ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report: Dennis

Hey all, I hope everyone enjoyed their August as much as I did. A few of us had to go from the Mile High Area of Narcotics Anonymous to the (NOACNA) the New Orleans Area Convention of Narcotics Anonymous and let them know the best Area in the U.S.A. was in attendance. What great fellowshiping, what great workshops, what great recovery and what a blast! The month of August had a lot of activities going on. Southern Serenity had a well attended BBQ, the Annual Standing on Higher Ground Retreat and Campout went extremely well, and that same weekend Uptown Steppers Annual Picnic In The Park had quite the event. Surrender to Win had a Birthday Celebration, the CRCNA fundraising event, Pikes Peak Poker Run, Mexican Food Dinner and Dance, A.D.Y. had the Labor Day Picnic and last night the Almost Legal Dance was a HUGE SMASH. Hats Off to you all for all your support and attendance. Hopefully this Area Meeting we will be able to nominate and elect a Phone line Chair for our Phone Line Sub Committee. There is 1 thing that never stops surprising me and that is the Dedication and Devotion that all the Sub Committees members of the Mile High Area perform and display. As always I would like to thank all the Mile High Area Sub Committees for all their hard work and dedication to carry the message to the addict who still suffers. Thanks for allowing me to serve.

Vice-Chairperson's Report: Alvin G.-not present Bridget read report

Unfortunately I am not able to attend this month's area meeting as I am out of town. I say unfortunately because I was interested in seeing how the area inventory process is going to work as I have never been a part of an area inventory in my service time at area. Also was curious to hear the information on the liability insurance we are looking into. This issue is complicated and hopefully we get a bit more clarity as to where we stand on the type of organization we are, if it really is required and the costs of it. I guess I will have to get caught up on these issues by reading the minutes and talking to fellow members when I get back. I trust in the addicts researching and facilitating these issues. I did attend most all of last month's subcommittee meetings, I could not attend all of them as some of their meeting times overlap. I can report that we really do have some very responsible and productive subcommittees in place at the Mile High Area. The one subcommittee in need of attention right now is Phone line as we are still in need of a Phone line chair as Brent has moved to California. This could possibly be taken care of at today's area meeting. Whoever takes on this position I intend on helping and supporting that person with that position in any way I can.

See you all in meetings or at next month's area

Thanks for letting me be of service.

Secretary's Report: Bridget- No report given

Treasurer's Report: Jim- See Attached

RCM: Even 2 Year- Ron T.

Sorry I will not be at the area today.

At the last Regional there was formed a Temp Budget Committee Comprised of the Regional Treasurer and two RCM's to assist there are more components of this but they may not be pertinent if you read the Regional report and proposal 4 submitted and accepted Sept 2009 last year. Regional meets next weekend at Edwards Colo. I thought it was pertinent that the Area know about this arrangement.

From: COLORADO REGIONAL ASSEMBLY OF NARCOTICS ANONYMOUS

Minutes

Sterling, CO

September 19, 2009

Proposal #4: Passed with 8 reservations and 2 stand asides

Use the September assembly, where GSRs are present, as the primary budget review meeting for the proposed annual budget. Proposed budgets will submitted in a three tier priority system. This is driven by the reality that CRSC funding comes from 7th Tradition donations and CRCNA. CRCNA proceeds have varied widely from \$10,000 to a negative fund flow.

Tier 1 proposals will be funded if CRSC must rely on 7th tradition only for the year. For example years when CRCNA did not make money, we could fund only critical need items.

Tier 2 proposals will be funded if the CRSC income is tight. Years when CRCNA makes a modest profit. These are items the RSC has given moderate priority.

Tier 3 proposals will be funded by the CRSC in years when CRCNA was financially successful. These would be the fully funded budget for the CRSC

Steps and Schedule:

1. CRSC Admin and PR Subcommittee (combining H&I, PI and Outreach) will prepare the tier 1, 2, & 3 proposals for the September Assembly. Anyone (ASCs and GSRs) can bring a budget recommendation to the September assembly.

2. An agenda item for budget input and discussion will be added to the September assembly.

3. After discussion the assembly members will accept/modify the budget proposals.

4. The funded tier will be determined by the income of CRCNA, this information will be made available by the November RSC.

The annual budget will be finalized at the November CRSC meeting making budget available for activities beginning in January.

Intent:

To create a process resulting in an annual budget based on the priorities set by the GSRs, then funded to the extent of available revenues.

This proposal would eliminate the need for a Budget Subcommittee freeing trusted servants to provide direct services.

Guidelines have not been develop, and should not be, until we have tried this a while and have worked out details

RCM Odd 1 Year: Patty H.

As there wasn't a regional meeting in August there is not a whole lot to report.

I will be attending the Regional Assembly in Edwards on September 19, 2010 but will not be able to attend area in October due to work commitment or November due to surgery; I do however plan on attending the November Regional Committee meeting. I will forward a written report in regards to the Assembly. I could not find an agenda on line for the assembly but am more than happy to take any "issues, concerns, questions" to the assembly, though ALL GSR's are encouraged to attend.

Regional Vacant positions:

◆ CRSC Vice Chair

The September Regional Assembly will be held in Edwards – September 19, 2010 @10:00 am at the Single Tree Community Center. All members of Narcotics Anonymous are encouraged to attend. From Denver, I-70 west to Exit 163 (Edwards). Go north on the Edwards Access Road, turn left onto Berry Creek Road to the community center. There are hotel rooms available at a reduced rate of 90.00 at the Inn and Suites at Riverwalk – call 888-926-0609 and mention "regional assembly" for reduced rates.

The Colorado Region submitted a letter of intent to host the next Western State Learning Days in October 2012. The 2010 WSLD will be held in Fresno, CA – 10/29 – 10/31. At that time, an actual bid proposal will be submitted for consideration. Mac M. was appointed Adhoc chair at May's regional meeting.

The PR subcommittee is presently working on the development and refinement of the CRSC guidelines, submission of the PR portion is being geared for the 4/2011 assembly and slated for approval at the 9/2011 assembly.

SUBCOMMITTEE REPORTS

Activities Subcommittee: Brittany

Hey everyone! First of all, I would like to thank everyone who showed up to the Almost Legal Dance last night. We had a great turn out and profited roughly \$100 after reimbursements and the donation to the facility. I also would like to thank everyone who showed up early and stayed late to help set up and clean up, it's greatly appreciated! We will be having the treasury meeting for this event this Thursday, September 16th @ 9pm, just following the Young @ Heart meeting.

We'd also like to thank Gimme The Text/ Gimme 3 Steps for inviting us to help out with their awesome Gimme the Field Day event! It was a great time!

Our next event is our 2nd Annual Freaker's Ball, which is Saturday, October 30th, here at 1212 Mariposa. The candlelight meeting starts at 7pm, and the dance starts at 8pm. There is a \$3 suggested donation, no addict will be turned away. This is a costumed event, and there will be an anonymous costume contest for most original, funniest, best couple and best overall, so have fun with it! We will have a kids room again this year with movies and popcorn, this time our TV will work! We are very excited about this event, so please help us spread the word, by announcing it at every meeting! Flyers for this event are on the back table!

And the time is here for the 2nd Annual Tri Area New Years Bash! This will be Friday, December 31st at the Radisson Hotel and Conference Center in Longmont. The Banquet starts at 6:00pm, speaker meeting at 7:30pm, and dance at 9:00pm. Tickets are \$20 for the banquet and dance and will go on sale at CRCNA, so bring some extra money as we expect the 200 tix to go very fast this year! The dance alone will be \$7 at the door. We got upgraded to a beef option this year too, for no extra cost! The banquet options this year are Celebration Chicken, Asian Inspiration, and Eggplant Au Gratin.

As for our financial aspect, we are taking a \$500 check today for the deposit for the New Years event. Off the Wall and Boulder Areas will be getting us checks each for \$150 for their portion of the deposit, so we will then only be down \$200. Once the banquet tix are on sale, we would like to request that our kitty be put on hold and no money flow into the area until after the New Years event, as we will need to use that money to write a check to the Radisson at the end of the event, and as soon as that happens, all excess funds will flow straight into the Area. Last year our profit was \$454.22, we foresee it being at least that amount this year, and that will all flow back into the Mile High Area Account, and at that point we will be at our cap, so from that point forward all profit should flow back into the Area. If you have any confusion about this, please stop by our Subcommittee meeting today, and I would be more than happy to explain it to you.

Our Subcommittee meeting is today at 5:00pm, please join us for some fun event planning and service. We will be doing elections today for vice chair as we have someone stepping up to run. Yay!

The Activities Calendar for September and October is also on the back table. The actual calendar is on the front and the flyers for the events on the back. The speaker meetings with pot lucks and the ones that requested to be put back on are on there, but the rest were removed due to the lack of room to make them all fit. All the speaker meetings are listed on the meeting list as well. If your event isn't on the calendar please email me the information and/or flyer to mha.activitieschair@gmail.com, which is also on our website at www.nadenver.com under the events tab.

CRCNA Liaison: Spencer

CRCNA is being held October 15-17, 33 days from now, in Grand Junction. Registration is \$25 until September 15th (this Wednesday) at which time the fee will rise to \$35. Rooms are still available for \$99 however if you do not book a room by the September 16th the rates will rise to \$129. The Committee did a walk thru of the Hotel August 23rd and it is a nice hotel.

There are several food establishments very near the Hotel plus a Safeway nearby. Not to mention for those who like the outdoors in the proximity of Grand Junction there is the Grand Mesa and the Colorado National Monument. If you like golf the Hotel borders a golf course.

If you want to be of service there will be plenty of things during the convention we will be needing help with. Especially for the Friday morning setup and the Sunday morning tear down. Hospitality room will need people to help to keep it cleaned up. Registration needs help throughout the convention. The Merchandise committee will need help staffing their tables. Also registration will be meeting September 21, 2010 @ 6:00 pm to do registration packets, see or contact Patty H for information of where this meeting will be at.

There is one more CRCNA fund raising event scheduled for September 24th in Boulder. It will be a costume party at a bowling alley. Not all of the details are available but will be soon. This has been a sad few days for the F & E committee. The vice-chair, Guy P, was killed in and motorcycle accident Thursday.

The current lineup looks something like this

- Marathon meetings starting at 1pm Friday running thru to 10am Sunday. There are plenty of slots that need people to sign up and chair a meeting.
- Hospitality room which there are still some slots open for groups to sign up and host two hour segments.
- Workshops at various times throughout the weekend. One of which will be about NA history.
- Friday afternoon/night
 - Open stage
 - Speaker meeting
 - Comedian
 - DJ'ed dance
- Saturday
 - H & I play
 - Speaker meeting
 - Rock Concert – “Live in Stereo”
 - DJ'ed dance
- Sunday morning
 - Sunrise meeting at Devils kitchen at the Colorado National Monument.
 - Breakfast at the Hotel for those who registered and paid for it.
 - Speakers meeting around 10am.

Outreach Subcommittee: Carl

First of all, we invite all of you to offer your thoughts on what Outreach might do to help the isolated addicts and meetings in our area.

You can contact an Outreach trusted servant at MileHighNAOutreach at gmail dot com.

The next Outreach Subcomm mtg is on Sunday, October 10, 2010 at 2:00 PM, 1212 Mariposa St., Denver, CO 80204 (That's the community center across from Lincoln Park--3 blocks S of Colfax, 3 blocks W of Santa Fe Dr.). Everybody's welcome!

Telecomm Meetings

There is a draft of a mtg list of NA conference call mtgs. These mtgs are approved by NAWs, and everybody is welcome to call them. They are a great way to get a meeting if your location, bad weather, transportation failure, or handicap prevents you from getting to a "face-to-face" mtg. NOTE: If you live outside the area code of the mtg, it is a toll call, that is, long distance. Besides that, there is no fee for calling any of these mtgs.

Thank you, Joseph and everybody who produced the list. We look forward to Joseph getting a copy to Webservant Nick who will get it posted on line!

Assist-a-Mtg

A Woman's Touch has only one trusted servant. Starting in October she will not be always available to open the doors. We are looking for women to step up and help keep this child-friendly meeting going. A Woman's Touch meets Saturdays at 3:00 PM at 1450 Airport Rd. in Aurora.

Outreach is supporting A Wake Up Call. A Wake Up Call meets Sundays at 9:30 AM at 121 Acoma St.--one door N of 1st & Acoma. There is a \$3 breakfast sponsored by the facility served from 8:30 to 9:00.

We continue to rethink what the Assist-a-Mtg Program does and how it does it.

We are working with the Public Information Subcommittee and with meetings looking for support to do Poster Days in their neighborhoods.

The Assist-a-Mtg program is supporting The 5th Tradition Mtg. This mtg meets Fridays, 8:00 PM at 22nd & Lawrence at the Phoenix Concept (no affiliation). There are many newcomers at this mtg w/ 6 months or less of clean time. We invite everyone to attend 5th Tradition whenever you can, and share your msg of strength, hope, and experience.

A Woman's Touch is looking for support. It meets 3:00 PM Saturdays, 1450 Airport Rd.--that's a church--no affiliation. A Woman's Touch is child friendly. Also Sisters in Recovery needs support--Thurs 7:30 PM, 1402 Pearl St. Ditto with A Woman's Turning Point.

Also, Meet'n Up North (Thurs 7:30 PM, 3101 E 100th Ave) continues to have regular attendance of young female newcomers. Meet'n Up North trusted servants are asking for support from the Mile High Area women, because Meet'n Up North right now has few or no women with a good NA msg to talk to these women.

Directions to Meet'n Up North: If one got off I-25 at 104th and headed E, one would come to Steele. Go south 4 blocks to 100th. The church is on the NE corner. The W parking lot is most convenient. The entrance to the mtg rm is thru the garden level "glass wall" on the W side of the church.

Shana is overseeing attracting women with a strong msg to Meet'n Up North. You can see her if you want to get involved in a coordinated effort, or just go up there.

Treasurer, Vice chair, and Secretary Opportunities

The Outreach Subcommittee has many service opportunities big and small. Currently we are looking for a treasurer, a vice chair, and a secretary.

People & Programs

We have many opportunities for service, big and small.

We are looking for folks to make one-time visits to meetings struggling with trusted servant issues and attendance problems to see if area can help them. If you want to expand that one-time service into something more long term, Great!

We have many programs to work on. Some of the programs are well established and we are trying to expand them. Some of the programs are so brand new we don't know what they will really be like in their up-and-running form. Whoever steps up to help move these new projects forward will contribute their vision and direction.

Correspond w/ Inmates

We are working at expanding our Correspond w/ Inmates program in institutions in the Denver Metro area. We gave PO Box flyers to Lou S. who is distributing them to H&I coordinators to get them into institutions in the Front Range Area.

Stats for August:

Total In: n/a Total Out: n/a Percentage to and from Colo. institutions: n/a

Books sent to inmates: One.

Building Available for Meetings

Area was contacted via our website about an offer of mtg space in a church building in Old Towne Arvada near Wadsworth & 58th. Anyone interested in finding out about establishing a mtg there can contact us at MileHighNAOutreach at gmail dot com or thru the webservant or attend the next Outreach mtg.

Registering Mile Hi mtgs w/ World Services

We recently submitted registrations for Awesome, Totally Fun, You Gotta Come! and Finding the Way. We will soon be giving mtg info to Mike H. who is our Web Contact Person. Then the info can be put directly into the NAWS database.

Meeting Outreach

We continue to visit with mtgs that have not sent a GSR to area for at least 3 months. We see how they are doing, and find out if there is anything Area can do for them. We invite them to become active at the area level. There are eight mtgs that haven't sent a GSR to area in at least a year.

"Bridging the Gap" the NA Way

This program looks to help clients as they leave treatment centers after having attended H&I mtgs. They would be given support, guidance, and rides to regular NA mtgs so that they are made to feel welcome in the NA community.

We are asking around about programs like this already in existence in NA. If you have any knowledge of one let us know! Also, another 12-step fellowship is having a "Bridging the Gap" workshop Saturday, October 23, 2010 from 10:00 AM to Noon at 2290 S Clayton St (Cross street is Iliff, in the basement of the church where Take the Highway meets).

Fellowship Development and Outreach Program

A new program of the Regional PR Committee called "the Fellowship Development and Outreach Program" is coming into existence. This committee will address opportunities in helping isolated addicts and meetings become part of the NA community, specifically those oppo that would benefit from Region-wide coordination. The specific tasks of this program are still being conceived so we invite everyone to share any ideas you have about what such a program might do.

Our area Outreach Subcommittee was contacted specifically about a possible Detached Mtg Program: This program would establish and support a region-wide outreach directed at mtgs that are so geographically remote that they are not part of any area. This program is still at the idea stage--a great time to get involved.

The next meeting of the Fellowship Development Committee is 11:00 AM, Sunday, October 3, 2010 at the Village Inn in Castle Rock.

Directions: I-25 south from Denver. It is exit 182 in Castle Rock. Head West on Wolfensberger. Go a block or two. Village Inn is on your right.

There are currently 56 groups in the MHA. They hold 112 meetings per week. We list an additional 6 meetings from nearby areas on our meeting list for a total of 118.

The website email (milehina@nacolorado.org) received one outside request this month. It was from somebody simply needing assistance with the address of a meeting, as they were unable to read it off the meeting list. In addition to this request, the website also received an e-mail forwarded from the secretary from a gentleman who was receiving collect calls on his cell phone from somebody he believed to be in NA. After passing the information this person provided on to Brent, he was able to identify a configuration problem with the phone line and correct it. Since then, this individual has not contacted us again to report receiving any more phone calls.

New meeting lists have been printed for the Fall quarter. 5000 meeting lists were printed for the next 3 months. Per a recommendation received last month, I plan to distribute the remaining Summer meeting lists to H&I and PI if they are able to use them.

There is a meeting list update sheet going around, please make sure it makes it all the way back around.

Please submit requests for changes to subcommittee web pages or event fliers by email. milehina@nacolorado.org
Thank you all very much for allowing me to be of service.

Liability Ins. Ad-Hoc: George

NAYC Ad-Hoc: Carie C.

Giving this report today feels very daunting. I am sad to say that I am stepping down as the NAYC ad hoc chair, effective immediately. No one else on the committee feels they are in a position to take my place and as a group, we have decided to ask this body to dissolve the ad hoc. We are grateful to have had the opportunity to share our experiences and thoughts with one another, but the time has come when we feel we can no longer offer our service to this body. We still believe that NAYC is a vital and needed addition to the Mile High Area, but many of us are suffering at a personal level as a result of our participation in the NAYC ad hoc. The "young" people have disappeared from our ad hoc

meetings. We have been told on an unofficial level that they are uncomfortable with the controversy and ugliness that has surrounded this topic since we brought it to a vote in June. They still want to be a part of the service body and are still feeling that they are not welcome, that they have no voice and are not taken seriously. Those of us who have continued to try to bring this subcommittee to fruition are disappointed and saddened by some of the things we have encountered in our personal relationships as a result of our connection to NAYC. So it is with a sad heart that I deliver the last report from the NAYC ad hoc committee. Thank you for allowing me to be of service.

Motions- Mike P./Don O.- Proposed that Mile High Area pay \$412.00 to reserve the 2011 MHA/ADY Campout. The 5th tradition states that "most groups find they cannot maintain their focus on their recovery meetings and also carry out other services." For this reason groups usually assign responsibilities for such services to their area committees. That way groups reserve their time and energy for carrying the message directly to the addict who still suffers.

Britt- Possibly add the \$412.00 to the kitty that she already has because the activities committee cannot pay for this with all the other events coming up

Jim/Brian- Motion to give excess money from area budget \$301.36 to activities budget in order to pay deposit for campout- passed

Richard- For November agenda possibly suspending business so we can conduct Area Inventory-dedicate 2 hours- passed

Mac- Motion to return area meetings on the first Sunday of the month regardless of holidays to avoid confusion and keep the sub committees from having to reschedule due to conflicts with ASC

There will be the addition of phone meetings being listed on website and will be listed through the phone system

DISBURSEMENT OF FUNDS: No special requests for funds
