MHASC Literature Committee Report

May 5, 2013

There was one back order from last month and that was for Living Proof. The order has been filled and is ready for pick-up. It comes with an apology...we had everything last month and it should not have been back ordered.

We received a credit of \$40, for the discrepancy regarding the "Living Clean" commemoratives we did not order.

This month's order was for \$2019.16.

Current value of physical literature inventory, prior to today's sales is \$4795.

I purchased 2 more storage bins for \$20.38. I plan to replace all the bins (about 8 in all), I'm just doing it a few each month to keep the budget impact to a minimum.

Please make sure you are using a current order form.

Thanks to all those who help with literature sales.

Thanks for allowing me to be of service.
