- Welcome our new meeting place. I hope our experience today is a positive one. I was able to negotiate an agreement with the Denver Inner City Parish for the use of this room last month. We will be paying \$50.00 per month for rent, which is the same amount we have been paying and there are no conflicts in scheduling. It is my hope that this place will be better acoustics and I am very happy a more centrally located meeting place.

I have been unable to attend any other sub committee meeting or even the ad hoc meeting this month due to long work hours and medical challenges with my husband. Thankfully all is on the mend and I hope to be able to attend the next set of sub committee meeting and an event or two.

Our next meeting will be October 3, 2004 at 2:00pm at 1212 Mariposa. I hope everyone has a safe and good holiday weekend.

In loving Service

Joann D. Chair MHASC

### ***MHASC Vice Chair Report August 29, 2004***

I did not attend the Service Committee meeting on August 8 at 6750 Carr St as I had spoken to both Ron of Outreach and Ellis of Activities and they both seemed to have things well in hand.

I did meet with the Guidelines Ad-Hoc Subcommittee yesterday at Paul and Erin's home and we reviewed both Literature and Web Servant Guidelines. We have some recommendations for both sets of Guidelines and will be forwarding our recommendations to the respective Subcommittee Chairs within one week. I have received the Amended Outreach Guidelines, which reflect the direction of this body in regards to isolated Groups, and the Subcommittee is recommending their approval as submitted.

Thank you for letting me be of service.

Secretary report for august 29<sup>th</sup>, 2004

I want to thank everyone that submitted their reports to me in a timely fashion. Again I must have your reports by Sept 3<sup>rd</sup> if you want them included in the minutes for this month.

I am also asking GSR's to submit their reports by e-mail to do so as it saves me retyping everything and trying to read your writing.

Also our minutes are getting to be 8 pages this month, it costs a lot to send them by snail mail and for those with dial up service and hot mail accounts takes a while to down load.

One suggestion might be to give your oral report and highlight what needs to be in the minutes. Or I may have to.

Also make sure I have your correct email or street address.

Its all about teamwork, we are on the same team so lets work together.

A warm welcome to all.

As if August 14<sup>th</sup> there are 50 days to CRCNA. Visited the hotel in Vail. There is valet parking. If you chose not to use the valet parking there is parking within walking distance of the hotel. The room rates are good up until Sept. 17<sup>th</sup>. Vail is a two hour drive and you will not find a cheaper room in Vail if you chose the wait and see plan. Reserve your room ASAP. Smoking is allowed outside or in the designated smoking rooms. The food is really great I would suggest that everyone get a banquet meal ticket. Also if your group is hosting the hospitality room durning CRCNA we are not allowed to cook, but are allowed to bring in Crock Pots and there is a microwave.

The next CRCNA events are a dance August 28<sup>th</sup> up in Ft. Collins and Sept. 18<sup>th</sup> Sept. Nights here in Denver. Please purchase tickets for Sept. Nights 3 days prior to the event so the committee can plan for food.

Here's H & I's report from yesterday's meeting:

At our Aug subcommittee meeting we elected new panel coordinators at 2 facilities, Arapahoe House and Denver County Jail Men's. Current facilities we are trying to fill panel coordinator positions are Valley Hope, ICCS, and Jefferson Hills Boys. We are working closely with Marylou in order to ensure successful recruiting efforts at this year's CRCNA. We will have subcommittee members manning an H & I recruiting table, handing out information packets and trying to generate interested volunteers. H & I will team up with Phone line subcommittee to conduct training November 14th, 5:30pm at 6750 Carr. Allen F. will conduct the training. Our September literature order is for \$267.30, which is within our budget. I also have submitted a request for reimbursement in the amount of \$8.85 for copies made at Kinko's of our facilities and contact lists distributed to our subcommittee members.

Thanks,

Ed Azar

The Outreach Subcommittee meets on the second Sunday of the month at 6:00pm, 6750

Carr St. There were three people in attendance last meeting; Ron, Teresa, Erin We received eleven letters this month, responded with ten letters and two books. The one-month turn around was missed several times this month.

There were two meeting on wheels meeting this month, mostly attended by that members home group folks.

Adopt a Meeting summary:

We began a discussion about how to answer the request for help from "Spoons are for Coffee".

We garnered commitments from at least two people to attend each meeting this month.

We would like to continue to have two peoples committed to attend for the next two months. We are asking for help from the area in several ways.

First, we have a volunteer sign up list for September that we need to have filled in by GSR's today

Second, we are asking GSR's to bring sign up sheet for October to their home groups for volunteers and return them to Outreach at the next area meeting.

Third, for future needs, we are circulating a volunteer list for the “Adopt a Meeting” and hope to get some volunteers. We received a request for assistance from a representative of the deaf community. We will be discussing the course of action for that at the next subcommittee meeting. Another meeting is in need of support; “Just say NA” at 7:30 on Thursday at the conifer Mountain Club, 12795 Hwy 285. This is listed as an NA meeting, however there are no NA members attending and only one trusted servant with very little clean time.

We continued to discuss the guidelines and made the suggested changes again. We continue to develop a work plan and are excited to have the Spoons are for Coffee group as guinea pigs. They have been great sports and colleagues.

#### PHONELINE SUBCOMMITTEE. JEFF L.

We met on Sunday August 8<sup>th</sup> 2004 all seems to be going well with in our committee. We continued to discuss the next possible time to for a workshop/ orientation within our committee, and determined that it was probably going to work best if we just held a training at our committee meetings on Nov. 14<sup>th</sup> 2004 we will have fliers available for the GSR’s to take to meetings at the Sept. area. We continue to need support so if all GSR’s could please announce that, it would be great especially the need for a vice chair. At this time we still have available shifts they are Tuesday 10:00 am—2:00 PM, Thursday 2:00pm—6:00pm and Saturday over night 10:00pm-6:00am. If anyone is interested or if GRS’s would please announce it will be greatly appreciated, if anyone has further questions you can call be at 303.478.4252 mobile or at home 303.932.9221. Thank you for your support, Jeff L. Phone Line Chair.

Group Report for Golden Group 8/29

Our group is doing well. The doors get opened every Monday and we always have a hot cup of coffee ready to warm an addict's belly.

We had about 20 members, including 1-2 newcomers per week over the last month. We donated \$27.5 to the MHAC this month and didn't need any literature.

During our group conscience, we found some concerns to discuss at the area meeting;

1. H&I adopt a group program might be in conflict with some of NA's principles and we would like the H&I subcommittee to review the idea.
2. With the idea of making an area specific meeting list, we realized there is a need to have meeting list guidelines
3. We discussed the need for the web to be consistent with the P.I. guidelines
