### ***MHASC Vice Chair Report May 1, 2005***

I did not attend the Service Committee meeting on April 17 at 6750 Carr St. It was postponed from the week before due to the snowstorm and I had previously planned to be out of town on April 16. I did attend the PI Subcommittee meeting on April 11. I also attended the Area Inventory on April 22 at Wadsworth and Alameda. I am pleased with the accomplishments of both the meetings I attended.

We once again discussed the importance of orientation for new GSR's at the Area Inventory. Because of that discussion, I arrived early today to provide this orientation to some of our newer GSR's. I will plan to do so again next month, so if you are a newer GSR, feel free to arrive here on June 5 for that orientation.

If there are Subcommittees who would like my assistance or input, feel free to let me know, as that is my duty as Vice Chair.

Thank you for letting me be of service.

Sorry That I missed the April meeting, but I was dealing with strept throat. A special thanks to Erin for Filling in for me.

May you find peace in recovery?

Brad and Jason Oral Report was given, No written report for minutes. They had a CRCNA 18 report to answer questions. Region passed outreach guidelines, and a prudent reserve of \$5000 Passed. Nominations and elections were held. Talked about the regional assembly. Brad talked about Public Image and predator behavior at meeting. And the negative view that many professional have of NA. CRNCA events are going well. Next Region will be May 15<sup>th</sup> in Parker.

- Activities—Jessie Oral report given.  
Meets at 5280 Wadsworth bypass.  
Activities subcommittee meeting was held on April 25<sup>th</sup>. The following positions are still available, Vice Chair, and Secretary.  
We are getting ready for NA family night once rent is paid, Flyers will go out. To groups and I will try to get it out tomorrow to all GSRs.  
We talked about how we would really like to get all flyers out for the next 3 events. So look out for them. Thank you for letting me be of service Jessiy R.

- H & I. Oral report given  
H & I needs additional volunteers to start meetings at three (3) new facilities; Jefferson Hills Boys in Lakewood, Jefferson Hills Girls in Aurora, and Rite of Passage in Aurora. The probability is that all this meeting will be scheduled on Saturday or Sundays. According to our panel coordinators, H & I requires a larger monthly budget to meet our literature needs. Currently we have a budget of \$300/month and could easily use \$400/month worth of literature. For Area elections next month, H & I has nominated Marilou L. for the H & I chair position. Last month I made a mistake in reporting that New Directions meeting has terminated. That's

absolutely incorrect. New Directions is live and well. Girls View is the facility that has been closed down. H & I is going to have it's next orientation/training class next month, June 12th, 2005 at 6750 Carr starting at 4PM. All interested volunteers we welcome to attend.

Thanks,  
Ed A.

\*12. Group reports

Primary Purpose None

Early Birds-- Early Birds is a very tight nit group who's focus is to be of service to the newcomer's and provide Literature for H & I. So they can do their job better, for those who need a solid group. We do fund raisers to help the area.

NA Matinee—Another record breaking month. We have been heavily promoting service work and its importance, specifically, outreach. Also, our literature is being promoted and sales are up.

Wake Up Call—Changed time –Now 9:30-10:30. Great attendance—need people to sponsor.

Up Town Steppers—Meeting going strong. Still need GSRA ( we are apart of adopt and H&I meeting. We have disgusted more on are primary purpose to carry the message to the addict that still suffers.

Clean & Serene—Friday speaker meeting needs support. Here are speakers for May. 6<sup>th</sup> Jason H., May 13<sup>th</sup> Kathy K., 20<sup>th</sup> Deanna S., 27<sup>th</sup> George D.

Keep It Simple—All is well, Could always use more men with time to sponsor & carry the message.

Recovery In Denver—I Believe in the N.A. message of R.I.D. attendance has risen in recovery in Denver. The meeting is sounding stronger since the last time I was in area. SO, I would like to thank you.

Peace Out West—Could use support: we have 2 treatment centers for young girls attending most meetings and could use women with experience, strength and hope.

A Womens Touch—Meeting attendance is better. Still have GSR & GSRA' positions to fill.

RAY OF LIGHT  
GRS SCOTT B.  
MEETINGS WED AND SAT 7:00P

Ray of Light has been growing for the past 2 months. We now have about 15 people at each meeting. We are seeing many newcomers, and can use people with clean time to attend our meetings.

We started in April to have a cake party for birthdays each month on the second Saturday of the month after our meeting. We also are hosting a monthly potluck the last Saturday of the meeting at 6:00pm followed by our meeting at 7:00pm.

Ray of light is proud to me part of the adopt a group held at 8:00pm at Denver health and medical center on Monday nights. Several of our members have taken part in this meeting. We have found it to be worth the time and effort and thank the H&I members for their dedication to the meeting. We encourage other groups to get involved in the Adopt a group.

Ray of light is looking for a new GSR and GSRA.

Finally Ray of Light was to go on record as condemning any kind of discrimination at any level in NA. As the only Gay group in the state this matter is of great concern to us. We want to thank the Chair for dealing with this at the April meeting.
