ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report:

Hey everyone,

I just want to start off by apologizing to this body for yelling at Marie last month. I have already apologized to her in person. That was definitely not an example of a "calm spirit".

I also need to apologize for not getting last months report to Patty in time for inclusion in the minutes.

The only matter of real importance from that report, would be, to remind everyone not to use email addresses from MHASC business for jokes and junk forwards.

I was able to attend part of the Regional Assembly last month. It was baffling once again to watch people leave early. This an opportunity for GSR's to directly participate in Regional matters.

Talk of different ways to set up service structures was one of the things discussed. We may as an Area want to take a look at some of the options in the GLS. Extending the meeting time or having a meeting purely for Open Sharing are possibilities. That's just me talking though.

Thanks again for the privilege of being in Service,

Mac

SUBCOMMITTEE REPORTS

Activities Subcommittee:

Hi everyone! I really want to thank everyone who attended the birthday event. Everyone that came had a lot of fun. We overestimated the number of people who would show up, and it looks like we came in under our goal financially. Our treasury meeting will be happening sometime in the next couple of days, and we will bring that information back to the next area meeting.

There are only 48 more days until the much anticipated Luau event. Planning is under way, and we have some pre flyer flyers on the back table. This event is going to be a ton a fun, and we are all greatly looking forward to it, and hope that you are too. The Luau will be at the State Park at 4201 S. Parker Rd. in Aurora on Saturday, June 19th. We will be meeting at the same picnic area as last year, which is the White Tail Picnic Area, just look for the NA signs. The price to get into the park is still the same at \$8 per car, this would be a great event to carpool to. We have yet to set the time for this event, but I will keep everyone posted.

We recently joined efforts with the CRCNA Fundraising and Entertainment Subcommittee to put on the annual spaghetti dinner on Saturday, May 29th, and will be at the church that Humble Lights just left in Green Mountain. I'm pretty sure that we are calling this event "Good Fellaship" and it is Italian Mobster themed. Yes, this means that you get to dress up, and there will be free CRCNA registration for the best dressed mobster, mobsterette, and mobster couple. Dinner starts at 6. Speaker at 7:15 and dance at 9. It's \$10 for just the dinner, \$5 for just the dance, or \$12 for both. This will also be an awesome event, and we hope to see you there.

We are also planning to join forces with the ADY Activities subcommittee to co host the turquoise lake camping trip at the end of July... More info will come soon...

The form for summer events is out again, and we encourage anyone who wants their event or recovery oriented get-together to fill one out and return it to an Activities Subcommittee Member. Those can also be found on the back table.

The Activities Calendar for May and June is also on the back table. The actual calendar is on the front and the flyers for the events on the back. I have left the information for the speaker meetings on the back, but they are removed from the front as there are just too many to fit right. If your event isn't on their please email me the information and/or flyer to mha.activitieschair@gmail.com, which is also on our website at www.nadenver.com under the events tab.

All open positions that we have are now filled, but that does not mean that we can't use more support. We have a lot of events happening in the next couple of months and the more addicts helping, the better. We will not be meeting next week, because of the holiday; none of our trusted servants will be able to make it. So we rescheduled for this Thursday at 1630 E. 14th Ave at 9:00pm. This is at the same location and following Young at Heart.

Our Vice Chair, Michelle H., is interested in stepping up to be elected as Activities Chair. Unfortunately she is out of town today, and will be again for the next area, so if no one else stands up, I would like to nominate her when she can come in July.

Thank you so much for letting me be of service.

Brittany L.

Hospitals and Institutions:

The Subcommittee met April 11. I was not in attendance, the meeting was chaired by Paul U., the sub-committee vice chair.

All positions for the sub-committee are open. Paul U. was nominated for Vice Chair, Lynn L. was nominated for Volunteer Coordinator. There are no nominees for the positions of Secretary, Literature Coordinator, Training Coordinator, and On-Line/Tech Coordinator.

We have been in contact with the CRCNA planning committee and will be participating in putting on a 90 minute workshop at this year's convention.

We continue to carry the message of recovery into over 20 facilities with the help over about 100 volunteers. Excelsior, the teen female component of Peer 1, is looking at adding two nights.

We will be conducting H&I training in June. I will be held on Sunday June 13, at 3:00p.m.

The Mile High Area Hospitals and Institutions Sub-Committee has positions open for the next year. We are looking for people willing to serve in the following positions: SECRETARY, LITERATURE COORDINATOR, TRAINING COORDINATOR, and TECH/ON-LINE COORDINATOR. Details concerning the responsibilities of these positions are available on the area website in the H&I section, see the PDF of the sub-committee guidelines.

I also need to clarify a few things regarding my nomination to a second term as H&I Sub-committee chair. I am happy to accept the nomination, but I need to let everyone concerned know that I will not be available for service at the regional level or to any CRCNA committees following my next year of service. I am aware that it is traditional for the retiring H&I chair to be available to serve in one of these positions, however, because of commitments to family, education, and career, unfortunately I won't be able to serve past the next year.

Take Care & God Bless,

Lou S. - Mile High Area H&I Subcommittee Chair

Literature Subcommittee:

On Sunday, June 6th at 11:00 am (prior to Area), there will be a Literature Review Workshop. We will be reviewing chapters 4, 5 and 6 of the living clean project. We ask that you try to read the chapters before the workshop. You can read the entire draft at na.org.

Feel free to bring snacks and/or drinks to the workshop. If you have any questions or trouble finding the project online call Mike P. (720-690-7586).

Outreach Subcommittee:

We are working at expanding our Correspond w/ Inmates program in institutions in the Denver Metro area. Thank you, Terry C. and Valery M. and everybody who is helping us with this effort.

Our next intention would be to get with Terry C at Ft Logan to expand an idea of "bridging" with members that are getting out of their long term residence program. The point is that we would need to have members that would be willing to help by picking individuals up and taking them to a meeting and then bringing them back. To volunteer for this they would need to go to Ft Logan and be screened with some questions by staff at the facility.

The Adopt-a-Meeting program is supporting the 5th Tradition mtg. It meets Friday nights, 8:00 PM at 22nd & Lawrence at the Phoenix Concept (no affiliation). There are many newcomers at this meeting with 6 months or less of clean time that are eager to learn about losing the urge to use and living a new way of life. We invite everyone to attend 5th Tradition whenever you can, and share your message of strength, hope, and experience. The 5th Tradition meeting has service opportunities Talking to Kent he said that "we just need a little break from going every Friday" they would be willing to chair once or twice a month if they could get some assistance on the other weeks. We will pass a sign up sheet around so you can sign up to commit to attend 5th Tradition and also to chair a meeting once a month. We could probably talk Kent into coordinating the chairs for those open times.

Registering Mile High meetings with World: 46 down, 21 to go. Thank you, Marilou of No Matter What for taking on the task of registering all the No Matter What meetings. World tells us that we can fill a position called a Web Contact Person who can register mtgs. The Web Subcommittee is working on that.

Meeting Outreach: We continue to visit with meetings that have not sent a GSR to area for at least 3 months. We see how they are doing, and find out if there is anything Area and Outreach can do for them. We invite them to become active at the area level. There are still about 16 meetings in the area that haven't sent a GSR to area since at least January 2010.

Starter group kits and coupons. (give brief basic explanation) In April we supplied a starter group kit to Young and Sprung, a new, youth-oriented meeting (Monday nights 7:30 PM, Jft Clubhouse).

Also, Focus on Recovery, a new, women's meeting that meets Tues nights at 6:00PM at 8085 E. Hampden, received a \$15 Welcome Coupon good for purchasing whatever they want from the Literature Subcommittee. "Adopt a Meeting" Idea is not complicated it is for Long standing and or flush Solid meetings. We ask that if your meeting has a strong following and you would be okay with it we could ask you to support new meetings by donating literature and or books or readings to assist a new meeting in increasing their chance of survival probably a one-time shot for your group.

Thanks for letting us be of service!

Karl, Ron and Teresa

Public Information Subcommittee: NO REPORT SUBMITTED

Training Subcommittee:

Greetings Trusted Servants of the MHASC! As I have previously mentioned, this will be my last month as your Training Chair. Bob D, the Vice Chair, will be here next month to serve in my absence.

This morning we had our second half of the 12 Concepts Potluck discussion. 12 people showed up and we had great food. I suggest in the future we ensure all these Area events be staggered on different days and different times, as the Potluck, the PI Training, AND Literature Review were occurring at the same time today.

I am reflecting on my 5 ½ years of service to this body with mostly positive memories. The years I have served this body have been a tremendous growth opportunity for me, and I have experienced the whole range of human nature, both good and bad. Some of the events that occurred last summer were the most painful I can recall in my 21 years of service to NA. I am delighted we have all moved on and have come together as unified as we have. I have been really, really impressed with ALL the subcommittees this year. I cannot recall a better MHASC as this recent one. I am thankful to the many of you who have supported me, even in some of the worst of times. I like to say “if you need to know what to work steps around, or what your character defects are, go get involved in an Area Service Committee.”

As I said, I have spent a significant amount of time in personal reflection regarding EVERYTHING that has occurred, and one thing REALLY stands out. I think about myself sitting in my home group 5 years ago, and at least half of the people that were there then are not there today. Many, but not all, are loaded - and a few of them are dead. However, when I think of all of those who were serving here as chairs of subcommittees, on the administrative committee, or RCMS or CRCNA liaisons 5 years ago when I came into this body, to the best of my knowledge, ALL of them are still clean, and most of them are still doing service. I wanted to point this out, as although I do not believe service itself will keep you clean I believe a combination of Steps AND Service seem to be the ingredient – consistent with our “symbol” being comprised of a base of Steps, Service, God and Society, with the broader the base, the higher the point of freedom. The combination of Steps and Service bring the focus of my reality from being the victim, to being a willing participant.

As my final parting words to this body, to serve as a reminder to ALL of us, myself included, I would like to read a passage from the 12th Step in our Working Guide:

What about NA service? Strangely enough, some of us reserve NA service as the one place where we forget our principles. We cease giving people the benefit of the doubt in a service setting. We openly accuse others of hatching plots, and we say cruel things because we're not practicing the principle of kindness. We set up impossible processes for those we elect to do a job because we're not practicing the principle of trust. We become self-righteous, belligerent, and sarcastic. It's ironic that we seem to want to attack those whom we trust with our very lives in recovery meetings. We need to remember to practice spiritual principles in any meeting, whether service or recovery. Service gives us many opportunities to practice spiritual principles.

Let's remember to all be nice to one another. We are all here for the same reason. - Love and respect, Alan T.

NAYC Ad-Hoc:

I am sorry I am unable to attend Area Service today. I am attending my step son s 4th birthday party. I am happy that Holly, the NAYC ad hoc secretary, is able to deliver my report for me.

We are very excited as a committee to report that the ad hoc committee for NAYC has met twice and had great attendance and support. Our first meeting was held on Sunday 4/25. 15 people were in attendance. Our second meeting was held Friday 4/30. There were 21 people in attendance.

This committee has had much discussion, with much more to come. We have touched on the following topics: purpose of NAYC, guidelines, mission statement, liaisons to other subcommittees, and service positions on the NAYC.

We wanted to make sure there were enough people willing to serve in subcommittee positions as well as liaisons from NAYC to the other subcommittees. In discussing service and willingness, we found that we have more than enough people excited to serve in each position, some positions having up to 4 interested parties.

We have compiled a phone and email list to circulate between ad hoc committee members. If you would like your name and information added to the list, please contact our secretary, Holly.

At our next meeting, we will be reviewing guidelines and mission statements from some other NAYCs. We hope to come away with proposed guidelines and a mission statement. All are welcome to attend meetings. We welcome members of all ages and experience levels.

We will be meeting twice monthly from now on. Typically, we will meet the 2nd Sunday at 1212 Mariposa at 6:30 and the 4th Wednesday at 26th and Kipling at 7:30. The 2nd Sunday in May is Mother s Day, so we will be meeting the 3rd Sunday instead. Still at 1212 Mariposa at 6:30.

Thank you for letting me serve the Mile High fellowship. I look forward to next month s Area meeting, where I hope to provide a detailed account of our ad hoc s findings and proposals.

In Loving Service,
Carie C
