ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report:

Happy New Year,

Believe it or not we are at the half way point and June will be here before we know it.

Now is a good time to start thinking of future service positions. If you are a Sub-Committee Chair that is term limited it would be a good idea to start mentoring possible nominees from your committee.

If not I would encourage you to consider a second term.

One thing I have noticed in our zeal to rotate Trusted Servants some procedures have been left to be passed down by "tribal knowledge". As tedious as re-writing the guidelines has become, I believe when they are finished it will have been worthwhile. I also believe this will help with any questions about MHASC procedures. And yes I should have studied them better as Vice-Chair.

As far as Group Reports, I can't emphasize enough how important they are to the Area. Many events are never heard of afterwards. It is also beneficial for us to hear how we are doing. And when I say Area, I mean all members of Mile High.

As always, it is an honor to be of Service in the Mile High Area.

Vice-Chairperson's Report:

Hello everyone hope you had a Great Holiday Season. I am pleased with the way that the Tri Area New Years Eve bash was so well received and attended. Hats off to the Activities Sub Committee & Brittany. Phone line is up and running well, and finally meeting the needs of Area. The Literature Sub Committee has been working like a well oiled machine and the Training Sub Committee, has been making huge strides. In fact I am impressed with how all the Sub Committees are working so hard to better serve the MHASC and helping to fulfill our primary purpose. To carry the message to the still suffering addict.

Thanks so much for allowing me to serve !!!!!!!

In Loving Service

SUBCOMMITTEE REPORTS

Activities Subcommittee:

Hi everyone! Happy New Year! I want to thank everyone again for coming to celebrate the beginning of a new decade with us in Longmont. The Tri-Area New Years Bash was a HUGE success! We had almost 200 people attend the banquet, and almost 200 more join us for the speaker meeting and dance. Today I'm bringing back \$394.50 in profit to add to our kitty.

We thoroughly enjoyed working with the Boulder and Off The Wall Activities Subcommittees, so much that there is talk of us hooking back up again to put on the Valentine's Day Event. If you or someone you know wants to be part of this please come join us at our next meeting which will be next Sunday at 5 pm, here at 1212 Mariposa. We are always looking to hear feedback and ideas for current and future events.

Please save Saturday, February 13th as the date for our Valentine's Day Event. This is noted on the Activities Calendar, and I will have flyers and further information passed along to all GSRs, as soon as it becomes available. Just a reminder that the calendar for January and February is on the front, and the flyers for the events are on the back, and if

your event isn't on their please email me the information and/or flyer to mha.activitieschair@gmail.com, which is also on our website at www.nadenver.com under the events tab.

I am still very passionate about this subcommittee, and I look forward to this next year. Thank you so much for letting me be of service.

Brittany L.

Hospitals and Institutions: No written report

Marie A – questioned if all going into facilities are trained and how is that monitored? Only safeguard is the panel coordinator. No one should be going into meeting without training – they are the point of accountability. Suggestion – panel coordinators to check with training coordinator / volunteer coordinator to make sure members have gone through training.

Literature Subcommittee:

At the December Area Service Committee, I gave some poor information regarding the 2010 CAR Report. I had been told that I could order some and sell them to those groups that were interested. I had not done enough research on the World Website prior to reporting this. The CAR Report is in a different section of the website as the literature that we order. It CANNOT be paid for in the same way as we pay for our literature(30 day invoice). I made copies of the order form and it has instructions for ordering on it. They accept all major credit cards, or you can send a check or money order. I am truly sorry for the mistake.

Other than that, things are going well. I will be back next month. Once again, this is a commitment that my wife and I had prior to me accepting the nomination for the Literature Chair.

Thank you for letting me be of service!

Outreach Subcommittee:

Hello everyone this has been a pretty busy month - we have adopted A Woman's Turning point for three months, we have created a signup sheet for GSR's to take back to their groups and have female member's signup as a one meeting commitment. We have also been attending meetings that have not been represented for at least the last 90 days. We are composing a new introduction letter to groups that we attend as a paper handshake, introducing ourselves as members of outreach and finding out if there is anything that we can assist them with, such as registering with the world, assisting them with guidelines that other groups are using to structure an N.A. meeting, getting them a startup kit , letting them know they can pickup literature at the area, getting a contact name, e-mail or phone number and when their business meeting is and being open to their requests as emissaries for the Area. We have listed the meetings so if you have any information about any of these groups please let us know. We are going to ask the area to allow us to get startup kits for new meetings as an increase in our budget. There will also be a budget increase for adding copying expenses for "adopt a meeting" component.

We have also continued our correspondence component writing to members that cannot attend regularly scheduled meetings

We will be meeting at our regularly scheduled meeting at 1212 Mariposa this upcoming Sunday Jan-10-2010 at 2:00 pm

List of meetings we are following up on:

Phone Line Subcommittee:

We had a total of 452 calls and used 994 minutes of our 3000 minutes allotted on the phoneline for the month of December.

Breakdowns:

Live Volunteer Extension:

211 calls = 994 minutes. (these calls only are charged minutes against our account)

Events/Activities Info Extension:

25 calls = 52 minutes.

Spanish/Sub comm. Info Extension:

16 calls = 34 minutes.

Meeting Schedule Extensions:

We can provide further breakdown if needed.

We have updated the phoneline with Spanish info on extension 4 and have a preliminary live Spanish volunteer schedule in place.

This month's subcommittee meeting (January 9th at 12pm) we will be discussing Spanish volunteer schedule. World phoneline guidelines and further implementing those into our training handbook.

February 14th at 12pm we are having a training/lunch meeting for all phoneline volunteers.

This is a chance to get to meet other volunteers.

We will discuss new phoneline (concerns and suggestions)

We will have a training session on the handbook, and guidelines.

Public Information Subcommittee:

PI met today with 7 enthusiastic members in attendance! We are excited to reveal our 6 month plan and to notify the Area that PI will be asking for an increase of funds approximately \$1000.000 for the next quarter.

February 7 at 1:00 at 1212 Mariposa PI will be having training. Watch for the poster to be distributed as the PI recruiting campaign has commenced. We are looking for enthusiastic committed people who love to talk about NA.

The Spanish 303-832-Drug posters are being designed and will be printed Next month with a Poster Day to be held in March for both Spanish and English.

We have submitted our 9 Health fair application in an effort to be acknowledged as an educational/ interactive resource.

Upon financial cooperation the following are a list of events Narcotics Anonymous would like to participate in:

1. Cinco De Mayo
2. People's Fair
3. Pride Fest
4. Juneteenth

Preliminary research estimates a \$250.00 entry fee for each fair to have a non-profit booth, thus explaining our dramatic increase in the request for funds.

It is humbling and amazing what happens when a group of individuals come together for a common goal. I am blessed to serve on a committee with such dedicated enthusiastic members!

Please check status of Literature racks, where are they all, are they being stocked – please report at next month's MHASC

Training Subcommittee:

Greetings Trusted Servants of the Mile High Area Service Committee!

Today we held our 12 Concepts Potluck. I believe it was a roaring success. We had 15 people show up and a whole lot of food. In addition, plenty more people were present in the last ½ hour before MHASC as the participants were making their presentations. I was somewhat disappointed however, that of the 24 people who signed up on the list to bring food, only 7 showed. We covered Concepts 1-6, and will go through Concepts 7-12 Sunday, April 4, at 11:30 before MHASC. We intend for this to be a potluck as well. A flier will be provided next month. Another sign-up sheet will go around as well.

The Training Subcommittee intends to review and possibly revise our Guidelines (what little we have of them). This will be discussed at 1PM before the February 7, MHASC. If you have ideas, comments, or anything else you would like to offer to the Training Subcommittee, PLEASE show up.

As the Training Subcommittee always meets at 1PM before every MHASC, individualized GSR training can occur at that time. This is always our priority. Even if a training event is occurring, feel free to approach myself or Bob D and we will ensure GSRs are welcomed and indoctrinated properly.

In loving service,

Alan T.
