RCM report

We have not received the minutes from region

So I will update my report if needed once we receive them.

We had a good turn out of GSR's from mile high. We would like to thank everyone who drove down.

We were able to do a work shop About "welcoming all members" that was lead by our RD's. This work shop focused on two questions.

1. What gets in the of me practicing the third Third tradition as an individual member, especially with the three groups identified.( demographically different, on DRTs, on medication)?

2. What can I do to help my meeting (home group) to better practice Tradition Threes principles when dealing with the three identified groups.

We got good feedback from the work shop. The theme seemed to be focusing on our l literature.

The Crcna guidelines passed.

We were able to fill

### **Phone Line –Jordan**

Everything is still going well on the phone line. We now have one slot that needs to be filled on Tuesdays from 10 AM-2 PM so please announce this at your meetings. We are currently in need of a vice-chair, and the suggested clean time for this position is 2 years. If anyone is interested, please call or email me. I could also use an information line coordinator to check messages and return calls. There's a one year clean time requirement for this position. We will also need a subcommittee, including a new chairperson as my position will be up in June.

This month, we updated the entire meeting list recording since there was a new meeting added.

We had 4 missed calls this month, and 193 total incoming calls, so thank you again to all of our awesome volunteers for picking up the phone!

### **PI - Dan M.**

Hello from your Public Information sub-committee! My name is Dan and I'm an addict.

We could really use folks to attend our monthly PI meetings on Area Sundays at 12noon. We had 3 attendees at today's meeting but we would welcome more people to join in too. Our bus kiosk ad is moving this coming week from the Colorado and I-25 on-ramp location to the south side of Colfax at Garfield Street. This Colfax ad will be double-sided so both directions of traffic flow will get a chance to view it. The ad that Area Treasurer George has just pulled up on the projector was taken this morning. It is our free ad on the south side of Alameda, facing west, at the South Fairmount Drive intersection. The ad company, Street Media, has extra copies of our artwork and they are thoughtful enough to post that artwork from time to time at locations around the metro Denver area for free. As you're all aware, Travis H. was nominated, accepted and qualified for the July 2015 - June 2016 P.I. chair position that will be voted on by the Area body at our June 2015 Area meeting. Internally to P.I., we may be looking for either (or both) a vice chair and/or a secretary soon, hence my request above for folks to come and join in with Public Information sub-committee. Great news with regard to summer booth events! We have filled up all the time slots needed to staff our booth at both JazzFest on Saturday, May 16th and 2 days at People's Fair on Saturday, June 6 and AREA Sunday, June 7th!!!! If you didn't get a chance to sign up and you wanted to be involved, come see me or vice-chair Travis anytime today and I'll jot down your info in case we have 'fall out' leading up to either of these events. A very big thank you to 6 recovering addicts that took time from their personal schedules in the past month and helped carry the message to a local highschool as well as a health fair that occurred at the Colorado Convention Center!!!

In humble service,

Dan M. (personal cell for any inquiries -->[720.569.7746](tel:720.569.7746) or [napiDenver@hotmail.com](mailto:napiDenver@hotmail.com))

### **PR - Krys G**

Public Relations Report May 3, 2015

I attended and assisted in giving the Introduction to Service Training. We were late getting started, over all the training went very well. We still need to get the subcommittee representatives from each of subcommittee to participate.

This will be the end of my second year as the Public Relations Coordinator and as specified by guidelines I will not serve a 3<sup>rd</sup> term.

In the last 2 years the working with the committees we have made great strides, implementing the Introduction to Service Training, and Social Media Guidelines. I have complete faith in my successor and the direction of the PR Committee and its future.

In loving service,

Krys G

## **Training – Sarah L**

I wanted to thank Dan M. for doing the intro to service presentation for me last month while I was away and to Bob D. for doing GSR/A training for me as well.

I had one new GSR-A attend the GSR training. I am still in the process of creating a PowerPoint presentation for GSR training, I hope to have that completed and approved by July's area. The introduction to service presentation had a nice turnout today as usual; most of the people who attend this are interested in H&I.

Also thank you to everyone from subcommittees who attended the introduction to service training today.

Thank you for allowing me to be of service.

Sarah L.
