Our Admin Positions & Subcommittees Rocked ... In Love , Honor and Humility thanks for Granting me my chance to Serve Dennis C.

Vice-Chairperson's Report: Al

Hello everyone

The process of implementing the PR committee had created some schedule situations that needed to be worked out as far as when the subcommittees will be meeting. It took a bit of effort to coordinate this and it was great to see Outreach working together with our web chair to make sure our meeting lists and web are current with subcommittee meeting times along with all the meeting location changes that have occurred lately and will continue to change through the next month. Beware of outdated meeting lists, our website is up to date with current meetings. Thanks Nick and Karl for your efforts with this. I wanted to acknowledge the incredible transformation and work the PI subcommittee has done over the last year and half or so. I attend this subcommittee meeting each month and have been impressed at the amount of events they have attended and presentations they have done. Kudos to PI. Activities and Phoneline continue to roll. H&I is experiencing some open positions and could use people to step up and take on some positions. The Outreach subcommittee could still use support and members to help do their work.

Thanks to all the subcommittee members for their service.

Thanks for letting be of service

RCM - Spencer:

RCM – Patty:

MHASC RCM Report – June 2011:

I want to begin by thanking this area for allowing me to be of service the past 3 years ~ as always, service has been and always will be a piece in recovery that helps me stay clean.

Regional elections were held in April at the assembly, the region is still in need of a secretary - nominations will take place at the next Region – July 17, 2011.

The CRCNA budget was submitted and approved – it is available on line on the regional website for review. The convention hotel has a total of 250 rooms per each night, as always, please book hotel early. Filling the room block allows our convention to use meeting space without charge – we need to fulfill our commitment, so please book a room.

Western Service Learning Days – October/November 2012 is beginning its hotel negotiations. They are still in need of a Vice Chair, Secretary, Treasurer and help. Contact Mac at 720.375.0896 for information.

NAWS Update:

- NA Way Magazine – to re-subscribe or to sub-scribe new: www.na.org/subscribe
- Living Clean Project – The approval draft is out and available on line for purchase. Cost to purchase a copy of the draft is \$8.50. Voting for approval will be in 2012 CAR.

RD / RDA happenings:

- Brenda and Chuck will be attending the Rocky Mountain Zonal Forum in July.

CNAC – Convention Incorporation

- Reviewing contract for CRCNA 26. Discussing review of present guidelines to select convention site selection at the April assembly for the following year's convention and have the new committee begin hotel negotiations.

Public Information – Mac

- The region is proceeding with plans for the Colorado State Fair to be held August 26, 2011 through September 5, 2011 – WILL NEED HELP TO MAN THE BOOTH. Mac is contacting areas to solicit participation. PI Subcommittee meetings are presently being held the 4th Sunday of the month at the Castle Rock Library from 2:00 to 4:00 pm.

Budget Ad-Hoc

- We broke up into 4 groups and discussed budget goals
 - Prudent reserve
 - Annual budget should be done with due diligence
 - Looked at Mile High Area structure for budgets
 - Determined the tier budget works for planning
 - Looked at changes between elections and fiscal year
 - Better record keeping and tracking
 - Better flexibility
 - Ways to get RCM's to region to participate – reimbursement for expenses to RCM's that travel long distance

Open discussion:

- CRCNA – in addition to interpreter, look into the possibility of headsets for translation in order to reach out to our Spanish speaking members
- Regional Campout – combination of all areas for a Campvention – possible CRCNA fundraiser. We were asked to bring this to our areas for discussion.
- USFA – United States Fellowship Assembly – group of addicts that believe our World Service Office should focus on the needs of NA in our country and bringing the focus back to the United States in lieu of the world. Discussed the possibility of region to send a representative to see what they are doing. These groups of people ARE NOT SANCTIONED BY NARCOTICS ANONYMOUS – A LETTER FROM WORLD WAS SENT TO THEM TO CEASE RE-WRITING OF OUR LITERATURE. Regional conclusion is that as a body we have no opinion other than worlds.

New business:

- Proposal 1 - Guideline change to hold Region the 3rd Sunday of every month in lieu of the Sunday of the 3rd full weekend of the odd numbered months – proposal did not reach consensus.

Again, thank you for allowing me to be of service,

Patty H.

Activities Subcommittee Report

June 5, 2011

Hi everyone!

I am so sorry that I am unable today as I am out of town. I want to share my overwhelming gratitude to this area for allowing me to be of service as the Activities Subcommittee Chairperson for the past 2 years. I have gained so much because of it. I had the honor of celebrating 6 years clean on May 21st, and I believe that this service position had a lot to do with that. I have been serving this fellowship for 5 1/2 years, and I am not stopping now. I will be sticking with group level service for the next 11 months and I hope to be back to do some more area level service next May. Again, thank you so much for this amazing opportunity!!!

Now for the fun stuff....

The fliers are out and on the back table for our 3rd Annual Luau! It will be Saturday, June 25th at the Cherry Creek State Park White Tail Picnic Area from 11am-7pm. The event itself is a \$3 suggested donation per person. Unfortunately, the

park upped their entry prices this year, and it is now \$9 per car. That price is non negotiable, so we strongly urge everyone to use their "fellowshipping skills" to pick up the phone and round up as many people as will fit in your car to pitch in and come down to the Luau, with or without your grass skirts and coconut tops! This picnic area is reserved to us and us only on the beach of the beautiful, swimmable, boatable, jetskiable, waterskiable body of water. We will have pizza (Hawaiian of course), ice cold beverages, Hawaiian background music, tiki torches, beach volleyball, and hula hoops just to set the scene to celebrate a warm summer day in recovery! Please help us spread the word...

We could really use the GSR's support in making sure that our events are being announced at every meeting. We want to show every addict, that we can and do have fun in recovery!

I was unable to attend our last Subcommittee meeting, so I'm going to go ahead and hand it over to our Vice Chair, Scott, to fill you in on anything that I may not have covered.

Thank you so much for letting me be of service!!!!!!!

Outreach Subcommittee Report, May 2011

First of all, we invite all of you to offer your thoughts on what Outreach might do to help the isolated addicts and meetings in our area.

You can contact an Outreach trusted servant at MileHighNAOutreach@gmail.com, or call Karl at 303-762-9193.

The next Outreach Subcommittee meeting is on Sunday, July 10th at 10:00 AM, 1212 Mariposa St., Denver, CO 80204 (That's the community center across from Lincoln Park--3 blocks S of Colfax, 3 blocks W of Santa Fe Dr.). Everybody's welcome!

Outreach continues to look for a vice-chairperson, a treasurer, and a secretary. There are a variety of service opportunities big and small at Outreach.

Assist-a-Mtg

Message of Hope is a new meeting which meets Sundays at 2:30 PM. It meets at 1290 S. Potomac at a detox center. In May Message of Hope received a start-up kit from Outreach, and a \$15 Welcome Coupon to purchase literature, keytags, etc.

2nd Chance is a new meeting that meets Wednesdays at 11:00 AM at 7520 E. Colfax., Unit B, Denver 80220. Cross street: Roslyn. 2nd Chance received a \$15 Welcome Coupon in May to purchase literature, keytags, etc.

The JFT, Inc. clubhouse at 1395 S. Sheridan is planning to close down around June 23rd. Some meetings are moving to 9629 W. Colfax. We understand that This Ain't Therapy (Noon, Mon thru Fri) is moving to 1660 Sherman St. sometime in June.

Right now, Outreach offers several forms of assistance to new mtgs. We help mtgs get listed on the area mtg list. We help them get registered with World Services so the new mtg will show up in searches for mtgs in their area. We offer a \$15 coupon with which a group can buy stuff from the Literature Subcommittee. We offer a small Start-up Kit.

We are considering asking meetings to exist for a period of perhaps 90 days before offering it these forms of assistance. That of course would be a decision made by the GSRs.

Registering Mile High mtgs w/ World Services

We continue to urge individual groups to keep their NAWS records up to date. We have about a dozen records that are currently earmarked for updating or adding.

Mike H., our Web Contact Person, is working on automating the updating of the Mile High Area mtg lists, the Regional mtg list, and the World's database. Thanks for your work on that, Mike!

Still some phoneline shifts available in the second, third and 4th tiers. Phone subcommittee meeting is now at 10:45; phoneline training is 12:30.

- Phoneline Training is available at each time the subcommittee meets on the same day MHASC monthly meeting; time: 12:30 PM.

GSRs please remind your homegroup members who are Phoneline volunteers to answer the calls they receive on their shift. We do not have the 12th step service, that is, providing rides to meetings. We have new meeting lists. Please use new list.

The clean time requirement for being a Phoneline volunteer is one year.

Reminder: we do have an option on our phoneline for event announcements. If you are having an event, please e mail flyer to me to send to subcommittee member to enter the event info on the event option on the phoneline menu. The option is only effective if the event organizer sends info in e mail or flyer. Please e mail me when your event is over, so we can remove that announcement from the phoneline.

There are currently 58 groups in the MHA. They hold 98 meetings per week. We list an additional 5 meetings from nearby areas on our meeting list for a total of 113.

The website email (milehina@nacolorado.org) received two outside requests this month. One was from an addict seeking help and another was from a family member of an addict looking for help; I gave both some information about Narcotics Anonymous, our meetings, pointed them to the online meeting list, and encouraged them to attend some meetings.

There were a number of changes to the meeting list this last month. Many of the changes were the removal of meetings currently being held at 1395 S Sheridan, Unit G. I was informed that JFT will be closing its doors this month and any meetings that had not notified me of a location change have been removed from the printed meeting list. If these meetings change locations, please be sure to let me know so I can update the address online and get them added for the next batch of printed meeting lists.

I am very sorry that I am not able to be at area again this month. I'm out of town for a work conference and didn't realize it would interfere with area until a couple of weeks ago. I realize that a chairperson cannot be elected if they are not present at area and that elections are this month. I have a lot of gratitude for being able to serve this position for the last year, and greatly appreciate this opportunity. I would love to see somebody else willing to serve get to fulfill this commitment for the next year, but if nobody else steps up and the position is still open at next area, I would love to be able to continue to serve in this capacity. In the meantime, I will continue to respond to emails, upload event fliers, keep the meeting list up to date, and fulfill the other responsibilities of this position unless I'm notified to do otherwise by this service body.

There is a meeting list update sheet going around, please make sure it makes it all the way back around.

Please submit requests for changes to subcommittee web pages or event fliers by email. milehina@nacolorado.org
Thank you all very much for allowing me to be of service.

In humble service,

Nick A. - MHASC Web Chair

PR Adhoc Committee: Keegan

MHASC PR Adhoc Report #5

Dear MHASC,

The PR Adhoc met Sunday June 5th at 11:30am at 1212 Mariposa. PI, H&I, Phone-line, and Outreach were all represented. Each committee had several great projects that were shared and opportunities were suggested to

communicate out to the Area. The following are the major service projects and opportunities to serve for each of the four subcommittees:

H&I

- Still needs volunteers to go into facilities to carry the message of NA

Phoneline

- Has a few four hours slots available for once a week service
- Still working on updating the contacts on the website

PI

- Need a few volunteers for Pride Fest coming up on June 18th & 19th
- Having a poster day on July 16th and would like home groups to sign up and post flyers around town
- School project planning will start soon
- Got a lot of contacts at the methadone conference, will be following up to assess needs of those contacts
- Still have a few festivals coming up and can always use volunteers

Outreach

- Has come up with a list of projects, both current and prospective, that it would like to undertake
- Needs support to help prioritize and carry out projects ASAP

All of this information will be contained in the PR Bulletin. The incoming PR Coordinator will continue to send out the PR Bulletin and coordinate services between subcommittees at the MHASC as well as help groups in whatever capacity PR can. PR will be working with the website committee in the next month to develop a link on the MHASC website that will act as an information depot for all of the activities of PR in the area. There will be various PR documents posted including the PR Bulletin, templates for tradition honoring flyers that can be used by groups wishing to hold NA events, and any PR related announcements pertinent to the MHASC.

The chair looked into the possibility of getting some sort of texting service that could be used to more efficiently contact service members. The cost of these services, for the number of members that are on the list would be extremely expensive. The chair is open to any suggestions that others may have regarding technologies that the chair is not aware of that may help in this area. Beyond that, the chair will continue to research viable possibilities.

It is the suggestion of the chair of the PR Adhoc that the PR Adhoc be disbanded at this time. It was the charge of the PR Adhoc committee, when it was formed in January of this year, to investigate how the MHASC could better apply the principles of the PR Handbook. This task has been accomplished and can be further expanded going forward by the entrusted PR Coordinator. The entrusted PR Coordinator will be charged with further implementing the principles of the PR Handbook in close cooperation with all entrustments of the MHASC. The PR Coordinator will be the single point of accountability for all PR related goings-on at the MHASC.

It has truly been a wonderful experience to work on this adhoc and I have been deeply moved by the cooperation that I have seen born as a result of the principles inherent in our service literature. "Through all of our service efforts and our cooperation with others seeking to help addicts, we strive to reach a day when every addict in the world has an opportunity to experience our message or recovery in his or her own language and culture." (Public Relations Statement, PR Handbook) Thank you for letting me serve.

In anonymity,
Keegan W.

MHASC SUBCOMMITTEE REPORT – JUNE 5, 2011 HOSPITALS & INSTITUTIONS

The subcommittee met today at 10 AM at 1212 Mariposa. Attending was 11 of our Panel Coordinators, the subcommittee secretary and myself, the acting chair of the subcommittee.

We are not actively pursuing any new H&I meetings due to the number of Panel Coordinators and volunteers available. On the other hand we currently have twenty three facilities holding meetings on a regular basis.

We continue to update contact information for all our facilities and the H&I volunteers. Panel Coordination training and communications within the our subcommittee remains high on our agenda list.

Please take note that there are old informational flyers out at the meetings that need to be removed. They have the old information regarding the meeting times of H&I training. Remember our Training sessions are still on the even numbered months of the year, **BUT** are being held at 11:30 am at 1212 Mariposa, right after the regular H&I meeting.

Panel coordinators are reporting good attendance and participation, but we can always use more volunteers and literature. Again we are in need of key tags for our facilities that hand them out. If you, or your fellow addicts, have any available please make them available to your GSR for the next area meeting.

With the new MHASC elections coming up in June, and having been formally nominated for the H&I chair position, the subcommittee will be in need of a new vice-chair. Our secretary position was filled today by Frank K. Thanks Franks for stepping up! Our training coordinator position is still open for nominations and our Volunteer Coordinator's position was also placed into the open position. The June H&I training was held at 11:30 am today after the subcommittee meeting.

As always if there are any questions or comments about the H&I subcommittee, please feel free to show up at our next meeting in July

Thank-you, ILS
Paul U., Acting Subcommittee chair
