ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report: Dennis

Hello everyone,

Hope you had a great June. My deepest gratitude for allowing me to serve. Thanks to the activities committee for having a successful Luau at Cherry Creek State Park. Also the Terminally Weird Picnic and Olympic Games from the CRCNA Fund Raiser committee was a success. Congratulations to all the subcommittee chairs and admin positions that were elected last month. There are many campouts, picnics, and CRCNA fund raiser that I hope you will support. Once again thanks to all of you who work so hard in helping us to fulfill our primary purpose, to carry the message to the still suffering addict.

In loving service,

Dennis C.

Vice-Chairperson's Report: Alan

It is with honor and humility that I accept the position of Vice Chair for MHASC. I feel I can only grow and learn from this experience.

One of the responsibilities of the vice chair is to coordinate with the area subcommittees. I am fortunate to be taking the position of vice chair at a time when the subcommittees we have in place are flat out kicking ass. It's great to see PI and Activities functioning with full committees. H&I is functioning like a well oiled machine, but as always needs more volunteers to fill positions. I did attend the second NAYC ADHOC meeting held on Weds, June 23rd. I was impressed to see the efforts they have put forth and their hope for establishing a subcommittee that is intent on getting youth in service.

Thanks for letting me be of service.

MHASC Vice Chair

Al G.

Secretary's Report: Bridget- No report given

Treasurer's Report: Jim- See Attached Documents

RCM: Even 2 Year- Ron T. Did not have a meeting, Patty H. wrote report-see RCM Odd 1 year

RCM: Odd 1 Year- Patty H.

I would like to thank this body for the opportunity to serve as the RCM for the MHASC the next year. There was not a regional meeting since I was elected but I went through the May 2010 minutes and I am outlining some items that maybe of interest – complete minutes can be found on line (www.nacolorado.org). I brought some copies of Brenda E. and Chuck C. report from the World Service Conference.

Vacant positions:

. CRSC Vice Chair

. Budget Subcommittee Chair

I will be attending the next regional meeting, 7/18/2010 – 10:00 am at 1212 Mariposa.

I would like feedback/discussion from GSR's in regards to the possibility of conducting another area inventory. I believe it has been a few years since the MHASC did one and there have been many changes – are they working, not working, new needs, etc.

In loving service,

Patty H.

CRCNA Liaison: Spencer- Well here we are at July just 3 more months before CRCNA XXIV on October 15 – 17.

At CRCNA it is projected we will have a comedian, a Rock concert, and dancing by DJ's. All for the price of registration. Groups can sign up for the Hospitality Room on the CRCNA web site, now. There are currently 17 slots open to fill. It is projected there will be less merchandise available this year. I am not sure if that means less variety or less quantity. But I do know it means that it is probably a good idea to get to CRCNA as soon as it begins at noon on Friday of October 15th. It is possible by Sunday morning there might not be much merchandise left to buy. Embroidery will be available and jewelry as well.

Program committee is asking areas and groups to submit names for speakers for the workshops. We will not know until probably after next weekend's Regional meeting what the workshops are going to be.

CRCNA has decided to have a person to do sign language during the main speaker meetings this year. So please pass the word along to those who are hard of hearing and can read sign language that the Convention is providing this service.

Next CRCNA meeting August 21st in Grand Junction.

SUBCOMMITTEE REPORTS

Activities Subcommittee: Brittany

Hi everyone! I really want to thank everyone who attended the Luau & Independence Day Events. Everyone that came had a lot of fun as usual. We overestimated the number of people who would show up again for the Luau, and it looks like we came in under our goal financially. The 4th of July event on the other hand had more people than expected, and we are bringing back \$233.34 in profit today. I have all of the finance reports with me from these events if anyone would like to look at them, they will also be attached with my report in the minutes.

We have 4 events coming up that we are cohosting with different groups in the Mile High Area. First is the awesome Turquoise Lake Campout with Aint Dead Yet. Which again is Friday, July 23rd through Sunday, July 25th. If you haven't registered yet, do it! There is only 12 more days until this awesome weekend of fellowship.

The following Saturday, July 31st we are cohosting the Fossil Fest Speaker Event with the Unconscious Group. This event starts at 1pm and will have 4 speakers with 20+ years clean from Boulder, Fr. Collins and Denver. This is a free event with fellowship, food, & fun!

Right now we are combining efforts with Gimme the Text/ Gimme 3 Steps in planning the Field Day which will be on Saturday, August 28th. We are still planning this event, so if you would like to help with the process, please join us at their next ad hoc meeting which will be Wednesday, July 21st at 9pm at 9th and Emerson. This event will have lots of fun field day like games such as a 3 legged race, tug of war and water balloon toss. Not to mention some free food!

Now not in the so near future, we are planning a co hosted event with Young At Heart to celebrate their 17th birthday. We are still looking at securing Saturday, September 11th and the date for a dance and party. If you would like to be a part of this planning process, please get your contact information to me, so that we may inform you of their next Ad hoc meeting.

The form for summer events is out on the back table, and we encourage anyone who wants their event or recovery oriented get-together to fill one out and return it to an Activities Subcommittee Member. Those can also be found online at NADenver.com under the events tab.

The Activities Calendar for July and August is also on the back table. The actual calendar is on the front and the flyers for the events on the back. The speaker meetings with pot lucks and the ones that requested to be put back on are on there, but the rest were removed due to the lack of room to make them all fit. All the speaker meetings are listed on the meeting list as well. If your event isn't on the calendar please email me the information and/or flyer to mha.activitieschair@gmail.com, which is also on our website at www.nadenver.com under the events tab.

We are currently looking for a new secretary and are starting to scout out a new potential vice chair to start training to take over my position next year. If you or someone you know is looking to get into service please attend our subcommittee meeting here, today at 5pm.

Thank you so much for letting me be of service.

Brittany L.

Hospitals and Institutions: Lou

The subcommittee met June 13, 2010. There were 16 in attendance.

All positions for the sub-committee were filled with the exception of the online/tech position. Paul U. will return for another full term as Vice Chair. Brandi J. has agreed to serve for another year as Secretary, Lynn L. will continue as Volunteer Coordinator. We have two members on the H & I administrative side, Jay Mc. Will be stepping in as Training Coordinator and Michael G. will be our new Literature Coordinator.

A group of us got together to start planning the H & I workshop for this years CRCNA. We are fortunate to have Allen F. involved who will be writing a dramatic presentation for everyone to enjoy. We are trying to get as much involvement as we can from other areas in an effort to make this truly a regional workshop. If ANYONE is interested in getting involved in this production, please see me or anyone on the H & I Subcommittee.

We had 4 new volunteers trained last month, which is a sharp drop from previous months. We appreciate everyone that steps up and gets involved in H & I and we are currently short staffed at 6 of our facilities. There are also requests for more meetings at facilities we are currently going into and new facilities wanting our services. We will be holding training on Sunday August 8, 2010 at 3:00PM right here. There are flyers on the back table.

Take Care & God Bless,

Lou S.

Mile High Area H & I Subcommittee Chair

Literature Subcommittee: Don O. (Mike P. representing)

I would like to thank this committee for electing me to this position in the last Area meeting. It is an honor and a privilege to be trusted with such a position. I will do my best to live up to your expectations.

I am absent for this meeting, due to a previous commitment. I would like to thank Mike P. for standing in for me.

I must express my deepest appreciation for the previous chair, Mike P. He has selflessly served in this position with a level of professionalism and dedication I can only aspire to. As Vice-chair, I have been impressed by Mike's accuracy and success in filling the literature orders in a timely manner with a minimum of back-orders. Mike has graciously helped me get started as Chair, and is a huge resource.

I will be holding a Literature Subcommittee meeting sometime in August, and will announce the location and time at the August Area meeting.

Again, thank for your trust. I look forward to working with all of you.

Don O.

Notes from Outreach's July Mtg

Outreach sent a rep to Sisters in Recovery. They were happy to welcome her. They plan to register their mtg with World Services and are looking to get into the Adopt-a-Mtg Program.

The Adopt-a-Mtg Program is considered to not have met with long term success. Meetings enjoy a short-term rise in attendance for the 90 days the mtg is in Adopt-a-Mtg, but afterwards attendance sinks back down to previous levels.

What to do? One attendee claimed that Mile High Area folks often do not choose a home group. Therefore there are not as many home group members as there could be overall in the area. Therefore some groups suffer from a shortage of

trusted servants.

Perhaps we can coordinate with the training program to cultivate a better attitude for service among the groups.

We discussed the strategy of building up numbers of NA members in the neighborhoods around struggling meetings. We would work with Public Info to get literature into the treatment centers near the struggling mtgs. Not sure where the folks in the centers actually live.

Organizing with Activities a gathering of trusted servants from the groups that have low attendance and are looking for trusted servants was discussed. All would be invited and folks could meet with reps from each mtg and see what they've got going on.

Poster days in neighborhoods around mtgs with low attendance was discussed. This would be coordinated thru the Public Info Subcomm. The trusted servants of the several groups would be invited to participate in this.

People & Programs

First of all, we invite all of you to offer your thoughts on what Outreach might do to help the isolated addicts and meetings in our area.

You can contact an Outreach trusted servant at MileHighNAOutreach at gmail dot com.

The next Outreach Subcomm mtg is on Sunday, August 8, 2010 at 2:00 PM, 1212 Mariposa St., Denver, CO 80204 (That's the community center across from Lincoln Park--3 blocks S of Colfax, 3 blocks W of Santa Fe Dr.). Everybody's welcome!

We have many opportunities for service, big and small.

We are looking for folks to make one-time visits to meetings struggling with trusted servant issues and attendance problems to see if area can help them. If you want to expand that one-time service into something more long term, Great!

We have many programs to work on. Some of the programs are well established and we are trying to expand them. Some of the programs are so brand new we don't know what they will really be like in their up-and-running form. Whoever steps up to help move these new projects forward will contribute their vision and direction.

Also, the Outreach Subcommittee is looking for a treasurer, a vice chair, and a secretary.

Just some of Outreach's tasks and ideas that are in one stage or another of implementation:

- Reach out to meetings not sending GSRs to Area and ask what area can do for them. Invite them to be involved with area.
- Help new and struggling groups through the Adopt-a-Meeting Program. This effort needs everything from a program coordinator; to a flyer designer; to someone to hand out coupons and start-up kits at area; to folks who will reconceive how the program fulfills its mission.
- Liaisons from Outreach to both the Public Info and Hospitals & Institutions Subcommittees.
- Explicitly invite GSRs to suggest the direction or vision they believe the area should have.
- Contact, advise, and support detached (area-less) meetings in the Colorado region via email, snail mail, texts, road trips, workshops, and unity days, etc.
- Contact Outreach committees in other areas and regions and see what they are up to.
- Shadow roll call, hand out startup kits and coupons to GSRs at area.
- Help addicts make the transition from institutions to the rooms of NA.
- Create some mini-inventory details of the area and have those members that are not as verbal as some of us to be able to voice their group's positions.
- Expand the Correspond with Inmates program into more institutions in the local area.
- Coordinate poster days in neighborhoods of meetings looking for support.
- Continue to update the WSO's database by working with the Web Contact Person.

- Advertise chat rooms and conference call mtgs via flyers, website, etc.
- Update the Outreach webpage in coordination with the web servant. (Make it relevant to the programs we've got going, include a blog, include a virtual suggestion box, etc).
- Update Outreach's guidelines to reflect new and changing functions.

Building Available for Meetings

Area was contacted via our website about an offer of mtg space in a church building in Old Towne Arvada. Anyone interested in finding out about establishing a mtg there can contact us at MileHighNAOutreach at gmail dot com or thru the web servant or attend the next Outreach mtg..

Correspond w/ Inmates

We are working at expanding our Correspond w/ Inmates program in institutions in the Denver Metro area. We gave PO Box flyers to Lou S. who will get them to Ridgeway, and hopefully the Fed'l. Correctional Institute will respond to our offer to establish the program there. Thank you, Terry C., Tracy T., and Valery M. and everybody who is helping us with the growth of this program.

Adopt-a-Mtg

The Adopt-a-Mtg program is supporting The 5th Tradition Mtg. This mtg meets Fridays, 8:00 PM at 22nd & Lawrence at the Phoenix Concept (no affiliation). There are many newcomers at this mtg w/ 6 months or less of clean time that are eager to learn about loosing the urge to use and living a new way of life. We have two people who have signed on to be part-time chairs at that mtg on an on-going basis. We continue to get people signed up for that on a one-by-one basis. We invite everyone to attend 5th Tradition whenever you can, and share your msg of strength, hope, and experience.

Also A Wake Up Call is in the traditional Adopt-a-Mtg mode. We explained to A Wake Up Call's trusted servants the short comings of that process: Namely that for the 90 days that the mtg is in Adopt-a-Mtg attendance goes up but afterwards goes back down. They said, "That's fine." Their logic was that if a lot of folks attended Wake Up Call once, a number would be attracted to it long term. So: mass distribution of flyers by Outreach folks and the mtg's trusted servants and get people signed up for a one attendance commitment, to be conducted for apx'ly. 90 days, July thru Sept. It meets Sundays at 9:30 AM one door N of 1st & Acoma. There is a \$3 breakfast sponsored by the facility served from 8:00 to 9:00.

Just Can't Miss It. The trusted servants want area to know that they are still going strong. They are a small mtg that could use help w/ attendance and trusted servants. Weds 7:00 PM 6750 Carr, Arvada.

A Woman's Touch is looking for support. It meets 3:00 PM Saturdays, 1450 Airport Rd.--that's a church--no affiliation. A Woman's Touch is child friendly. Also Sisters in Recovery needs support--Thurs 7:30 PM, 1402 Pearl St. Ditto with A Woman's Turning Point. Outreach would like to have a woman reach out from the area to these woman's groups and maintain contact with them.

We are talking to mtgs struggling with attendance about having poster days in their neighborhoods. PI has seen success with their poster days, and we hope these posters will attract both newcomers and people coming back to the rooms.

Registering Mile Hi mtgs w/ World Services

We continue to register mtgs with world. We will soon be giving mtg info to Mike H. who is our Web Contact Person. He can put the info directly into the NAWS database. We recently submitted registrations for You Me & HP and Awesome Totally Fun You Gotta Come! We sent a rep to Sisters in Recovery to register them.

Thank you, Marilou of No Matter What for handling the task of registering all the No Matter What mtgs.

Also we are canceling the NA Way subscriptions for mtgs that are no longer being held.

Meeting Outreach

We continue to visit with mtgs that have not sent a GSR to area for at least 3 months. We see how they are doing, and find out if there is anything Area can do for them. We invite them to become active at the area level. Still about 16 mtgs that haven't sent a GSR to area since at least March.

Starter group kits and coupons. Area supplied Focus on Recovery a start-up group kit.

"Bridging the Gap" the NA Way

This is an idea that Outreach has just started to think about. As clients leave treatment centers after having attended H&I mtgs, they are given support guidance and rides to regular NA mtgs so that they are made to feel welcome in the NA community.

Outreach has been given the contact info of a trusted servant in another 12-step program who has experience with a program like that. We intend to interview this person and as many NA folks as possible, with an eye to founding a pilot project at at least one treatment center.

Fellowship Development and Outreach Program

We are in contact with a new program of the NA Colorado Regional Public Relations Committee called "the Fellowship Development and Outreach Program." The objectives of this program are still being conceived so we invite everyone to donate any ideas you have about what such a program might do. The Mile High Area Outreach Subcomm was contacted specifically about a possible Detached Mtg Program: Establish and support a region-wide Outreach program directed at mtgs that are so geographically remote that they are not attached to any area.

Thank you for letting us be of service! NA Rocks!

There are currently 57 groups in the MHA. They hold 110 meetings per week. We list an additional 6 meetings from nearby areas on our meeting list for a total of 116.

In the last month, the website email (milehina@nacolorad.org) only received two requests from addicts seeking assistance. One was inquiring about receiving daily readings via email and I directed them to the World Services page that handles this. The other request was inquiring about a particular meeting somebody had told them about in the past. I gave them the meeting time and location and also directed them to the online meeting list.

A question was raised in the last month as to whether or not we should add conference call meetings to the area website. It seems that from a maintenance perspective that it would make the most sense to have region, or some larger body maintain such a list (as phone meetings aren't as geographically limiting as regular meetings), and that we simply link to such a list on the MHA website. The question was raised as to whether anybody had attended these meetings to find out if they confine themselves to NA steps and traditions, though no further discussion has occurred since.

There is a meeting list update sheet going around, please make sure it makes it all the way around, back to me.

I appreciate everyone's patience and help as I continue to learn more about serving the area in this new role.

Please submit requests for changes to subcommittee web pages or event flyers by email. milehina@nacolorado.org

Thank you for allowing me to serve,

Nick A. - MHASC Web Chair

NAYC Ad-Hoc: Carrie No written report submitted

BREAK:

SERVICE PRAYER READ

OLD BUSNIESS: Jim- We have \$1332.00 with Dex- we paid \$1354.00, will mail letter to Dex, asking about late fees incurred. (Ask Jim)

SHARING SESSION:

- **Tiffany-** CRCNA- bring forth discussion and are activities/CRCNA Section F of the Guidelines- Activities to assist and service other events, F & E been refused to sell CRCNA items at activities events, F & E did not Attend Luau due to this refusal. Resentments formed. We are the Mile High Area. This year the convention committee members are all Mile High except three liaisons. Every CRCNA should be about Unity and felt they were not unified with the Mile High Area Activities Committee, they are asking for help- 1st tradition was stated, we are all on the same team, wants disunity to cease.

Sean- Served on merchandise for CRCNA, would ask permission to sell merchandise at area events, sometimes would be refused, and still attended events.

Carl- CRCNA should be allowed access

Brittany- An addict sent her a text right before the event asking to sell ducks at luau, this event was expensive to begin with, we did say no, would like this to be addressed at Activities Subcommittee Meeting rather than at the Area Meeting, would like CRCNA to advise in advance if they would like to participate in activities events, and there would not be a conflict.

SHARING SESSION CONT.

- **Patty H- Area** Inventory- Do we need another area inventory, last one completed in 2008.

Ron T. How can we better service the fellowship to carry message of recovery? All issues have been handled, wso has a document we can use to conduct inventory

Richard- We should conduct an annual inventory, print out, Richard will work with area RCM's to conduct area inventory (ad-hoc)

Dawn- Clarification- Area Inventory- Guidelines passed down from world, Intent- Assets/Liabilities, Groups- what is good, bad, what results? Are we serving our primary purpose?

Spencer- Guideline readings of area inventory, How well have we done serving the groups?, How have we served the community, How well have we served the world services?

Brendan- Can we simply do a tenth step to determine the answers to these questions. As a GSR, need more definition as to what we are pursuing.

Carrie- Area Inventory turned into an event to get everyone involved.

Richard, Patty, Ron- will bring a report next month.

- **Ron T.-** Conference Calling- Can calls not be long distance? Spencer- recommends Skype, Joseph- there is a free service to access conference calls as long as they are in the area code, he can provide the number if necessary. Nick- thinks we should determine attendance for this area, many factors determine meeting attendance via conference call.

Nick-do these meetings get added to the meeting list? Chris-if we do not control these meetings we should not add to our list, Joseph- these meetings are not being recognized as groups by world service, they are just meetings.

Richard-are we going to compose a list of conference call meetings and post on the website?

Tamra- knows of one conference call meeting which is approved by world, this meeting is for terminally ill people in recovery.

These meetings will not be posted to the website.

- **Mac-** Liability- 1 group has registered with Secretary of State, will that give us sufficient recognition for insurance companies, need to get a number or disband.

Keegan- Why do we need to be insured?

George- We can be sued if someone fell at meeting, why we need insurance.

Dennis- Is this something the groups need for area to serve at?

Mac- We have not yet determined if we need it.

Patti- Are we non-profit or are we not?

Joanne- 501C3- has to file tax returns, legal paperwork, recommends talking to Chuck C. if we decide this is needed.

Spencer- Is there another way to file as a non-profit organization?

George- at first they did not want to work with us, we are not officially organized but we do have organization.

Brittany- It would benefit activities as well; we do not have anything to prove our non-profit status.

George- We are a not-for profit status, not non-profit. We are not eligible for tax free.

Richard- We need to see a lawyer about this issue possibly set aside funds to consult an attorney.

Chris- Colorado region was a 501c4 organization in the 80's, WSO came here and helped us unincorporate, this has to be addressed, violation of laws not charging tax for literature,

Mac will talk to Chuck C regarding this issue; will bring back information about this next month.

NEW BUSINESS: George W. was nominated for Phone line Subcommittee Chair, and declined the nomination. Please announce this position at groups with hope we will have a nomination by next month.

Dennis- From last month we would like to put in CRCNA bid by next week for Mile High Area.

Tiffany (Current CRCNA chair) - prepare an intent to hold CRCNA in the mile high area, the region may vote if other areas are prepared at the Regional Meeting. This will be the 25th anniversary of the convention. Chair asks if we can possibly

put a CRCNA Ad-Hoc committee together so we can present our bid to the region.

George- this vote should be by consensus, as an area. George would like to put forth. The rotation is Denver. Asides- 1, Passed by consensus-Mike to research and determine preliminary information, no voting until next year. Mike will attend the region meeting next week. Tiffany (Current CRCNA chair) is willing to help Mike.

Proposal- Guidelines- Spencer- To bring proposal forms in line with MHASC guidelines. Patty will bring forms from regional website and we can amend as needed.

Proposal- To change all references in MHASC guidelines, from roman numerals to Arabic numbers, consensus to change- Patty will revise and send to Bridget

Proposal- To change all references in MHASC guidelines to reflect “assistant” rather than “vice” (Proposal- stricken as Spencer had an old version of guidelines)
