ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report: Dennis

Hello everyone, hope you had a fantastic September... Not a whole lot to report this month ... However there were some great speaker meetings and pot lucks since our last Area Meeting. There will also be some upcoming in Oct. The last CRCNA Fund Raiser was also held in Sept. the Boulder Bowling Night Event ...

This is the month Y'all as the 24th Annual Colorado Regional Convention of Narcotics Anonymous will be held in beautiful Grand Junction, CO. Oct. 15th, 16th, & 17th What a Blast ... There will also be the 2nd Annual Freakers Ball Oct. 30th right here at 1212 Mariposa. As always I would like to thank all the Mile High Area Sub Committees for all their hard work and dedication to carry the message to the addict who still suffers. Thanks so much to you all for allowing me to serve

Vice-Chairperson's Report: Al

The Mile High Area is still looking to fill the phoneline chair position. One person is still considering the position but would okay if someone was nominated and took the position today.

I again wanted to mention that we all recognize the efforts put forth by the Outreach subcommittee (Karl S's efforts in particular). I am constantly receiving emails of the work he is developing. He seems to have a limitless supply of energy for filling his role as chair of Outreach. I can personally attest that if you apply some of the suggestions in the upcoming document Attracting Trusted Servants, which Karl has developed, they can work. We recently filled two positions at one of my home groups by following these suggestions. This document is soon to be posted on the Outreach webpage. Good work Karl.

Thanks again to all the work done by the subcommittees of the Mile High Area. All subcommittees are functioning at high levels. We truly demonstrate what can be accomplished by being clean addicts, practicing spiritual principles and unifying to be of service.

See you at CRCNA

Secretary's Report: Bridget- New GSR's And GSRA's please provide email addresses and/or physical address

RCM: Even 2 Year- Ron T. (Read RCM 1 Report)

RCM Odd 1 Year: Patty H. (Read by Ron T.)

I attended the Regional Assembly last month ~ lots of information digested and to be passed onto you ~ hang with me here. I announced at the last area that I wouldn't be present this month ~ I apologize that I am not here to answer your questions but Lindsay, Tamra, George, Mac and Perry were there so hopefully they can help in my absence.

CRSCNA Open positions: Vice Chair

Highlight of events:

The budget subcommittee (Alan S) was disbanded due to a conflict with a proposal made in June 2009 and approved in September 2009. I do not have a copy of the proposal but in essence it was in regards to Septembers assembly would be primary budget review for the proposed annual budget that is then reviewed in November. The subcommittees submit in a Tier 1, Tier 2 and Tier 3 priority system. It is driven by the reality that the CRSC funding comes from 7th Tradition donations and CRCNA. CRCNA proceeds have varied widely from \$10,000.00 to a negative fund flow. The funded tier will be determined by the income of CRCNA and made available at the November RSC. The annual budget will be finalized at the November CRSC meeting and budgets will be available to activities beginning January.

Brenda (RD) and Chuck (RDA) presented an overview of the proposed Service System. There were packets available for the GSR's at last month's area and in my absence Lindsay has been so kind to provide you with an overview of the information. She will be passing out a questionnaire to be completed and returned in December.

Mac will be going to Fresno, California this month for the World Service Learning Days and presenting the RFQ for Colorado to host WSLD XXVI in 2012. There was a proposal submitted and approved for 300.00 to subsidize Mac's expenses.

Public Information (Tawni C) – It was decided at their September subcommittee meeting that they would not be moving forward with the Professional Symposium due to the cost (returned budgeted funds of 3213.00 to encumbered funds). PI continues to make contacts with the “professional” community in regards to the fellowship of Narcotics Anonymous. PI will be putting on a workshop at CRCNA. Next PI Subcommittee meeting will be October 9, 2010 at the Englewood Library – 1:00 to 3:00 pm.

Public Relations (Linda L) – they have been working on suggestions for the CRSC guideline revisions. PR is continuing to do their individual subcommittee projects while developing the internal guidelines for each subcommittee.

Hospital and Institutions (Dawn H) – They are in need of Secretary and Vice Chair. HI is now going into the Arkansas Valley Prison – pilot program for a meeting held by prisoners.

CRCNA is rocking and rolling – hope to see all this month in Grand Junction, October 15 – 17. As of September 19 there were 301 pre-registrations, 90 confirmed H & I participants and 320 + room nights reserved.

Web Servant (Mike H) – Mike is seeking input for a potential update to the regional website – if you have any suggestions you can email him at nacolorado@nacolorado.org. Mike has done some work in reviewing NAWS contact web contact database to see if we could help in maintaining consistency between the na.org, regional and area meeting lists. Again, groups need to update your information on the world websites, check and make sure your meeting is listed correctly.

A proposal was presented at July's RSC meeting to extend the RD/RDA terms, unfortunately I must have missed it and did not pass it onto the area, for that I apologize. There were 26 voting members present and it died due to 12 stand asides.

A proposal was submitted to send our RD and RDA to one of the 5 Service System Workshops that are being held – it was blocked due to the 11th concept.

A proposal was submitted in regards to Three Phase Contract Negotiating Process – Phase 1, would be fact finding. Phase 2, start with a solid base contract pertaining to the venue only allowing the CRCNA committee (who is not yet seated) to focus on the specifics regarding the event. Phase 3, when the CRCNA committee is seated and fully accountable will focus solely on making detailed arrangements – at that time, the board chair would become a “silent partner” and would be a fallback negotiator if necessary. Proposal passes with consensus.

Elections were held for RD/RDA – Brenda L (previous RD) was elected as RD and Chuck C (previous RDA) was elected as RDA.

Motion to send 3200.00 to world was reduced to 1000.00 – the region will be sending 1000.00 to world.

Elections will be held at the next RSC meeting (November 21, 2010 – 1212 Mariposa for next year's CRCNA Chair, Vice Chair, Treasurer and Secretary.

Elections were held for Vice Chair – still vacant.

Additional work is proceeding to revisit and contact all volunteers. Have been noticing a large number of calls be dropped to the voice-mail. Given other duties, professional and personal, I am unable to respond to all of them in a timely manner; especially those that occur during my work time. Phoneline will be having its subcommittee meeting Sunday the 10th of October @ 2pm. We are still in need of a chair and vice chair. I apologize to all for not being completely up to the task.

Hospitals and Institutions: Lou S.

The Subcommittee met September 13, 2010. There were 10 in attendance.

We have two ladies that have stepped up to take care of the Volunteer Coordinator responsibilities, Lindsay B. and Morgan N. We are very grateful that this position has been filled and are looking forward to the progress these two will make in helping get more people involved in H&I.

Dan W. has stepped up as the new Panel Coordinator for Denver Health and we are working on getting a new Panel Coordinator for the V.A. Hospital meeting.

Allen F. and all those that have volunteered are putting together a GREAT presentation for CRCNA. I know very little about it except to say that if you've seen one of Allen's productions in the past, you won't want to miss this one. Saturday morning at 10:30a.m. in the main ballroom.

This is a training month for H&I. Training will be held next Sunday, October 10, right here. And it will be hosted by the effervescent Jay M. Flyers are available at the H&I page of the area website and there are some on the back table.

PLEASE HELP US SPREAD THE WORD ABOUT THE UPCOMING TRAINING.

Outreach Subcommittee: Karl

First of all, we invite all of you to offer your thoughts on what Outreach might do to help the isolated addicts and meetings in our area.

You can contact an Outreach trusted servant at MileHighNAOutreach at gmail dot com, or call Karl at 303-762-9193.

The next Outreach Subcomm mtg is on Sunday, October 10, 2010 at 2:00 PM, 1212 Mariposa St., Denver, CO 80204 (That's the community center across from Lincoln Park--3 blocks S of Colfax, 3 blocks W of Santa Fe Dr.). Everybody's welcome!

Telecomm Meetings

The phone meeting lists are available now. They are online at the Mile High Area's meeting list page in pdf format.

Phone meetings are a great way to get to a meeting if your location, bad weather, transportation failure, or handicap prevents you from getting to a "face-to-face" mtg. NOTE: If you live outside the area code of the mtg, it is a toll call, that is, long distance. Other than that, there is no fee for calling any of these mtgs.

These mtgs are all registered with the World Service Organization. They are open to everybody. Thank you, Joseph and everybody who had a hand in making and distributing the list of phone mtgs.

Assist-a-Mtg

The Assist-a-Mtg program would benefit greatly with a dedicated coordinator guiding it. We invite you to consider this service opportunity. Please pray and meditate on it.

Outreach is supporting A Wake Up Call. A Wake Up Call meets Sundays at 9:30 AM at 121 Acoma St.--one door N of 1st & Acoma. There is a \$3 breakfast sponsored by the facility served from 8:30 to 9:00.

A Woman's Touch has only one trusted servant. Starting in October she will not be always available to open the doors.

We are looking for women to step up and help keep this child-friendly meeting going. A Woman's Touch meets Saturdays at 3:00 PM at 1450 Airport Rd. in Aurora at the church half-a-block S of Colfax Ave.

Also, Meet'n Up North (Thurs 7:30 PM, 3101 E 100th Ave) continues to have regular attendance of young female newcomers. Meet'n Up North trusted servants are asking for support from the Mile High Area women, because Meet'n Up North right now has few or no women with a good NA msg to talk to these women.

Directions to Meet'n Up North: If one got off I-25 at 104th and headed E, one would come to Steele. Go south 4 blocks to 100th. The church is on the NE corner. The W parking lot is most convenient. The entrance to the mtg rm is thru the garden level "glass wall" on the W side of the church.

The Assist-a-Mtg program is supporting The 5th Tradition Mtg. This mtg meets Fridays, 8:00 PM at 22nd & Lawrence at the Phoenix Concept (no affiliation). There are many newcomers at this mtg w/ 6 months or less of clean time. We invite everyone to attend 5th Tradition whenever you can, and share your msg of strength, hope, and experience.

Okay, this is new:

Below is a list of meetings that are looking for support. Everyone is welcome to attend. There is no obligation for a 2nd visit or to be of any specific service. Just like any meeting, you can go once to check it out and see if you like it.

It is my experience that attending a meeting I've never gone to before is its own reward. I meet people I've never met before; I'm surprised to run into people I already know but maybe haven't seen for a while; I check out a mtg space I've never been in before. Going to a meeting I've never been to before gets the ol' recovery juices flowing. It's fun.

If you are thinking of finding a service position, many of these groups are looking for home group members and trusted servants. The specific kinds of help each meeting is looking for are listed in the right column. We invite everyone to consider being of service at these meetings. Don't be daunted. Please pray, meditate, talk to your sponsor, & consider setting one foot outside your usual comfort zone.

Some notes:

- Work your recovery to the best of your ability.
- The newcomers are the most important people at any meeting.
- Anytime we attend a meeting we are being of service. Just by being there we contribute to the fellowship of the meeting; we help create a sacred space in which people feel comfortable opening up and sharing their hope, strength, and experience with the gathering.

When we are doing service, we want our service to be humble, recovery-based service. We don't want to tell other members of NA the way things are going to be. But it is our responsibility to share information with folks in NA in the hopes of strengthening the atmosphere of recovery. We run opportunities by people so that we may better carry the message to the addict who still suffers. We do this most effectively when we are humble and patient. Rushing things in service is counterproductive. We never burn a bridge.

- If you are planning a trip to one of the caravan candidates, we suggest getting the contact info of the meeting's trusted servants beforehand, so you can make sure the meeting will be held at the time and place you plan to attend it, or if you need help with finding the meeting, etc. Having someone to oversee the

We are still talking to trusted servants of meetings that may be looking for support, so this list is by no means complete.

Treasurer, Vice chair, and Secretary Opportunities

The Outreach Subcommittee has many service opportunities big and small. Currently we are looking for a treasurer, a vice chair, and a secretary.

People & Programs

We have many opportunities for service, big and small.

We are looking for folks to make one-time visits to meetings struggling with trusted servant issues and attendance problems to see if area can help them. If you want to expand that one-time service into something more long term, Great!

We have many programs to work on. Some of the programs are well established and we are trying to expand them.

Some of the programs are so brand new we don't know what they will really be like in their up-and-running form.

Whoever steps up to help move these new projects forward will contribute their vision and direction.

Correspond w/ Inmates

We are working at expanding our Correspond w/ Inmates program in institutions in the Denver Metro area.

Stats for September:

Total Letters Received: n/a Total Letters Sent: n/a Percentage to and from Colo. institutions: n/a

Books sent to inmates: none.

Building Available for Meetings

Area was contacted via our website about an offer of mtg space in a church building in Old Towne Arvada near Wadsworth & 58th. Anyone interested in finding out about establishing a mtg there can contact us at MileHighNAOutreach at gmail dot com or thru the webservant or attend the next Outreach mtg. We have already given the contact info to at least two interested trusted servants.

Registering Mile Hi mtgs w/ World Services

We recently submitted the registration for Southern Serenity on Friday nights. We will soon be giving mtg info to Mike H. who is our Web Contact Person. Then the info can be put directly into the NAWs database.

Meeting Outreach

We continue to visit with mtgs that have not sent a GSR to area for at least 3 months. We see how they are doing, and find out if there is anything Area can do for them. We invite them to become active at the area level. There are eight mtgs that haven't sent a GSR to area in at least a year.

"Bridging the Gap" the NA Way

This program looks to help clients as they leave treatment centers after having attended H&I mtgs. They would be given support, guidance, and rides to regular NA mtgs so that they are made to feel welcome in the NA community.

Ron T., Terry C., and Lou S. are going to press ahead on this project. Outstanding! Possibly this project, when it matures into a program, will be guided by a separate subcommittee.

We are asking around for programs like this already in existence in NA. If you have any knowledge of one let us know!

Also, another 12-step fellowship is having a "Bridging the Gap" workshop Saturday, October 23, 2010 from 10:00 AM to Noon at 2290 S Clayton St (Cross street is Iliff, in the basement of the church where Take the Highway meets).

Fellowship Development and Outreach Program

A new program of the Regional PR Committee called "the Fellowship Development and Outreach Program" is coming into existence. This committee will address opportunities in helping isolated addicts and meetings in the Colorado Region feel more a part of the NA community, specifically those opportunities that would benefit from Region-wide coordination. This program would, among other things, establish and support a region-wide outreach directed at mtgs that are so geographically remote that they are not part of any area.

Our area Outreach Subcommittee was contacted specifically about a possible Detached Mtg Program:

We have been asked to make contact with Leadville's High in Recovery, Breckenridge Here & Now, and La Junta's Primary Purpose.

This program is still at the idea stage--a great time to get involved.

The next meeting of the Regional Fellowship Development Committee is Sunday, November 7, 2010 at 11:00 AM at the Village Inn in Castle Rock. (Exit I-25 at the Wolfensberger Exit, go West a few hundred yards -- it's on your right.)

There are currently 56 groups in the MHA. They hold 112 meetings per week. We list an additional 6 meetings from nearby areas on our meeting list for a total of 116.

The website email (milehina@nacolorado.org) received two outside request this month. One was from an out of town addict looking for meetings near where he'd be staying, and I compiled a list of him for meetings nearby. The other was from an addict looking for help getting clean. I gave him some information on meetings, directed him to our online meeting list, and encouraged him to attend some meetings and start talking with some addicts.

After speaking with H&I, there were concerns about having the use the old Summer meeting lists, as was recommended here at area, be given to people at those meetings, due to the increased chance that these addicts would show up to a non-existent meeting as a result. At this time I have no other ideas for what to do with these left-over meeting lists. If no use can be found for them, my only other suggestion would be to recycle them. Even with the large number of meeting lists left, even if we got rid of what was remaining, we would still be saving money by printing them quarterly instead of monthly. I am open to any other suggestions for how to use these meeting lists.

Also this month, the phone meeting list discussed last area was added to the Mile Hi Area website. It is accessible on the Meeting List page, right below links for the normal meeting list.

There is a meeting list update sheet going around, please make sure it makes it all the way back around.

Please submit requests for changes to subcommittee web pages or event fliers by email. milehina@nacolorado.org

Thank you all very much for allowing me to be of service.

SERVICE PRAYER READ

OLD BUSINESS:

-Lindsay presented information concerning the service system project structural proposals, handout provided detailing information. Page 6 of handout, wants to propose a new service structure, with a group support unit. This would be a new way to get people involved with service without attending area and getting overwhelmed. GSR's would be sent to an exclusive group (GSU) that would vote on issues and then send one person to area meeting. (Linear Option) The other proposed option would be individual groups go to the (GSU) and also go to the LSU (Area)-This two track option would encourage a rotation in service. All information is in packet provided. We need to find a way to streamline information to the World Service Office without having so many people attending. The WSO want information to be sent back by December 31. We will take back to our groups, and bring back concerns and completed paperwork by area in December.

-November Area Meeting will be abbreviated, group reports will need to be minimal, submit to Bridget to include in the minutes, due to the area inventory being conducted.
