ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report Jerry:

Hello everybody, first I would like to apologize for the mix up this month, clearly I am challenged by calendar planning. I met with the treasurer to go over the budget, and we had our budget meeting today before area. Elections are today so please stick around for that.

I would like to thank this body for allowing me the opportunity to serve this area, it has been a real learning experience and I have grown a great deal from it, SERVICE ROCKS!!! If your in this room you already know that. So thanks to everyone in this room for being a part of this process, so that we may continue to support the groups in carrying the message to the addict who still suffers.

Because the first Sunday of next month falls on a holiday weekend, this body will not meet again until July 13. For real this time... it's a holiday. As always the meeting will be at 2pm, here at 1212 Mariposa.

In loving service

Jerry

Vice-Chairperson's Report Alan T.:

Greetings members of the Mile High Area!

It is with some bewilderment that I realize it has already been a year since I have stepped into this position. Especially bewildering when I consider how long my first year clean lasted!

I have had the privilege of serving and meeting with many of you on Ad Hoc Committees, at the Regional Assembly, at activities and events, at subcommittees, at the convention, and even at the World Convention. One of the reasons I do Area Service is to pull myself out of the microcosm of my Home Group and participate in the larger fellowship.

There is much to be done. We have an Area Planning Tool Ad Hoc Committee

that is analyzing our Service Structure to consider how we can be more efficient at this Committee and how we can better serve the groups. There are still large geographic areas on the eastern and southeast portions of Colorado of which there is no NA at all – in fact, we have facilities and professionals who have no idea who we are. There are addicts that are coming out of these facilities that likewise have no idea who we are. We have a phone line that is archaic at best. We have disagreements over money and resources.

However, there have been a lot of successes this year as well. We have an Area Planning Tool Ad Hoc Committee. We have facilities and professionals contacting H&I where there have previously been no meetings. We have a Phone line Subcommittee that has kept the ship from sinking despite the constraints. We have a highly competent and committed Public Information Subcommittee. Activities this year have ROCKED! I have tremendous satisfaction with our present CRCNA subcommittee, have enjoyed the events, and look forward to the convention. We have an Out Reach Subcommittee attending meetings that are struggling and who are writing letters to people that can't get to meetings. We have excellent accountability and access regarding our literature. Finally, it is my opinion that I have seen us spend much less time quibbling, and much more time problem solving. I am hoping Area Service is sending a more positive image to the groups. And the biggest success for me is that every Chair of our Administrative Committee and Subcommittees have been clean another year.

On a personal note, one of the more gratifying things for me during my year as Vice Chair was being able to set aside my own shortcomings to be able to forge a new love and respect for individuals who serve here of whom I was previously disagreeable. That has been tremendously satisfying for me. I also want to mention, truly and sincerely, that the people of whom I cherish the most in Narcotics Anonymous are the determined individuals who stick it out through some of the uglier and sometimes thankless aspects of service and demonstrate that gratitude is an action word.

And speaking of gratitude, finally, I hope all of you are experiencing the same feeling of gratitude I experience when I realize we are participating in making the dream of Jimmy Kinnon a reality – his dream that an addict, any addict, can find a meeting on any day of the week, in any County in the world.

Thank you for letting me serve this Committee.

Alan T.

Secretary's Report Sarah Z. :

Thank you again for letting me be of service. This has provided me with an opportunity for growth and learning in my recovery. I may not have served as the greatest, but I have served to the best of my ability. I have learned humility in the position and a better idea of how to work with others. I am grateful to have been given the opportunity to better serve narcotics anonymous as a whole. My hope is that the next year will continue to foster unity within the area, and that the person who takes over my position can be as willing and able to serve the body as I was.

SUBCOMMITTEE REPORTS

Activities Subcommittee

I really want to first thank you for the opportunity to serve as chair of activities and thanks for all of your support in showing me how to serve as well it has truly been an honor.

CRCNA Liaison Bob D. : June 7th, 2008

Greetings!

I hope everyone is just as excited about the warmer weather as I am!

As is common, CRCNA will be holding off on any events during the months of June and July so as to not conflict with our homegroups and area outdoor plans. Though we'll be back in August with plans for a Boulder event, and a return of the 2nd annual Chili Cookoff and Talent Show!

CRCNA would like to welcome back Joann to the committee ranks as our H&H Chair (thanks Joann!) She has reported that there are over 120 rooms already reserved for the convention! Registration also reports that about HALF the banquet dinners are filled up! Register online or by mail when you can, and get a room while they last!

The Hospitality Room Signup Script will go LIVE Sunday June 8th at 12 noon! For those groups who wish to host a spot in the hospitality room – go to our website and reserve your spot today! ADDITIONALLY I've taken some calls from groups who are not able to host a spot, but still wish to contribute something. I have advised them to feel free to have their group send a check made out to "CRCNA" and mailed to the PO Box under "Hospitality Room". Thank you to all the groups who plan to host and support the hospitality room this year! I even get to visit it this year! Our program committee has started an initiative called "Tag your Sponsor"! They are reaching out and looking for YOUR participation in the convention. The flyer is attached for more details – but if you feel your sponsor would be good to host a workshop, or speak on a particular topic LET US KNOW! Additionally, CRCNA is still working with NAWs for their participation in our content! Be on the lookout for topics directly related to the service and support structure both locally, and beyond! Contact our Programs Committee any time for more details and PLEASE copy the flier and pass it around!

I look forward to seeing everyone at the various events planned by the areas and groups around the region! Again, thank you for supporting CRCNA and allowing us at your events for the merchandise sales as well! Do not hesitate to contact me via email (crcnaonline@nacolorado.org) or by phone at 303-598-6351 any time to make sure your area's voice is heard in our committee!

Sincerely,

Jay

H&I Terry C.:

H&I Subcommittee Mile High Area 05/04/08

The H&I Subcommittee met on May 11th with 30 in attendance. There were 11 there for our new volunteer training. We are so grateful to all those addicts who are stepping up to carry our message. Before I get into the facilities report I would like to announce the Mile High Area H&I Subcommittee is in dire need of positions including Literature, Secretary and a Vice Chair starting in June. We are having a subcommittee meeting directly following our area meeting today and that includes Elections so please come join us! Also our next training is Sunday July 13th at 5:00pm right here at 1212 Mariposa.

We need volunteers for Jefferson County Jail who can pass a background check. We also still need volunteers for Douglas County Jail in Castle Rock so please let me know if you are interested and I will have a packet mailed to you. We have obtained clearance from Synergy, a boys youth facility, near Ft. Logan. The meetings will be every Thursday at 7:00pm. We will need young addicts to go in as guest speakers with no background check required. We are looking for a panel coordinator for Marvin Foote, a boy's facility off Arapahoe Road. We have something for everyone so come experience what H&I has to offer

If you would like to get involved in H&I on a regional level to carry the message to the prisons in Canon City and Sterling, then please join us on Saturday June 21st at 1:00pm at The Meeting Place at 26th and Kipling. Once again I know that 5% of the people do 90% of the work and I want to take this opportunity to thank all of you that give so much of your time to the Mile High Area H&I.

As the Chair for the Mile High Area Hospitals and Institutions, there is an issue being brought to our subcommittee concerning volunteers who are being prescribed narcotic pain medication and their ability to represent Narcotics Anonymous at an H&I facility. We as a subcommittee do not have any specific guidelines based around this issue and we are being asked what our policy is concerning addicts who have to take narcotics.

As a result of these inquiries, I have done extensive research with my sponsor, working steps and traditions around this issue. The first thing to consider is the still suffering addict, the one on the prescription medication and the ones in the H&I facility. If the addict who is carrying the message is

for any reason asked the direct question, “Are you on any narcotic pain medication?”, then this puts the addict on our H&I panel in a position to either lie or tell the truth. Either of which is harmful to the addict or the facility and can cloud the message of Narcotics Anonymous. Our primary purpose is to carry the message to the addict who still suffers, while taking into consideration NA as a whole. Can an addict on the narcotic pain medication carry a clear NA message? Maybe yes maybe no. As an H&I subcommittee we have a responsibility to the fellowship of Narcotics Anonymous and to the still suffering addict to carry a clear NA message at all times. We can not monitor the reactions of the pain medications or the effects caused by them on an individual basis.

We discussed the entire issue at our last subcommittee meeting and we ran out of time so it was tabled until this month. We will be bringing a solution to the Mile High Area next month in the form of a guideline change that will be a win-win for all. I would like to say that it has been an honor this past year to serve as the Mile High Area H&I Chair.

In Loving Service, Terry- 303-437-4461

Literature Subcommittee Chris E.:

Thank you for letting me be of service, I must reiterate how much the opportunity has benefited my recovery. I hope that someone will step up to take the great responsibility of providing this area with literature as this is a crucial position to the groups.

June 2008

Narcotics Anonymous Mile High Area Phone Line Report

I want to thank the fellowship for the opportunity to be of service during the past year. I have learned a lot about our service structure, phone line service, and the connection between personal recovery & NA unity that is referenced in our traditions.

I am grateful to Angela B. for accepting a nomination for the chair position, and I believe that her experience and enthusiasm make her an excellent candidate for this position.

I attended the last regional service committee meeting, and the phone line ad-hoc committee presented a thorough approach for investigating the current status of phone line service throughout our region. I have completed a questionnaire to be submitted to that ad- hoc committee.

I hope that we as an area service committee continue to investigate possible ways to improve area phone line service.

Thanks to all those who are volunteering for phone line service at this time.
Brian S.
