ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report: AI

Hello Everyone

CRCNA XXV is three weeks away from happening here in Denver. Sounds like one big party to me, hope everyone is as psyched as I am. It's not to often we get the luxury of having this in our own back yard. I also know the activities committee is working on the 3rd annual Freakers Ball here at 1212 Mariposa the weekend following CRCNA, so lots of stuff to do in October. Please attend and enjoy.

The area inventory that is currently scheduled for the November area needs to be discussed by this body. I have currently added that topic on the agenda under new business for today's meeting.

That is all I have to report today.

Thank you for letting be of service

AI G.

Vice-Chairperson's Report: George

Hello all,

From my communication and observation of the subcommittee meetings, I can say that most appear to be doing well. Phone line is in need of some new volunteers as the life changes of some of the volunteers now preclude them from being able to be of service at this time. Training has some new ideas and something to get us all thinking. GSR's keep caring the service message back to your home groups, help us to insure that no addict need die from horrors of addiction.

Thank you for letting me be of service George W.

SUBCOMMITTEE REPORTS

Activities Subcommittee: Melissa F.

Hi Everyone! First I would like to thank everyone who supported our last event, the young at heart dance. It was a success and a wonderful home group to work with. We had tons of support setting up, breaking down, making sure everything ran smoothly and even someone who took our things to the storage unit. It is teamwork, support and dedication like this that makes our events such a great success. I appreciate all of the hard work that everyone puts into it.

We have so much going on so let's get down to business! Our next event is the 3rd annual freaker's ball. It is \$3 per person and your admission will include a free slice of pizza. We will have a kid's room and also a costume contest! It will be on Saturday the 29th and the fliers are on the back table. If the GSR's could take some fliers and announce it at the home group, it would be greatly appreciated. The event will start at 7 with a candlelit meeting from 7 to 8 and the dance will follow from 8 to midnight.

The next big event for us will be our New Years Eve dance. This year it looks like it will be 4 areas. I am waiting for the Pikes Peak contact to let me know. They have their area on the 6th and I will have an answer for sure. As of right now it is Mile High, Boulder and Off The Wall. The other areas have been wonderful and I have been in close contact with them. Off The Wall does the tickets and they have told me that they will be available to go on sale at CRCNA. I have already reserved the hotel that we used in Longmont last year. If you would like to reserve your room now, you can. I would love your support in announcing this event. Please make sure to let people know that when they call the Plaza Hotel in Longmont to tell them what group they are with and that it is a holiday rate. We have the same prices as last year and rooms will be \$59.99. Tickets will be \$20 for the banquet. We only sell 200 tickets for the banquet so I recommend getting them ASAP. If you only want to go to the dance, that will be \$7. We are not able to do newcomer admission for the banquet, however if anyone wants to buy a ticket for a newcomer and donate it, that is ok. If we do have the fourth area, and it looks like we will, the format for the speakers will be a little different, I will keep you posted. Right after New Years we have our annual Valentine's Day Throwback dance but let's not get too ahead of ourselves.

Last but not least, we have the calendar. The calendar is finally done, woo hoo! Seriously, I am so computer illiterate and this was a huge accomplishment for me! I did the calendar for the months of October and November. I sent out an email requesting anyone who needed something on the calendar to please let me know. I also had some help from PR in sending out an email for calendar requests. I didn't have very many responses. The ones that I got are up there. I will be doing the calendar for 2 months at a time so if there is anything you need or want on it please get it to me no later than November 20th for the months of December and January.

As you can see, this is an extremely busy time for activities. I have been working extremely hard and I am so grateful for the wonderful committee I have and for the people who have given me such love and support through this transition. It hasn't been easy. I had some HUGE shoes to fill. I feel like I am finally finding my rhythm and things are really coming together. I couldn't have done it without the love and support people have shown me. I am excited for all of the things to come with activities!

Thank You For Letting Me Be Of Service,
Melissa F

Outreach Subcommittee: Karl

You can contact an Outreach trusted servant at MileHighNAOutreach@gmail.com, or call Karl S. at 303-762-9193 -- sorry I can't receive texting.

The next Outreach Subcommittee meeting is Sunday, November 6th at noon, 1212 Mariposa St., Denver, CO 80204. (That's the community center across from Lincoln Park--3 blocks S of Colfax, 3 blocks W of Santa Fe Dr.) Everybody's welcome!

1. Karl S. with Outreach here. At the September Area Service Committee meeting, during the Phone Line Subcommittee's report, Annette, GSR for Natural High, asked me about Outreach creating a 12-step call project. At that time I said Outreach doesn't have the people or time to handle a program that would provide 12-step calls.

Upon further review, I believe that answer is not really based on our concepts. So I want to amend that answer. NA's 2nd Concept reads "The final responsibility and authority for our NA services lies with the groups."

The several subcommittees of our area are organizational tools that the groups have formed to do 5th Tradition work that the groups could not do on their own. The folks on the subcommittees are servants of the groups.

So the groups through their GSRs can will a 12-step call program into being. The groups have that authority.

The 2nd Concept also speaks of the groups' responsibility for our services. I believe that means the groups and GSRs have a role in supplying the people, energy, ideas, direction, as well as the funding to make the subcommittees and their programs go. So to create a project or even a new subcommittee, we should look for people, energy, etc. coming from as many sources as possible: the groups, our Colorado Region, World Services, as well as the existing subcommittees.

So: I'm grateful to Annette for asking the question. And thank you all for reading my amended answer to Annette's question

2. Outreach is Looking For:

Outreach is looking for a treasurer and a secretary. The folks filling these positions should have at least one year clean time and be able to regularly attend the subcommittee meetings at Noon on the 1st Sunday of each month. Job descriptions for these positions can be seen in Section III. Elected Positions in Outreach's guidelines at:

http://www.nacolorado.org/denver/forms_guidelines/guidelines/outreach_guidelines.pdf

3. The NA brand: Using NA Logos in flyers:

We encourage folks to use the words "Narcotics Anonymous" along with NA logos on flyers you are handing out at area and other meetings. Those logos are registered trademarks of NA, and as members of NA, we are more than welcome to use them. That way, everyone--newcomers, relatives and friends of addicts, treatment center folks, legal system folks, and so forth--will know that the meetings and events being advertised are NA sponsored.

4. Assist-a-Meeting.

We are brainstorming ideas about how to attract folks to Solo por Hoy. This month we are inviting folks from No Matter What Blues Breakers, and Recovery in Principles to attend Solo por Hoy. Solo por Hoy meets Tuesdays at 7:30 PM at 1510 Glen Ave Unit 12 (8800 block west, 2 doors north of Colfax). Everybody is welcome: English speakers are gladly welcome!

We are looking for someone to step up and sign up folks for a 1-time commitment to attend the 2nd Chance meeting on Wednesday mornings. This sign-up service would be a 2-month commitment.

Continued Deflation will be leading a caravan up to the Razor's Edge meeting of Narcotics Anonymous sometime in Oct. Razor's Edge meets Thursdays at 7:30 PM. Please note that Razor's Edge will change its start time to 6:30 PM beginning Thurs., Oct. 13. The meeting is in a nice big cabin with lots of good, NA-grade coffee. The meeting is on US 285, just beyond Conifer, about 18 miles west of C-470. Please talk to Karl at 303-762-9193 if you'd like to work on reaching out to the Razor's Edge.

We gave a Welcome Coupon and a Start-up Kit to the new meeting, Still Awake, Still Dreaming--Saturdays 10:30 PM, 14th & Gilpin.

We are signing folks up for a 1-time commitment to attend the 5th Tradition meeting on Friday nights 8:00 PM.

We have a women's meeting liaison who plans to attend A Woman's Turning Point--Wednesdays 7:30 PM--in October.

5. Correspond w/ Inmates Program

After long and honorable service as our correspondence coordinator, Teresa K. is stepping down. Paul K. has taken on this duty. Way to go, Teresa and Paul! "Thank you" to all the letter writers and H&I folks who make the Correspondence Program go.

Many folks stepped up to be letter writers, and now we can attract more Colorado inmates to our writing program. Yes!!

Correspond with Inmates Statistics for September:

We received 20 letters.

We sent 24 letters.

30% of those letters were to or from Colo. institutions.

Books sent to inmates: 1 Step Working Guides. 1 Just for Today.

6. September Disbursements: Outreach purchased two books for shipping to an inmate for \$20.80. We purchased two Start kits from the Lit Subcommittee for \$11.60 for our inventory. Photocopying for activities, assist-a-meeting, Outreach reports, was \$72.89. Total disbursements = \$105.29

Thank you for letting us be of service! NA Rocks!

Training Subcommittee: Bob D.

We had 4 attendees at the meeting today. Two training manuals were handed out and discussion ensued. We want to try something to help the ASC think of concepts to service/traditions/core NA values to use when making decisions. We would like to present a mock scenario during trainings report, then have a short discussion during the open sharing session. Hopefully we can generate interesting thought about those principles which we need knowledge of service.

In loving service,

Bob D.

PR Committee: Keegan

Hello all,

I am terribly sorry to inform everyone that due to a scheduling conflict at my job I will be unable to attend this month's area meeting. To report on the goings on of the PR efforts in the MHASC, I would like to begin by saying that we continue to use the new MHASC PR email to spread the word about goings on in the MHASC and service opportunities that members of the service pool can assist in. However, it appears that a number of emails have been sent out that have not reached me. Please send be sure to include mhascpr@gmail.com in any communications that you would like more people to know about. I am still working on some of the drafts for the new website pages and will be sending those to Nick as soon as I can get them where I would like them. Beyond that I feel that things are dragging a bit but hoping that projects and attendance will pick up as we get into the holiday months. Please email me if there is anything that I can further assist with and we will pick up meeting again at the beginning of October. Thank you.

In gratitude,

Keegan W

There are currently 58 groups in the MHA. They hold 100 meetings per week. We list an additional 5 meetings from nearby areas on our meeting list for a total of 105.

The website email (milehina@nacolorado.org) received no outside requests this month.

There were a couple of errors in the meeting lists that were printed last month. The address for Blues Breakers didn't get updated on the listing for Friday. Please note that the Friday night meeting has also moved to 1510 Glen Ayr Dr in Lakewood. Also, one of the NA Matinee listings incorrectly said "coffee house". This meeting location is actually at a church. Corrections have been made for both of these online, and will be corrected on printed meeting lists the next time we print a batch.

Work continues with Karl S. from Outreach on identifying the duties and responsibilities of the web contact person. Work also continues with Mike H. from region on implementing the Basic Meeting List Toolbox at a regional and area level to simplify the process of updating the meeting list and making it more accessible to everybody.

Please submit requests for changes to subcommittee web pages or event fliers by email. milehina@nacolorado.org

Thank you all very much for allowing me to be of service.

In humble service,

Nick A. - MHASC Web Chair
