## ADMINISTRATIVE OFFICER'S REPORTS

### **Chairperson's Report:**

Greetings trusted servants of the Mile High Area Service Committee!

I don't have a whole lot to report this month.

We met at 12:30 to continue our revisions in regard to the MHASC Guidelines. Today our topic was again the incorporation of Consensus Based Decision Making into our Elections and Voting Procedures Section.

There was a heated discussion last month in regard to whether or not I should have adjured this body because of the absence of a quorum. In the following days, I considered that move. Following review of our Guidelines, as well as the definition of a quorum in Robert's Rules of Order, my conclusion was that our Guidelines REQUIRE a quorum for MHASC to occur.

Our next meeting will be Sunday, March 8 at 2PM. Please note that the Budget Planning Meeting will occur at 12:00, with the Guideline Revisions to continue at 12:30.

Please also note I will be out of town for the April MHASC. I have not yet made a decision as to whether Guidelines revisions will occur prior to that MHASC, but Mac, your Vice Chair, will be acting Chair that month.

In Loving Service,

Alan T.  
MHASC Chair

Mile High Area of Narcotics Anonymous  
Regional Committee Member Report  
February 1, 2008

The last regional meeting was held on January 18. Opening balance was 2604.82. We had total donations of 11525.38 (10722.38 CRCNA), expenditures of 8025.86 (PI 3750.00, H & I 1550.00), and a donation to world of 3507.23. Our ending treasury is 5000.00. This balance includes the profit coming in from CRCNA. The region welcomed a new area called Bringing Freedom East and includes the cities of Fort Morgan, Wray, Sterling, and Yuma.

Our RD attended the Off the Wall area meeting. Soon to be released are two new service pamphlets entitled An Introduction to NA Meetings and Leadership. The book project on Living Clean is still taking input on the NA.org website. In Times of Illness and Self-Support pamphlets will have a fellowship wide input and review period from March 1 thru May 30, 2009.

CRCNA XXIII is up and running. Open positions include Vice Chair, Treasure, Merchandise, Print & Display, Convention Information Web, and Fundraising & Entertainment. I have brought flyers for our annual theme and logo contest and the prize is a full registration. The next meeting will be on February 14 at the Castle Rock Library at 10:00am.

Public Information will be assisting the Pikes Peak Area at the Colorado Springs Winter Behavior and Addiction Symposium and will be presenting a PI Symposium to professionals within our region within the next year.

H & I has been meeting and requested funds in order to place some literature packets into some outlying facilities. They are still working on getting volunteers cleared through DOC so they can bring some meetings into the Cannon City and Sterling facilities.

The incorporation committee is moving forward and has talked to a CPA for clarification on filing of the 501c3 for CRCNA. The bylaws and standard operating procedures have been adjusted to reflect correct wording for the incorporation of the convention. This committee will be seeking approval at the April Regional Assembly to make CRCNA a non profit corporation under the 501c3 laws.

Public Relations have been continuing their road trips with some success. The PR questionnaire has been shortened and Linda L is now offering to attend area meetings to get information out about Public Relations. We have been asked if we would like a presentation at our Area meeting. This committee has presented a proposal to make PR a standing subcommittee for vote at the April assembly.

Old business included two proposals that did not receive consensus. One was for CRSCNA's support the Circle of Sisters Convention and the definition of decision makers at the region. New business that passed included distributions requests from H & I of 550.00, distribution requests from PI in the amount of 3750.00 to include Pikes Peak Winter Behavior and Addiction Symposium 450.00, PI Symposium 2500.00, and 800.00 for literature and meeting space for the year.

The April Assembly will be held in the Boulder Area. Flyers will be available as soon as a location is secured. Please plan on attending as there are several issues to be discussed as well as elections. The next meeting for the region will be Sunday March 22 at 10:00 am.

There are (2) positions open on regional budget sub-committee. Anyone interested is invited to attend the next regional meeting.

Thank you for allow me to be of service,  
Joann D.

## **Hospitals and Institutions:**

Mile High Area H&I Subcommittee

Chair Report

February 1, 2009

The H&I Subcommittee met last on January 11<sup>th</sup> with 37 in attendance 23 of which were new volunteers who came for training. The newly trained volunteers were assigned a facility by the end of the meeting and exchanged contact information with the panel coordinators of those facilities. Some of the new volunteers have already started attending H&I facility meetings, others will be starting this month.

Over the next 6 months the H&I Subcommittee plans to focus on improving our processes and procedures to better serve both current and future H&I facilities. Requests for opening any new facilities are on hold while we address the following three issues:

1) **Retention of newly trained volunteers:**

- After new volunteers go through initial training, we are working on methods to keep continuous communication going between panel coordinators, the H&I subcommittee and the new volunteers so no one falls through the cracks.

2). **Facility Information Tracking:**

- We have recently created new Facility Information Sheets for each of the 26 institutions we now serve. The Volunteer Coordinator will be entering this information into a spreadsheet format. Once completed we will have easy access to facility specifics and contact info, panel coordinator and volunteer contact info, as well as dates and times of who is going in when. This will help us in filling open shifts, ensuring we are following facility rules & regulations and addressing problems and concerns that may arise.

3). **H&I Guideline Updating and Revision:**

- The current H&I Guidelines are 5 years old and do not address leadership development, continuity and leadership transitions or trained volunteer retention. At our last meeting, a 6 member Ad Hoc committee was appointed to address this issue. The H&I Guideline document has now been set up online with a login and password. The Ad Hoc members can work on the document when they have time thus eliminating the need for extra meetings. The first draft will be brought to the H&I subcommittee at the March meeting. The guidelines changes will either be approved or sent back to the Ad Hoc committee for further work, before being submitted to the Area committee.

We plan to hold our next training on March 8<sup>th</sup> and will be participating again this year with a booth and information at the Unity Day event.

I'm grateful to be of service!

Valery M.  
H&I Chair

## **Literature Subcommittee:**

The literature order for this month has not arrived. I did order this more than 2 weeks ago. I will meet here next week in an attempt to distribute back orders. I will be here from 4:30 to 5:30 doing inventory and distributing orders. My internet seems to be down or my email is, so I have not received any new order emails for 2 days. I apologize for the inconvenience, in this case, we are all powerless.

Scott H.

**Outreach Subcommittee:**

Greetings from outreach;

This month we have revised our guidelines and will present them to the area, Some revisions have been made. They mainly include clarification of job descriptions and elections, For the res of the business. Tom who is the coordinator for "ADOPT A MEETING" has begin the aspect of incorporating E-mail into asking members of the fellowship to assist in our task. This month we have decided on the request of three groups that we can best assist "just can't miss it" the 7 P.M. meeting at 6750 Carr.

The Correspondence component of outreach headed up by Caroline B has added an intro post card to new individuals that write us letting them know that they will soon be receiving contact with a recovering addict to talk to them about how we address addiction as a fellowship.

**Phone Line Subcommittee:**

Here is your January phoneline report.

January has been a slow month. During the month of January we averaged:

23 calls/day

38 minutes/day

1.5 pages/day (to volunteer)

Right now we are waiting to find out what happens with our credit card situation. Once again I would like to emphasize that our first bill is going to be roughly \$126, which includes our set up fee and our first months payment. The following monthly bills are going to be around \$69, this including tax and service fees.

If the body approves another debit card or a prepaid credit card we will go forth with the process in setting up our new system. I anticipate another month or two before we are fully ready. I'd like to get the word out now that we are going to need SEVERAL more volunteers once the new system is in place because it is a LIVE system, no leaving messages anymore. There will be a variety of shifts available and we will have a meeting/training day before the system is up and running.

Thanks again for your time and service.

Angela

Phoneline Chair

denvernaphoneline@hotmail.com

These questions were raised at the last AREA.

Can we pay for new service through an electronic fund withdrawal versus credit card? NO

Can training begin prior to going online. Only via the new handbook that will be give to volunteers.

\* When do we have to renew Golden Voice. We already have, we have paid for I believe 6 months, we can get reimbursed.

\* Will new system accept phone calls from out of area phone numbers? NO numbers must be 303 or 720 otherwise we are charged for long distance and the length of the call.

**Public Information Subcommittee:**

Due to first Friday being next week, we will meet then. We did have a presentation to the Denver Probation department this month that went very well. We also finished the DVD for the PSA (Public Service Announcement) and dropped it off for run time with Channel 4. We are going to made more copies and will be contacting more stations. We got (6) phone calls this month, only (1) was for PI – they wanted a meeting in the Boulder County Jail. Boulder had to tell them not at this time due to lack of volunteers. We are going to work on getting posters in Spanish.

Jason H.

**Training Subcommittee:** GSR training was held 1/11/09 – good turnout – no written report
