

## Mile High Area of Narcotics Anonymous

The Phone line Subcommittee is requesting your input on a new phone line.

Please keep in mind that:

Most projects depend as much on ideas, information, conscience, and members' time and willingness as they do on money. If we have the funds needed to carry out a project but lack the time or ideas, we'd best wait until we've gathered all the needed resources before proceeding. If we don't, we will have wasted NA service funds.

### *Twelve Concepts for NA Service*

The purpose of our services is to help the fellowship fulfill its primary purpose: to carry the message to the addict who still suffers.

Honest, open, straightforward communication is essential to both the integrity and effectiveness of the NA service structure.
