ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report Jerry:

Hello family,

I went out of town this month and would like to apologize for my slow response time, especially to the web chair.

I met with the Inner City Parish and renewed our lease for another year. I also attended the Area Ad-Hoc , there will be a full report on that later. I met with the executive committee today before this meeting to fill out an area inventory.

I am looking forward to the convention at the end of this month and hope to see you there.

This meeting will meet again on November 4th 2:00 pm at 1212 Mariposa St. Please let me know if I can help facilitate this body in any way my phone number is 303-332-4495 and my E-Mail is jerry4na@hotmail.com

Thank you for letting me be of service,
Jerry

Vice-Chairperson's Report Alan T.:

Greetings trusted servants of the MHASC!

I attended the Inventory Ad-Hoc Subcommittee on September 19th and we further discussed how we could ensure all meetings on the schedule could be represented in this process. In addition, the trusted servants of this body met before Area today to complete the inventory ourselves.

As directed by this Body, I made three revisions to the MHASC Guidelines:

1. To change the required time of the budget planning meeting from 12pm to 1pm;
2. To change the required vote for policy changes from 2/3 of the majority of quorum to 2/3 of all attending GSR's; and
3. Added an article within the Quarterly Budget section that requires at the end of each quarter, all monies remaining after disbursements will be dispersed down the service structure at 40% to World and 60% to Region.

I hope to see all of you at CRCNA this month.

Thank you for letting me be of service.

Alan T.

Secretary's Report Sarah Z. :

I have requested the attendance roll call to be moved to a later point so as to get a more accurate idea of GSR's present. Also I have included an update list, to see if there is interest in a group list of contact information to be made available I have asked each gsr to write yes on their information if they would like to participate in a master list. This list would not be available unless a motion was passed, but I thought I would see if there was enough interest to initiate a motion. As always please submit group reports to me, or you can email any information to sarah7zub@hotmail.com.

Treasurer's Report Lindsay :

MHASC Treasurer's Report

October 7, 2007

Opening Balance: \$141.50

Emergency Reserve: \$1,212.00

True Balance: \$1,353.50

The reason our opening balance is \$141.50 when the closing balance from last month was \$0 is two-fold. First, I had taken \$150 out of the reports, to be used for Activities, as was motioned. However, while this money was not actually **disbursed**, and was only put into the netherland of "budgeted money," I had to add it back to the report, which gave us a balance of \$150. Then there was an \$8.50 service charge from the bank for a returned check.

As always, I will be taking 7th Tradition donations up here. If you are writing a check, please write the name of your group on the check. If you are donating cash, please put it in one of the envelopes and fill out the form on the outside of the envelope. I will then make sure you get a receipt after the break. This will allow me to participate in Area discussions, as well as fulfill the role of the Treasurer. Jay is also up here and he will be taking your literature orders and verifying you have added the order up correctly. This way, we will be following both our Area guidelines and the 7th Tradition.

Please take care of your literature order and donations **right away**, as we try to be done with all intake of funds by the break. This allows me to verify income and write checks for disbursements during the second half of the meeting. Thank you.

ILS,

Lindsay

World Services Updates:

The approval version of the Sixth Edition of the Basic Text, Narcotics Anonymous is now available and has been mailed to conference participants. For information on how to purchase or download copies of the draft see the main page for the project:

<http://www.na.org/conference/bt/index.htm> .

Some WCNA-32 merchandise is now available for purchase online. The merchandise ordered online will be delivered from an external vendor, a few weeks after the order is placed. This delay in delivery is due to our arrangements with the merchandise vendors and the fulfillment service, which will be responsible for delivering the items to the buyers. Please go to

<http://www.na.org/wcna32/merchandise.htm> for additional information.

NA members last completed an anonymous survey in 2003 at the world convention in San Diego, CA. We would like to update the information to more accurately reflect our membership today.

The information we gather from the survey helps professionals see NA in a more realistic manner and helps to dispel old myths about our membership. It is our desire to have professionals who refer addicts to NA along with family members and the general public to view Narcotics Anonymous as a viable, credible program of choice for recovery.

We hope to capture a better picture of our global membership by posting the survey online not just distributing it to those who attend a world convention. We want to encourage you and your friends to complete this anonymous survey. You can help us to more accurately reflect the demographics of the worldwide fellowship of Narcotics Anonymous. This survey will be online until 31 October 2007 at <http://naws.org/surveys/index.php?sid=1>. We thank you for your efforts in completing the survey as well as informing other members to complete it. And, remember, please complete only one survey.

WORLD POOL INFORMATION FORM:

NEW TWO-PAGE FORM AVAILABLE at:

<http://www.na.org/HRP/wpif-new.htm> -- This form is for those who are interested in serving as World Board Members as well as on the various workgroups that assist the World Board in carrying out the tasks assigned by the fellowship in general. If you have five or more years clean and have not submitted a World Pool Information Form in the past three years, please consider doing so, as your talents and energies are needed by our worldwide fellowship.

DISCUSSION

Suggestion that we hold April Regional Assembly in Southern or Serenity Unlimited rather than Boulder. This item added to Open Discussion section of meeting agenda.

RDA Report

Hello everyone,

I would like to thank the Colorado Region for allowing me to serve. It truly is an honor and a privilege to serve at this capacity. This service position will help me to grow personally and hopefully give me the experience to pass on to future RDAs.

I attended the Rocky Mountain Zonal Forum in Grand Junction with Don. All of the RDs and RDAs from the respective forum member regions also attended. Steve R. from World Services and Mark H. from the World Board conducted brainstorming sessions on "Building Strong Home Groups" and "Addict Groups in Isolation." To read the results from the brainstorming session, you can go to www.rmfn.org. Great ideas came from this session and we were able to hear what other business was happening in the member regions. The next RMZF will be in December at Helena, Montana. The CAR will be presented by addicts from World.

I have registered for the NAWS Literature Distribution and Convention Worldwide Workshop in Woodland Hills, CA. This workshop will be November 9th & 10th. I have priced airfare from Colorado Springs and it will be approximately \$350.30 roundtrip. The hotel room for 3 nights will be \$345.42 plus about \$30.00 per diem for food each day.

The World Board sent me copies of service pamphlets for each region to review and send comments to NAWS. These service pamphlets include: An Introduction to NA Meetings, Group Business Meetings, Group Trusted Servants: Roles and Responsibilities, Disruptive and Violent Behavior, and NA Groups and Medication. At the last service conference, a motion was passed "to allow the World Board to develop and approve service-related information pamphlets and tools for distribution to the fellowship." These service pamphlets can be purchased at NAWS. The feedback needed from the fellowship includes: Is the information in the pamphlets useful to members? Is there something we could add or change to improve the piece?

You can send your input to worldboard@na.org.

The approval draft of the Sixth Edition Basic Text, a PR Handbook, and Consensus-based decision making material was sent to me for review. You can download or purchase a copy of the Sixth Edition Basic Text. A copy of the PR Handbook and the above service pamphlets can be purchased from NAWS. The Consensus-based decision-making materials are changes of the Guide to World Services. After reading the material, most of the changes are housekeeping and adding some additions of the consensus-based decision-making process.

If anyone is interested, I have a copy of the revisions for you to peruse at your convenience.

Willing to be of Service,

Brenda E., RDA

CRCNA Chair

Greetings,

We have six weeks to go before the big event. We held our committee meeting on September 8th and we will hold our next meeting on September 29th and two meetings in October before the convention. All the committees are working hard and staying within their timelines. We are getting weekly reports from the hotel on our room counts and as of September 13th we have only 67 rooms left to meet our room block. I am confident that we will meet our obligation by the convention date. Our committee held a walk through at the convention center on August 4th and got a vision of how we will be setting up. The merchandise committee has chosen Mr. Bill's Parable Designs as our jewelry vendor and Basic stuff 4u as our merchandise vendor. We put down a \$4,000.00 deposit on the merchandise and will pay the balance on a net 30 after the convention. I think everyone will be pleased with the selection of merchandise this year. Basic

stuff 4 you specializes in NA merchandise and has served many Regional and World conventions and has quality stuff at reasonable prices. The program committee has all speakers in place and a fun event on Friday evening with a game show theme. Sign up for chairs at the marathon meetings is only at about 5 people right now. Anyone can sign up by going to our web site. The hospitality room slots are almost gone and those that are left are late night into morning on Saturday. Coffee will be available non stop in the hospitality room. Registrations are slowly coming in and at last count we had around 300 or so registered. With six weeks left to go I hope we can get at least a couple hundred more.

We will be holding a CRCNA fund raising event on September 28th that will include a talent show, chili cook off, Karaoke and raffles. Please take flyers with you and pass them along to your areas and home groups. Jay B. will expand on this event in his report. I look forward to seeing you all at the convention.

DISCUSSION

Mile High RCM needs printed registration forms

CRCNA Committee asked if they would consider extending early registration to last event

Concern expressed over pessimistic reports of CRCNA's progress... CRCNA is HEALTHY!!!

WE ARE ON TRACK FOR A GREAT CONVENTION.

PI Report

PI Area Chairs and their Subcommittee members plus CRSC Regional PI members and I met on Aug 4th and Sept 15th @ 10111 w. 26th St. - Denver, CO.

Budget: Approved: \$ 1900.00

Spent to date: \$ 700.00 - literature

\$ 125.00 - meeting space

Balance: \$ 1075.00

Profession Workshop:

Because of costs this event will probably be held in Colorado Springs. Because World has requested that their participation would be most highly facilitated by holding this event in June. We are looking at June 6 or 13 or 20, 2008. We are limiting attendees to 200 for this first round in order to set a reasonable goal and to be able to assess the process and direction for holding future professional workshops. Since our present database (see below) has over 1900 names, we decided to send everyone an invite with a mandatory RSVP via email AND telling all professional that the Workshop will be limited to 200 participants.

Database:

Torri and her helpers have done a fantastic job in compiling 1962 entries (to date) to the CRSC PI database. The entries include schools, treatment centers, therapists, police and sheriff depts, courts and so forth. She has input on names, addresses, phone numbers, contacts, emails when available, etc.

NOTE: Torri has completed the following: Denver Metro, Colorado Springs, Boulder/Longmont, Pueblo/Canon city, Ft Collins/Greeley, and Aspen/Glenwood Springs." To complete this task, Torri needs fairly recent Yellow Pages for any city not listed (i.e. Grand Junction, Delta, Alamosa, La Junta and East, Raton, Craig, Meeker, Trinidad, Walsenburg, Sterling, Fort Morgan, Estes Park, Cortez, Durango, Breckenridge, Steamboat, Rifle, Eagle, Montrose, etc.). So if you are out traveling and can get a phone book, please get them to me (719-390-7484) or better - to Torri (303-456-5368)

This database will be available to CRSC PI members and lists can generated by Area and/or facility type.

Blog: We are asking Don to establish a blog on the Regional website for CRSC PI members and help us be able to use it. This blog can be read by all but is for the specific use by CO PI members.

Needs:

Regional PI needs addicts for presentations especially in Areas such as Southern where we have 4 requests pending. PLEASE LET ADDICTS KNOW IF THEY WANT TO DO SERVICE TO CONTACT ME (719-390-7484 or 720-244-4291 or mll312@comcast.net).

Area PI Chairs NEED your SUPPORT!! 2 out of the 4 active area committees have canceled monthly meetings because of a lack of support by the Fellowship. THEY NEED YOU TO PARTICIPATE! Remember, it is frequently a PI Presentation that precedes H&I into a facility.

Misc:

We along with H&I are discussing combining PI, Phoneline and H&I under the umbrella of PR (Public Relations) to move CRSC move in line with World and the PR Handbook. We are looking at presenting our proposal at the January RSC for a Fellowship vote at the April Region Assembly. In August an Addictive Behavior Conference was held in Colorado Springs. World Services paid for the booth and send Tom B. to coordinate. As a result, CRSC PI received a tri-fold styrofoam display board to use in PI presentation in any Area or the Region.

Do Mountain High Area, Mountains West Area, Serenity Unlimited Area, or Southern Area have a PI Committee? If so, could I get their contact info today, please!

Our next meeting is SUN., OCT 14, 2007 @ 11am here at 10111 w. 26th St. in Denver, CO,

PLEASE tell your Area PI Chairs - Thank you!!

Thank you for letting me be of service,

Hugs and still lovin' service,

Linda L.

Chair - CRSC PI Committee

H&I Report

The Regional H&I subcommittee meeting took place on Saturday, September 15th at 1:00 pm. Attendees included myself and two members of the Regional PI subcommittee. I spoke with the Area H&I Chairs for Off The Wall, Pike's Peak and Serenity Unlimited and got their reports by telephone since none would be able to attend. All three chairs reported H&I activity in multiple facilities with no problems or issues to speak of.

The only expense incurred since the last CRSC meeting is rent for the subcommittee meeting. I'm not clear on how that gets taken care of, so let me know if there is anything I need to do.

I'm hoping to put together and maintain a list of current H&I meetings/panels within the region based on the information I receive in reports from the Area H&I Chairs. I would like to have a breakdown of which types of facilities we are serving (x number of county jails, x number of residential treatment centers, x number of prisons, etc.) in order to compare it to the number of those types of facilities that exist within each area and the region as a whole. The point of this is to find out where there are addicts that need and want the N.A. message, but currently have no access to it other than things like writing letters to the WSO.

Due to their geographic isolation, most state and federal prisons are good examples of facilities that contain large numbers of addicts in a particular location that falls within an area not served by any Area H&I subcommittee. Another project I would like to pursue is putting together some kind of list or group of recovering addicts with H&I experience who would be willing to take an occasional road trip to bring an H&I panel or meeting to one or more of the facilities that are not currently being served. Please make my number (303.829.1995) available to anyone who might have any interest in this type of service work.

Subcommittee meetings will be held on the Saturday before Region at the same time (1:00 pm) and at the same location (10111 W. 26th St.) indefinitely. The process of getting a functional H&I Subcommittee, whether at an Area or Regional level, can be slow-moving. But once it is up and running, good things start to happen. As soon as we have a subcommittee meeting with several Area H&I Chairs present, the purpose of meeting together will likely become quite clear as there are many problems, issues and concerns that would not be addressed or even brought up in a written report, but find resolution by the open discussion of H&I experience, strength and hope from those in attendance.

Gratefully,

-Ryan C.

I am happy to say that our activities meetings have been well attended, we have filled all of our service positions. We are looking forward to planning two activities for the remainder of the year. We will be planning a gratitude dance and a New Year's eve dance. If anyone has any suggestions it would be greatly appreciated that you attend the subcommittee meeting. Thank you for this opportunity to be of service. The next meeting is October 14, 2007 at 1212 mariposa at 5:00.

H&I Terry C.:

H&I Subcommittee
Mile High Area 10/07/07

The H&I Subcommittee met on September 9th and due to a family emergency I missed the area meeting and the H&I subcommittee meeting. We had the reports of the facilities we currently go into and there is still a need for volunteers at Jefferson County Jail and at the Federal Correctional Facility. I again want to let you know that many of the volunteers we get are new in recovery and for that I am grateful but we really, REALLY need volunteers with 2 years or more clean time and off paper for 2-5 years, that can pass a background check. I can not stress enough the need we have and the importance of carrying our message to the addicts who are still suffering.

Also with the fast approach of CRCNA XXI we will be in need of volunteers to help with H&I registration at the convention. There is no clean time requirement to help at the H&I check-in and there is a sign up sheet that I will pass around for help. We have contacted all the facilities on our current list and if you have a facility to add please let me know ASAP so that they can get an invitation letter. I want to again let you know that any addict coming from a hospital or institution will get a free registration packet, a basic text, and a CRCNA XXI T-shirt. Our subcommittee is dedicated to carrying this strong message that no addict need die from addiction.

Our next H&I New Volunteer Training will be held right here at 1212 Mariposa the 11th of November at 5:00p. Please encourage anyone from your home groups with 6 months or more clean time to attend. It has been my experience that service has kept me clean. When the thought of using enters my mind, I go directly to the thought that I would loose my ability to carry the message through H&I and that it isn't just about me getting high it's about others and at that point the desire is lifted. God works through carrying this message so ensure your clean time and come join us!

The last issue I want to bring up is that of the Paper Shoes meeting at the detox in Aurora. It has been brought to my attention that it needs to be under H&I. I have talked to Joseph K. who currently chairs that meeting and he would like to be able to keep it on the area meeting list with the H&I symbol by the meeting as he feels that it is a benefit to those that need a meeting right off the highway, that are traveling through town. This is completely up to the Mile High Area. I need your input as to what you would like me to do. Also we have the Drug Court meeting that meets the first Tuesday of every month at the City and County building. We would like to blanket this under H&I so that we can get the literature and the support we need to maintain this meeting in a professional manner. We were told by The World Service Office that the origination of the Drug Court

meetings, fall under PI and once they are established that H&I supports them. We currently have a Panel Coordinator for the Drug Court and I feel comfortable that this will work very smoothly. I for one am very excited about this step in the court system and I feel that they are finally wising up to the fact that for people to stay clean after there court commitment that they need to be plugged into Narcotics Anonymous!!!

In Loving Service, Terry C.
