Chair Report
November 6, 2004

This last month was full of fun activities. I personally had a nice convention, visited with many old friends, and I am looking forward to our next convention in Pueblo. Jailhouse Rock, our Halloween event, was well attended and we had a lot of fun.

The Rocky Mountain Forum will be meeting on December 10 & 11 in Windsor, CO. The business meeting will begin about noon on Friday 12/10 with fellowship workshops on Saturday 12/11. All are welcome to attend.

Our next meeting will be December 5, 2004 at 2:00pm at 1212 Mariposa.

MHASC Vice Chair Report Nov. 7th

I did not attend the service committee meeting on Oct. 17th, at 6750 Carr. I attended the Jailhouse Rock party and I felt it was a real success. Much fun was had by and the Activities committee did a great job of putting the event together.

I attended the Thursday evening meeting at Centennial Peaks, which we were not sure if they were part of the Mile High Area or the Boulder area. I spoke with the GSR of the group who appreciated our reaching out and informed me that they are a part of the Boulder area. She asked me to invite any members of the Mile High Area to this meeting, as there are many newcomers that could benefit from our experience, strength and hope. That meeting is on Thursday nights, and there are fliers in circulation giving the details.

I am having difficulties in coming up with a template for Literature Guidelines. I am asking that if anyone knows addicts in other areas who have a literature subcommittee to please get me a copy of the Guidelines to help me get some idea of how we can write the Guidelines for our Literature committee.

I have done nothing towards writing training guidelines with Carl.

Thank you for letting me be of service

Dan A.

Activities --- came in late

We finished and planned meeting to finish our guidelines on 10-24-04 at 4:30. Also discussed planning for up coming events. The Jail House Rock was a success There were over 60 addicts and family there. There were 4 winners of the costume contest who will get a t-shirt. We made a profit of \$139.17. Added to the \$378 budgeted, minus the \$79.43 left over e walked away from the function with a surplus of 437.74. adding the surplus the left over I wrote a check to the area for \$510.67 plus a check for 6.50, totaling 577.87.

Planning for a MHASC Unity meeting open meeting for two hours to be proposed for Dec, 11th 2004. Plans for a Holiday gathering to be proposed in Dec. Also new years gathering.

Motion passed to give activities committee \$300. for up coming Unity Day Dec. 11th.

CRCNA LIASION

CRCNA Report November

Well the convention happened and it was here and now it is gone. It was a wonderful time. The Region will be electing the administrative positions at the next Region, which is November 14th in Arvada. Show up if you are interested in serving as Chair, Vice Chair, Treasurer or Secretary. The sub committees for the next CRCNA are going to be in the second weekend in January, place yet to be determined. I will keep you up dated as to the place and time of the subcommittee elections.

This is the participant statistics of CRCNA reported from the registration committee.

This years CRCNA has been real exciting experience and I had a really good time as the Mile High Area CRCNA liaison position is probably the most high-spirited and easiest area level position that there is. It has been a real honor serving you guys. Having that been said, I would like to remind the area that **CRCNA liaison position will hold nominations next month in December and will be elected in January.** If you are interested in being CRCNA liaison show up and speak up.

OutReach

Oct (11/07), 2004, Monthly Report for Mile High Area Outreach Committee

The Outreach Subcommittee meets on the second Sunday of the month at 6:00pm, 6750 Carr St. There was one person in attendance last meeting; Teresa

We received ten letters this month, responded with nineteen letters and four books. All letters were answered within one month. We are getting more letters from men and need more male letter writers. Please announce this at your group. We will be participating in the service training on Nov. 14th or we can train people individually.

There were two meeting on wheels meeting this month, we could use a volunteer coordinator for this effort.

Adopt a Meeting summary:

We have reached the three month mark with the Spoons are for Coffee group. We met with the GSR at the group conscience. Things appear to have picked up at the meeting, except there is still a need for trusted servants. The meeting is no longer in need of Outreach help. A complete discussion of lessons learned ect is in the work plan.

Support for the “Just say NA” at 7:30 on Thursday at the conifer Mountain Club, 12795 Hwy 285 has been discontinued.

We continue to develop a work plan and appreciate the help from the Spoons are for Coffee.

We discussed the agenda and who is going to do what for the service training / committee meeting on November 14, 2004. We continue to need support so if all GSR's could please announce at each respective meeting it would be great, we especially need a vice chair to step in and start learning so that when my commitment is up they can step in. At this time we still have available shifts they are, Sunday 10:00 am until 2:00 pm, Tuesday two shifts are available, 10:00 AM until 2:00 PM, also 2:00 PM until 6:00 PM, Wednesday over night 10:00 PM until 6:00 AM on Thursday morning, Friday over night 10:00 PM until 6:00 AM Friday morning, Saturday also has two shifts available, 6:00 AM until 10:00 AM and Saturday over night 10:00 PM until 6:00 AM if anyone is interested or if GSR'S would please announce these time's, it will be greatly appreciated. Phone Line Update

Steve C. and Lori M. are co-managing the PI Subcommittee's phone line liaison position and tending to PI calls on a daily basis. Please note that Lori M. will be busy during PI's regularly scheduled monthly meetings for the next few months, but she will continue with her phone line duties for the PI Subcommittee. Over the month several requests of this subcommittee were addressed via the phone line this interest reiterates the need filled by both Steve and Lori who we thank for their continued effort.

Professional Mailings

Currently this effort has been put on hold until we can rework the current database which, although well made by Ben S. it is still lacking in several areas. Eric C. will help to improve this database and it is hoped that very soon we will continue the Professional mailing campaign.

Methadone Outreach

John V. reported that the IP distribution is going well. To date he has supervised the placement of IP racks at Denver Health and at A.R.T.S. Posters have also been placed at these locations. He will continue to inform and provide literature to those addicts who are suffering with methadone addiction.

Information Rack

To date we have placed IP racks at the following locations, Parker Valley Hope treatment facility, Denver Health 4East that is the dual diagnosis clinic, and also those placed by the methadone outreach. We also have contacted West Pines and are committed to restocking their IP rack.

We will be placing at the following locations, Littleton Hospital, Peer 1, Craig Hospital, and Swedish Hospital. These placements will occur, if authorized by the facilities, during the upcoming month.
