#### ADMINISTRATIVE OFFICER'S REPORTS

##### Chairperson's Report:

Fellow Trusted Servants,

I just returned from Southern California yesterday. While at a Saturday night meeting the topic of NA Meeting etiquette came up. I found this to be amusing, troubling and reassuring all at the same time. There was no clear solution offered, but all the same arguments were presented. This in an odd way was a small consolation for missing CRCNA.

Last month I had said I would send out a sample agenda for input. Since I did not get around to it, I will do it this month.

It's an honor and privilege to be doing service with you all in the Mile High Area.

In Loving Service,  
Mac

**Vice-Chairperson's Report:**

Hey everyone hope you had a Great Halloween ... Not much to report this month , however I am very pleased with the direction and progress that MHASC is making in serving our NA Groups & Meetings . It is also apparent, that we are starting to make head way in our Guide Line Revisions as the 1<sup>st</sup> section was sent out to groups for approval. I would also like to thank and acknowledge all the Sub Committees for all their hard work and effort in helping to further carry the message to the still suffering addict, and to express my gratitude to Phone Line Chair Brent, Training Chair Alan and Public Information Chair Patty and their Sub Committee members for rolling up their sleeves, and doing the work that lays before them.

Thanks so much for fulfilling our primary purpose...

In Loving Service -  
MHASC Vice Chair Dennis C.

**RCM Report:**

Conference Agenda Reports for the 2010 World Service Conference will be available on or around November 25<sup>th</sup>. Hard copies are available for \$8.00 each. The complete report will also be published on the world website @ [WWW.NA.ORG](http://WWW.NA.ORG) This agenda will be voted on by all GSRs at the April 2010 Regional Assembly.

For those of you that may not have attended the September Regional Assembly, I would like to recap a few of the open discussion items:

The 7th tradition donations are down fellowship wide and this presents challenges for us in terms of increasing donations, fundraising, and prioritizing the budgeting process.

The Pikes Peak area recently switched their phone line service to Golden Voice, and The Bringing Freedom East area is currently without phone line service. This prompted discussion revisiting the possibility of a comprehensive Regional phone line.

Regular regional service committee meetings are now being held here @ 1212 Mariposa. The next meeting is scheduled for Sunday November 22<sup>nd</sup> @ 10AM.

For more detailed information you can review regional minutes @ NACOLORADO.ORG or speak with me or Mandy F. Brian S.

**Training Subcommittee:**

November 1, 2009

Greetings trusted servants of the MHASC!

The Training Subcommittee has met several times this month and most recently yesterday, October 31, 2009. I am pleased to announce Bob D. has stepped up as the Vice Chair of the Committee.

This afternoon before Area, we had our first training – An Introduction to Area Level Service. Thank you so much to everyone who participated! Special thanks to Marshall, Bob, and Mike H who helped me put this together.

Because there has been so much confusion regarding the present Guidelines and voting procedure, Mike H. has produced a flow chart for use by the MHASC. It has been constructed according to the PRESENT Guidelines, and will be updated whenever the Guidelines are revised. Although presently in draft form, we hope to have them ready for distribution at the next MHASC for use by all members as a “cheat sheet” for MHASC Business Procedure. There should be a draft included in this month’s minutes.

Also, because of all the confusion regarding Robert’s Rules of Order, Consensus Based Decision Making, and the present and proposed Guidelines, the **Training Subcommittee will have a discussion/training session at 1:00PM before**

**the December 6, 2009 MHASC.** This discussion is ONLY for clarification regarding the voting processes, comparisons of the existing versus proposed Guidelines, and implications. The intent is for GSRs to better understand and describe what is being proposed to their group, and to make more informed decisions.

**The Training Subcommittee plans to have a 12 Concepts Potluck Discussion prior to the January 3, 2010 MHASC – from 11:30 – 2:00 PM.** We encourage all to bring food, and for two hours we are going to briefly discuss the Concepts and facilitate a discussion regarding our experience with them. This is not intended to be comprehensive, but as a “meet and greet” and to provide some familiarity as to what the Concepts are. There is a signup sheet going around, if you choose to come, please indicate what you will bring. I will bring this sign-up sheet to the December MHASC as well. A flier will be produced for distribution at the December 6, 2009 MHASC.

As discussed at the last MHASC, we plan to have a discussion regarding the NAWS bulletins. I had a list of them and was prepared to inquire which ones this Body wanted us to address during open discussion; time did not allocate this discussion. I will bring them again in December.

For all new Area-Level Servants looking for education or any individuals wishing to provide feedback to the Training Subcommittee – we will always be here at 1PM before each Area.

For any that need explanation or information at ANY time during Area, please feel free to pull Bob or myself aside for questions. That is what we are here for.

Love and respect  
Alan T.

**BREAK:**

## SHARING SESSION:

Literature Committee – Has about 30 pocket size 5<sup>th</sup> edition Basic Text (soft and hard). They don't know what to do with them – there is now a 6<sup>th</sup> edition.

### Literature Orders

Talked this morning that there is a provision in the current guidelines that says will be paid by check or money order. Currently the guidelines say "all literature orders must be paid for by check or money order to eliminate the need for a cash drawer."

"Change the guideline to say "we suggest a check or money order but will accept cash".

Ron says that we as a body have the right to change the guidelines.

Mike P. says the way that he understands it is the literature is receiving money and that is not true. He would like to know if it is an inconvenience for the treasurer to take cash instead of check or money order.

Janet says we take donations and literature orders. Sometimes people bring in donations in \$100 of \$1 bills. People are waiting and waiting for them to be counted. She would rather have bigger bills to take to bank and she is okay no matter what, but sometimes having all the change and dollar bills are a pain in the neck.

Jim has a concern about checks. He has never been adequately explained to how you get a checking account in the name of the group because of the potential tax liabilities exist. He doesn't even know if this area has a tax id number, without some personal social security number attached to it. This has been talked about ad nauseum in his home group and he was never able to get a clear answer. He has no problem with cash and doesn't mind counting it.

Mike H. said that he is able to show Jim how to set up a federal tax id number and that it only takes 5 minutes.

Brittany L. says she has looked into the tax id issue and says the non profit tax id number has to be specifically requested from the world office and that they are the only ones who hold it.

Alan H. suggests that anyone with a computer check online to bulletin 32R "USA Banking" which will answer all these questions.

## OLD BUSINESS

Revised Guidelines for the Activities Subcommittee of the MHASC (submitted today by Brittany L.)– NEEDS TO BE SUBMITTED TO GSRs. WILL BE SENT TO THE GROUPS AND VOTED ON NEXT MONTH.

Brittany L. wants to clarify that because they don't have all the funds from Halloween event here, does she need to donate all that back? - YES UNTIL FURTHER NOTICE SHE DOES.

According to Brittany, that committee currently requests a budget from the Funds Committee. Up until last year they received something like \$100. That has increased but is still not enough to cover the budget. The committee wants to have a bank account and have an amount of up to \$1,000. If it exceeds that amount it will be brought back to Area.

Will the committee maintain up to a \$1,000 as a prudent reserve? YES

This money would be their operating expense and they would no longer have to submit a budget.

Mike H. said the intent of this is that it would affect the amount other subcommittees get. Sometimes we have to skip getting an activity because we have used all the funds from a different activity and don't have the money to pay for the next one. This way, it would be an ongoing, more regular stream of money for activities.

In accordance with the guidelines, the goal of the Activities Committee is to break even but we are still bringing back a significant amount of money.

Janet made a motion for the Activities Committee to keep the money brought in from the Halloween Dance this month. Motion seconded by Brad.

Brian stated the reality is that we run on profits from events and that maybe we should be operating on money raised from events. (i.e. CRCNA donation.)

**TEMPORARY POLICY CHANGE: (2/3 needed)**

(One time only) Motion would allow Activities Committee to use the current money they have from the Halloween Dance and use the money for the New Year's Eve Dance.

MOTION PASSED.

\*We have to decide on how many schedules to have Mike H. print each month.

Guidelines Do NOT specify how many to print. Mike wants some general input from the groups as to how many they need; if they are getting enough. Does not want to print more than are needed, no matter how much the budget is.

Brandon is concerned that only every other month will meeting schedules be available and that otherwise the homegroup is responsible to print their own meetings lists off the internet.

Brad makes a motion to entrust web servant with figuring out how many meeting lists to print.

Mike made the decision he is not bringing any meeting lists next month.
