ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report:

Greetings Trusted Servants of the MHASC!

Attached is yesterday's modified version of the Guidelines. We finished the Consensus Based Decision Making Section (pages 9-10). There were small tweaks, but the major discussion involved how many stand asides would kill a proposal. The final decision was 15% (versus 35%).

As it is getting more complicated to keep track of and explain all the changes, I am putting comments in larger text and <> to explain what has occurred.

Next month I will not be at MHASC and Mac will be presiding over the Guidelines AND the MHASC. Guidelines review start at 12:30. It is up to the Guidelines Committee to determine what section(s) they want to work on, but please make it clear so I can make the appropriate changes.

MAC WILL ALSO BE MAKING THE COFFEE :)

PLEASE start announcing nominations and elections will be occurring in May. There are certain positions (such as Literature Chair) that require some amount of training and could be detrimental to the MHASC if they are not filled. The Literature Chair clearly announced yesterday he would not be seeking another term.

See you in May. It is my pleasure to serve you.

Alan T.
MHASC Chair

Vice-Chairperson's Report:

I made an attempt to attend Sub-committees on the 8th. My time was spent with Literature, helping to fill back orders. It became clear to me the importance of properly filling out order forms. Most of all the lack of Group name and or GSR. If possible, ordering on line would make it easier on everyone. There is a long form, 4 pages and short form, 2 pages. Using the "calculate now" feature and bringing a money order would help eliminate time spent in line. Be sure to print a copy of your order for your records and to have as a backup. Blank copies are available at Area for those that do not have access to the internet.

Elections are fast approaching, please take time to consider nominations.
For Open Sharing next month, let's think of ways we could rearrange the room to better facilitate the meeting.
Thanks for allowing me to serve and putting up with my Joe Biden moments.
In Loving Service,
Mac

Hospitals and Institutions:

The H&I Subcommittee met last on February 8th with 19 in attendance. We are working on the following issues:

- We continue to work on new volunteer retention and innovative ways to keep in contact with new & old volunteers to help them to carry a clear NA message. At our next H&I meeting, Panel Coordinators will each bring a written description about the facilities they are going in to. These will be put into a handout format along with a Denver area map pinpointing each facility location. We hope this information will help people in picking out the type of facility they wish to serve.
- We continue to work on the H&I Guideline revisions. The first draft of the document will be e-mailed to all H&I subcommittee members within the next 10 days asking them to review it. We plan to devote our April subcommittee meeting to going over the guideline changes. If approved by the subcommittee, we will then submit them to the Area.
- We made contact last month with Jefferson County Courts to discuss future efforts to participate in a Drug Court. At this point Jeffco is still in the planning stages but is eager to have our support with this effort. It is hoped that Jeffco Drug Court will begin in a month or two.
- We were contacted last month by a teacher in the Otis School District near Fort Morgan asking for our help with speaking to teenagers at the high school about NA. As Fort Morgan is over 100 miles from Denver, we referred them to Rich R. and Jared D. in the "Bringing Freedom East" area. We will continue to track the status of this request and help the new area in any way we can.
- The Boulder Area is asking for help in bringing a Women's meeting to the Boulder County Jail. Anyone who lives up north in the Arvada, Westminster or Broomfield areas who is interested in helping with this effort please see me for contact information and Boulder County Sheriff's Office Application forms.

The next H&I Meeting will be held next Sunday, March 8th, at 5pm, here at 1212 Mariposa. This meeting will be a new volunteer training so please plan to attend if you are interested in helping the Mile High Area H&I effort. We will also be participating in the Unity Day Event on March 28th, by having an information table and a training session. There are Training Flyers, updated H&I Facilities Lists and Guest Speaker sign-up sheets on the back table.

I am Grateful to be of Service!

Valery M.

H&I Chair

Literature Subcommittee:

My order came on time this month – I ordered very early. I have filled nearly all outstanding back orders. I am already back ordered on black and white key tags, a number of medallions and several IP's. Hopefully, orders will catch up so my successor can start without back orders to fill. Please double check your orders – we are doing the best we can but we do make mistakes. If your order has a backordered item, you will receive a receipt with the items written on it. We will keep the order form to fill your order next month. H & I is ordering much more than they used to and prices have gone up. The ordering system is not effective or efficient – I am open to suggestions.

Scott H.

Outreach Subcommittee:

Greetings from Outreach Chair

This month we have been working on a few different details. First off we have now gotten a list of groups that have not been represented at the area. We received from the vice chair a letter to introduce us to the groups as a sub-committee of area. We will proceed by attending these meetings find out if they have a business meeting and then attend that meeting with their invite. We then will find out what we can do if anything to assist their group. Next we are working on an Area bulletin board with a sign up for members that would like to have the bulletin sent to them. This would include area issues possibly birthdays events who to contact and maybe a monthly contemplation brought about through approved literature, I.E. questions from concepts and application. We are continuously receiving Correspondence requests and we just got a new flyer taken into the prisons through H and I for better Communication with the clients and N.A. If you have any concerns or desires we will meet next Sunday March 8th at 1212 Mariposa. at 5pm to further our intentions come join us

Ron T.

Phone Line Subcommittee:

February has been a little crazy. During the month of February we averaged:

30 calls/day

45 minutes/day

3 pages/day (to volunteer)

The phoneline will have a subcommittee meeting next weekend Sunday, March 8 at 1212 Mariposa at 5pm. This meeting is going to be an informational meeting regarding the current and new phone systems being used, as well as getting everyone on the same page. If you have any questions regarding the phoneline you are encouraged to attend.

We also plan to have a table set up at Unity Day on Saturday, March 28th, in which we hope to sign up new volunteers for the new system. We will have a training day for the new system in the weeks following Unity Day. It is possible that by May we will have the new system up and running.

At this time, Angela is officially stepping down as phoneline chair due to personal circumstances. She will still help with the implementation of the new phoneline system but feels a stronger point of accountability should be made available to the AREA.

Thank you - Angela

Public Information Subcommittee:

We received another PSA (Public Service Announcement) and will be contacting Fox on Monday. We are putting another IP Rack at Denver Health in the free clinic. We are working with the Spanish Speaking members on getting the message out. We are looking at having a meeting with H&I, phonline, Drug Court and P&I to get a plan. We also got the Wheatridge Facility taken care of and for the future, if we could gather all the facts and details and maybe listen to the lone voice before we act.

Ad Hoc Subcommittee:

The achieves subcommittee met Sunday – 3/1/09 at 1212 Mariposa at 1:00 pm. Don and Cabrena went through (1) box of documents. We had a lot of financial treasurer report information that was in the box and we feel needs to be shredded. Patty, area secretary, is going to shred the documents. The documents to be shredded are area treasurer reports of donations and subcommittee financial transactions for 2001 – 2002. We have bank statements and cancelled checks from 2001 – 2004 – bank statements from 2004 and treasurers' reports from 2004. Our committee would like to thank Patty for shredding the documents for us. We have saved minutes from September 2005 and August 2005.
