ADMINISTRATIVE OFFICER'S REPORTS

Chairperson's Report:

Greetings trusted servants of the Mile High Area Service Committee!

I don't have a whole lot to report this month.

We met at 12:30 to continue our revisions in regard to the MHASC Guidelines. Today our topic was the incorporation of Consensus Based Decision Making into our Elections and Voting Procedures Section.

Kudos to the Activities Subcommittee on a spectacular event. I was impressed with the turnout, the organization, and especially the coordination between two Areas.

Our next meeting will be Sunday, February 1 at 2PM. Please note that the Administrative Committee will meet at 12:30 to discuss revisions to the MHASC Guidelines.

In Loving Service,
Alan T.
MHASC Chair

Vice-Chairperson's Report: No report

Secretary's Report: Brought to area corrections needed to December minutes

Treasurer's Report: See attached

RCM:

Mile High Area – January 2009

Vacant service positions at the regional level include the literature resource position and (2) budget sub-committee members. I reported briefly on the newly created regional budget sub-committee a few months back, and I would like to reiterate that this committee is to be comprised partly by two members at large from throughout the region. I would hope that one of these members would be from the Mile High area based on our size (in regards to the number of groups, meetings and addicts being represented).

I am still unclear on the clean time recommendation for these positions, but I encourage anyone interested in this position, the literature resource position, or regional service in any capacity, to attend the next regional service committee meeting scheduled for January 18th (10am-3pm 10110 W 26th Ave.)

CRCNA elections for Vice Chair and Treasurer will be held at Region 1/18/09.

NAWS is conducting a Worldwide Workshop February 27th –March 1st in Oakland California. It is my hope that this body will send one or two trusted servants to attend.

For more detailed information you can review regional minutes @ NACOLORADO.ORG or speak with me or Joann D.

Hospitals and Institutions:

The H&I Subcommittee met last on December 14th with 14 in attendance. The following issues were discussed:

- ❖ The main topic at this meeting was staffing for the 26 facilities that H&I takes meetings into each month. Even though we trained 84 new volunteers in 2008, only about of third of those are still active. Many H&I members go into more than one facility each month. Most of the Panel Coordinators feel they need more volunteers to comfortably cover meetings, and extra people in case of emergencies or sickness.
- ❖ The H&I Volunteer Coordinator hopes to have an updated list of all volunteers currently going into each of the facilities at our next subcommittee meeting. This will give us a better picture of exactly where we need to put new volunteers.
- ❖ The H&I Subcommittee agreed that at this time we need to focus on staffing issues for our current 26 facilities and will need to put requests for new facilities on hold until we feel we have enough volunteers to comfortably take on any new H&I Meetings.
- ❖ The current Panel Coordinators at Ridgeview, Denver Health and Jefferson Hills Girl's side will be stepping down due to changes in work hours and other commitments. We are looking for new panel coordinator for these facilities.
- ❖ We elected Sam M. as the new Panel Coordinator for Denver County Jail Women's side.
- ❖ We discussed our budget and literature distribution needs for the next three months and recent changes and updates that have been made to the H&I information on the website.
- ❖ Our next meeting will be held on Sunday January 11th at 5pm at 1212 Mariposa. This meeting will be a training meeting so please come if you are interested in H&I service work. We need you!
- ❖ Please take copies of our Training Flyer, updated H&I Facilities list that are on the back table. Also, if you are interested in guest speaking at one of the facility meetings, please sign the speaker list also on the back table.

I'm grateful to be of service!

Valery M.

Literature Subcommittee:

To begin, my order for this month has not been delivered yet, but it has been shipped UPS – it is apparently behind due to the holidays. There will be backorders on Welcome Key Tags and a number of IP's. I will meet with people here during sub-committee meetings next week to fill back orders as I am sure the order will be in by then.

The upside of this is, that we have not received a bill yet. I ordered just under \$650.00 of IP's and key tags.

Groups need to start emailing order forms or down load forms. I will be submitting a receipt for \$95.02 to be reimbursed to Don O. for photo copies.

Also, pick up your orders I took.

Scott H.

Outreach Subcommittee:

Greetings to the Mile High area trusted servants. Jan 4th 2009

This is Ron T the chair of the sub-committee "Outreach". I address in this manner because of a comment made by one of our members and to paraphrase "I don't care who you are I just want you to tell me what's going on". The reason that trusted servants are elected is so that we do have "figureheads" for individuals that may want to do service work. Maybe for those that want more information about the content of what a sub-committee does, and where they want to do their service work at. Like it or not that trusted servant is the first one that a new member of service work is going to encounter. Hopefully it is a position of attraction not repulsion or arrogance. My report is as follows Caroline B is the correspondence coordinator and she reports that this month We received three request for correspondence two men and one women. This month we received twelve letters from men and we returned twelve letters to men and one letter to a woman. We also have a responsibility of "Adopt a Meeting" where as this point we are adopting two meetings. One is a women's meeting and the other one is a men's meeting. We have been in contact with the "world" about how other areas are dealing with "Outreach" and were informed that we probably want to be careful of our language because other areas and regions do not address what we are doing as outreach they are just calling it correspondence. We will continue to do the best we can in our endeavors to assist other recovering addicts.

In trusted Service to Mile high Area and to N.A. -

Ron T

Phone Line Subcommittee: not present report via email

December was a pretty busy month on the phone line. We averaged 24 calls/day, using about 40 minutes/day, and about 2 messages/day in which a phone line volunteer was paged.

With the implementation of anything new we have come across some problems with the new phone line system. The new company requires a credit card/atm check card for all payments. (This issue has already been addressed with the treasurer and president and I'm hoping some good action is taken at AREA this month, because we had previously decided to get rid of our credit card.) They will next accept anything else but a credit card number. The good news, however, is that the day we give a credit card number and make our first payment the system will be up and running in less than 24 hours. I did ask for a better estimate of our costs going into this new system and our first payment is going to be roughly \$126 which is our first month's payment plus a \$50 activation fee, which is discounted from \$100. Thereafter our monthly bills are going to be around \$69 depending on taxes. The system is \$59.95 per month before taxes.

I do have access to a mock system if anyone is interested in checking it out online or learning about the system, please email me at denvernaphoneline@hotmail.com and I will send you the links and the information needed to access the mock system.

I've also been in the process of revamping our phone line volunteer booklet to reflect this new system and to be more user friendly.

As always, if you have any questions please feel free to contact me at denvernaphoneline@hotmail.com.

Just a friendly reminder that we are looking for a new phone line chair!

Thank you.

Angela B

SHARING FORUM:

Motions difficulty – Chris E. – Gimme the Text / Gimme Three Steps

A few groups feel that they not being served by our present voting process

- GSR’s are trusted by groups and group conscience – numerous templates for procedures
- There are procedures to go back to group, consensus based decision making and Roberts rules of orders. Knowledge based on traditions and concepts. Tabling passes off accountability.
- GSR’s do not leave with a clear mandate of what they are to take back to their groups for motions that need to go back to their group
- Come to area and help with guideline revisions

Finance and outreach – Joseph B. – This Ain’t Therapy

52 groups, 100 + meetings a week, we are not connected – steps to involve the membership at an Area level, no guidance, 4th tradition there are groups are having a negative impact on NA as a whole. Identify groups not participating in area

- Outreach charged with figuring out how to get groups to participate in area
- Who is accountable or point of responsibility
- Area is not always attractive
- Difficult to reach out to groups that don’t want to participate

Training – Robbie R. – Just Can’t Miss It

Who do you go to if you do not understand a guideline? Guidelines are reviewed at GSR training. Voting procedure is very confusing and we can only use what we have at hand.

Autonomy financial responsibility - Ron T. – Outreach Chair / Keegan – Golden Group

- Is area going to follow up with individual that took funds that area ended up paying the remainder of rent
- Have we (area) set a precedence regarding loss of funds, lack of funds and it is okay to come to area and get money
- Theft of funds #30 – procedure as to handling theft of funds

To be addressed next month:

- Achieves scanning – Torrie F

Regional Items – Joann D. – requested Area direction regarding the following:

To insert the following in Article 3 Section A , regional guidelines

- 5) Decision makers
 - a) At CRSCNA Meetings:
 - i) Regional Committee Members (RCM) elected by their ASC

ii) Any Group service Representative or designated representative of a group, from an Area where there is no standing Area Service Committee

b) At Regional Assemblies:

i) Group Service Representative or designated representative of a group.

Intent: To bring the CRSC more into line of the intent of the Guide to Local service. To better reflect the conscience of the Colorado fellowship through their elected and informed trusted servants.

Unfortunately, there was not a quorum and area was dismissed.

ACTION ITEM LIST:

- Alan to get with Torri to coordinate keys for opening of building for GSR training
- Patty will amend minutes as stated above
- Patty has emailed phone line chair regarding alternate means of payment – EFT, etc., when our contract with Golden Voice is complete and can we go on line with new system for training purposes.
- Jason H. (PI Chair), Debbie RJ, and 2 other members (not named) to meet with Wheatridge Parks and Recreation and turn over check regarding lease. Date to be determined after person comes back from vacation.
- Alan has appointed Mac to pursue options / actions / options regarding theft of funds and fraud

DISBURSEMENT OF FUNDS:

Any motions pertaining to non- budget dispersement of funds were not recognized, as there was not a quorum and area was dismissed.
