Why Pre-register?

Pre-registration allows us to calculate newcomer donations and determine how many treatment facilities we can invite to our convention, furthering our Primary Purpose: *to carry the message to the addict who still suffers*. Although no addict will ever be denied admission, these funds allow all to attend and to receive registration packets.

Pre-registration helps us to determine a more precise number of attending members, which facilitates calculating the entertainment and room space needed for special convention events.

Pre-registration also adds to the funds available to pay for purchases and commitments up front, upholding the 7th Tradition: that NA is fully self-supporting declining outside contributions. Let us carry the message to the addict who still suffers and to help celebrate recovery with "An Invitation To Live."

PLEASE PRE-REGISTER!

There will be a complimentary gift for those who pre-register by February 14, 2008.

Habr  regalos complementarios para los que se registren antes del 15 de febrero del 2008.
