another note, I'm sure you've all been very curious as to what is next for the Activities Subcommittee as my Chair position is finally coming to an end. And before anyone even suggests it, no I will not be running again! ;-). Instead, the Activities Subcommittee sat down this last month and put a lot of careful thought and consideration into choosing who

we'd like to see hold this position for the next year. And after much discussion and deliberation, our suggestion for the nomination of Activities Chairperson is.....Melissa F.!

I will save you all my "end of service commitment" spiel until next month. In the meantime, thank you so much for letting me be of service.

Brittany L.

Outreach Subcommittee Report, April 2011

First of all, we invite all of you to offer your thoughts on what Outreach might do to help the isolated addicts and meetings in our area.

You can contact an Outreach trusted servant at MileHighNAOutreach at gmail dot com, or call Karl at 303-762-9193.

The next Outreach Subcommittee meeting is on Sunday, June 5th at 10:00 AM, 1212 Mariposa St., Denver, CO 80204 (That's the community center across from Lincoln Park--3 blocks S of Colfax, 3 blocks W of Santa Fe Dr.). Everybody's welcome!

Outreach continues to look for a vice-chairperson, a treasurer, and a secretary.

**Assist-a-Mtg**

Razor's Edge will have a 12 Tradition Study and Barbecue Saturday, May 14th from 1:00 to 5:00 PM. That is at 12795 Hwy 285, Conifer. Razor's Edge will provide hot dogs and hamburgers, buns, plates, etc. Folks are invited to bring sides like chips, coleslaw, potato salad, and drinks. (The on-site soda machine has 50 cent drinks.) Suggested donation of \$3.00, no addict will be turned away. Directions to Razor's Edge: Coming from Denver: Up US 285, a few miles beyond Conifer's shopping center. Past the Kum n Go which is at Kings Valley Rd (big sign). Then about another mile to Calfee Gulch Rd. (small sign) which is near the bottom of a hill. When you hang a right off US 285, you are right at the Mountain Club's parking lot. Razor's Edge is not affiliated with the Kum n Go, and not affiliated with the Mountain Club. We wish to announce a new mtg. It's called SOULS Clean & Free, Livin Life! It meets twice a week on Tuesdays and Thursdays at 6:30 PM. It meets at a clubhouse at 6796 Lowell Blvd. in Westminster. That's at the corner of Lowell and 68th St. between Sheridan and Federal. Format is Open, Discussion.

Right now, Outreach offers several forms of assistance to new mtgs. We help mtgs get listed on the area mtg list. We help them get registered with World Services so the new mtg will show up in searches for mtgs in their area on the day they are held. We offer a \$15 coupon with which the group can buy stuff from the Literature Subcommittee. We offer a small Start-up Kit. So: We are considering asking the mtg to exist for a period of perhaps 90 days before offering it these forms of assistance. (We also have documents called "Attracting Trusted Servants" and "Group Assistance", a list of forms of assistance that are available to the groups from the various service bodies of NA.) If you have any thoughts on that let us know at MileHighNAOutreach at gmail dot com, or call Karl, the Outreach chair at 303-762-9193, or talk to your friendly, neighborhood GSR.

Also, Ain't Dead Yet! is announcing that mtg is being attended by many young female newcomers on Saturday nights. ADY's GSR says there are not enough women with a strong msg to deal properly w/ the number of newcomers they have.

If you can make your way over there some Saturday night, that would be great. (8:00 PM, 8085 E. Hampden, just east of Tamarac Square, a mile or so east of I-25, at the church.)

Or pass the word to women who have some clean time and recovery and who can share their strength, hope, and experience.

Free at Last (76th & Lowell, church, basement, Tues @ 7:30 PM) says their mtg could benefit from attendance by women who can act as sponsors. We invite you to pass the word along to the women of the Mile High Area NA. The Ray of Light meeting of NA invites you to attend its Wednesday 7:30 PM meeting at 1301 E. Colfax. This meeting is looking for support with attendance. It is also looking for a Treasurer--that's a great way to get into service at the group level.

Finding the Way meets in a treatment center at 3400 Lutheran Parkway, Wheat Ridge 80033, Friday nights at 7:30 PM. This meeting has many, many newcomers with just a few days clean time who are eager to hear our message, so they are looking for attendance by folks with a good NA message. It is not an H&I mtg--it is open to everybody. Also, Finding the Way provides a lot of key tags, info pamphlets, and white booklets to the folks in the treatment center, so it can always use 7th Tradition support.

#### Meeting Outreach

Outreach continues to attend meetings that do not send GSRs to area. We distribute new meeting lists and activity flyers. We give out "Attracting Trusted Servants" and "Group Assistance" to interested trusted servants. "Group Assistance" lists the various ways the several service bodies can help a meeting or group.

#### Registering Mile High mtgs w/ World Services

Recently, I spoke with a recovering addict who was visiting from out of town, and he mentioned that he had found the mtg we were at thru the NAWS Meeting Locator. So we again encourage meeting trusted servants to go to na dot org, and see that your meeting's info is up to date, or speak with a member Outreach. As of now, we have thirteen updates needed at the World Services database. Much improved from sixty a year-and-a-half ago.

Mike H., our Web Contact Person, is working on automating the updating of the Mile High Area mtg lists, the Regional mtg list, and the World's database. Thanks for your work on that, Mike!

## **PR Adhoc Committee: Keegan**

PR Adhoc Report #4

Dear MHASC,

The PR Adhoc met on the 17<sup>th</sup> of April to discuss the meeting that was set to take place on the 1<sup>st</sup> of May. It was the decision of the group to make a simple agenda and address some basic issues facing all four of the core subcommittees: H&I, PI, Phoneline, and Outreach. The agenda addressed the following three questions:

1. What are the priority projects for each subcommittee?
2. What resources does each subcommittee need in order to complete those projects?
3. Who in the room can help with these needs?

This was the format that guided the meeting that took place @ 10am on May 1, 2011. The discussion was very productive and each subcommittee was able to create a clear direction that they are attempting to go. There was excellent discussion created around creating solutions to the difficulties facing the subcommittees. The following is a record of what the priorities for each of the subcommittees are and what the solutions are:

1. What are the priority projects for each subcommittee?
  - a. Outreach
    - i. Razor Edge is having a traditions study and flyers need to be distributed and support from members drummed up
    - ii. Women's Meeting 8085 E. Hampden
      1. Doesn't know if it is being held
      2. Needs help to investigate meeting and see what is going on
      3. Help from a woman
    - iii. Outreach needs support from people and needs regular trusted servants, needs support
  - b. PI
    - i. Phoneline service, leads that used to come to PI are lost
    - ii. Festival series needs people, about 10 slots available, starting June 4<sup>th</sup> and 5<sup>th</sup> starts
    - iii. Schools project would like to get started in the fall
    - iv. Speakers needed
  - c. H&I
    - i. Always needs more volunteers and more participation
    - ii. Better communication
  - d. Phoneline
    - i. Fill up slots for phoneline, 4 slots need filled
    - ii. Training people on the phone system
    - iii. Developing more training times
2. What resources will the subcommittees need to complete projects?
  - a. Outreach
    - i. Dissemination of information and coordination of interested parties to those subcommittees
    - ii. Highlight the ease of this kind of service and how it is something that a small group of addicts can do as a part of their regular meeting attendance
    - iii. Get info out to service pool list to help increase participation
  - b. PI
    - i. Dissemination of information and coordination of interested parties to those subcommittees
  - c. H&I
    - i. Better communication between willing service members
    - ii. More volunteers
  - d. Phoneline
    - i. Dissemination of information and coordination of interested parties to those subcommittees
3. Who in the room can help with these needs?
  - a. Tamara can help with women's meeting by going and seeing what is going on, has contacts to reach out as well
4. Goals to accomplish by next month.
  - a. Create a format for each subcommittee to develop a boiled-down explanation of the service each subcommittee carries out
  - b. Complete service pool list of all available addicts willing to serve in any capacity and send out information resulting in PR meeting
  - c. Coordinate phone line and PI regarding PI leads acquired from phoneline
    - i. Talked to both chairs and vice-chairs offline after the meeting and it was decided that for now all phoneline trusted servants will be given direction to send all PI requests to PI chair until a system change can be made to accommodate a better flow of requests
  - d. Connected with Outreach chair and will get together in this week to devise a way to increase awareness regarding Outreach and Outreach projects
  - e. Develop next step for implementation of PR regarding how Training, Website, Literature and Activities will be included in the PR umbrella

The major focus at this time for the PR Adhoc will be to complete the service pool list and send out this month's priority projects to all on the list in order to create a stronger foundation of support. The next step after that is to begin coordinating the involvement of Literature, Training, Activities, and Website. There was a great deal of discussion regarding utilization of different technologies to increase PR's ability to communicate and disseminate information to the service pool.

The next meeting of the PR Adhoc will be on June 5<sup>th</sup> @ 11:15ish following the meeting of the PI, H&I, Phoneline, and Outreach subcommittees. The chairs of Activities, Website, Literature, and Training will all be warmly welcomed and encouraged to attend that PR meeting and discussion will begin between the PR Adhoc and those subcommittees regarding their involvement in the PR umbrella. A list will be sent around the May 1 meeting of the MHASC to get people's contact info for the service pool list.

I am very encouraged by the involvement of everyone that has attended any PR meeting thus far, and very much look forward to where the PR structure can take the MHASC and all of it's service efforts. Thank you for letting me serve.

In anonymity,

Keegan W.

## **MHASC SUBCOMMITTEE REPORT HOSPITALS & INSTITUTIONS**

The subcommittee met today at 10 AM at 1212 Mariposa. Attending was 11 of our Panel Coordinators, The subcommittee secretary and myself, the acting chair of the subcommittee.

We are not actively pursuing any new H&I meetings at this time due to the number of volunteers at our current facilities. On the other hand we presently have twenty two facilities holding meetings on a regular basis and have started up or will be starting two additional facilities that were on hold. Those being the Stout St. and the Marvin Foote Facilities.

We continue to update contact information for all our facilities and the H&I volunteers. Panel Coordination training and communications remains high on our agenda list.

Panel coordinators are reporting good attendance and participation, but we can always use more volunteers and literature.

With the new MHASC elections coming up in June, and being formally nominated for the H\*I chair position, the subcommittee will be in need of a new vice-chair. Our secretary and our training coordinator position will be open for nominations.

Next month, June, is our next H&I training session. It will be held the first Sunday of the month at 1212 Mariposa at 11:30 AM right after our subcommittee meeting.

As always if there are any questions or comments about the H&I subcommittee, please feel free to show up at our next meeting in June

Thank-you, ILS  
Paul U., Acting Subcommittee chair
