ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report:

Greetings trusted servants of the MHASC!

It is hard to believe that it has already been a year since I began my tenure as the Chair of this body. It is with sadness that I leave this committee, but I believe strongly in rotation of service, and there are plenty of other opportunities for me within our fellowship.

The past 4 ½ years I have been involved with this body have been a privilege. The personal growth I have experienced has been unparalleled. Thank you for having enough faith in me to allow me to serve you.

I want to personally thank all the individuals who have stuck it out over this last year, come hell or high water. The reason for the tremendous growth and strength of the NA we enjoy today is because of the perseverance of our predecessors who refused to jump ship on our fellowship, their home groups, or the service committees – even when sometimes difficult. For example, anyone who knows our history appreciates the tumultuous events leading to the Basic Text we enjoy today.

We will be electing new trusted servants today. We will also be discussing several proposed revisions to our Area Guidelines. I want to recognize and applaud the individuals here today who are stepping up for service positions in this body, as well as the GSRs who have continued to attend. You are the individuals who are putting their money where their mouth is. My first NA sponsor used to say, “When all is said in done in NA, more is said than done in NA”.

I have been looped into a significant amount of discussion this past month, both positive as well as negative. However, there is one particular statement that troubles me – the statement that “the MHASC is not serving the individual groups”.

We have a Phoneline wherein someone can get a call back from an addict 24 hours a day, and almost all shifts are manned (archaic as it is). We have a PI committee that is putting literature in hospitals, posters up around the Metro Area, and is proactively working toward television public service announcements. H&I is bringing meetings into many facilities and is holding regular training sessions. Speaking of training, our Training Chair has put on several superb training days – I know this because I have attended them. Our Outreach Subcommittee is showing up to support struggling meetings, and is returning letters from inmates around the Country. We have had activities this year that have ROCKED. Our Literature Subcommittee is providing literature to anyone who chooses to show up here and purchase it. We have two RCMs that are bringing information to and from our Region. And we have current meeting schedules, events, minutes and other information easily available thanks to our Web Servant.

That said, I challenge anyone to explain to me how MHASC is not serving the individual groups. All GSRs for this Area are encouraged to be involved here.

Our next MHASC will be Sunday, July 12 at 2PM. This is because I do not want to schedule Area during the July 4th holiday weekend. Please note the Guidelines Committee is scheduled to meet before this meeting at 12:30PM. **Please also note the by the request of the facility, for this time only, the subcommittee meetings have been rescheduled from June 14th to the 21st.**

The Chair read the following letter:

Mile High Area Service Committee of Narcotics Anonymous
(MHASC)

May 31, 2009

To Whom It May Concern:

The Clean & Serene Group would like to formally announce it’s disengagement from the Mile High Area until such time the Group Conscience deems it necessary.

The Clean & Serene Group will no longer be members attending the Mile High Area Service Committee Meetings nor will send representative of the group.

The Clean & Serene Group feels that the direction that the Mile High Area Service Committee is heading is more detrimental to the still suffering addict.

The Clean & Serene Group will continue to support the newcomer and still suffering addicts by carrying the Narcotics Anonymous message.

The Clean & Serene Group will continue to list it's meeting on the World Services website and would ask that we still be considered for the Colorado Regional and Mile High Area meeting lists in order to support those newcomers.

Respectfully,

The Clean & Serene Group

Vice-Chairperson's Report:

Report - 5/3/09 (received 6/13/09)

I met with the Office Manager from Denver Inner City Parish in April to verify our hours of availability. She had us listed as 12:30 to 5:30 for both the first and second Sunday. We agreed to adjust the hours to 12:00PM to 6:00PM, at the same cost of \$50.00 per day.

With the availability of time for Sub-Committees on the second Sunday, it is my suggestion that we take a look at spreading out the meeting times. This would alleviate some of the chaos that I've seen there and allow for people to attend other Sub-Committees if they want.

Other issues that we discussed were:

Having a second key for the facility.

Getting a second key would require a \$100.00 deposit.

The amount of tables for us to use.

The tables they have are what we have. If we wanted to purchase additional tables to donate, that would be ok with the Parish. She did mention being able to lock them up from general access.

ILS, Mac 303 217 0999 hgmcaeniaiii@aol.com

Report 6/7/09 (received 6/13/09)

During open discussion at the last ASC the issue of whether the current Vice-Chair was capable of stepping into the Chair position, if elected, was brought up.

While this was not a pleasant experience, I did take the opportunity to look at areas where I might be lacking.

Action has been taken on my part to correct any apparent deficiencies and will continue to become more versed in all aspects needed to be an informed member of the MHASC.

I can assure this body that if I am elected, I feel confident in my ability to conduct the business of the ASC and offer effective leadership.

I would also like to say that questions and concerns about any issue should always be addressed.

ILS Mac 303 217 0999 hgmcaeniaiii@aol.com

Secretary's Report: Passed around email list for adds and/or changes. Hand written and/or emailed reports will be included in the minutes from all groups and/or subcommittees.

Treasurer's Report: see attached

RCM:

The Regional Assembly was held on Saturday May 16th. Three proposals were presented. Regional convention incorporation, scheduling regional assemblies to be held in April and September, and making the web resource position a part of the administrative committee with the title Web Servant. All three proposals achieved consensus. A presentation was given and an interactive workshop was held regarding communication within the service structure.

Thanks to the Regional Delegate and alternate for facilitating this presentation. Several vacant service positions were filled. These include: Secretary, Treasurer, Public Information Chair, and Hospitals & Institutions Chair. There are still vacancies for a literature resource position, and two budget sub-committee positions.

Chapters one and two and a working outline for the literature project *Living Clean* are out for fellowship review and input until September 15th 2009. You can find the drafts from the link on the project page @ http://www.na.org/?ID=Living_Clean_Project and access with the password and user name of WSC2010

Updated tools for the three Issue Discussion Topics for this cycle—*Leadership; Communication; and Our Freedom, Our Responsibility*—are available online at <http://www.na.org/?ID=IDT-IDT>

Regional service committee meetings will now be held here @ 1212 Mariposa. The next meeting is scheduled for Sunday July 19th @ 11AM.

For more detailed information you can review regional minutes @ NACOLORADO.ORG or speak with me or Joann D.

CRCNA Liaison:

JUNE 2009 - CRCNA LIASON REPORT

Hotel and Hospitality Report: Kevin W

Next subcommittee meeting will be May 31st.

March 14th, 2009

Discussion: Kevin and Mark will have their time line this month

Kevin spoke with Chuck C about doing centerpieces.

Program report: Jayme S

Named our workshops and marathon meetings. They must be approved by Region

This month they are listening to Regional speakers to match speakers to workshops.

They will also be matching addicts to Marathon Meeting topics to chair these meetings. They still hope to have chairs for all if not most of the marathon meetings prior to the convention.

They are also working on the times of the marathon meetings this month. If you know someone who could possibly speak in a workshop please make sure we get these CDs to listen to ASAP!!

We have chosen our main speakers and they have been contacted and invited and they have accepted.

They still have emails and fliers out all over the Region searching for those addicts that will help with our various projects this year.

Please continue to encourage addicts to be in touch with Jayme about service opportunities. If you have not seen these fliers would you please let me know and I will provide you an email copy and maybe you could take them to meetings you attend.

Discussion: The speakers for Saturday night and Sunday are complete opposites; they both have fantastic messages to share. Program is still looking for their Friday night speaker.

Printing and display: Teresa K

We have 300 registration brochures for people to pass out to everyone. Please help distribute them.

I plan on having 600 for the registration committee mail out at the next meeting.

Fundraising and Entertainment: David W

Pig Roast went very well outside Ft. Collins on the 30th of May.

Working with Grant to get something in stone for Boulder for end of June

July or early August Pikes Peak., followed by a poker run in Denver and hopefully a fundraiser in BFE in Sept.

They are gathering info for DJ's / Bands for Convention and hope to have more to report next meeting.

The comedian is locked down.

Merchandise Report: Anna H

Merchandise is going well. Sold 27 shirts at the pancake breakfast.

Several people on the subcommittee are selling shirts at meetings.

This month we will be making decisions as to what items to sell at CRCNA.

We are having people fill out surveys to get ideas for merchandise.

They were at the Ain't Dead Yet Memorial Day Picnic and the Barn Dance in Ft. Collins.

If any area has an event they want Merchandise, let me know and they will try to make it or send someone.

Registration report: Maggie D

We are still discussing all of our SWAG we have made final decisions on the Early Bird mugs and T-shirts.

This month we are planning to make final decisions on lanyards and some SWAG items.

First mailing was done in May

The committee is also filing time slots @ CRCNA to work registration if you or anyone you know is interested please have them E-mail me.

72 people registered, 38 dinners were sold, and 30 breakfasts were sold at the Sponsor/Sponsee breakfast

Please remember to continue announcing that Early Bird Registration is only \$15.00 through 6/25/09 what a great deal!!!

Hospitals and Institutions report: Valery M

Additions and updates to the H&I CRCNA Facility List were brought to this meeting and have now been entered into the main list. We should have all contacts made and updated on the existing list by the end of May. We continue to work on expanding the list throughout the state and particularly in adding new contacts in the Colorado Springs area.

Thank you for allowing me to be of service

Mark M.

Activities Subcommittee: No written report

Hospitals and Institutions:

The H&I Subcommittee met last on May 3rd with 27 in attendance. There were 8 new volunteers who went through training at this meeting and are now ready to begin H&I service work.

Although we have held three trainings so far this year we still struggle with our on-going problem concerning the ratio of volunteers to the 26 facilities we currently serve. At the May meeting, eight Panel Coordinators said they need more volunteers. Many of our facilities are holding two meetings per week and others require volunteers to pass county, state or federal clearance requirements. The need for more NA members to step up and do H&I work remains one of our foremost issues. At present we have six requests for opening new H&I meetings and one old request from Jefferson County to begin their Drug Court. I ask this committee to please help H&I spread the word to get more people involved. We can only keep what we have by giving it away and the need is great to hear our message of hope and a new way of life.

Our revised guidelines were turned in to the Area last month for approval. We continue to work on our interactive map, our tracking systems for keeping facility and H&I member information up to date and processes and procedures for keeping H&I running as smoothly as possible.

Nominations for all positions were made at last month's meetings and it looks like we will have many new faces and all positions filled when we hold elections at our meeting next Sunday.

Lastly, as this is my last report as Chair of the Mile High Area H&I Subcommittee, I would like to express my gratitude to both the Area body and to the volunteers serving in H&I for allowing me to work with each and every one of you. This experience has been a tremendous boost to my recovery. I have made many new friends, learned leadership skills, felt the pain and suffering of those who are only just beginning their new lives in recovery and have watched with pride as people step up to give to others their experience, strength and hope through living clean the NA way. It has been a privilege and an honor to serve as H&I Chair for this last year and to work with so many talented and gifted people to carry the NA message.

I am grateful to be of service!

Valery M

Literature Subcommittee:

I placed my order with the WSC on the 13th but have not yet received the shipment. As a result, I will be backordered on several key items, especially, Basic Texts and Step Working Guides.

On the 25th, I met with several addicts to do a physical "on hand" inventory. We entered this information into a spreadsheet which I can email to the treasurer and the secretary to be included in the minutes. Our total on hand inventory is worth \$826.23 – I typically order between \$1,000.00 and \$1,500.00 depending on what is available from the budget. Thus, I am way under the \$3,000.00 allowed and could use the difference to avoid future backorders. This is an item worthy of future discussion. Although my time is up in this position, I will continue to serve by helping any successor and serving the sub-committee.

Scott H.

Outreach Subcommittee:

Greetings from Outreach

This month we received 30 letters and responded with 30 replies. 4 of the replies were on the cusp of the 30 day reply that we have in place in our guidelines.

Adopt a meeting is on hold during the changing of the guards.

Thanks for allowing me to be of service

Ron T - Outreach chair.

Phone Line Subcommittee:

Hello,

The month of May has been busy for me in general and I have made a lot of progress on the new phonenumber system. I would gauge my progress at 70% ready to make the full transition. I have put some tasks on the back burner to focus completely on the switch such as the wallet sized resource list for volunteers. The first task in moving forward was to fully map the existing format we have been using this entailed calling the phone line repeatedly and mapping where each number on the key pad lead to and recording the data available to basically make a blueprint of what had to be built with the new system. After that task was accomplished I moved forward with building our new system and I mean literally building. Each menu has to be created then named after it is named it has to be directed what to do each key stroke has to be designated to an action and then saved then tied to another menu or bulletin which learning on the fly is a bit confusing and frustrating so far we have used 28 extensions, 28 directories, 28 hunt groups, 30 menus, and 12 bulletins. After each one of those is built, named, and told what to do or where to go then the desired audio information such as all the meetings and locations has to be recorded and loaded to all menus, bulletins, and hunt groups. To do this it is a good idea to have a script I think so there was one made to read while recording the information that the caller will hear. For the time being all the recordings have my voice recorded this will be changing in a few days. My experience has been one of great learning and I believe this system will serve Narcotics Anonymous very well. I have made several mock calls and with two strokes of a key pad on a telephone an addict looking for recovery can talk live to a recovering addict and hear the message of Narcotics Anonymous. A professional can talk to a member of P.I. with a couple of key strokes if so desired and a facility wishing to contact H&I can do the same. When we get enough volunteers we can have shifts of any amount of people that will field calls simultaneously or in a designated order, calls regarding any subcommittee can be forwarded to the chair or vice chairs designated phone number if desired there are endless possibilities how we can grow as a phone line sub committee's plan to make the switch towards the end of June if it can be done sooner it will I am not rushing to the finish line though to be sure every avenue is checked so we can be successful in the switch. After the switch there will be an enormous amount of changes needed to be made such as replacing the current training manual rewriting the manual and guidelines as well as printing new manuals. I am looking for help with any and all of this stuff it will get done either way this I am sure of.

Achieves Committee:

(There is a 6 page attachment that will be posted separately on the website and sent as a separate email.)

Unless this body is prepared to start scanning procedures, we would like to disband. We are willing to come together at a later time when this area has funding for scanning.

I have been in contact with "Anonymous Addict" and other addicts who have and might have notes and stuff that they are willing to let this area copy for the achieves. Others are searching. If you have any notes, fliers, whatever for 1989, 1990, 1991, 1993, 1994, 1995, we would use your parting with for copying.

➤ Motions:

Requested by: Mark M. – Living Proof

Seconded by: Bob D – Natural High

Proposal:

- To disband the Guideline Revision committee until such time as the groups decide that revisions are truly needed:

Intent:

- The Living Proof meeting of Narcotics Anonymous (as well as several other groups we have spoken with...we will allow them to speak for themselves) has become unacceptably uncomfortable with the MHASC Guidelines' revision process.
- After much discussion regarding Alan's email, which outlined the results of his extensive research regarding the current practices and guidelines of over fifty other areas as well as those of the NAWS office, we have found the most recent revisions sent to the groups for review to be in direct violation of the spiritual principle of the Primary Purpose of the MHASC, which is "to Support its Groups in fulfilling their primary purpose by providing services deemed necessary by the groups".
- In particular, the most recent suggested revisions of the Guidelines Revision Committee eliminating the requirement of a quorum of GSR's to conduct business. This indicates to us that in a "worst case scenario", MHASC could conduct business entirely without the presence of **ANY** GSR's, thus potentially eliminating the groups entirely from the decision making process – a conflict of the 2nd concept / 6th?
- We also believe that striking the provision in the guidelines which states that "GSR's only vote on Old Business and Elections" could potentially result in ONE GROUP (if members of that group serve as Sub-

committee chairs and/or serve on the Administrative Committee) becoming able to cast more than one vote, thus giving that ONE GROUP more influence in the Business Decisions and Elections at the MHASC than any other group represented only by a GSR. One group. One vote.

- We believe that throughout the process of revisions discussions, some individuals have behaved in a highly unprofessional manner by attempting to intimidate, belittle and/or dismiss the opinions and ideas of dissenting individuals and groups while simultaneously presenting inaccurate information regarding their claims that “this is the way the Fellowship is going”. – Conflicts with 10th concept.
- Because of these concerns, The Living Proof Meeting of Narcotics Anonymous proposes that the Guidelines Revision Committee be disbanded and that all discussions regarding revisions to the MHASC guidelines cease until such time in the future when the groups decide (once again) that revisions are truly needed.
- We propose that the MHASC move forward with its business of “Supporting its Groups in fulfilling their primary purpose by providing services deemed necessary by the groups” using the Guidelines as they stand, which have clearly served the groups well for the years.
