November 18<sup>th</sup> 2007

RCM Report

We attended the Colorado Regional Meeting Lakewood on November 18th. There were 7 out of 8 areas in attendance.

Boulder is trying to reestablish the H&I meeting in the Adams County Jail. They are in need of an activities chair, but a couple of groups are putting on a New Year's Eve event.

Mountain High has a couple of meetings still going and are working to solve some issues with one of the facilities.

Mountains West is talking about reforming as an area. The CRSC gave the area about \$164 for an overdue pager bill. This will give the Mountains West area an ability to hang some flyers and put their phone number back into circulation. They also have a couple new meetings that are going very strong.

Off The Wall area is holding a Learning days on February 9<sup>th</sup>. They have a new H&I chair and a couple of new meetings.

Pikes Peak is going strong. They have received word about the International Winter Symposium On Addiction and Behavior Disorders. We will have more information to follow.

Serenity Unlimited Area has 12 meetings per week, with a new meeting in Montrose. They have a new PI chair and are looking to put a bid in for CRCNA 23 in Telluride. They are struggling with having a couple of addicts go out on their own trying to rewrite the Step Working Guide as they see fit.

The Conference Agenda Report should be available online and for ordering. There are approximately 10 motions on the CAR. It will cover things such as the Sixth edition text, seating at the WSC, and motions from regions. During the last Conference the WSC voted to seat regions from Western Russia, South Africa and Iran. They voted against seating any new regions from the United States. There is a new bulletin that has been released #30 titled Theft of NA funds. RD and RDA attended the WW Workshop on Conventions and Literature Distribution. I have a packet and some information to give to Chris, the Literature Chair.

The Webservant position is currently open at the CRSC.

PI met on November 17<sup>th</sup>. We discussed the professional learning day in June. The database is over 2650 contacts and is now online for all PI and H&I Chairs across the region to access. We are also working on the 1-800 number and have developed a schematic for review and are now looking at the financial end. PI will be bringing proposals for the 1800 number, for a PR committee to include PI, H&I, Phoneline, Website, and subsequent guideline changes to the January CRSC. Pis next meeting will be Saturday December 15<sup>th</sup> from 11-1 pm at 10111 W.26<sup>th</sup> Ave.

H&I met on November 17<sup>th</sup>. We discussed issues that are facing both sub committees and possible solutions. We also discussed the importance of having the right people and good training. H&I would like to have meetings in the facilities that are not being supported by any areas such as Florence, Canon City, Buena Vista. H&Is next meeting will be held Saturday January 19<sup>th</sup> from 1-3 pm at 10111 W. 26<sup>th</sup> Ave.

The BOD Ad Hoc will be meeting with an attorney and gathering information for their next meeting, which will be held on Sunday December 16<sup>th</sup> at 10 am at 10111 W. 26<sup>th</sup> Ave.

The CRCNA members were present and reported that CRCNA lost money, about \$2500. Through further review it appeared that it was a budget issue with a couple of the sub committees. The CRSC created an ad hoc to review the past years conventions and create some budgetary recommendations for the upcoming year.

As for the \$5000 seed money for CRCNA XX11, the committee will begin with 2500 and will have to sell the rest of the merchandise from CRCNA XX1 to earn the other \$2500.

CRCNA will be bringing guideline changes for clean time suggestions for the sub committee chairs to the January CRSC. Currently there are no clean time suggestions.

CRCNA is looking for a Vice Chair. The next CRCNA meeting will be held The second Saturday of January at 11 am at the Englewood Public Library.

## **SUBCOMMITTEE REPORTS**

### **Activities Subcommittee**

We have had two meetings since our last area we have discussed things such as the gratitude dance and New Year's event. The gratitude dance was held on Nov 17 and made a net total of \$337.35. Everyone seemed to have a good time. The D.J. was great and came equipped with light, music, video, and fog. I went to add that this is an absolute learning experience for me and I have sought guidance through other more experienced members of Narcotics Anonymous who have offered and extended their help. I am requesting a disbursement for the 12 concepts of service, and a guide to local service. As well as 1 set of group readings for speaker meetings. Our next activity will be held on Dec. 31 Monday evening 8:00 p.m.-2:00a.m. Food, fun, fellowship, and festivities. Please bring food, snacks, and games. Fliers are available on the back table, our next meeting will be held on Dec. 9<sup>th</sup> at 5:00 p.m. @ 1212 Mariposa and thank you for the donations and support. If you could please send one of your group members to our next meeting to fill in for the marathon meeting.

### **H&I Subcommittee**

## Mile High Area 12/02/07

The H&I Subcommittee met on November 11 with many people in attendance. The training went very well and even with a great turnout we are just filling the needs of the facilities we currently go into. There is definitely a need for new volunteers as we have new facilities that are waiting to be opened. One of them is the Cherokee House which is downtown, it's apart of Denver Cares Detox. They would like a meeting on Monday nights and it will be coed. Also the VA Hospital would like us to start a meeting there, so if you are a veteran please come to our next training which will be January 13<sup>th</sup> right here at 1212 Mariposa at 5:00p. The third facility is Jefferson Hills Youth Center on the boy's side, which is located by I-225 and Mississippi in Aurora. Please all GSR's let your home groups know that as badly as we need to carry this Narcotics Anonymous message we can not do this without your help!!!

I also attended the H&I Regional meeting that was held on November 17<sup>th</sup> at the Meeting Place, along with Valery who is the vice chair of H&I for the Mile High Area. We were the only area represented although I believe we got a lot accomplished and will meet again January 19th at 1:00p at 26<sup>th</sup> and Kipling. There are several areas that are supposed to be at the next meeting and I look forward to participating on the regional level. One of the main issues that are being addressed is the lack of Narcotics Anonymous in Canon City. As most of you know, that is where the bulk of the prisoners are located, that are incarcerated in the state of Colorado. I am shocked to say the least, that we as a fellowship have literally no presence there. Ryan, who is the H&I Regional Chair is working on bringing Narcotics Anonymous to Canon City. I talked with him this morning and we are going to start a sign up sheet for people who are willing to car pool there once a month. I am sure that some of the requirements will be at least 2 years off paper and a background check. We might start off with a panel meeting and once we get clearance we can turn it into an H&I meeting. If we get enough volunteers, we could do several facilities. That would truly rock! So please, please sound the alarms and get this list started. If any of you here today would be willing to go even every other month please see me and will get this list started. Also give my phone number to anyone interested at your home groups.

In loving service, Terry- 303-437-4461

## **Literature Sub-Committee Report December 2007**

With the help of dedicated service of several members of the MHASC, the literature warehouse inventory was completed this month. We found a large number of T shirts, mugs, and other merchandise, as well as the archives, which we glanced through but really had no way to inventory (more on this later). We have a total literature value of \$5404.09. I was asked to identify and separate out the items in this inventory that are not sold on a regular basis, or are outdated. I have done this, and the value of this inventory is \$1083.15. This would leave our literature value at \$4320.94. What we do with this report is up to this body. I would suggest that removing the old and non-selling items from the literature budget, which is approximately \$1100.00. This would leave the literature cap at \$5900.00. That said, there will be often be transfers from the literature sub-committee to the MHASC of various amounts, with a completely non-binding average of around \$500.00 a month.

As to what to do with the literature we remove from the budget, I also have a few suggestions, and will try to have them fleshed out by the time we move on to new business.

Many Thanks,

Chris Evans

Outreach Subcommittee for the  
Mile High Area  
December Report

The Outreach Subcommittee for the Mile High Area meets at 1212 Mariposa St. the 2nd  
Sunday of the month at 5:00 pm to 6:00 pm.

On our correspondence program:

We received 26 letters,  
We sent 29 letters,  
and we sent 2 books.

Our Adopt-A-Meeting program is currently supporting the "5th Tradition" meeting  
which meets at 2162 Lawrence St. every Friday at 8:00 pm.

Our Meetings-On-Wheels program had no activity this month.

Thank you for letting me be of service,

Narcotics Anonymous  
Mile High Area Phone Line Report

There is one vacant phone line shift on Fridays from 10am until 2pm. Anyone interested can talk to me during the break, after the meeting, or by calling me @ (3) 875-1309. I attended region this past month. The regional PI chair and members of that subcommittee discussed some of the issues associated with the possible formation of a regional phone line. I intend to participate in the ad-hoc meeting on December 15<sup>th</sup>.

Thanks to all those who are volunteering for phone line service at this time.

Brian S.

**Public Information Subcommittee:**

December 2<sup>nd</sup> 2007

MHASC PI Report

I do not know if Dawn and Teresa are still distributing literature around the area for PI. There was no disbursement requested for this task last month. I am unaware at this time of any request for such disbursement this month.

I would like to receive a current list of all facilities that PI fills literature racks for so that we can begin to estimate a quarterly budget more accurately.

Public Information does not have a chair and has not had a subcommittee meeting. I do however have a nomination this position. I personally am very excited about this addict stepping up and being willing to be of service once again.

I have spoken with and delivered literature to Cherokee House Detox and Arapahoe County Judicial Services since our last meeting.

I am looking forward to PI becoming unified with the help of a chairperson and for the committee to begin to have regularly scheduled meetings and starting some new projects.

It is always an honor to serve NA.

Torri F.

**Training Subcommittee Dannielle W.:**

The next training will be held on Dec 13 please attend if you are a GSR, GSRA, or interested in the service structure. I have provided fliers for all who are interested.

## Inventory Ad Hoc Report

We had our last meeting on Tuesday November 27<sup>th</sup>. There were three people present. We went over the inventories that we had collected and input them into a spreadsheet for diagnosis. Out of the 15 inventories that we had collected some of the main concerns overall appear to come from the Activities, lack of PI leadership, lack of training and voting procedures. The overall perception of the groups is that H&I, Phoneline and the CRCNA liaison was outstanding.

The questions that received the lowest responses in the inventory were:

How fully does the area train and support members who serve on the area service committee? 2.24

How well does the area service committee foster an atmosphere of courtesy and mutual respect? 2.35

How well has the area fostered the willingness of the local fellowship to volunteer for service positions? 2.07

The questions that received the highest responses in the inventory were:

How positively is a sense of unity shown within local groups? 3.33

How fully does the area create an environment where the conscience of the body guides the decisions and direction of the area? 3.22

How effectively does the area use resources that are available through the region and/or NAWS? 3.24

If your group has an inventory to submit please do so. We can still input the information. We are asking for direction as to what the area would like us to do with the inventories now?

Torri
