ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report:

Hello,

I was able to attend a Literature Sub-Committee meeting. I'm pleased to see people stepping up and positions on the committee being filled.

I also attended and participated in the NA Learning Event hosted by 12 Alarm Recovery, Southern Serenity and Clean and Crazy in Castle Rock. The turnout was good, unfortunately short of expectations.

Those who attended were able to participate in interactive workshops, exchange ideas and thoughts about ways to better serve NA.

After the fall out of area elections, it saddens me that two members decided to step down. These people have immense knowledge and love for NA and their participation will be missed.

My hope is that we can move on, learn from this experience and continue to do good for the Mile High Area.

Please feel free to contact me at any time for any thoughts, questions and concerns regarding Area.

In Loving Service,

Mac

(1) I truly look forward to working on the Area Guidelines, to help broaden my knowledge as a trusted servant.

(2) To working hand in hand with the Subcommittees to help further carry the message.

(3) To express my heartfelt gratitude to Joseph C. for his continued assistance with The Phone Line Subcommittee!!!!

Secretary's Report:

August 2, 2009

If you want group reports included in minutes – turn in prior to end of area. Administrative committee members and subcommittee chairs – email within 7 days of area.

I will email minutes to anyone interested in receiving – sending around email list, add or make changes.

At the guideline review meeting, it came to our attention that the secretary is to “Ensure that the Area and all of its related Sub-Committees are registered with the World Service Office”. This item has been struck through for deletion in the guidelines under review, but due to the fact that they are not approved this task needs to be completed. If there are no objects from Administrative and Sub-committee chairs, this information will be forwarded to WSO.

Treasurer's Report: see attached

RCM:

RCM Report – August 2009

The Regional literature resource position is still vacant.

The Mountains West area has re-formed an area service committee.

There were several proposals passed at the last meeting. Most of these were in regards to CRCNA XXIII; Time line, workshops, marathon meeting topics and budgeting.

More notably was a proposed change to the guidelines that would no longer require the CRCNA secretary to attend regional meetings. Another proposal will allow for Regional expenses and sub-committee budgets to be allocated before donations are sent to the WSO.

As with all Regional guideline changes, these proposals will need to be ratified by GSRs at the next Regional Assembly. The Fall Regional Assembly will be held on September 19th from 10 am until 4 pm @ 1120 Pawnee Ave. in Sterling. There is an event flyer on the Regional website. All GSRs are encouraged to attend.

For more information you can review regional minutes @ nacolorado.org or speak with me or Mandy F.

Mile High Area H&I Subcommittee

Chair Report August 2, 2009

The Subcommittee met on June 12, 2009 with 17 subcommittee members and 19 new volunteers in attendance.

We still have a number of facilities in need of volunteers, but for the most part, all is going well. We have addressed some issues at a couple of facilities that have resolved attendance issues and are pleased with the cooperation of the staff members at these facilities.

We held elections for the vice chair, secretary, and literature coordinator positions. Tim H. was elected vice chair, Brandi J. is our new secretary, and Keith W. will continue as our literature coordinator. We will be electing a volunteer coordinator and orientation/training coordinator at this month's meeting. We have no nominees for the newly created tech & on-line coordinator position.

The subcommittee is discussing the possibility of rescheduling our meeting to take better advantage of the time available to us at this facility. We will be voting on this issue at this month's meeting and we will let you know if there are any changes.

All in all, things are going very well. The message of recovery continues to be carried into 26 facilities in the Denver-Metro Area, we continue to have large turn outs at our training days, and we are upgrading our contact information and communications capabilities.

Take Care & God Bless,

Lou S.

Mile High H&I Area Subcommittee Chair

FACILITIES LIST ATTACHED

Literature Subcommittee:

August, 2009 Literature subcommittee report

This has been a much easier month for the Literature Subcommittee. The order last month almost completely filled the substantial backorders that carried over from the lack of a June order. We are hoping this month should have very few, if any, backorders.

The Literature subcommittee had a meeting on July 29, 2009. Several items were discussed. We are currently writing a new excel spreadsheet that would eliminate the physical inventories each and every month. Our goal is to have the new spreadsheet fully functional within six months. We discussed ways to help make the distribution of literature quicker and more efficient. We also had elections for the Literature Vice-chair and Literature Secretary. Don O. was elected as the Literature Vice-Chair and Nate B. was elected as the Literature Secretary.

I have had the opportunity to communicate via email with the NA World Service Office. One point that has come up was the issue of home groups ordering literature directly from World. It is strongly suggested that all home groups order their literature through the Area Literature Subcommittee. By doing this, it reduces costs and labor so that more money and time is available to carry the message to the addict who still suffers. If anyone is interested in reading the email stating this, please see me.

Some things that I have seen and heard at the Mile High Area Service Committee meeting are a little intimidating. It is such an honor for me to get the opportunity to serve this committee. I have a personal goal to try to bridge some of the gaps that I see and feel. I would like to emphasize strongly that ANY ADDICT who has any suggestions or concerns regarding literature or anything else is welcome to talk with me about it. These concerns will be addressed properly.

Thank you for letting me be of service.

Phone Line Subcommittee:

The last three weeks have been the most trying since I volunteered to do phone line. I met with Denis C. the V. chair of area to disclose where phone line was at through this process I decided to stay on as part of the committee knowing that it would be detrimental to the phoneline to just walk away. I believe that I would best serve the phone line as the information coordinator. For the same reasons I stated last month I know I can't be the chair I still am willing to help in any way possible.

I received the information needed to switch over to the new system and as I proceeded to do so I ran into a huge obstacle. The process that was pitched to me that sounded very simple is not what I was led to believe. I have done my homework on this system it turns out that to "port" the 832-drug number will be lengthy process and cost more money. This "porting" process that I feel was conveniently not disclosed costs 79.95 more a month with a 40.00 set up fee and takes 4-6 weeks to do. Plus it seems like Accessline would have the rights to the 832-drug number after this process.

As spiritually as possible I explained my frustrations that none of this was disclosed prior to me giving my vote of confidence to this body to purchase this system and that it feels deceitful coming up when it has at the last moment. Here are the solutions I came up with in the short period of time I've had to find any

Hold off completing the transaction until we get more information. There are no contractual obligations that bind us to any of the additional monies discussed. We will have to carry Golden voice for another month I believe it is in the best interest of this body to not rush into anything at the same time I am not trying to expend any more of our resources than necessary .

I feel embarrassed that I could not follow through with the switch over in a timely manner. I take responsibility for my part which is I over looked the "porting" process and failed to ask questions about it. I put my trust in a sales person and it has affected this body negatively, costing more money which I am fully aware is our most valuable resource these days.

I will have better information in a week and will find a prudent way to complete the switch

Thank you for allowing me to be of service

BREAK:

OLD BUSINESS:

Per agenda, read into record Alan T's. 10th concept redress – called out of order – Alan not present

ACTION ITEMS FROM LAST MONTH

- **Treasurers list of contractual expenses, subcommittee expenses in order to review order of importance – verbally went over them**
- **JANET TO RESEARCH DEX ADS, WEBSITE, and AVAILABLE OPTIONS – Janet didn't get a chance to get this done**
- **CHANGE CONTACT ON QWEST ACCOUNT – Janet took care of and gave Joseph access code**

SHARING SESSION:

Item of discussion regarding phone line:

Based upon information received, porting number would allow Accessline to take ownership of phone number
Accessline = total 180.00 (approximately) but it would alleviate Qwest (60.00) + Golden Voice (42.00)

How does this affect phone book?

How does this affect golden voice and needing to pay renewal? Supposedly we can pay month to month

Contracts – to be signed by whom

Brian suggested starting over and researching new

Meeting scheduled for August 9, 2009 @2:00pm, 1212 Mariposa to brain storm on the phone line

Money issues:

- ◆ If we pay all contractual items and disbursements, for this month and last month we would be left with 255.45 – motion to be submitted regarding prudent reserve
- ◆ Joseph – spend the money we have pay the bills we have and in open discussion talk about money issues
- ◆ Possibly not print meetings lists next month or have it be groups responsibility
- ◆ Sarah – charging for meeting lists is not a solution figure out how to reduce expenditures
- ◆ Joseph B. - time to get honest we don't have enough money – go back to groups – it comes from home groups they don't need 600 or 700 dollars. Area body to embark on activities to generate income through fund raising for the Mile High Area. We do not have those events (Terminally Weird Olympics) anymore. Cut services? or increase level of responsibility of members by group of people. groups
- ◆ Brian read from the It Works How and Why – tradition 5 – “other influences can distort our groups focus on its primary purpose. From the money members contribute, our groups pay rent on their meeting space, buy literature and supplies, conduct activities and support NA services. All of these can either help further our primary purpose or distract us from our focus. Some groups seek to outdo others with luxurious meeting spaces, extravagant refreshments, huge supplies of literature, and elaborate activities. When we do this, our focus is distracted away from our primary purpose and onto money, property and prestige. We should try to establish a reputation for carrying the message, nothing more, nothing less.” Soul searching needs to take place – accountability
- ◆ Region has money – ask them for help
- ◆ Sarah – financial affairs areas started with fund flow with 60 / 40 at the end of each quarter to world and region
- ◆ Brad – need to identify priority
- ◆ Brittany – requested input – as to fund raising versus activities – Patty to email information from world
- ◆ There were numerous other members (sorry I don't know your names) that reiterated that our primary purpose is to carry the message to the newcomer
- ◆ Mandy – groups have activities and donate the remainder of money to area - is area not getting involved – are groups asking area for help

Group apathy:

- ◆ We are sitting without phoneline chair, public chair and/or training chair
- ◆ Apathy where area is concerned – why is that
- ◆ Shawn – attraction rather than promotion – hand out flyer
- ◆ Joseph B. – consciousness is that we are in this together – maybe services need to stop as there are people out there that think this thing just goes on.
- ◆ Gil – only half of the GSR's show up, groups don't understand – GSR bring information to the groups. Weakest link in NA is the groups. Answer already mentioned – groups to be more informed and show up

NOMINATIONS:

Public Information Chair – Brian D. – nominated, accepted nomination, qualified himself – back to groups, vote next month

Open positions – Training Coordinator / Phone line Chair

Requested that chair move nominations for open positions earlier in the agenda

NEW BUSINESS:

Motion: Joseph B., seconded by Brad B. Golden Group

Proposal: That MHASC appropriate 50.00 to provide a link to World Wide Unity Day. This link was requested by the groups and that request was affirmed by the activities committee.

Intent: To provide a local link to the World Services International Conventions and provide an atmosphere on inclusion & unity with the other members around the world.

Motion passes – Dennis to check and see if we have missed the dead line to get link. If we can still get it, Brittany will organize activity and notify secretary and web servant – email to be distributed

Motion: Mike H. – website chair, seconded by Sarah – Young at Heart

Proposal: Direct website committee to not print meeting lists in September. Note: if this passes, then cancel the \$95.00 disbursement request.

Intent: Fiscal responsibility

Motion passes

Motion: Michelle W., seconded by Brad B. Golden Group

Proposal: Temporarily lower the prudent reserve to zero, this month only, in order to pay all outstanding contractual obligations and pay back out of pocket expenses all ready incurred by members.

Intent: Fiscal responsibility
