PR – Dan

New Business

CRCNA Liaison nominations none

Vice chair nominations – none

No new motions

Treasurer

"prudent reserve" got renamed "contractual reserve"

We have a forty-five minute discussion about money
might take back to groups:

Lindsay: If we had a little bit to start with, say \$500 or \$600.

Hi MHA Secretary (Lena),

Below is the January 2016 written report for PUBLIC RELATIONS!

Also, it was an action item for me to clearly report to you the following so it could be included in the minutes you send out to all the people:

New ADHOC for updating most MHASC sub-committee guidelines to reflect change of verbal and written reporting to the MHASC body as well as required attendance at monthly Area meeting will meet for one hour at 10:00am at 1212 Mariposa on Area Sunday, February 7, 2016.

Thanks & ((hugs!))
Dan M.

Date: Sunday, January 3, 2016

Subcommittee: Public Relations Committee REPORTING FOR Activities, Phoneline, Public Information, Training and Website (currently excludes Hospitals, Institutions & Outreach, Literature sub-comm, RCM and CRCNA Liaison reports)

Public Relations Chair: Dan M.

Public Relations Email address: publicrelations.mhasc@gmail.com

Public Relations Meeting Location & Time: 1212 Mariposa, 1pm before Area Sundays

Other subcommittee Meetings Location & Time: 1212 Mariposa, various times before Area Sundays

New ADHOC for updating most MHASC sub-committee guidelines to reflect change of verbal and written reporting to the MHASC body as well as required attendance at monthly Area meeting will meet for one hour at 10:00am at 1212 Mariposa on Area Sunday, February 7, 2016.

January 3, 2016 Report:

Hello from your Public Relations committee! My name is Dan and I'm an addict.

Thank you for remaining patient related to our October 2015 Area motion to temporarily suspend the verbal and written report guidelines for all sub-committees (for 2 months) and our December Area motion to temporarily suspend the verbal and written report guidelines for another 4 additional months as we attempt to streamline our sub-committee reporting to the Area body (except Literature sub-comm, RCM and CRCNA Liaison).

As you should recall this attempt will reduce redundancy of information at Area, allow the Public Relations committee to assume reporting duties on behalf of all MHASC subcommittees and ultimately to reduce the need for subcommittee chairs to be in attendance at our monthly Area meeting except for budget months.

I will try my best to provide a succinct verbal report to you today that encompasses the most vital information on behalf of Activities, Phoneline, Public Information, Training and Website (currently excludes Hospitals, Institutions & Outreach, Literature sub-comm, RCM and CRCNA Liaison reports).

First and foremost, the BIGGEST of thank you's to all the people who are being of service in all capacities. In addition, to all of the folks keeping the subcommittees fulfilling their commitments...."THANK YOU!!!".

Going in alphabetical order...

Activities!! The tri-area New Year's Eve event was a success this year. About 75 to 100 people attended and a small profit of \$20.25 was made. Activities understands that due to an unexpected chair change within their subcommittee a few months ago that their event planning has been by the hair of their chin. This includes currently working on a Valentine's 2016 event, so continue to look for new information on that! Chair Colleen and her team will work on getting event dates and details to us with more time to save the date and make plans to attend the events.

With regard to the H&I&O sub-comm, Jennette will separately report on that sub-committee after this report.

Moving over to the Phoneline subcommittee... Out of 278 calls received this past month 10 calls were initially missed and went to the voicemail system, over 96% of all calls received were answered. **Jordan and her Phoneline team are working on reactivating the Spanish language option of the phone system and she is specifically looking for service folks fluent in Spanish to answer those incoming calls!** There are no ongoing issues in regards to this subcommittee, but they are seeking to fill more 4 hour time slots of recovering addicts to answer incoming calls.

Service positions within Phoneline that we are looking to fill include a Volunteer Coordinator (1 year suggested clean time) who will train new volunteers at the monthly INTRO TO SERVICE training at 12noon on Area Sundays, Phoneline volunteers (1 year clean time) to answer incoming phone calls and an InfoLine Coordinator (1 year suggested clean time) who will check voicemail messages and return missed calls. Please spread the word about these needs!

Public Information is in the process of discussing ideas to educate nurses on the disease of addiction and the viability of the Narcotics Anonymous as a suggestion for patients they encounter. The PI committee is working on creating a more cost effective literature rack over the next few months. An exciting growth for PI is the new addition of 3 more literature rack sites in the metro area, this brings PI up to 12 healthy lit rack sites that include meeting lists and general IPs! PI performed a year contact with the 3 county library systems where the Basic Text is stocked in the library circulation system, all sites are healthy and have all the stock they need of BT's, It Works and Living Clean.

Our Training chair, Sarah L., had 6 people show up at 11am today for the monthly INTRO TO SERVICE training. No attendees at the noon time GSR/GSRA training today.

Our Website chair stepped down today during the Public Relations meeting. Our vice-chair, Ron L., will assume Website chair duties until a new Website chair is elected. Our NA website continues to host approximately 150 users per day. Meeting lists that were printed in November are on the back table. The next time new meeting lists will be printed will be for the February MHASC meeting. Please review meeting list in folder or online version for accuracy to eliminate any inaccuracies before the next printing. No other new activity to report. Please note here is a folder containing forms for requesting changes to the meeting schedule, for listing open service positions, and for listing events and activities to post on the website. Please pass this around and return it all to the web servant by the end of the meeting. There is also a copy of the currently posted service positions, please line through any filled positions so that I can keep the website current. All those types of requests can also be sent to the area email address, WebServant.MHASC@gmail.com.

The most relevant updates I can communicate to the Area body today on behalf of collective efforts by all of the subcommittees that attend the monthly Public Relations meeting at 1pm are these...

1. 3 out of 7 sub-committees are still working on reviewing and updating their own sub-committees' guidelines, we have not set a target date to complete this project. We need more time to fulfill this task due to the volumes we are all handling in our sub-committees. Please be patient and we will accomplish this task in the near future for the health of our Area.
2. We've set a team goal to complete a summer 2015 request by the Area body for creating "Chair rotational checklists" of February 2016. In theory these checklists will highlight the most pertinent of tasks that have to be accomplished regularly by sub-comm Chairs in addition to what is noted in their guidelines. These checklists are hopefully to assist new, incoming chairs with helpful duties, tasks and tribal knowledge that might be lost otherwise.
3. The Google Calendar on the Events page of nadenver.org has been up and running since mid-September 2015. It's a calendar called "MILEHINA events" and for simplicity sake all Mile High Area sub-committees each have access to post upcoming events to it. Updating the events page to a calendar will also help folks to see at a quick glance what, and when, upcoming events are listed, hopefully to prevent multiple NA events occurring at the same time on the same day. This simplicity of viewing will only work if events are posted though.

As a friendly reminder, all sub-committees need folks to show up and jump into service at each of our Area Sunday monthly meetings.

In humble service,

Dan M. (personal cell for any inquiries -->[720.569.7746](tel:720.569.7746) or publicrelations.mhasc@gmail.com)

Hello,

Please see below for the RCM Report of January's MHASC Meeting:

- Next Regional Assembly
 - Jan 17 @ 10am @ 1212 Mariposa
- CAR/CAT Report (attached CAR and other materials also found here - <http://www.na.org/?ID=wsc2016>)
 - CAR/CAT Workshop @ March Area - on March 6 at beginning of Mile High Area meeting, will be presented by Jayme (our Colorado Regional Delegate)
 - CAT will be available at end of January online
 - Go over CAR/CAT with your groups and get input ASAP

Thanks,
-Brett
