ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report:

Hello Everyone,

Yesterday was the Chili Cookoff, it was very well attended. The Public Relations Orientation at 1:00 was exactly what I had expected. There was discussion around the various facets of what make up PR and how we can work better together.

The Conference Agenda Motions were presented to us by our Regional Delegates.

Unfortunately very few GSRs took advantage of this opportunity. I hope Groups take time to discuss the CAR Motions so an informed vote can be brought to the Regional Assembly.

Service Manuals were distributed to the Committees that need them.

As well as getting the information out there, it allowed us to reduce storage space and replace unused Literature Inventory stock with items that are in more demand.

I have been in contact with NAWS to see if there is way to simplify our process of updating the World Data Base. There is what is known as a "Web Contact for NAWS". A web contact gains access rights to the NAWS database to view and update information they have for our Groups. What we need to decide is where should that responsibility fall. My thinking is to keep it within Outreach.

I have also been talking with our Web Chair and the Region Web Servant about how to standardize Admin and Sub-Committees Chair email addresses.

Don't forget we are trying the Open Sharing Topic written forms. These need to be to me before the end of break for discussion at today's meeting.

Going to form several Ad-Hoc Committees: Policy; the purpose would be to go back and catalogue motions so we don't have try and remember what was passed or not. So we need somebody that is a bit punctilious and fastidious (bonus dictionary word). Archives; the purpose is to pick up where we left off last year. We are at a point where some one with greater familiarity with Foothills, Denver and the combining of the Areas should be involved. We need to make sure that no crucial historical documents are disposed of. Blues Festival; I have asked John M to look into venues and talent. He will bring his findings to us. Should we decide to go on with this event then work with Activities?

As always, I appreciate the privilege to be of service to the Area.

Mac

Vice-Chairperson's Report:

Hello everyone hope you had a great February. All the Sub Committees are working so hard at fulfilling their commitments. Holding trainings, events, and helping to carry the message. The Valentine's Day Dance was a huge success - great job Activities Sub Committee. Also the event that took place at 12 Alarm Recovery, with their 3rd Annual Chili Cook Off, and Special Guest Speaker was a smash, with 11 entries in the Cook Off and Dan L. won for the 3rd straight year. Hats off to the Public information Sub Committee for rolling their sleeves up , making huge strides and doing tremendous work. My thanks to all the Sub Committees for working so hard to better serve the MHASC and helping to fulfill our primary purpose. To carry the message to the still suffering addict ...

Thanks so much for allowing me to serve!!!!!!!

In Loving Service, MHASC Vice Chair - Dennis C.

RCM - Brian:

RCM - Mandy:

Thank you for the opportunity to allow me to be of service to MHA. I would first like to say that our PR workshop held at the 12 Alarm Recovery held on March 6, 2010 was not as supported as it could have been. The chili cook off held on March 6, 2010 was a huge success. We had approximately 90 people for the cook off and the speaker meeting. Thank you all for your support.

Some of the up and coming meetings are: Regional Service Committee meeting held on March 21 at 10:00 am at 1212 Mariposa. The Region Assembly Elections will be held on April 17, 2010. Please announce to your groups so we can generate as much interest in these positions as possible. Beginning at 9:30 will be the GSR orientation along with all group service reps and regional service committee members. The conference agenda report, regional conscience, regional trusted servant elections and the CRCNA XXIV event will be starting at 6:00 pm.

We will be also taking a look at the Living Clean Publication that has been in the works. They are also looking for stories to be submitted to NAWS. If there are any questions or concerns please go to www.na.org / www.nadenver.org or see Brian S (RCM) or myself. Also, feel free to add or amend any information necessary.

In loving service – Mandy

SUBCOMMITTEE REPORTS

Activities Subcommittee:

Hi everyone! I want to thank everyone for coming to celebrate Valentine's Day with us. The Throwback Valentine's Dance was a huge success! Today I'm bringing back \$259.57 in profit to add to our kitty as well as a 7th Tradition donation of \$19.00 to Area. (Attached is finance report) I also want to thank everyone for respecting the location and for those who helped clean up, because the church was so impressed by how it looked that they have happily invited us back. This would be a great location for a new meeting in Arvada if anyone is interested in starting one.

We truly enjoyed working with Boulder Area Activities Subcommittee to put on the past couple events, but we have parted and are going our separate ways until the next Tri Area New Years Bash. Although there is some talk of doing just one more event this summer together as their Subcommittee is hurting for support and ours seems to be flourishing, but for now this is just talk.

I'd like to announce our next event which is going to happen Saturday, April 24th at 1:00 pm. We are having a birthday party to celebrate everyone being clean just for today. This party will start off with a tag meeting, and will be followed by a clean time countdown, pizza, cake, and other birthday fun. There are some flyers on the back table for this event, but as you'll see we have yet to secure a location, and as soon as we do, the updated flyers will be sent out. So for now, please help us spread the word, because it's not a real party unless we're all there.

The Activities Calendar has started to pick up again, and so we may be taking the speaker meetings off again here soon, as we are running out of room for everything. But for now, you will see that the calendar for March and April is on the front, and the flyers and information for the events and speaker meetings are on the back, and if your event isn't on their please email me the information and/or flyer to mha.activitieschair@gmail.com, which is also on our website at www.nadenver.com under the events tab.

Thank you so much for letting me be of service.

Brittany L.

Hospitals and Institutions:

The Subcommittee met February 14th with 13 subcommittee members. Last month's subcommittee meeting was precluded by a meeting of the administrative member's of the subcommittee.

I am pleased to announce that we had 20 members in attendance for training last month. Our next training will be held April 11th, that's the second Sunday in April, at 3:00p.m. We have a new flier on the back table that lists all the training dates for the year. Let me know if you need copies or you can print them off, as needed, from the website.

We are continuing to carry the message into over 20 facilities in the Denver-Metro area. There are always more facilities requesting our services, so there will always be a demand for more volunteers. Our facilities list is now being updated and posted on the website at the beginning of each month.

In an effort to save money on our literature expenses, we are continuing to collect gently used key tags to distribute to H&I meeting attendees. Any key tags that you can collect will be greatly appreciated and put to use in one of our facilities. You can give the key tags to any H&I subcommittee member.

Take Care & God Bless,
Lou S.

Member went to H & I training NA tolerate carrying the AA message during H & I meeting. Golden group part of H & I panel asked by institution to sign paperwork of bad behavior – legal document – signing to be legally responsible to state of behavior

Literature Subcommittee:

The Literature Subcommittee has been very active since the last Area. We had a Subcommittee meeting on February 7th. We worked up a draft for proposed Literature Subcommittee guideline revisions. These changes were sent out by our secretary for review by groups. We are hoping to vote on these today. We also took an inventory of everything in our stock and put a monetary value on what exactly we have. There are many items that the subcommittee believes are not appropriate for our Literature inventory. Items such as cassette tapes from 1988 are among those reviewed. We will be proposing a motion to donate these items to CRCNA for use at our conventions.

I have also been in contact with the Project Manager of the Living Clean book project that is currently under way. I have joined an online forum to review the progress of the book. My next step is to set up a Literature Review workshop so that members from our Area can actively participate in the development of this new Literature. I do not have a date yet due to our lack of knowledge of how to do everything appropriately. My personal goal is to have in place a correct protocol for literature review to pass on to the next Area Literature Chair. I will have a date for our Literature Workshop at the next Area. If anyone has any input at all on literature, PLEASE do not hesitate to contact me. My email and phone is always attached to the Literature Report. If you do not receive the minutes via email, please talk to me and I will give you my contact information.

Thank you for letting me be of service.

Outreach Subcommittee:

Hello, We again have been busy this month. We have been visiting meetings that have not been at the area for the last three months, to find out why and if we as the area can assist their group in any way. We have been in contact with the world data bank in the sense of noting what they have listed as meetings. When we find those meetings are no longer in existence we have been deleting those meeting from the world data base. We have also been upgrading the data base with meeting that are in existence and are not registered. We have found out why meetings are not listed and if the service body of that group wants to, we offer to register them or help them to register their group. We are down to 16-17 meetings that we don't have an answer as to their status and whether they want to be a part of the area or not.

Correspondence is running as efficient as it can and there are not any new issues, we average around 20-25 letters per month. We will be at the unity day event at a table hopefully signing up new members who want to be part of outreach and that service body.

We established that the way to approach new groups that need support is to create a welcome basket. We will give them a world startup kit and a \$15 gift coupon to pick up literature or whatever their group deems the needed products from the literature table.

We are communicating with the website in creating a form of yahoo blog that we can have a format of communication with other groups and members that want to make some statements about the workings of the Area body and any other pieces about recovery. Maybe we can create a panel of anonymous members that are willing to express their experience strength and hope to members or potential members that have difficulty communicating at the Area level We will see how this turns out. We will be meeting this coming Sunday at 2:00pm 1212 Mariposa. Please join us if you have something that you want brought to the Area body

From the Outreach Chair; Oh we have also been asked from the Brighton group to have the privilege to be listed on the mile high area meeting list .

Phone Line Subcommittee: No written report submitted

Training Subcommittee:

Greetings trusted servants of the MHASC!

As mentioned last month, I was at MHASC today to discussion revisions to the Training Subcommittee Guidelines. There have been few comments at this point. Attached is a draft of these Guidelines for your review and input. We intend to bring these Guidelines for approval at the April 11, 2010 MHASC.

There were no new GSRs present at 1:30PM for training.

If you recall, we had previously stated that the second half of the 12 Concepts Potluck discussion would be prior to the April 4, 2010 MHASC. However, because of Easter falling on the April 4, MHASC, it was moved to April 11, and the Training Subcommittee is unsure of the attendance at that meeting. Therefore, the 12 Concepts Potluck Discussion will be held from **11:30-2:00PM prior to the MAY 2, 2010 MHASC**. A flier will be provided at the April meeting.

Please note I will not present at the April MHASC, but the Vice-Chair Bob D will serve in my absence. He is prepared to handle questions or concerns regarding the proposed guidelines.

Also, please note that the May 2, 2010 MHASC will be my last meeting as your Training Chair (nominations will be that month). I have held a service commitment to this body for nearly six years, and being I am now the CRCNA Program Chair, it is time for me to move on.

In grateful loving service,
Alan T.

Website Subcommittee:

Date: 7 March 2010

Meeting Location & Time: Called by request

I produced 5000 MHA meeting lists this month. I will distribute these so they last a full quarter.

The total a cost was \$280 which is almost half the cost per list that we used to spend. We will have more meeting lists available than before at a lower cost. We would have spent \$332 for 3000 or \$410 for 4500 over the next quarter by printing them in smaller batches each month.

This did put me \$56 over my current quarter budget since I had already produced two earlier printings. I will be asking for a disbursement this month to cover that difference. The website budget request will be reduced again this quarter to \$280, down from \$350 last quarter, and from \$450 the quarter before that.

Meeting list changes:

Note: This is a time and name change from the 6:15pm New Youth Meeting

There are currently 57 groups in the MHA and 114 meetings per week on our meeting list.

The website email (milehina@nacolorado.org) received no requests for information in the last month. If anyone is interested in serving as the Website chairperson after the next elections in June, please contact me soon about training for the position.

Currently the website committee is working on a mobile formatted version of the meeting list to access on your phones. We are also going to look at what new options may be available for keeping the na.org global meeting list database up to date with our meeting list. There is a new 'Web Contact' position we can establish with world services that may allow a way to do all MHA meeting updates in one place rather than the three lists we try to maintain now. We are also looking at the possibility of creating an email portal and dedicated email addresses for all Administrative committee members and Subcommittee chairpersons using the nacolorado.org domain (i.e. MHASC.Treasurer@nacolorado.org). I will report more on these projects as they take shape or don't.

There is a meeting list update sheet going around, please return it to me.

Please submit requests for changes to subcommittee web pages or event flyers by email. milehina@nacolorado.org

This report was forwarded to the Regional web servant and the MHASC members.

Thank you for allowing me to serve,

Mike H. - MHASC Web Chair

BREAK:

SHARING SESSION:

The positioning of the Unity Day planning committee within the NA Service Structure – Develop a course of action to encourage "Unity Day" to become a legitimate NA Function – postpone discussion to next month

Carrying the NA Message in H & I

During H&I training discussion regarding why AA and Big Book messages are being carrying into H & I meetings. Training needs to be very clear about carrying a clear message in meetings – make sure everyone is trained and are carrying a clear message – panel coordinator is ultimate point of accountability. Lou stated he wasn't there at training but situation in H & I facility is different than a regular meeting. H & I is there to introduce NA but not start thumping the basic text and telling them how to speak. Kent said member was attacked by other members – it is our responsibility to train NA members to speak a clear message – discussion, it is not the forum to attack people in facility how they talk – Kent apologized to NA member whom he thought was attacked. Committee has been asked to make sure members are trained and keep track of them. We have to police ourselves.

We entrusted Lou to be chair – he is the single point of accountability – needs to be dealt with in the H & I subcommittee not at the area level.

Baffled that comment was made as all information given out stated "Clear NA Message"

We were barred from the Federal Penitentiary for 10 years as a result of giving NA a bad name. It is imperative that panel members carry NA message and clear message.

Disengaging from Institutions that require the panel coordinator to be an agent of the state – to subcommittee
