ELECTIONS

The CRCNA Liaison position will be announced in December with nomination and elections for the position in January. One RCM position becomes available per year in order to stagger the experience.

Only GSR's present will vote at all MHASC elections.

An election to fill a vacancy of an elected position is to be announced upon vacancy of that position with the nomination and election for the position at the next MHASC meeting.

Nominations

Any member of NA can be nominated but the nomination must be seconded by a Decision Maker of the MHASC. All nominees must be present at both the meeting at which they are nominated and the meeting in which the vote is taken to fill the position. Participants will be given the opportunity to ask questions and/or voice their objections (if any) concerning any nominee, while the nominee is present.

Elections

1. A vote will be taken for all elected positions regardless of the number of nominees.
2. If there is only one nominee for a position after nominations have been closed, the election is known as a vote of acclamation and will be indicated as such by the Chairperson. The nominee must then receive 2/3rds of the participating votes to be elected. If the nominee fails to receive 2/3rds then nominations will be reopened.
3. While the voting process is taking place, the nominees should leave the room.
4. The Chairperson will ask who is in favor of the first candidate nominated, then the second, and so on. All votes for a candidate will be counted before moving on to the next one.
5. There are no votes "against" a candidate. The only votes that will be tallied are those in favor of the candidate and those abstaining from the vote.
6. The nominee who receives the most votes will win the election of the position.
7. The Chairperson will vote only when a vote total is tied.
8. The final vote totals will NOT be reflected in the minutes.

ARTICLE - 8

VOTING PROCEDURES ON PROPOSALS:

Quorum is comprised of 50% of the average number of GSR's attending the MHASC over the past three months.

All proposals are decided through Consensus-Based Decision Making.

Any NA member is welcome to attend the MHASC, introduce proposals and participate in discussion.

Consensus-Based Decision Making

The use of Consensus-Based Decision Making admittedly takes longer to achieve an outcome to an issue, called a proposal. But the results are understood by all in attendance at a more significant level of comprehension. In addition, any proposal can be easily changed or modified as discussion progresses. Making a motion, requiring a second and so forth are no longer needed. Decision Makers become a single point of accountability to those that they represent (see 12 Concepts of NA Service).

Consensus-Based Decision Making Process

1. Bring proposals to the MHASC. Formulate clear proposals in advance with as much communication and collaboration as possible to facilitate the consensus decision process.
2. Maker of the proposal speaks first to the intent.
3. Open up the floor first for clarifying questions about the proposal (not a debate on the merits but a brief session to be sure everyone understands the proposal).
4. Facilitator asks whether anyone has reservations about the proposal. These are heard and they may be answered or the proposal may be modified.
5. Once all reservations have been heard and answered in this way, Facilitator asks, "Do we have consensus?" Participants respond in one of four ways:
 - a. Assent. This means that the Decision Maker supports the proposal, all things considered. It may not mean that the Decision Maker is in agreement with every aspect, but that the Decision Maker has heard the discussion and has had a chance to participate in the process of finalizing the proposal, and is prepared to support the final proposal. Assent is signified by remaining silent.
 - b. Assent with Reservations. This option is not materially different from the Assent option but is included as a way of giving Decision Makers a place to stand when they do not want to object more strongly, but they do want to note that they have reservations. Assent with Reservations is done by the Decision Maker raising their hand and simply saying when the facilitator calls on them, "Assent with Reservations." The assumption is that the reservations have been heard already, and the Decision Maker is simply noting that they can support the proposal and continue to have these reservations.

- c. Stand Aside. A common misconception about the Stand Aside option is that it is similar to an abstention. It is not. It is more accurate to say it is similar to a "no" vote. It is a statement that the Decision Maker does not support the proposal, but the Decision Maker's objection is not of the nature or the severity to warrant a block. Should the number of Decision Makers opting to be Stand Asides reach 15% or more, this will indicate a consensus too weak to adopt the proposal. The proposal is then either dropped or delegated to the maker of the proposal or an Ad Hoc Committee for reworking.
- d. Block. This option is also commonly misunderstood. Given that a proposal can be defeated by a sufficient number of Stand Asides, the Block should be an extremely rare step taken only when a participant honestly believes that one of the Traditions or Concepts is directly violated by this proposal. A Decision Maker who blocks must be able to articulate which Tradition or Concept or Spiritual principle fundamental to NA is violated by the specific proposal.

SUBCOMMITTEES

The Subcommittees of the MHASC are Activities, Training Coordinator, Hospitals and Institutions (H & I), Literature Supplies, Outreach, Phonline, Public Information (PI) and Web Servant.

It is suggested that the MHASC Subcommittee Chairs have a minimum of two (2) years continuous clean time, have demonstrated a working knowledge of the Twelve Traditions of Narcotics Anonymous and Twelve Concepts for NA Service, and presents a history of completed NA service positions.

It is the duty of each Subcommittee Chair or Representative to:

1. Attend and provide written reports, within seven (7) days to the area secretary, of all monthly activities at each MHASC meeting.
2. Announce and hold regularly scheduled Subcommittee meetings.
3. Attend quarterly budget planning meeting.
4. Submit quarterly itemized budgets for approval to the MHASC.
5. Elect or appoint other committee members as necessary.
6. Channel all funds received to the Treasurer (in absence of treasure, to the assistant treasurer) of the MHASC within 7 days following any event that has generated funds.
7. MHASC Subcommittee Guidelines are submitted in writing and approved by the MHASC. Updates, amendments or changes to guidelines are also presented and approved by the MHASC.
8. Function within the principles of any World Service handbook, guideline or guide unless stated in writing by the Subcommittee or MHASC as a group.
9. Ensure all meetings are non-smoking.

Activities

The purpose of the Activities Subcommittee is to provide the fellowship in the MHASC with recovery-oriented events, activities and merchandise. The funds generated through the Activities Subcommittee belong to the MHASC and are to be used to further our primary purpose.

Hospitals and Institutions

The purpose of the Hospitals and Institutions Subcommittee (H&I) is to conduct panels and meetings that carry the message of NA to addicts who often have no other way of hearing our message.

Literature Supply

The purpose of the Literature Subcommittee is to provide NA approved literature for purchase by the MHASC members and individual Decision Makers attending the MHASC. This is accomplished by purchasing in bulk from the Narcotics Anonymous World Services (NAWS) in order to keep an inventory available for resale. Each order is charged ten percent (10%) in order to help cover shipping costs and to continue to restock the literature supply on hand. All money generated is reconciled between the Chair of the Literature Subcommittee and the MHASC Treasure by the close of each MHASC meeting.

The Literature Subcommittee may also have the opportunity to participate in the review and input of NA literature seeking conference approval. The Literature Subcommittee can also develop original materials to be submitted to NAWS. All such material must be presented to the MHASC before being sent to NAWS.

Outreach

The purpose of the Outreach Subcommittee is to provide assistance in overcoming the isolation that can hinder the growth of any addict seeking recovery. The focus and goal is to help NA groups or individuals feel a part of the larger NA community. Communication between Outreach, H&I, and PI is suggested in order to avoid duplication of efforts.

Phone Line

The purpose of the Phone Line Subcommittee is to maintain the information/help line for the MHASC known as "303-832-DRUG". It is the responsibility of this committee to consistently update the information on the information/help line, coordinate schedules for volunteers to man the help line and provide training for our volunteers in accordance with A Guide to Phoneline Service.

Public Information

The purpose of the Public Information Subcommittee (PI) is to provide conference approved NA literature, speakers and information to the public. The Public Information Subcommittee serves as a resource about NA in the area that the MHASC serves.

Training Coordinator

The purpose of the Training Subcommittee is to provide education primarily to the MHASC GSR's and GSRA's about the responsibilities of their position, general descriptions of other positions held at the MHASC and any training for the MHASC members deemed necessary by the MHASC.

Website

The purpose of the Website Subcommittee is to maintain the website www.nacolorado.org/denver and provide meeting lists to the fellowship. It is the responsibility of this committee to consistently update MHASC activities, MHASC Meeting List and perform maintenance as needed on the website.

ARTICLE - 10

FISCAL RESPONSIBILITY

DISBURSEMENTS

The priority of disbursements of the MHASC is to be as follows:

1. Contractual obligations are automatic and do not require a vote of the MHASC
2. MHASC budgeted items are to be paid automatically and do not require a vote but must be prioritized in the event of a shortfall.
 - A. Contractual Expenses
 - B. Subcommittees
 - C. Pass excess along the service structure
3. Non-contractual, non-budgeted expenditures require a vote of the MHASC and must be prioritized. Expenditures that cannot be met at that month's meeting must be given highest priority at the next MHASC.

All disbursements must be receipted.

Non-receipted disbursements must be accompanied by a written estimate of planned expenses. Once the expense is completed, all receipts and funds must be turned into the MHASC Treasurer for reconciliation by the next MHASC meeting.

In order to prevent our members from spending personal funds it is suggested that disbursement checks be written to a specific supplier of goods and services.

As a last resort, a member may spend personal funds and must submit a receipt in order to request a reimbursement from the MHASC.

BUDGETS

1. Contractual obligations are defined as any contract between MHASC and any outside entity. These include but are not limited to: phone services, advertising, meeting space rent, storage space rent.
 - a. Provisions are to be made to reserve funds for expenditures that are annual and biannual.
 - b. Budgeted contractual obligations must be adjusted quarterly. Budgeted contractual obligations are defined as one quarter (1/4) of the annual contractual obligations. Careful consideration is suggested when voting to disburse from the budgeted contractual obligations. Once disbursed, the budgeted contractual obligations would need to be replenished as soon as possible in order to meet contractual obligations for the fiscal year.
 - c. The Chair will appoint an Ad-Hoc committee to research, review, and/or renegotiate all contracted expenses on an as-needed basis. This Ad-Hoc committee will make recommendations based on their findings to the MHASC. Addition or removal of a contractual obligation must be approved by the MHASC.
2. Quarterly Budgets
 - a. Each subcommittee chair will provide sufficient copies for GSR review of detailed proposed budget.
 - b. A quarterly budget cannot exceed the average income of the three previous full quarters minus funds necessary to cover our contractual obligations for the next 3 months.
 - c. Subcommittee budgets are to be determined at the quarterly budget planning meeting.
 - d. Quarterly budgets will be approved by the MHASC.
 - e. At the end of each quarter, all monies in excess of \$250, after expenses and budgeted contractual obligations, will be considered for disbursement down the service structure at 40% to World and 60% to Region.

Fiscal year for the MHASC begins July 1 and ends June 30.

Quarters are as follows:

Budget Planning Meeting Held

1 st Quarter	July through September	June
2 nd Quarter	October through December	September
3 rd Quarter	January through March	December
4 th Quarter	April through June	March

Approved September 11, 2010, revised July 2010, January 2011, May 2
