## **ADMINISTRATIVE OFFICER'S REPORTS**

### **Chairperson's Report: Dennis**

Hello everyone, hope you had a fantastic October... Congratulations and thanks to all who had a chance to attend the 24<sup>th</sup> Annual Colorado Regional Convention Of Narcotics Anonymous .... I personally did not have the ability to attend and really missed being there , as it was the 1<sup>st</sup> one in 7 years I had not attended .... I heard it was a blast and the recovery was huge !!!! The 3 Speakers rocked the House and if you didn't hear them Gil has C.D.s ....

The 2<sup>nd</sup> Annual Freakers Ball was a smash and that I was able to attend.. Hats off to Activities Committee and all their hard work as it was very well attended and a Great Time .... Thanks to all who supported it .... This month we have a little bit of work before us and invite you to please join and give a hand with Area Inventory .....

As always would like to thank all the Mile High Area Sub Committees for all their hard work and dedication to carry the message to the addict who still suffers. Thanks so much to you all for allowing me to serve ...

### **Vice-Chairperson's Report: Al**

I'm looking forward to seeing the process of the Area Inventory today. Hopefully we hear new and creative ideas for making the Mile High Area a more productive and welcoming experience for all who participate.

I really am impressed with the subcommittees we have currently in place at the Mile High Area.

The 2<sup>nd</sup> Annual Freakers Ball was just as successful as the first one. Thanks to the awesome job Activities has been doing for some time now. Brittany please pass on thanks to all who help your committee setup and cleanup after these events. You guys do a great job.

Public Information had another Poster Day yesterday. It was a good turnout of people but we could always have more people attend. I don't think most recovering addicts realize that these poster days really are a fun way to hang out with fellow recovering addicts while spreading the message that there is help out for suffering addicts..

Thanks to all the subcommittees for their superb work.

**Secretary's Report: Bridget-** No report given

**RCM: Even 2 Year- Ron T.** No report given

**RCM Odd 1 Year: Patty H.**

Regional Open Positions: CRSC - Vice Chair

CRCNA 24 was a success; the spirit of unity, fellowship and recovery was abundant. Here is to next year ~ CRCNA 25  
Administrative Positions (Chair, Vice Chair, Secretary, and Treasurer) will be elected at the November regional meeting – 11/21/2010 @ 10:00 am – 1212 Mariposa, all other subcommittee positions will be voted on in January – date to be determined.

Service System Project: I want to thank Lindsay for presenting the information regarding the proposed service structures. Please remember that the WSO is requesting that the input forms be completed and returned no later than 12/31/2010 and/or completed on line. There is a link on the regional website which includes power point presentations, review literature and forms. I encourage all to read and participate in this project.

Update: September 2010

From the NA.org website

Living Clean: The Journey Continues The deadline for input on Chapter 6, Chapter 7 and the Preface is 31 December 2010.

Living Clean: The Journey Continues

We are happy to present you with review drafts of the Chapter 6, Chapter 7 and the Preface of the book, Living Clean: The Journey Continues. Your input has shaped the structure of the book and the content of the material. Please help us by reviewing these chapters.

Given that the deadline is at the end of this calendar year it is probably a good idea to conduct review workshops as early as possible. For many of us the time frame between mid-November and the end of the year is quite busy. In order to meet the scheduled release date of the approval form (April 2011) we found it necessary to schedule this review during the last three months of the year. So the mantra is "sooner is better" – both for conducting workshops and sending your comments to us.

### **SUBCOMMITTEE REPORTS**

**Activities Subcommittee:** Brittany

Hi! I'm sorry that I can not be here today. I want to apologize for the lack of activity calendars, this month has been really busy, they will be back next month.

The 2nd Annual Freakers Ball was a HUGE success. Today we are bringing back a 7th tradition donation to area of \$15, and \$619.11 to add to our kitty. Thank you to everyone who came, this event was truly amazing and wouldn't have happened without you!

Our next event is the 2nd Annual Tri Area New Years Bash. The banquet/dance tickets for this event are \$20 per person and we only have 200 of them to split with Boulder & Off The Wall, so we recommend that you get them early as they are going fast! The Activities Subcommittee members, Brett F., Tyler L., Scott C., and myself (Brittany L.) are carrying tickets. If for whatever reason you don't get one, the dance will be \$7 at the door. This event will be Friday, December 31st at the Radisson Hotel and Conference Center in Longmont. The Banquet starts at 6:00pm, there will be a panel speaker meeting at 7:30pm, and the dance is at 9:00pm. As with last year, we will get a discounted rate of \$59 at the hotel for the night of the event with breakfast included, for those of you who don't want to drive all the way home at 1am, and those who just want an excuse to stay out :-)

Our Subcommittee meets next Sunday, November 14th here at 1212 Mariposa @ 5:00pm, please join us for some fun event planning and service, we can always use support!!

I am very pleased to report that the H&I presentation at CRCNA XXIV went VERY well. It was well attended, and very well received. A huge thank you to Allen and Rosalinda F. for all their hard work in writing and producing this year's performance. Another huge thank you to the cast for putting in the time and putting on a great show.

Things are going well with the H&I Subcommittee. We are always looking for new volunteers. Our next training will be December 12<sup>th</sup>, that's the second Sunday in December and as always, the training will be at 3p.m. right here at 1212 Mariposa.

We have been contacted by the Colorado Correctional Center and are currently working with Regional H&I as well as other Mile High Area Subcommittees to do what we can to carry the message to their clients.

We are still collecting new and gently used key tags for distribution to addicts that attend our meetings. If you would like to contribute please see me or any H&I subcommittee member.

#### **Outreach Subcommittee: Karl**

First of all, we invite all of you to offer your thoughts on what Outreach might do to help the isolated addicts and meetings in our area.

You can contact an Outreach trusted servant at MileHighNAOutreach at gmail dot com, or call Karl at 303-762-9193.

The next Outreach Subcomm mtg is on Sunday, November 14, 2010 at 2:00 PM, 1212 Mariposa St., Denver, CO 80204 (That's the community center across from Lincoln Park--3 blocks S of Colfax, 3 blocks W of Santa Fe Dr.). Everybody's welcome!

#### Correspond w/ Inmates

We are inviting folks to become writers in the Correspond with Inmates Program.

The program works thus: Inmates who cannot get to a mtg but want to learn about our new way of life in NA write to our PO Box address. Our Correspondence Coordinator distributes the letters to us. We write replies and send them back to the Coordinator who in turn sends them to the inmates. In this way the Coordinator acts as a firewall--there is never any direct contact between the inmates and us on the outside.

It can be very rewarding to sit down with an inmate's letter, pray, and write a response telling the inmate how our recovery is going, how we are working the program, and how we're doing in general. My penpal has written to me: "Your letters are my meetings."

Outreach provides the stamps and envelopes. You provide the paper, pen, strength, hope, and experience.

You can contact the Correspondence Coordinator at MileHighNAOutreach at gmail dot com or 303-522-1252. If you wish to join the program, please include your mailing address, your clean date, and whether or not you would like to be a sponsor thru the mail.

We are working at expanding our Correspond w/ Inmates program in institutions in the Denver Metro area.

Correspondence Stats for October:

Total Letters Received: n/a    Total Letters Sent: n/a    Percentage to and from Colo. institutions: n/a

Books sent to inmates: none.

#### Assist-a-Mtg

The Assist-a-Mtg program would benefit greatly with a dedicated coordinator guiding it. We invite you to pray and

meditate on this. Talk to your sponsees, your sponsors, and so on.

We are talking about working with meetings that are looking for assistance and attracting people to them with a one-time potluck mtg, or a speaker mtg, or a step meeting.

A Woman's Touch has two trusted servants. We are looking for women to step up and help keep this child-friendly meeting going. A Woman's Touch meets Saturdays at 3:00 PM at 1450 Airport Rd. in Aurora at the church half-a-block S of Colfax Ave.

Meet'n Up North (Thurs 7:30 PM, 3101 E 100th Ave) continues to have regular attendance of young female newcomers. Meet'n Up North trusted servants are asking for support from the Mile High Area women, because Meet'n Up North right now has few or no women with a good NA msg to talk to these women.

THANK YOU everyone who has gone up to Meet'n Up North to share our msg, or passed the word about that mtg's need, or prayed for the newcomers to hear our msg.

Directions to Meet'n Up North: If one got off I-25 at 104th and headed E, one would come to Steele. Go south 4 blocks to 100th. The church is on the NE corner. The W parking lot is most convenient. The entrance to the mtg rm is thru the garden level "glass wall" on the W side of the church.

Ain't Dead Yet! is announcing that mtg is being attended by many female newcomers on Saturday nights. Trusted servant Eric says there are not enough women with a strong msg to deal properly w/ the number of newcomers they have.

If you can make your way over there some Saturday night, that would be great. (8:00 PM, 8085 E. Hampden, just east of Tamarac Square; that's a mile or so east of I-25, at the church)

Or pass the word to women who have some clean time and recovery and can share their strength, hope, and experience.

The 5th Tradition Mtg is down to one part-time servant. It is not Outreach's job to run mtgs, so we are passing the word that if anyone wants to help run this meeting, now is the time to step up. There are many newcomers at this mtg w/ 6 months or less of clean time. Perhaps it is time for that mtg to close up shop, but we wanted to let folks now about this service opportunity. This mtg meets Fridays, 8:00 PM at 22nd & Lawrence at the Phoenix Concept (no affiliation).

Below is a list of meetings that are looking for support. Everyone is welcome to attend. There is no obligation for a 2nd visit or to be of any specific service. Just like any meeting, you can go once to check it out and see if you like it.

It is my experience that attending a meeting I've never gone to before is its own reward. I meet people I've never met before; I'm surprised to run into people I already know but maybe haven't seen for a while; I check out a mtg space I've never been in before. Going to a meeting I've never been to before gets the ol' recovery juices flowing. It's fun.

If you are thinking of finding a service position, many of these groups are looking for home group members and trusted servants. The specific kinds of help each meeting is looking for are listed in the right column. We invite everyone to consider being of service at these meetings. Don't be daunted. Please pray, meditate, talk to your sponsor, & consider setting one foot outside your usual comfort zone.

Some notes:

- Work your recovery to the best of your ability.
- The newcomers are the most important people at any meeting.
- Anytime we attend a meeting we are being of service. Just by being there we contribute to the fellowship of the meeting; we help create a sacred space in which people feel comfortable opening up and sharing their hope, strength, and experience with the gathering.

When we are doing service, we want our service to be humble, recovery-based service. We don't want to tell other members of NA the way things are going to be. But it is our responsibility to share information with folks in NA in the hopes of strengthening the atmosphere of recovery. We run opportunities by people so that we may better carry the message to the addict who still suffers. We do this most effectively when we are humble and patient.

- If you are planning a trip to one of the caravan candidates, we suggest getting the contact info of the meeting's trusted servants beforehand, so you can make sure the meeting will be held at the time and place you plan to attend it, or if you need help with finding the meeting, etc.

We are still talking to trusted servants of meetings that may be looking for support, so this list is by no means complete.

#### Building Available for Meetings

Area was contacted via our website about an offer of mtg space in a church building in Old Towne Arvada near Wadsworth & 58th. Anyone interested in finding out about establishing a mtg there can contact us at MileHighNAOutreach at gmail dot com or thru the webservant or attend the next Outreach mtg. We have already given the contact info to at least two interested trusted servants.

#### Phone (Teleconference) Meetings

Phone meeting lists are available now. They are online at the Mile High Area's meeting list page in pdf format.

Phone meetings are a great way to get to a meeting if your location, bad weather, transportation failure, or handicap prevents you from getting to a "face-to-face" mtg. NOTE: If you live outside the area code of the mtg, it is a toll call, that is, long distance. Other than that, there is no fee for calling any of these mtgs.

The mtgs on the list are all registered with the World Service Organization. They are open to everybody. Thank you, Joseph and everybody who had a hand in making and distributing the list of phone mtgs.

#### Registering Mile Hi mtgs w/ World Services

We are encouraging mtgs that are not registered with World Services to register online at na dot org. We will soon be giving mtg info to Mike H. who is our Web Contact Person. Then the info can be put directly into the NAWS database.

#### Meeting Outreach

We continue to visit with mtgs that have not sent a GSR to area for at least 3 months. We see how they are doing, and find out if there is anything Area can do for them. We invite them to become active at the area level. There are eight mtgs that haven't sent a GSR to area in at least a year.

#### "Bridging the Gap" the NA Way

This program looks to help clients as they leave treatment centers after having attended H&I mtgs. The newcomers would be given support, guidance, and rides to regular NA mtgs so that they are made to feel welcome in the NA community at large.

Ron T., Terry C., and Lou S. are going to press ahead on this project. Outstanding!

We are asking around for programs like this already in existence in NA. If you have any knowledge of one let us know! Here's an email Karl sent out to the Bridging the Gap "working committee":

I had the pleasure of attending the Bridging the Gap Workshop sponsored by AA a couple weeks ago. I was made to feel very welcome.

I am not trying to override what we can learn from the "Snake River Valley/Project Hope" document but I thought it would be of benefit to talk to folks who have a Bridging the Gap Program up and running in Denver Metro, even though it is not NA. (The NAWS folks directed us to a Word doc describing an NA Bridging the Gap program at:

[http://www dot na dot org/?ID=local\\_resource\\_area](http://www.dotna.org/?ID=local_resource_area)

Go to na.org, then the Local Resource Area page and look under "H&I Resources heading" for the "Inmate Bridge Program Guidelines - Snake River Valley ASC - 2008." If you can't find it, I have a copy I can email you.)

I attended this AA workshop for several reasons:

1. A Bridging the Gap Program could serve a great purpose. Going to one's first 12-step meeting can be scary. An invitation and a ride can smooth the procedure. It is possibly a great investment of our resources to see if we can get a Bridging the Gap Program started. Is it promotion? Well, we need to design the program so it is only attraction, rather than decline to create a program because there is the possibility of it being promotion.
2. AA has a Bridging the Gap Program up and working. It was very exciting and informative to meet with folks who are working on this program. They were able to answer my questions in detail, and I am in contact with them by email. They gave me copies of their documents they use in their program.
3. The treatment centers know they can't cure people of the disease of addiction in the 28 days that a person is in the center. The treatment center people are eager to have Bridging the Gap programs reaching into their facilities.

4. The AA Bridging the Gap folks see a desire on the part of addicts in the Denver-area treatment centers for a Narcotics Anonymous Bridging the Gap. (Treatment centers like Parker Valley Hope, West Pines, CeDAR.) The AA folks gave me contact info for two people in the centers who are Denver Metro residents who want to get involved in an NA-specific Bridging the Gap. Their discharge dates are this week (11/01). I don't know if we can reach out to them when our program is not really started. Let me know what you think.

Also I have contact info for two other treatment center clients who live outside our area. I will do what I can to turn their info over to the NA areas where they live.

I thought I would summarize my experience at the workshop by first listing some interesting things I learned.

-- AA's Bridging the Gap for treatment centers is a COMPLETELY SEPARATE program from the Bridging the Gap program for correctional institutions.

-- They have a central database of volunteer drivers for the Denver area stored in an Excel spreadsheet. Searches are performed typically on the zip code of the volunteer's home group.

-- Program Chairman Frank P. has emphasized to me that it is good to get started building up a list of drivers.

Personnel in the local AA version of Bridging the Gap:

Chairperson - Champions the Bridging the Gap Program. Makes sure that personnel slots at the several treatment centers are filled. Troubleshoots. MCs workshops.

Volunteer Coordinator - Gathers personal info of TCPs (Temporary Contact Persons) who are willing to work with newcomers for up to six weeks. The coordinator enters the volunteers' info in an Excel spreadsheet, along with the zip code of the meeting the volunteer would take newcomers to. [Question: it would certainly be sufficient, and even necessary, for the mtg to be in a zip code NEAR the newcomer. That calls for sophistication in the database that I didn't hear discussed.] Also takes the sheets filled out by treatment center clients and matches their home address w/ the address of a TCP volunteer. Gives the TCP the client's contact info.

Placement Coordinator - Works with the clients/newcomers from one or more treatment centers. Organizes the meeting at which the Presentation Person speaks to the clients. Gathers the filled-out program applications and gets them to the Volunteer Coordinator.

Presentation Person - Gives a 1-hour to 1-hour-15-min. speech at the center to the clients about the Bridging the Gap Program. Answers questions. Hands out "Bridging the Gap - What the Patient Needs to Know" pamphlet / forms.

Temporary Contact Person - Volunteers to drive newcomers to 3 to 6 mtgs. Same sex as the newcomer. A short-term mentor. Explains the program to them. Introduces them to folks at one or more mtgs. Reviews with them what a sponsor is and how to look for one. (The document "Bridging the Gap - What the Patient Needs to Know" explains a lot of what the Temp Contact Person is, and is not.) Responsible for getting a 2nd person to come along on each ride (a highly recommended practice). This 2nd person is of the same sex as the newcomer, and ideally is about the same age and has approximately the same clean time as the newcomer.

The local AA version of Bridging the Gap works so:

The Volunteer Coordinator gathers personal info from 12-step program members who are willing to work with newcomers for up to six weeks as drivers and guides at meetings. The coordinator enters the volunteers' info in the Excel spreadsheet, making sure to enter the zip code of the meeting(s) the volunteer would take newcomers to.

Presentation Person gives speeches to clients at a treatment center and answers their questions about the Bridging the Gap Program. The placement coordinator for that center gathers the program applications the clients filled out and gets them to the Volunteer Coordinator.

The Volunteer Coordinator searches the database for matches between newcomer home locations and Temporary Contact Person / meeting locations.

This coordinator then contacts the TCP and gives them the newcomer's info.

The TCP is encouraged to contact the client while they are still in the treatment center, but no later than 48 hours after their discharge date, and makes arrangements to give them a ride to a meeting.

Documents I snagged:

"Bridging the Gap" IP "Bridging the Gap Presentation" - a speech to be presented to clients at treatment centers.

"Temporary Contact Person List" - to be filled out by volunteer drivers

"Bridging the Gap - What the Patient Needs to Know" - Handed out to treatment center clients who are interested in getting in the program. If they are interested they can put their contact info on it and turn it in to the Placement Coordinator.

Well, that's how AA does Bridging the Gap. Of course we will work it the way our NA principles, concepts, traditions, and Higher Powers guide us to.

### Fellowship Development and Outreach Program

A new program of the Regional PR Committee called "the Fellowship Development and Outreach Program" is coming into existence. This committee will address opportunities in helping isolated addicts and meetings in the Colorado Region feel more a part of the NA community, specifically those opportunities that would benefit from Region-wide coordination. This program would, among other things, establish and support a region-wide outreach directed at mtgs that are so geographically remote that they are not part of any area.

Our area Outreach Subcommittee was contacted specifically about a possible Detached Mtg Program: We have been asked to make contact with Leadville's High in Recovery, Breckenridge Here & Now, and La Junta's Primary Purpose. This program is still at the idea stage--a great time to get involved.

The next meeting of the Fellowship Development Committee is the first Sunday in December 2010 at 11:00 AM at the Village Inn in Castle Rock. (Exit I-25 at the Wolfensberger Exit, go West a few hundred yards -- it's on your right.)

There are currently 56 groups in the MHA. They hold 112 meetings per week. We list an additional 6 meetings from nearby areas on our meeting list for a total of 116.

The website email ([milehina@nacolorado.org](mailto:milehina@nacolorado.org)) received five outside requests this month. Four of them were from addicts seeking help finding meetings in the area. One was from the Colorado Criminal Just Reform Coalition requesting permission to once again include NA's information in their "Getting on After Getting Out" publication. The information to be included is a description of NA taken from the Basic Text, as well as phone numbers for each area and directions on getting meeting information from our website. Approval for this was granted by PI.

New meeting lists will be printed next month for the winter quarter. The meeting lists in the back are all the remaining meeting lists for the fall quarter. Please don't be shy in helping to deplete the stock, as after this month, we will have no use for these. Please take as many as you think your home group can use.

There is a meeting list update sheet going around, please make sure it makes it all the way back around.

Please submit requests for changes to subcommittee web pages or event fliers by email. [milehina@nacolorado.org](mailto:milehina@nacolorado.org)  
Thank you all very much for allowing me to be of service.

## **Area Group Inventory Results- November 7, 2010**

**We were asked to split up into table groups. Richard N. facilitated conducting this inventory. Many topics were brought to light as to what we are focusing on, what needs to be focused on, how this relates to the spiritual principles identified in the 12 traditions, and also in the 12 concepts. This was a learning experience as to how we can better serve our area. Some key issues were identified. They are listed below.**

1. Increased communication between subcommittees, possible implementation of a PR Committee
2. Training and Information on the new proposed service structure
3. Less talk and more action- Facilitator focusing on the group IE: 3 pros, 3 cons
4. Literature- Disperse at end of area/separate room
5. Outdated meeting lists: Need address and zip code on meeting list
6. Possible Area Convention
7. Productive use of inventory
8. Area to hold subcommittee chairs responsible to turn in written reports to be included in the minutes
9. Welcoming new groups at area
10. Smoking 25 feet away from the door
