MHASC Chair Report July 10, 2005

Hello all!

It is a privilege to serve the Mile High Area of Service Committee of Narcotics Anonymous. I look forward to this third year of our service as one of growing and maturing in carrying our purpose.

The purpose of the MHASC is to support its groups on fulfilling their primary purpose by providing services deemed necessary by the groups. In all its proceedings, the MHASC shall adhere to The Twelve Traditions, Twelve Concepts of Service of N.A. and the resources of A Guide to Local Services.

This is a direct quote from the MHASC Guidelines as approved June 5, 2004. I encourage all of you to review those guidelines and the guideline specific to the Subcommittee in which you serve. To borrow a phrase from our basic text "it is only through understanding and application that the work". Let's all work together to become one of the most effective areas in all of Narcotics Anonymous! I welcome any suggestions as how I can facilitate this body in accomplishing our primary purpose. My email address is danthone@juno.com My cell phone number is 303-570-3342.

I am asking all Subcommittee Chairs to provide us with a budget for the next three months for approval by this body at next month's meeting.

Next month's meeting will be held August 7, 2:00P.M. at 1212 Mariposa.

Thank you for letting me be of service

Dan A.

Due to the Area meeting being moved to the 10th I am unable to attend this month due to a previous work commitment. I talked with Ed A. and he will be attending the area meeting to fill in the gaps of my report and pick up the literature. I would like to announce the results of the subcommittee elections held at our last meeting on June 12th. They are....

Jay Mc – Vice Chair

Valery M. – Secretary

Cynthia M. – Literature

I am following up on last months request to up our literature budget from \$300.00 to \$400.00 as we will be adding two more facilities in the near future and to better serve the literature needs of our current facilities.

At our last H&I training session we were able to recruit 5 new volunteers to go into our current facilities. We have two new facilities we hope to add sometime in late July and they are Rite of Passage for boys and Jefferson Hills girls we are waiting for the panel coordinators clearances and background checks, I should have an update on this at today's H&I subcommittee meeting.

It has been brought to our attention be the church where we hold our subcommittee meeting that they would like us to pay \$10.00 a month rent to use the meeting room we use. There was talk at out last subcommittee meeting about starting a 7th tradition collection to pay for the rent but we are not sure if this would be within some kind of guidelines.

MHASC Vice Chair Report

July 10, 2005

I did not attend any subcommittees meeting last month as I was concerned about comments made to me by several subcommittee members that the Vice Chair's brief attendance at each meeting caused a feeling of being "monitored".

I have since spoken to several of the subcommittee chairs who have confirmed that they do indeed appreciate and welcome the Vice Chairs attendance at their meetings (even if only for a few minutes).

I will therefore attend (even if only a few minutes) all subcommittees meeting that take place on a regularly scheduled basis. I will do my best to attend all meetings of those subcommittees which do not have regularly meeting times, provided I am given enough notice and that the time and location of the non scheduled meeting are not in conflict with others.

If you are a subcommittee chairperson with whom I have not yet spoken and have any concerns, thoughts or suggestions regarding my attendance at your meetings, please discuss with me privately.

I plan to begin attending meeting I do not regularly attend or that I have never attended this week.

If any groups see any benefit in my attending your group conscience/business meeting please let me know.

Please allow me to thank the Mile High Area of Narcotics Anonymous for the opportunity to be of service.

July 10, 2005 Monthly Report for Mile High Area Outreach Committee

The Outreach Subcommittee meeting the second Sunday of the month at 6:00 pm, 6750 Carr St. There were five members present.

We received seven letters this month, responded with five letters and one. All letters were answered within one month.

Adopt a Meeting summary: We have reached the three-month period with the group Peace Out West. The Outreach effort doesn't appear to have had much of an effect. We are still gathering information for starting a 12-step group. We hope to develop a proposal with in the next few months.

We continue to work in developing the guidelines for the Adopt A Group project.

We submitted the budget this month; it includes an increase of \$10.00/ month for rent on the meeting place.
