ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report:

Hey every one,

Looks like summer is over.

I goofed and forgot to schedule the budget meeting. We'll do it prior to the October meeting.

There were only ten written Group reports submitted last month, which is one up from July. Whether verbal or written, it's important for us to know how your group is doing and if there is anything we can assist with.

Regional Service Committee, then proposals and decisions summary under the heading for September 2009 Regional Assembly Materials.

There will be a CRCNA fundraiser event following the assembly. There will be an "all you can eat" BBQ from 5 til 6:30, followed by a speaker and then a DJ Dance.

Regular regional service committee meetings are now being held here @ 1212 Mariposa. The next meeting is scheduled for Sunday November 22nd @ 11AM.

For more detailed information you can review regional minutes @ NACOLORADO.ORG or speak with me or Mandy F.

Report: Greetings from Humble Lights, the greatest NA group in the universe. We meet Tuesday nights at 6:30 pm. Currently we offer baby sitting service, however, this may change due to at times some kids will leave the room where the baby sitter is and wander around the church. The church isn't happy with the kids wandering around so if this happens again we either will suspend the baby sitting service or have to move the meeting to another location again.

How can the MHASC assist your group?: Please spread the word around about this issue so parents who do bring their kids can be aware that the kids either need to stay with the baby sitter or with the parents at all times. No kids should be wandering around the church unescorted. We now have an elected position called the "Child Care Liason" who will help facilitate this – her name is Amanda, thank you.

Group Service Representative: Al G.

Meeting Location & Time: 1395 South Sheridan, Thursday night @ 7:30 pm

Average Attendance: 4

Average Number of Newcomers: 0

Day of Group Conscious: last Thursday of the month

Report: We have changed our meeting day to Thursday, same time, same location. It was the conscience of the group to change the meeting day in hope for better attendance. We are struggling to attract Spanish speaking newcomers. The Solo Por Hoy group looks forward to working with the Phoneline and Public Information committees once new chairs have been established for these committees to help get the message out to the Spanish speaking community. Solo Por Hoy is putting together a list of persons and phone numbers that would be available to the phoneline members once the Spanish message is implemented on the 303.832.DRUG number.

How can the MHASC assist your group?: The purpose of the group is to carry the message. We continue to implore the MHASC groups to direct the subcommittees to work to make carrying the NA message of hope to the Spanish speaking in the metro area a WORK priority. Whenever the area does an inventory, carrying the message to this underserved portion of suffering addicts continues to come up as a need. Let's put our effort here and now. We highly encourage NA members to come to the meeting, assist us in putting up flyers and posters, and encourage members who speak Spanish to attend the meeting. Our strength is our diversity. If the area exists to serve the groups, then SERVE Solo Por Hoy!

SUBCOMMITTEE REPORTS

Activities Subcommittee:

Activities met once last month, and we managed to whip up a great event on such short notice. The world unity day event was absolutely amazing. We had a steady attendance and not only did we make our money back, we brought 80.43 back as a donation to area.

Our activities calendar is still a success, but it is starting to look a little bare as we have approached a cooler season. If your group is having an event and it isn't on the calendar, please get the information to me ASAP.

We are a little behind on the planning of our Halloween event. But we will be meeting next Sunday to get the ball rolling. Please join us to help plan this much anticipated event. I haven't secured a location or time yet for next Sunday's meeting, but as soon as I do I will get the information to Patty, the secretary, to pass onto all the GSR's. But until then, if you're interested in coming, please give me your phone number so I may contact you directly.

I am very passionate about this subcommittee. I greatly look forward to this next year – thank you so much for letting me be of service.

The Subcommittee met August 9th with 10 subcommittee members in attendance.

Kent C. was elected as our new Orientation Coordinator. Kent has been working with Allen F. for a number of months and will be training more subcommittee members to conduct orientations.

The Subcommittee voted to change our meeting time from 5p.m. on the second Sunday of the month to 4p.m. Training will be scheduled from 3-4:30p.m. on the same day in odd numbered months. We will have a training today at 3p.m. if anyone is interested in getting involved in H&I.

We also decided to suspend one month’s literature order to help out with the financial issues that area is facing.

We are continuing to update and streamline our contact information in an effort to more effective use all newly trained volunteers. We have compiled approximately 90% of the data and are currently working on organizing it into a format that will be useful for the committee and our panel coordinators.

We are collecting CRCNA T-shirts to give to H&I visitors to this years convention, see Valery M. for details.

With all that has been going on , we are doing very well. The message of recovery is being taken to those who cannot attend meetings and we are very close to adding a new facility to our list.

Take Care & God Bless,

Lou S.

Mile High Area H&I Subcommittee Chair

Literature Subcommittee:

Due to the financial situation in the Mile High Area, the literature subcommittee elected to spend the bare minimum on the literature order last month. We believe it was a sufficient amount to keep groups stocked with literature. Also, we sold a very small amount and have a reasonable stock left over.

The H&I Subcommittee elected not to have a literature order which made it much easier to keep our number low. We would like to extend our gratitude to H&I and some home groups, that have went above and beyond to help remedy this financial situation. It makes me truly grateful to be involved in this Area.

Thank you for letting me be of service,

Mike P.

Outreach Subcommittee:

We are also composing a Survey letter out to the GSRs to have them prioritize what the Area should be doing to help carry the message. Hopefully we can incorporate the web master to open up Outreaches mailbox for a online survey for those that have internet for those that don't we can use snail mail.

Mike is there a way that we could open up the Outreach website for GSR's to fill in a survey, probably not real complicated just a list of 3 to 5 issues and a few lines to fill in any other issues that we may have missed. Please let me know if you will.

Phone Line Subcommittee:

Phone line is in need of some volunteers for Friday nights the shifts 2pm-6pm and 10pm-6am are open

This past month the phone line had a subcommittee meeting and had several interested members attend. I was able to train three volunteers to take over uncovered shifts, over all we discussed the needs of the phone line and how to move forward and fortify our resources. From this discussion stemmed another meeting between Brent M. Kent C. and myself. The issue was if Access line was the best service for the Mhasc phone line after further discovery from accessline it was my decision to cancel the system . After all that transpired the previous month coupled with additional problems I went with the principal that "if it isn't practical it isn't spiritual" I was able to recover one months fee and in all the cost was 180.50 or so for two months use of the system this is not a total loss an enormous amount of knowledge was gained from this on exactly what is needed for a live system. Both Kent and Brent have looked into other systems we have not been able to meet since mostly on my part with what has surfaced in my life recently.

I will continue to help in any way possible to manage the phone line and keep it functioning one major resource that is needed is more people to spread the weight of the load .

I would like to thank everyone who attended the last meeting and look forward to more participation

In loving service

Joseph C.

BREAK:

SHARING SESSION:

Elections procedures: refer to guidelines regarding elections.

"Guidelines not followed" Mac – based on historical events at area – Mac choose to send back to group for votes Chair choosing to send back to groups.

Mike – hypothetically come in and nominate again to go back to groups chairs have been empty for a while

Tim – information to fill vacancy – group booklet –

Joseph – splitting hairs, not about personalities – consensus of groups as to what it means – define it.

Mark – group booklet states GSR is the group – groups give GSR's the authority to vote – business body that serves the groups – we as GSR;s need to take responsibility and make votes as necessary – no positions that remain vacant for months. Chair and Vice Chair to know and understand guidelines

Brad – need chairs to do service – elections same month as nominations – we interrupt the guidelines to be specific. Not creating complication.

Dawn – how information to fill the vacancy provided to the GSR's for announcement at their group?

Brian – continue debate there is no black and white answer. 3rd concept – delegating authority

Joseph B – we have a mess the best way can believe is to be mindful of the greater good – a lot of this controversy will go away – time for individuals to consider the greater good and step back from bull shit – we are based on surrender and it doesn't mean being a coward

Alan – not comfortable with any one voting today, it was noted that we would vote next month. In addition, the comments need to stop regarding events that transpired a couple of months ago. They are hurtful and damaging.

Guidelines:

Mark – concerns with Mac's statement with sitting down all at once to get done and send back to groups and vote for entire guidelines. Important process and not do half ass. Decided months ago that we were to do in sections - however long it takes us.

Joseph – ensures that procedures' are consistent with guidelines and 4th and 5th concept. No matter what - if done can be undone – it is about change – here is the job we need you to do but it is unclear what needs to be done. Jumped around – no clarity – what are we supposed to do as a fellowship. Groups haven't suggested we bring up to vote.

Brad – members to participate in guideline revisions. GSR's have been instructed to represent group. We are not taking care of business.

Bob D. – chairs that we elect, serve the fellowship through us this is where the buck stops – we are the single point of accountability.

NEW BUSINESS: Was not addressed, ran out of time

PROPOSAL/MOTION:

Donate half of this months remaining balance to WSO and Region as follows:

60% Region – 249.94

40% World – 166.92

This is not a guideline change, motion/proposal for this month/quarter only.

Motion passes.
