ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report:

Hey Everyone,

I went to observe the Pikes Peak ASC last month. I found their process to be very efficient. Everything from voting to the way donations get turned in and lit orders filled. The meeting only took around two hours but people started leaving after break anyway, I laughed.

One thing I would like to try is written requests for Open Sharing Topics. There are forms available.

Topics must be submitted by the break and will be discussed first come first serve.

Jim, Don, Dennis and I met at the bank to update the signature cards.

The new edition of the NA Way is here please take them back to your groups, they do no good sitting in the trunk of my car. Same goes for lit orders, please make sure you get your literature, also check for back orders.

Conference Agenda Reports are available for \$8. Please get one for your group or yourself.

A CAR Workshop will be hosted by 12 Alarm Recovery on March 6th. Starting at 1pm with a PR Orientation. At 3:30 the Regional Delegates will present Conference Agenda motions. Then the Chili Cookoff at 6 and Speaker meeting at 7.

In Loving Service, Go Saints!

Vice-Chairperson's Report:

Hello everyone hope you had a great January. Really not a lot to report this month as all the Sub Committees are working so hard at fulfilling their commitments - Holding trainings, events, and helping to carry the message. I'm also looking forward to the Valentine's Day Dance which I'm sure will be a huge success. Also the event taking place at 12 Alarm Recovery, with their 3rd Annual Chili Cook Off, and Special Guest Speaker on March 6th. I have mentioned it before I am impressed with how all the Sub Committees are working so hard to better serve the MHASC and helping to fulfill our primary purpose To carry the message to the still suffering addict ...

Thanks so much for allowing me to serve!!!!!!!

In Loving Service

MHASC Vice Chair

Dennis C.

SUBCOMMITTEE REPORTS

Activities Subcommittee:

Hi everyone! I'm sorry that I could not make it to this area meeting as I am out of the country until tomorrow (the 8th).

I need to make an apology regarding the finances from the New Years Bash. The end of that night came and I distributed the funds then, instead of waiting until our next meeting. In doing this I made some wrong calls and the money was not distributed as it should have been. I had forgotten that Off The Wall Activities had informed us that they did not need to be reimbursed for the flyers and ticket printing costs, as that would be their contribution. The Off The Wall Activities Chair asked me for that reimbursement at the end of the night and I gave the \$110 to him out of the whole profit. I also made the other reimbursements out of the profit as a whole, as opposed to dividing the profit and having each area make their appropriate reimbursements out of their cut. I'm am very sorry about this, and we have all decided that we would like to leave the money as it is, as it has already gone back to our areas, and we are all in profit. With a huge lesson learned, I wanted to make this apology now as you will notice a difference in numbers from the treasurers report from that event and from my numbers that I brought back last area. For now on, we will wait to distribute the money, until the next Mile High Area Activities meeting, so that we may all keep each other accountable for what should happen with the funds. I thought that everything was ok, because I had the other two Area Activities Chairs help me split it. I fully accept all fault in this and I would like to reassure everyone that this will not happen again. I also want to apologize that I can not be here in person to discuss this issue. Our Vice Chair Michelle is here filling in for me today and may not be able to answer all of your questions regarding this, in which case, if you could please bring it to our next Activities Meeting, or hold on to it until next area so that I may appropriately address this issue, that would be greatly appreciated, and may help things go a bit more smoothly today.

On a brighter note, the flyers are out, and we are ready to party, as the Throwback Valentine's Dance is less than a week away, and we need EVERYONE'S help spreading the word! This event is being co hosted by the Boulder Area Activities Subcommittee, and is this next Saturday, February 13th at 7755 Vance Dr. in Arvada. This is 77th and Wadsworth for those who don't know the area. The open meeting is from 6pm-7pm, and then we will have Open Mic for anyone who wants to share their talents, until 8pm. At 8 o'clock we will break open a piñata, which will start off the dance. We will have a game room along with the dance, until midnight. In the game room we will have games such as Pictionary, Twister, Uno, and Sorry. The dance will have strobe lights and like effects, so please be cautious if you have any conditions that may be triggered by such things. We will have a cupid messenger to anonymously deliver your valentines. There will be a supervised kids room with two adults for the little ones to have their own party. Admission to this event is \$3 a person or \$5 a couple, and one slice of pizza and a raffle ticket is included in that price. No Addict will

be turned away, but for those who can't afford a ticket, we have great service opportunities available. This is a 50's themed event, so dressing the part is optional, but suggested.

Our Activities Calendar is still going strong. I am sorry that I missed a couple of the newer speaker meetings this last month, but these changes have been made to the new one. Just a reminder that the calendar for February and March is on the front, and the flyers for the events are on the back, and if your event isn't on there please email me the information and/or flyer to mha.activitieschair@gmail.com, which is also on our website at www.nadenver.com under the events tab.

I want to thank everyone for giving me this opportunity to serve, this is a learning process and I'm learning more every day. I am greatly looking forward to the next few months, and I hope you are as well!

Brittany L.

Hospitals and Institutions:

The Subcommittee met January 10th with 11 subcommittee members and 3 visitors in attendance.

Paul U. was elected vice-chair of the sub-committee and will serve until July 1st when the elections for all positions will be held. The Tech/Online position is still available.

We are not actively pursuing any new facilities at this time due to a lack of volunteers and a focused effort to resolve some internal issues. I was contacted by Hudson Correctional Facility, an 800 inmate facility, requesting any help we might offer. We will be discussing this at our sub-committee meeting next week. We are no longer going into the Wright Center because they are now able to transport their clients to some NA meetings in the area. The meeting at Jefferson Hills – Aurora (girls) is currently in question due to issues arising from some personnel changes at that facility.

We continue to update contact information for all H&I volunteers. We will be having a meeting of the administrative members of the sub-committee next week prior to our regular meeting to discuss our plans for the coming months and how to best implement our new vice-chair. Panel Coordinator training will be high on the agenda.

Things are going well at our 23 active facilities. Panel coordinators are reporting good attendance and participation. We could always use more literature and volunteers, but all in all, a clear message of recovery is being delivered.

Next week is a training week, if anyone is interested in getting involved in H&I or knows someone who is interested in getting involved, H&I Orientation (hosted by the lovely and charming Kent C.) will take place Sunday, February 14th at 3:00p.m. right here at 1212 Mariposa.

Also, on Saturday, March 6th, at 1:00p.m. H&I, PI, Phoneline, and Outreach will be sponsoring a Public Relations Orientation for anyone that would like to know more about what we do and how to get involved. This is being held in conjunction with the 12 Alarm Recovery CAR Workshop and Chili Cook-Off(No Canned Crap). Fliers are on the back table.

Take Care & God Bless,

Lou S.

Mile High Area H&I Subcommittee Chair

Literature Subcommittee:

Things are going great with Literature. It seems that more groups are ordering their literature using the Mile High Area website, which is really good news! When we receive the orders on the spreadsheet, it makes things much easier for us and should narrow the chances for any mistakes in filling that order. I would like to remind everyone that, technically, all online orders are suppose to be in no later than noon on the Saturday prior to Area. I have been fairly lenient with this rule however the more groups we get using the online system, the more we will have to tighten up on this. I simply cannot be dealing with multiple orders while I am preparing for Area on late Saturday and early Sunday morning.

It was brought to the Literature Committee's attention that the question of whether to order from WSO or Area, has came up again. In July of last year, I wrote an email to customer service at NAWS, asking if they have any sort of preference whether groups should order from their respective Area or World. What I received in response was a very definitive answer. NAWS would absolutely rather groups order their literature from their area and not directly from World. If anyone would be interested in asking for themselves, the email address is custserv@na.org.

The Literature Subcommittee will be working up a draft of a revised set of Mile High Area Service Committee Literature Subcommittee Guidelines. We feel that a few of the things in the present guidelines are a little outdated and also that the Inventory Management numbers do not correctly reflect the economic hardships suffered in the past year. We will be holding a subcommittee meeting at 3pm on February 14, 2010 at 1212 Mariposa. We will be discussing some of these revisions at that meeting.

Thank you for letting me be of service.

Outreach Subcommittee:

Greetings we as a subcommittee of Mile High NA have probably been more busy this last two month of 2010 than i have ever experienced. To list some of the activity would go like this.

1. Involved in going to meetings that do not have representatives that attend the area meetings, It is a form of "meet and greet". We are using a very soft approach with a hand out of " is there anything that the Mile High Area can do to assist your meeting"? We let them know that they can be registered with the world and with the area as a meeting "and this will assist other recovering addicts" to know of their location. We are also getting a lot of feedback of why they are not participating in the area, sometimes it is a choice of not wanting to, sometimes it's a negative history of the Area and sometimes it is a meeting without enough trusted servants to take feedback to the area. It is like one person that is keeping the meeting going with a lot of newcomers that don't know they can or want to be of service.

2. Updating of Data bank this means that how the world directory and the Mile High directory lists meetings is correct when we first looked at this comparatively there were 65 discrepancies. We have gingerly been correcting this and we have cleaned up about 15 to 20 of these. We have also made sure that some meetings that we presently have can and are registered. We have done this with the assistance and approval of members and trusted servants of these groups.

3. Adopt a meeting has been actively supported by us and trusted servants by utilizing a more effective type of signup sheet we have had more females members support " a women's turning point" this last two months. We did get feedback from the centennial peaks meeting that since we have gotten them registered with the world and the area they seemed to have had an increase in attendance- I would love to take this as the work we have performed but i think it is too quick for it to be the work we have done. It is nice to know that members are noticing that the area can help them and this is our task.

4. We have had discussion at the Area and the outreach meeting as to when a new meeting gets started and they know of the area and they come for help what could we as an Area do to create a "startup kit" to assist them with. The Worlds has a "kit" for new meetings, but it is pretty light . We as Outreach are suggesting vaguely as maybe using this kit along with a credit slip of \$5 to \$10 dollars to literature. This way members that are requesting the assistance would know their meeting and their needs better than us, right now it is just in discussion phase of how to help

5. As always we have numerous addicts that are corresponding with members in prison across the United States. We are one of about 4 regions that are offering the service in the way that we do.

In loving service to NA Ron T

Phone Line Subcommittee:

We had a total of 559 calls and used 1154 minutes of our 3000 minutes allotted on the phone line for the month of January.

Breakdowns:

Live Volunteer Extension: 269 calls = 1134 mins. (these calls only are charged minutes against our account)

Events/Activities Info Extension: 21 calls = 45 mins.

Spanish Extension: 13 calls = 20 mins.

Meeting Schedule Extensions: 256 calls = 661 mins.

We currently have 3 slots open - Thursday 6am to 10am, Friday 6am to 10am, Sunday 6am to 10am.

We have updated the phoneline with Spanish info on extension 4 and have a preliminary live Spanish volunteer schedule in place.

February 14th at 12pm we are having a training/lunch meeting for all phoneline volunteers.

This is a chance to get to meet other volunteers. We will discuss new phoneline (concerns and suggestions) we will have a training session on the handbook, and guidelines.

Thank you for letting me be of service.

Brent M.

Public Information Subcommittee:

27 people showed up for training today

Accepted for 9 news health fair – no guarantees – they will call

Poster day – March

Training Subcommittee:

Greetings trusted servants of the MHASC!

The Training Subcommittee met today at 1PM before MHASC to discuss revisions to the Training Subcommittee Guidelines. This meeting was attended by me.

I am pleased to report that 5 new GSRs showed up at 1:30 for individualized training! I hope we were able to give them a complete indoctrination as to the Area Service Structure and their roles as GSRs. I welcome any feedback in regard to this training.

The second 12 Concepts Potluck will be Sunday, April 4 at 11:30 AM before MHASC. I will be out of town this weekend; however, Bob D the Vice Chair, and Brian S (RCM) have agreed to hold the training in my absence. I have complete confidence they will do an exemplary job.

The Training Subcommittee will meet here at 1PM on Sunday, March 7 before MHASC. I intend to draft/review guidelines from 1:00-1:30 and any new GSRs can show up for training at 1:30. If you have ideas as to what the Training Subcommittee should do, or something you would like to see me do in the next few months, please do not hesitate to contact me.

It should be mentioned that I cannot commit to continuing as the Training Chair after the May 2, 2010 MHASC (when nominations will occur) as I now have a CRCNA commitment which will take the majority of my time.

Thank you for letting me be of service,

Alan T.

Website Subcommittee:

I am delivering 1250 MHA meeting lists this month.

Recently the budget for producing meeting lists for groups and H&I reduced by \$100 per quarter, from \$450 to \$350. This has resulted in a reduction of the number of meeting lists from 4500 per quarter to about 3750. Next month will begin producing meeting lists in batches of about 5000 copies, roughly once per quarter. This will allow me to further reduce the budget another \$100 per quarter. The cost per meeting list will go down from about 10 cents each to about 5 cents each.

Meeting list changes:

Added meetings

Tuesday 7:00 pm BYBT — O,D,TS – 3401 W 29th Ave (church)
Thursday 7:00 pm The Men's Room — O,D,Men – 7100 W Mississippi, Lakewood (church)

Changed meetings

Saturday 7:00 pm Ray Of Light — O,D,WA,SP,Gay Friendly - 9th & Emerson, Denver
(church W entr, SP meeting first Sat of the month)

Note: Changed from speaker last Saturday to first Saturday

Friday 8:00 pm Catch and Release — O,D,WA 2255 S 88th St, Louisville (hsptl)

Note: This is a name and address change of the Anonymous Group – 8851 W 80th

There are currently 54 groups in the MHA that hold 109 meetings per week on our meeting list.

The website email (milehina@nacolorado.org) received 1 request to contact an addict in our area about being a convention speaker.

If anyone is interested in serving as the Website chairperson after the next elections in June, please contact me soon about training for the position.

There is a meeting list update sheet going around, please return it to me.

Please submit requests for changes to subcommittee web pages or event flyers by email. milehina@nacolorado.org

This report was forwarded to the Regional web servant and the MHASC members.

Thank you for allowing me to serve,

Mike H. - MHASC Web Chair

Liability Insurance Ad-Hoc:

George talked to Chuck regarding leads or knowledge regarding liability – still fact finding
Steve talked to Florida region – need guidelines coverage etc. Region has policy that covers all the groups for meetings but special activities would require specific coverage per event.

Alan T – concern - if word gets out that area has policy would we be vulnerable to false claims

BREAK:

No quorum after break - meeting adjourned
