

Next Phoneline Training to answer 303-832-DRUG live calls!

**Don't miss this opportunity to participate in your own recovery!
Put your gratitude into action!
"My gratitude speaks..."**

The primary purpose of Narcotics Anonymous is to stay clean and carry the message of recovery to the addict who still suffers. We make ourselves available to those who need help by providing a "Help Line" live phone service. The Help Line's main goal is to get the addict to a meeting of Narcotics Anonymous.

Be able to:

- Answer NA Help Line calls with confidence.
 - Carry a clear NA message to the addict who still suffers.
- Come to the **Phoneline subcommittee meeting for training!**

We need you! We want you! Phoneline volunteers please attend!

All addicts are welcome to participate in the Phoneline subcommittee. Addicts who have a phoneline shift must have one year clean and be trained. All addicts, regardless of time, are welcome to help on the subcommittee. There are lots of ways to be of service on the Phoneline subcommittee. If you want to serve your fellowship and help carry the message, we need you!

Meet other addicts with the same passion as yours! Bring a friend.

We'll discuss any issues or suggestions anyone may have.
