

Assist-a-Meeting List

Mile High Area Meetings Looking for Assistance

Spring 2014

Updated April 11, 2014

We invite everyone to consider being of service at the meetings listed. The specific kinds of help each meeting is looking for are listed in the right-hand column. There is no obligation for a 2nd visit or to be of any specific service. Just like any meeting, you can go once to check it out and see if you like it.

If you are thinking of finding a service position, many of these groups are looking for home group members and trusted servants. The specific kinds of help each meeting is looking for are listed in the right-hand column. Don't be daunted. Please pray, meditate, talk to your sponsor, and consider setting one foot outside your usual comfort zone.

So, grab your recovery buddies and go explore a meeting you've never been to before and share your NA message.

Hey, Sponsors: Every sponsee should have a home group and a service commitment, a foundation for their service work in recovery. This list is chock full of both one-time and long-term service opportunities.

Hey, Home Group Members: Take this list to your group business meetings. Your group conscience can select a meeting off it and attend it one time as a group activity.

It is our experience that attending a meeting we've never gone to before is its own reward. We meet recovering addicts we've never met before; we run into people we already know but maybe haven't seen for a while; we check out a meeting space we've never been in before. Going to a meeting we've never been to before gets the ol' recovery juices flowing. It's fun.

Some notes:

- Work your recovery to the best of your ability.
- **The newcomers are the most important people at any meeting.**
- Anytime we attend a meeting we are being of service. Just by being there we contribute to the fellowship of the meeting. We help create a sacred space in which people feel comfortable sharing their strength, hope, and experience.

When we are doing service, we want our service to be humble and recovery-based. It does not help to tell other members of NA the way things should be.

- **If you are planning a trip to one of the caravan candidates**, we suggest contacting the meeting's trusted servants beforehand. Make sure the meeting will be held at the time and place you plan to attend it.

If you know of a meeting that is looking for support and it is not on this list, let us know. Contact Outreach at MileHighNAOutreach@gmail.com.
