*Chair – moves to make next meeting on Sunday the 9<sup>th</sup> because the 2<sup>nd</sup> falls during the holiday weekend.*

Hello all!

All Executive Committee and Subcommittee elections will be held today. I request that each outgoing Subcommittee Chair and Administrative Committee person be active in facilitating a smooth transition to your successor. I see this as crucial in creating and maintaining continuity within your Subcommittee.

I welcome any suggestions as to how I can facilitate this body in accomplishing our primary purpose. My email address is [danthone@juno.com](mailto:danthone@juno.com). My cell phone number is 303-570-3342.

I suggest we vote to move next month's meeting to July 9, 2006 because of the July 4<sup>th</sup> Holiday.

I would like to thank all Administrative Committee Members and Subcommittee Chairs for your selfless, dedicated service over the past year. I feel we have continued to make significant progress in making the MHASC stronger, better able to fulfill our primary purpose, and a more enjoyable experience for all involved. I would also like to thank you all for allowing me to be of service as your Chair. I promise to do everything I can to facilitate a seamless transition into the coming year with your help.

Thank you for letting me be of service. Dan A.

- Vice Chair – We've doubled attendance at MHASC as well as greatly improved the tenor of the meetings. Used to be a contentious affair.
- Secretary – no report
- RCM1 – July 16, 10-3 next Regional Meeting

**9. Sub-Committee Reports**

- Activities
- CRCNA Liaison - sec request report be emailed. Marie asks if July 4<sup>th</sup> Mile High event going to be a CRCNA event? CRCNA will attend & have a booth, offer merchandise and registrations, but the event will be a MHASC event. Pioneer Park, where event takes place, is at 58<sup>th</sup> and Garrison.
- H&I - see emailed report H&I has a number of requests for meetings which will not be responded to because we don't have enough volunteers. Questions: Joseph what's the difference between meetings that are in facilities but are not H&I. Is *wake up call* and *paper shoes* on the meeting schedule. On schedule. Mandy asks about *paper shoes* – no support, literature or formal trusted servants. Chair recommends inviting them but reminds the group that all meetings are autonomous.

### **H&I Subcommittee Chair Report**

Greetings to all, we held out subcommittee meeting on May 7<sup>th</sup> at 1212 Mariposa with 10 members present and one person who went through the training. We are still in need of Panel Coordinators for Jeff Co men,s Denver County mens,s and Denver Health hospital. In our other facilities sub committee members going in has dropped somewhat due to it being summer. We have a request to take a meeting in to the Excelsior female adolescent facility. Due to our attendance being low we will not be able to go into this facility any time soon as there are restrictions on who can go in. Again I am asking all GSR's to please announce at their home groups that H&I needs volunteers. We held subcommittee nominations at our last meeting and Terry C was nominated and accepted the position as Vice Chair. Tiffany S. was nominated as literature distribution person and will make her decision at our next subcommittee meeting. The training coordinator position still needs to be filled. We will be holding elections this month at our subcommittee meeting. This will be my last area meeting as H&I Chair as Jay Mc will be taking over as chair for the new cycle. It has been a rewarding and spiritual growth experience to serve as chair of H&I this past year with the support of the Area and it's trusted servants. Thank you for all your cooperation and guidance. I feel that as Jay Mc takes over next month as chair that he will do a fine job of meeting the needs of the H&I Subcommittee at the area level. Our next subcommittee meeting will be on June 11<sup>th</sup> at 5:00pm at 1212 Mariposa. In Loving Service,  
Marilou L., H&I Subcommittee Chair

- **Literature**- Allan –Sold an all time record of 66 basic texts. Pocket sized BT are priced \$11.00 not \$7.00 – Literature Committee will honor current orders at the \$7 rate due to the pricing error but will correct it going forward. Suzanne has served Lit Com for 8<sup>th</sup> consecutive month!
  - **Outreach** – see emailed report
  - **Phone Line** Carolyn gained a volunteer; Monday 6 to10 pm Herb B. There are four other openings. 10 shifts were missed this past month. 984 calls last month. See emailed report.
  - **Public Information** – Focus is on keeping current racks filled. 10 of each brochure in each rack. Will submit a budget reflective of that goal. Rec'd requests for Spanish speaking info. Has referred the request on. Won't be here for July Meeting – hopes that Dan or Tricia will come get the literature she's ordering. PI Chair's report to follow:

## PI Sub-Committee Meeting AGENDA:

Old business – Krys checked on PI rack at Denver Health to see if PI should fill or H&I  
Any other old business I'm forgetting??

New business – Our proposed budget of \$526.65 for 1st quarter [July/Aug/Sept 2006] was approved (works out to \$175.55 per month). Dan has the breakout – gives us enough to place 10 IPs (10 copies of each) in our 7 racks. Disbursement will be at next (July 9) Area Service Meeting.

### Actions to be taken/Decisions to be made:

- \* Elect Vice-chair & Secretary/Treasurer? (If not yet, could someone step forward to record meeting info for this month?)
- \* Determine who will go to July 9 Area Service meeting to represent PI, give monthly report & pick up literature disbursement.
- \* Move the scheduled July 9th PI meeting to another time/location?
- \* Any other decisions that come up during course of meeting??

### Discussion points:

- \* Could we as a committee study one Tradition each month and spend 10 (?) minutes or so at each PI meeting for open discussion of the Tradition for that month (starting with Tradition One & working our way through)?
- \* Discuss what we learned about PI from reading the guidelines.
- \* How do we want to handle the rack refills, should more than one person do it?
- \* Begin to define our goals and priorities as a subcommittee for this year.

- 
- **Training** - Submitted a budget that we couldn't open. Training Sub Com Chair is Absent
  - **Website** – Oops! Misprint on some of the meeting lists – 2 sided cover. Please check your copies. Transitioning the new web servant – Krys Has not been able to update the WSO site – will have to rely on her successor.

## 10. Old Business

- **Unity Day** – Motion to have Area “Accept ½ proceeds as a donation and “hold” the other ½ so that Unity Day has it to use next year.” Motion withdrawn

- **ELECTIONS - Administrative and Subcommittee Chair**

**RCMII and RCMI** Chair calls for nominations or volunteers. None. Lindsay said she will consider it – needs to check with sponsor. Jason – Big issue is the drive – Region is now considering doing something on the Front Range. Also, if you’ve been a GSR you are qualified to be an RCM. Chair refers these positions back to the groups for nominations.

**Secretary** - Karen W., self nominated last month is present this month and still willing – Qualifies herself: 6 years H&I service, served as Area Sec in New Orleans.

Vote results: Unanimous approval

Current Sec., Tricia C to orient new Sec., Karen W to the position. Contact info for Karen:

Kkwalton1@comcast .net 303-400-3114 (504) 451-5985

**Treasurer** – Jay qualifies himself - 10 months clean, is a current GSR but will replace himself as the group GSR. Jay had been clean 6 years before the tragic death of his wife. He suffered a relapse at that time and was out for roughly 18 months. Jay has run his own business for the past 12 years, which has afforded him ample experience in handling and accounting for money.

Joseph moves that this election be suspended, stating emphatically that, “Jay is in no way qualified”. Vice chair responds that, “the nominee, Jay is *very* qualified except for his clean time which is *not insufficient* as a matter of *requirement*. The recommended clean-times are just that – recommended. This Body retains the authority to decide on a nominee’s qualifications, taking the entire picture into account.”

Chuck, "There are measures in place to protect this body from theft; 2<sup>nd</sup> Signature, etc."

Joseph states again "for the record" that he is "adamantly opposed to having a person with only 10 months clean serve as Treasurer."

Called to vote. (Vote must be approved by 2/3 majority. There are 28 present for the vote) Vote

Results: 14 for; 11 opposed; 3 abstain – fails

Vice Chair recommends a temp be appointed – Chair said we can manage next month without a treasurer in place provided an administrative committee member step up. Kerry says he is willing to fill in for a month.

Mandy nominates Theresa who declines. Chair says, "let's move on," and calls for the nominee(s) for Vice Chair.

### **VICE CHAIR – Jerry**

5 yrs clean GSR for 1 ½ years.

Vote results: 22 for; 2 Opposed; 0 abstaining                      Passed.

### **CHAIR- Dan A. Nominated and accepted last month.**

Kerri nominated and declined. No other nominees

Vote Results: 22 for; 0 opposed; 2 abstaining.      Passed

**Treasurer - Lindsay** speaks up to say she is considering treasurer position but admits to a history of incomplete commitments. After leaving the room briefly to call sponsor she returns and announces that she would accept a nomination. She has \_\_\_\_\_ years clean (I missed this, folks I'm sorry – anybody catch it? Please call or email former Sec., Tricia C 303/726-2034; pcdenver@aol.com) Lindsay is working steps in NA with a sponsor. Experience with Book-keeping? Lindsay has done payroll for 6 and ½ years. "And I always balance my checkbook, every month", she adds.

Krys points out that this area's book keeping is more complicated than balancing a checkbook. Dawn asks if whatever prevented her from fulfilling positions in the passed been resolved. Lindsay says her program was not strong back then – not working steps. Now she is.

Vote results: 17 votes for; (as this number represents the 2/3 required no other votes need to be counted.      Passes

### **7 minute break**

**ACTIVITES** - Marie was nominated last month but is not present at this time.

Two other nominees present themselves; Sara R., 8mos clean in NA. Has worked on CRCNA F&E committee – currently working with F&E for CRCNA – Emphasis on FUN.

Sara Z. 4 ½ months clean never failed to fulfilled an NA commitment. Event Planning, Conventions banquets etc. Keri comments that he remembers what 4 or eight months clean was like for him and he truly didn't yet know what was good for him.

Both candidates have computers and internet access.

Vote results: Neither candidate received enough votes for election.

**H&I – Jay** qualifies himself; 4 1/2 years clean, working NA steps with Sponsor, extensive experience n H & I committee, vote results: unanimous approval

**Literature – Allen**, "I took this position because getting the literature to addicts is the most important thing." Clean 18 years in NA working steps the NA Way. Vote results: Unanimous approval.

**PI – Dawn** was nominated. Clean since 1984. Served as Regional Sec, GSR, GSRA, Group Treasurer, and has worked phone lines – cannot be here for July meeting going out of town to visit daughter. Dawn indicates that she is not as experienced in PI as in Phone Line. Vote: Unanimous approval.

After purchasing key tags and a Basic Text we humbly donate \$18.20 to the area. Our attendance is steady. Prudent reserve is \$60.00. Rent is \$15 per meeting. At our last group conscience we amended our meeting format to address the meeting length and our meeting name. We care for all the readings, announcements and celebrations at the beginning of the meeting. Then there is a 4 minute meditation. Followed by sharing.

All of our readings are done directly from the Basic Text. We felt that this is a way to get the literature//Basic Text into everyone's hands.

**How can the MNASC assist your group?**

We thank the MHASC for supporting MWBR. Please make the Group reporting form and Literature request forms more accessible to computer users who do not have Microsoft Excel or Word. We suggest that a free application format such as a PDF form be used. It would be accessible for Mac and PC users; Adobe Reader may be downloaded free (for those needing to fill out the forms). Forms can be built using Acrobat Professional and saved as a fill-able PDF forms. It is possible for the form to perform calculations. They may be used online or offline.
