ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report

Dan A.

Last month I stated in the agenda that we had \$ 1667.22 and Joseph questioned that amount. As I committed last meeting, I have researched the error and found that I incorrectly took the wrong figure from the June Treasurer's Report. The correct amount was actually \$ 3,656.17. I humbly apologize for the error and thank Joseph for catching it.

I am excited to report that our GSR attendance has been steadily on the rise. I reviewed attendance records and we are averaging at least 10 more GSRs this year than one year ago! I thank you all for making this increase in participation happen. I am also convinced that our meetings will be shorter as a result of our implementation of the new Financial Responsibilities in our Guidelines.

During new business I will entertain a motion to move next month's Meeting to September 10 because of the Labor Day holiday, which falls in the first weekend of September. Please remember that we will be holding the Budget Planning meeting at 12:00 Noon on the day of the September Meeting and all Administrative and Subcommittee Chairs are required to attend to represent your Subcommittee's budgetary needs.

Thank you for letting me be of service.

Dan A

Vice-Chairperson's Report

Jerry

Hello everybody, as I'm new to this I don't know exactly what a vice chair does, so I am open for any advice or guidance anyone may have on how to best serve this body. I am trying to attend as many different meetings as possible and I attended the activity's first meeting. I look forward to being of service wherever I can if you would like me to attend your group conscience or sub committee meeting please let me know. Thank you for letting be of service.

Jerry

Secretary's Report

Karen W.

First, I would like to apologize for not attending meeting last month, but I had a family emergency and I was out of town.

There is an attendance sheet/e-mail update that I am circulating. I would appreciate it if everyone reviews the list, even if you did it last month. I need to assure that all the information is correct. Please add your phone number to the list and make any necessary corrections. There is a list of e-mail addresses with no other information included. I assume this would be Area attendees other than GSRs and Subcommittee Chairpersons. Would you please add your name and phone number beside your e-mail address. If there is

anyone else who would like to receive minutes, please add your information to the space provided at the bottom of the list.

Would you please take a minute to copy my e-mail address so that any reports and/or other information is submitted to my correct e-mail address.

I am in a learning process and any feedback or insight that you may have will be welcome.

Thank you,
In Loving Service,
Karen W.

H&I

Jay Mc.

We had our subcommittee meeting on July 9th. I wasn't able to attend but we had 12 people in attendance. We added a new facility to our roster – Excelsior Youth Center. Stephanie W was elected as the Panel Coordinator. We need volunteers for this facility. The population of this facility is all young women. Our volunteers need to be at least 21 years of age. We have several other facilities that would like a meeting brought in including Douglas County Jail, Rite of Passage (youth facility) and 3rd Way (another adolescent facility).

As always, we are in need of volunteers at all levels. We need Panel Coordinators at Denver County Jail – Men's, Denver Health and Jefferson County Jail – Men's. We need panel members to go into several of our existing facilities as well as to help us with the new facilities that are requesting our support. I urge all GSRs and others present here today put the word out. **WE NEED VOLUNTEERS!** We are in special need of female volunteers and younger members of the fellowship. We are still looking to fill our training coordinator position. I ask that the GSRs make a special effort to get the word out. H&I is a very easy, very non controversial way of helping to carry the message to the addict that still suffers. Not that we need to compete with AA in any way but they are able to provide H&I meetings in a lot of facilities that we don't. I am also going to suggest to the subcommittee that we create a new position of H&I Recruiter.

I would like to coordinate a "Service Extravaganza" with the other subcommittees sometime after CRCNA. This would be a means for members of the fellowship to learn about many of the service opportunities available. I am asking for suggestions from any member of the fellowship about how to get and keep people interested in H&I service.

In loving service,
Jay M

Outreach Subcommittee**Nick S.**

The Outreach Subcommittee meets on the 2nd Sunday of each month at 5:30p.m. at 1212 Mariposa St. We've received 11 letters this month and mailed 14 letters this month to inmates. We got another volunteer to write letters but we could use more. There was no activity on "meetings on wheels".

We are supporting a meeting with the "adopt a meeting" program which is the Fifth Tradition. We are still moving forward with training packets for sponsorship by mail. At our last meeting 4 people were present. Thank You for letting me be of service,
Nick S.

OLD BUSINESS

There were no nominees for RCM1 or RCM2.

RCM1 - referred back to groups for nominations

RCM2 - referred back to groups for nominations

Torrie ; Regional Chair – “Will your Vice Chair be attending the Regional meeting? Is it not in your guidelines that the Vice Chair cover this?”

Chair, Area answers, “no, that is not part of the duties as described in our guidelines”

Jerry, Vice Chair, Area, “I am willing to fill in until we get one, though”

Chair then reads the guidelines description of the RCM1 and RCM2 duties and requirements.

Gold Voice Ad Hoc Subcommittee

Chair: Dawn

Golden Voice – PI Chair, Dawn was assigned as an ad-hoc committee chair to study options but has been out of town so much she was not able to do much on it.

Ken has done some research and feels that because current system doesn't require high tech or a lot of money, we ought to stay where we are. Ken feels that we ought to renew Golden Voice.

Dawn, asked by chair if she concurs, she said that if we want to study options we should start 6 months out. We are two weeks late on paying this annual contract. Chair recommends, given this feedback that the Treasurer be directed to pay this immediately. 504.00/yr Answering service and forwarding on the 832-DRUG phone number. It does not include Qwest charges for line itself.

Consensus vote on paying Golden Voice and Renewing Contract: No Dissent.

- Thank you everyone who responded to **5th tradition Group's** request for support.
- **Dan**, Chair, says he often hears people say that they need support for their group. If you hear that encourage attendance at Area. Outreach SubCom has a terrific 3 month plan for reaching out to groups and building attendance.
- **Joseph** just got back from Albuquerque They just celebrated their Unity Days and I was able to bring home a lot of great ideas and activities for us to try. If money doesn't come from an individual group it must be generated by an activity.
- **Torrie** – DO you have a training person? Yes

- **Allen F.**

CRCNA History of NA groups in Colorado Region Presentation of the questionnaire which has been passed around. A knowledgeable member of each group is asked to fill out this survey so that we have information to complete our NA Colorado family Tree. Please include a group photo of your home group members around your logo if you have one. Sample Shown. If your group doesn't respond, only your group name will appear on the tree. We hope to continue this as a tradition at CRCNA each year. We would also like to include memorabilia such as flyers, minutes historical mementos. We also will be preparing a power-point presentation which includes an audio interview or narrative on their group's "story". While each group who hosts the hospitality room, that group's presentation can be played in the room. This will facilitate "getting to know" each of the groups. Deadline September 15th 2006. Joseph, "I've seen this presentation done with each group represented as an apple on the tree" "T-shirts with the Tree on them served as fundraisers."

Dan, "I'm sure our secretary would be happy to include a notice or reminder from you with the minutes. Also – we have a fairly complete list of the 48 groups in the Area which you can use to contact members from whom you've not yet heard.

World Services is looking to update their contact list on us. Dan has provided the Area P.O. Box to WSO as a single contact point for all sub-committee and administrative committee members. For phone and email contacts, he provided our most recent Committee and Admin Member Contacts List.

Jay – Our subcommittee has experienced some issues with compliance with new smoking laws. Please be aware, everyone, that you give NA a black eye out there when you disregard the laws!
