### **ADMINISTRATIVE OFFICER'S REPORTS**

**Chairperson's Report: Dennis**

Hey all, I hope everyone enjoyed their February and was able to attend some of the events in our area. The Valentines Day Throwback Dance was a Blast and a huge success. It was well attended and well supported . Then the first C.R.C.N.A fundraiser, the 9<sup>th</sup> Annual Sponser / Sponsee Breakfast will be 9:00 am to 1:00 P.M. at the Mi Hi Church in Lakewood..Flyers should be located in the back ....

Also I am pleased to announce that the H&H Committee has signed a Contract with the Crown Plaza DIA Hotel and the

room rate is only \$99.00 dollars a nite .. You cant register for C.R.C.N.A as of yet but please reserve your rooms as we need to fill as many as we can so that we can receive our meeting space .. This is the 1 thing that has always held the Mi Hi Area back from having our conventions here before and lets make this 25<sup>th</sup> a monumental one.... Also keep in mind that this March 26<sup>th</sup> our Annual Unity Day Event will take place from 12:00 P.M. To 12:00A.M. And fliers are available on the back table..... Then May 7<sup>th</sup> , 2011 Learning Event 4 will take place at the frank Town Firehouse at the intersection of Hwy 83 and 86 ..... There is 1 thing that never stops surprising me and that is the Dedication and Devotion that all the Sub Committees members of the Mile High Area perform and display.... As always I would like to thank all the Mile High Area Sub Committees for all their hard work and dedication to carry the message to the addict who still suffers. Thanks for allowing me to serve....

Dennis C. Mile High Area Chair

**Vice-Chairperson's Report: Al**

Hello everyone

I did attend both of the PR Adhoc meetings and like the possibilities moving in the direction of a PR umbrella structure can provide. I have anticipation to see how the work of the PR Adhoc committee comes to formation and the areas thoughts on if they find it the right direction to go. Keegan has done a great job spearheading the Adhoc committee and will fill us in on its developments.

I am looking forward to the 6<sup>th</sup> Annual Unity Day coming up on March 26<sup>th</sup>. It is always a good time with great fellowship. Hope to see you all there.

If there is anyway that I can be of service to the MHASC body please bring any items to my attention.

Thanks for letting me of service

Al G.

**MHASC RCM Report – March 2011:**

The final review and input period for Living Clean: The Journey Continues ended on 31 December 2010.

Next steps...The World Board will sign off on the final wording of the text and the approval form of the book will be published in April 2011.

The vote regarding fellowship approval of the book will take place at the World Service Conference in April 2012. The project plan for this book called for the text to be released for a one year period in "approval form." It should be noted that the approval period is not a time for additional input but offers us the opportunity to read and consider the proposed text as it stands. The book will have undergone professional proofreading prior to distribution as approval form.

The book will appear as an addendum in the Conference Agenda Report and, as such, will be a part of old business at the WSC 2012. Approval requires a two-thirds majority vote in favor by regional delegates, and if approved, the book will be designated "Fellowship Approved."

The Service System Project continues – requested input cut off date was December 2010. Will keep all updated as new material is presented for review.

The Regional Assembly will be held April 16, 2011 in Greeley – GSR training will take place from 9:30 am to 10:00 am – Assembly will begin at 10:00 am. All members are encouraged to attend.

Activities Subcommittee Report

March 6, 2011

Hi everyone! I'm very happy to announce that, as of our last Subcommittee meeting, we have filled all open positions and we even have committed members without service positions now too! As soon as the new trusted servants have fished their training, we will finally be a fully functioning subcommittee!

Thank you to everyone who attended the 2nd Annual Throwback Valentine's Dance! We had an amazing turnout, and everything went pretty smoothly. Our actual profit for that event was \$392.98! Today we are finally over our \$1,000 kitty cap and will have overflow funds into the Area account. Jim will announce that exact amount later today.

Our next event is our 1st Annual Pajama Jammy Jam! "Come jam out in your jammies and your panties." This may be our slogan, but we do want to express the importance of "appropriate" jammy attire, as there will be children at this event as well! This is a dance for no reason at all, with the opportunity for everyone to dress down for once :-). The Pajama Jammy Jam will be Saturday, April 16th, here at 1212 Mariposa. The open meeting is from 7pm-8pm and the DJ'd dance is from 8pm until midnight. We will have a children's room again with a babysitter and entertainment. This service is free, but we do ask that if you can to please tip the babysitter. The admission for this event is \$3 if you're in your pjs, 4\$ if your not. This includes a free slice of pizza and a chance to win ticket. Our "chance to win" prizes are the usual NA memorabilia as well as a teddy bear. No addict will be turned away! If you or someone you know would like to help out with this event, we will be here to set up at 5pm, and everyone is welcome and encouraged to stay after the event to help us clean up. There are flyers on the back table.

Our next Subcommittee meeting is next Sunday, March 13th, here at 1212 Mariposa at 5pm. We will be planning the finishing touches for the Pajama Jammy Jam as well as getting the ball rolling for our anticipated Good Fellowship co-hosted event with CRCNA F&E as well as the 3rd Annual Luau!! Everyone is welcome and encouraged to attend. We can always use the support and imaginations of other recovering addicts.

We could really use the GSR's support in making sure that our events are being announced at every meeting. We want to show every addict, that we can and do have fun in recovery!

Thank you so much for letting me be of service.

Mile High Area H&I Subcommittee

Chair Report

March 5, 2011

The Subcommittee met February 13, 2011. There were 15 in attendance.

Last month marked the end of an era. Tracy T. has officially stepped down as panel coordinator after many years of service to H&I and the clients at Denver Women's Correctional Facility. I personally want to thank Tracy for all that she has done and will continue to do as a panel member at DWCF. Kathy K. has stepped up as the new panel coordinator and we are looking forward to working with her in this position.

The PR Adhoc Committee has submitted minutes from their first meeting. Unfortunately a representative of the H&I Subcommittee was not able to attend this meeting, however, I have reviewed the minutes and everything seems to be moving along well. I am excited to see the PR principles put into action to help MHASC and all the subcommittees more effectively and efficiently carry the message to the addict that still suffers.

Our next training will be on Sunday April 10<sup>th</sup>, there are fliers on the back table. Please help us find addicts interested in carrying the message. There will be snacks and beverages served after the training.

We are still collecting new and gently used key tags for distribution to addicts that attend our meetings. If you have some would like to contribute please see me or any H&I subcommittee member.

Take Care & God Bless,

Lou S.

Mile High Area H&I Subcommittee Chair

**Literature Subcommittee: Don O.**

Literature Subcommittee Report

The purchasing and distribution of literature continues to go smoothly. Last month there were some back-ordered white key tags, we went through 400 of them. I have increased the par level for this item.

Since becoming chair, I have revised the order forms and streamlined the process. This has been a very fulfilling commitment.

When the elections are held in June, I will not be accepting a nomination to continue in this position. Therefore, if no one steps up, there will be no literature at area. I have thoroughly enjoyed this position; however the concept of rotation of service is important.

I look forward to helping whoever steps up to this commitment.

Sincerely

Don O.

**Outreach Subcommittee: Karl**

Outreach Subcommittee Report. March 2011

First of all, we invite all of you to offer your thoughts on what Outreach might do to help the isolated addicts and meetings in our area.

You can contact an Outreach trusted servant at MileHighNAOutreach at gmail dot com, or call Karl at 303-762-9193. The next Outreach Subcommittee meeting is on Sunday, March 13 at 2:00 PM, 1212 Mariposa St., Denver, CO 80204 (That's the community center across from Lincoln Park--3 blocks S of Colfax, 3 blocks W of Santa Fe Dr.). Everybody's welcome!

#### Correspond w/ Inmates Program

After many years of service as our Correspondence Coordinator, Teresa K., is stepping down. So we are looking for a new coordinator. The suggested clean time for this position is one year. The position requires about 2-3 hours a week. We believe we have a volunteer to carry the mail from the PO Box to the coordinator once a week.

Please consider being of service at this position. This program is a way for inmates who can't get to a meeting to learn about Narcotics Anonymous. You can contact the current Correspondence Coordinator, Teresa K., at MileHighNAOutreach at gmail dot com or 303-522-1252.

A brief description of the Correspondence Program: Inmates who cannot get to a meeting but want to learn about our new way of life in NA write to our PO Box address. Our Correspondence Coordinator goes to the post office, gets the letters from our PO Box, and mails them out to us. We write replies and send them back to the Coordinator who in turn mails them to the inmates. In this way the Coordinator acts as a firewall--there is never any direct contact between the inmates and us on the outside.

It can be very rewarding to sit down with an inmate's letter, pray, and write a response telling the inmate how our recovery is going, how we are working the program, and how we're doing in general. One of my penpals wrote to me: "Your letters are my meetings."

Outreach provides the stamps and envelopes. You provide the paper and pen, and strength, hope, and experience.

We are currently expanding our Correspond w/ Inmates program in institutions in the Denver Metro area. We are very grateful to the H&I folks who present the case for our correspondence program to the coordinators in the local institutions. Thank You!

Correspondence Stats for February 2011:

Total Letters Received: 17

Total Letters Sent: 13

Percentage from Colo. institutions: 33%

Books sent to inmates: none.

#### Assist-a-Mtg

We wish to announce a new mtg. It's called Clean & Free Souls, Livin Life! It meets twice a week on Tuesdays and Thursdays at 6:30 PM. It meets at a clubhouse at 6796 Lowell Blvd. in Westminster. That's at the corner of Lowell and 68th St. between Sheridan and Federal. Format is Open, Discussion.

The Ray of Light meeting of NA invites you to attend its Wednesday 7:30 PM meeting at 1301 E. Colfax. This meeting is looking for support with attendance. It is also looking for a Treasurer--that's a great way to get into service at the group level.

Finding the Way meets in a treatment center at 3400 Lutheran Parkway, Wheat Ridge 80033, Friday nights at 7:30 PM. This meeting has many, many newcomers with just a few days clean time who are eager to hear our message, so they are looking for attendance by folks with a good NA message. It is not an H&I mtg--it is open to everybody. I had no trouble finding this meeting the first time I went up there. Also, Finding the Way provides a lot of key tags, info pamphlets, and white booklets to the folks in the treatment center, so it can always use 7th Tradition support.

Meetin Up North (Thurs 7:30 PM, 3101 E 100th Ave.) has young females with little clean time attending. Right now that group has few women with a good NA msg to talk to these women and exchange numbers with them. They are looking for women with a strong msg to go and share your msg of strength, hope, and experience.

Meetin Up North directions: If one got off I-25 at 104th and headed E, one would come to Steele. Go south 4 blocks to 100th. The church is on the NE corner. The W parking lot is most convenient. The entrance to the mtg rm is thru the garden level "glass wall" on the W side of the church.

We understand if you are too busy to take on even part of this task at this time. But perhaps you could reach out and invite a woman to help. Growth opportunity there.

Also, Ain't Dead Yet! is announcing that mtg is being attended by many young female newcomers on Saturday nights. ADY's GSR says there are not enough women with a strong msg to deal properly w/ the number of newcomers they have.

If you can make your way over there some Saturday night, that would be great. (8:00 PM, 8085 E. Hampden, just east of Tamarac Square, a mile or so east of I-25, at the church.)

Or pass the word to women who have some clean time and recovery and who can share their strength, hope, and experience.

Thank you, Thank you, THANK YOU!! You Rock!!

Thank you for letting us be of service! NA Rocks!

Note: Changed name to have spaces.

There are currently 64 groups in the MHA. They hold 118 meetings per week. We list an additional 5 meetings from nearby areas on our meeting list for a total of 123.

The website email ([milehina@nacolorado.org](mailto:milehina@nacolorado.org)) received one outside request this month. It was from a nursing professor inquiring about attending one of our meetings with a few of her students to just listen. I referred her to the online meeting list and let her know that we have both open and closed meetings, and while closed meetings are only open to people who are addicts, that our open meetings are open for anybody to attend. I did not receive any follow-up correspondence from her.

5,000 new meeting lists were printed this month for the next 3 months. Due to an oversight on my part, the first 1500 meeting lists still say "Winter 2010" instead of "Spring 2011" on the front, but the meeting lists next month will have the correct quarter printed on them. I greatly apologize for this error and am sorry for any inconvenience this may cause to our members or groups.

There is a meeting list update sheet going around, please make sure it makes it all the way back around.

PR Adhoc Report #2

Dear MHASC,

The PR Adhoc met on the 20<sup>th</sup> of February and set up its initial recommendation for implementation of the principles of the PR Handbook. Three of the four core chairs were able to attend and brought a great deal of insight and positive feedback to the meeting. The following is a summary of the steps that are recommended to begin forming a more cohesive PR based service structure:

- A. Phoneline, H&I, PI, and Outreach all start meeting on the same day, in the same location, at the same time with a round table discussion to follow the individual committee meetings
  - a. It is felt at this time that the most beneficial time for the four committees to meet is the first Sunday of the month on the following timeline:
    - i. 10:00am-11:00am Individual subcommittee meetings
    - ii. 11:00am-12:00pm Round table discussion involving all four subcommittees
    - iii. 12:00pm-1:00pm Rotating Training session in which trainings for any subcommittee can be held

- iv. 1:00pm-2:00pm Lunch Break
- v. 2:00pm-5:00pm MHASC meeting
- b. Utilize first meetings as planning meetings to decide a format that best suits the work of each subcommittee and develop that format for future use
- B. During June elections nominate and elect a PR Coordinator position at the MHASC to act as facilitator of the PR meeting and communication liaison between the core subcommittees
  - a. Include in MHASC guidelines the following description:  
MHASC PR Coordinator

It is suggested that the PR Coordinator have a minimum of 5 years clean time, has demonstrated a working knowledge of the Twelve Steps and Twelve Traditions of Narcotics Anonymous and Twelve Concepts for NA Service and presents a history of completed NA service positions.

#### PR Coordinator Responsibilities

1. Sets up monthly agenda for roundtable discussion of each subcommittee involved in PR
  2. Facilitates roundtable discussion using Consensus Based Decision making to help committees work together toward furthering NA's primary purpose
  3. Coordinates communication between subcommittee's between monthly meetings to help subcommittees complete tasks and projects completely and in a timely manner
  4. Creates and maintains a service pool list of service members that are willing to serve in any capacity
  5. Utilized service pool when subcommittees are in need of additional trusted servants
  6. Communicates and posts all available service positions to the website working in conjunction with the website subcommittee to create a viable forum in which this information can be communicated
- Some qualities to keep in mind when electing a PR Coordinator: patience, strong communications skills, organization skills, and promptness.

- C. Incorporate into the MHASC Guidelines a section for a PR subcommittee
- D. Incorporate Training Subcommittee into the PR umbrella
  - a. Expand Training Chair's responsibilities to include H&I , PI, Phoneline, and Outreach Training
  - b. Hold rotating trainings monthly to increase depth of service pool and increase fellowship knowledge base
- E. Incorporate Website Subcommittee into the PR umbrella
  - a. Establish a single location on the website that will house all PR information and work as an information exchange depot for trusted service to share information
  - b. Accessibly post all PR and subcommittee training materials to the website

Please do not read the above steps as action items the PR Adhoc wishes to take in the next month. These are simply recommended steps to be taken in the next few months to embrace a more PR based service structure. The PR Handbook is clear that, "[The PR Handbook] has been created to help us increase the recognition of NA and enhance the credibility of our program of recovery so that addicts seeking help don't have to suffer from active addiction." (Pg. 1) It also says that, "It is through the unity of members in their service efforts, and a cooperative attitude toward the public, that helps the NA message of recovery grow." (Pg. 4) It is in this spirit of unity and further carrying the message of NA that these steps are recommended by the PR Adhoc committee.

And of course, the PR Adhoc is open to any and all suggestions. Please feel free to contact me at [keeganthewalker@gmail.com](mailto:keeganthewalker@gmail.com) or call me at 303-945-1389. I look forward to what the future holds for the MHASC and what we can accomplish together. Thank you for allowing me to serve.

The next PR Ad-Hoc Committee meeting is March 27, 2011 at 6:00pm at 1995 S. Colorado Blvd.

In anonymity,

Keegan W.
