Chair Report – June 3rd, 2012

Hello Everyone

It's hard to believe another year has gone by. Elections are today and rotation of service will occur for most positions within this service body. I want to say that it has truly been an honor and privilege to serve as area chair this last year. I was fortunate enough to be surrounded by great people that made my position a lot easier.

In looking back at the last three years that I have been doing service work here at the area level I have seen a lot take place. Our Public Information subcommittee has grown and done a lot of training, put on some important presentations to professional organizations, done radio PSA's (English and Spanish) done mass mailings of NA information to Colorado Schools, represented at various addiction related events and been a presence at various public events, they have put on Poster distribution events and we even have a large NA poster in a RTD bus kiosk. The phoneline subcommittee has

flourished this last year with training done regularly, researched and found a system for adding more line options like adding the option for Spanish speaking addicts to be able to talk to a live addict and filled most all service slots up to four tiers deep. The Outreach subcommittee has done an incredible job at making the Mile High fellowship aware of meetings that are struggling and brought support to those meetings, they have helped new meetings get noticed along with communicating the closing or change in schedule of certain meetings and they have still kept the correspondence to incarcerated addicts program flourishing. H&I has been chugging along and carrying the message for a long time now thanks in large to a core group of addicts that has stuck around for years to pass on their experience. Activities has put on some unique and rocking events. We have implemented the PR Coordinator position which I believe has brought together unity between our subcommittees.

Some of our subcommittees still struggle to be supported or fill positions within their subcommittees. I encourage GSRs to take back to their groups that we are always in need of service at the area level. This reminds me to say thanks to all the GSRs who make the effort to be here at area, participate in the proceedings that take place here and more importantly report it back to their home groups.

By doing service work at the area level, it has allowed me to make new friendships, see how big this fellowship is and made me aware of many ways I can give back what was so freely given to me.

Thanks for letting be of service

Al G.

Oh, there are 25 copies of MHA guidelines on the back table. I was hoping doing as much reading as I did last month during the nomination process.

Outreach Subcommittee Report June 2012

Contact an Outreach trusted servant at NAOutreachDenver@gmail.com.

The next Outreach Subcommittee meeting is Sunday, July 1st at Noon, 1212 Mariposa St., Denver, CO 80204. (That's the community center across from Lincoln Park--3 blocks S of Colfax, 3 blocks W of Santa Fe Dr.) Everybody's welcome!

1. Outreach is Looking For:

Outreach is looking for a vice-chair, a treasurer, and a secretary. The folks filling these positions should have at least one year clean time and be able to regularly attend the subcommittee meetings at Noon on the 1st Sunday of each month. Descriptions for these positions can be seen in Section III. Elected Positions in Outreach's guidelines at:

http://www.nacolorado.org/denver/forms_guidelines/guidelines/outreach_guidelines.pdf

2. Assist-a-Meeting.

Speaker Meetings: Get your speaker meeting listed on the Activities Calendar. And you can get a digital flyer posted on the "Speakers and New Meetings" page (<http://www.nacolorado.org/denver/speakers.html>).

3. Correspond with Inmates Program.

We submitted a letter of introduction describing the writing program to the Fed'l Correction Institute in Lakewood. We hope to get our program in there. We are trying to get the program into other facilities, for example Douglas Co. Jail, and Ridgeview Academy, and Camp George West.

Statistics for May:

We received 30 letters.

We sent 17 letters.

15 % of the letters (7 letters) were to or from Colo. institutions.

At the May area meeting during open discussion, Outreach asked what folks thought about our custom of ordering Basic Texts, JFT's, etc, from NAWS and sending them to inmates around the country who have requested them. Outreach typically earmarks \$50 per quarter for this. In the past year, we typically have not spent all that money per quarter.

During the discussion, there was the suggestion that less money should be spent. At least one person said more money should be spent. There was a suggestion to contact the NA areas in which the institutions are located and give them the inmate's request for literature. There did not seem to be a consensus. Remember this was just an open conversation--there was no voting.

So currently we plan to request \$50 for the summer quarter starting July 1st, just as we have in the past. It is very unlikely we will spend more, but if there are pressing requests from inmates, and the GSRs approve a special disbursement, we could.

4. Meeting Outreach:

Outreach attends meetings that have not recently sent a GSR to area. We distribute new meeting lists and activity flyers. We give out "Attracting Trusted Servants" and "Group Assistance" documents to interested trusted servants. The Group Assistance document lists the various ways the several NA service bodies can help a meeting.

We are now adding three documents in the Group Starter Kits: Attracting Trusted Servants, Support Available to Groups and Meetings from the Several Parts of the Service Structure, and World Service Board Of Trustees Bulletin #13: "Some thoughts regarding our relationship to Alcoholics Anonymous."

5. June Disbursements: \$31.82: \$26.65 for books for inmates, \$5.17 for photocopying and labels for the Correspondence Program.

Thank you for letting us be of service! NA Rocks!

Bridget,

Please let everyone know that I will not be able to make it to area today. For my report please let the body know that the prescriptions bags are all settled and should be in the King Soopers by the end of this month. We will be on every single bag that leaves that pharmacy for about the next year. Beyond that, we are still working on the website and will hopefully have some results for the MHASC before the end of August. I will be in touch with all the subcommittee chairs to get reports on their service opportunities and projects. Please have anyone interested in PR email me mhascpr@gmail.com. Thanks so much!
