We celebrated 3 birthdays last month. Our meetings have good topics and sharing. One of our birthdays was on a Saturday and we had 15 addicts in attendance we are making a \$35.00 donation to area this month. We have had new comers this month as well. In addition we have been in police contact 2 times because of one of the neighbors across the street from our meeting place. This neighbor feels he owns the public street where we park. As a GSP we are having an emergency homegroup meeting on Wednesday. We are looking to move our meeting to the little white house next to the church. The church owns this property. Since our trusted servants do not gevern we will as a homegroup decide our meeting places late Wednesday. If this body believes we should change our meeting place we have one and it has been okd we are just reaching out at this time.

SUBCOMMITTEE REPORTS

Activities Subcommittee

We held an avent last month and we totaled 391.59 and have another one planned for the weekend of the 4th of July. Aside from needing a new chair we are seeking a new vice chair and treasurer for the activities committee. Also the logo ad hoc com chair did show up at our last meeting and things went well. Thanks for letting me be of service

CRCNA Liaison Bob D.:

H&I Terry C.:

H&I Subcommittee Mile High Area 05/04/08

The H&I Subcommittee met on April 13th with 12 in attendance. We are so grateful to all those addicts who are stepping up to carry our message. We truly are making a difference and the new facilities we are reaching are so thankful. Before I get into the facilities report I would like to announce the Mile High Area H&I Subcommittee is in dire need of a Secretary and a Vice Chair starting in June. If anyone is interested in seeing how we work please come to our next training which is next Sunday, May 11th at 5:00pm right here at 1212 Mariposa.

We need volunteers for Jefferson County Jail who can pass a background check. We also still need volunteers for Douglas County Jail in Castle Rock so please let me know if you are interested and I will have a packet mailed to you. We have obtained clearance from Synergy, a boys youth facility, near

Ft. Logan. The meetings will be every Thursday at 7:00pm. We will need young addicts to go in as guest speakers with no background check required. We are looking for a panel coordinator for Marvin Foote, a boy's facility off Arapahoe Road .We have something for everyone so come experience what H&I has to offer

If you would like to get involved in H&I on a regional level to carry the message to the prisons in Canon City and Sterling, then please join us on Saturday May 17th at 1:00pm at The Meeting Place at 26th and Kipling. Once again I know that 5% of the people do 90% of the work and I want to take this opportunity to thank all of you that give so much of your time to the Mile High Area H&I.

In Loving Service, Terry- 303-437-4461

Literature Subcommittee Chris E.:

Please send back to your home group that the literature chair position has not yet been filled and we need someone to take over for this.

May Report

The Outreach Subcommittee for the Mile High Area meets at 1212 Mariposa

St. the 2nd

Sunday of the month from 5:00pm to 6:00pm.

With our correspondence program where we write letters to inmates on the inside who want to stay clean: we received 40 letters, we sent 33 letters, and we gave away 2 books. With our Adopt-A-Meeting program where we attend meetings in the Mile High Area that need support we are currently supporting "Hope Without Dope" which meets Monday and Wednesday at 7:00 pm at 3555 So. Wadsworth. Our Meetings-On-Wheels program where we take meetings into people who can't get out to a meeting saw no activity this month.

Thank you for letting me be of service,

Nick S.

Planning Tool:

Hello all

My apologies for not having a report submitted last month. The Ad-Hoc has met twice since my last report and we seem to be back on track. There was a time there that we were off doing our own thing so to speak and I take full responsibility for that occurrence. Our meetings become very chaotic and muddled. I think I will bring turkey from here on out. After refocusing and getting back to the actual Area Planning Tool, over the last two meetings we have completed steps 2 and 3. Listing the issues and creating goals.

The Ad-Hoc compiled the list of issues from three sources; area inventories from groups, ad-hoc discussions, and the area exercise. From that we created some broad categories to work with and prioritize.

The third step was to create some goals. (Identifying what not how)

1) Training and Mentoring

- Regularly scheduled learning days
- Overlapping terms for all trusted servants
- Vice chairs in place prior to nominations
- GSR orientations
- Area support available to train group level trusted servants
- Area exercises

> Ask a question at the end of ASC for group to bring back

2) Voting

- Make voting more easily understandable to all
- Roberts rules of order vs. Consensus based decision making
- Review/Rewrite / guidelines
- 3) Guidelines
 - Agenda
 - World board membership values
 - ➤ Hold subcommittee chairs accountable (staying all mtg.)
- 4) Willingness and Humility to ask Region and World for help.
 - > Ask other areas for experience, strength and hope.
- 5) Area too big?
 - Shared services

Our next meeting will be held Saturday May 17th at 1:00 The Donut Hole 10111 West 26th Avenue. The Ad-Hoc will be going over the fourth step of the planning process. We will be prioritizing the above listed goals. Priority will be set by which goals seem most urgent to complete and by human and financial resources available.

**In the fifth step we develop a plan to achieve our goals. **

Thank you for being patient with this process as I have not been lately. Service is a great reminder time and again, that things do not happen in my time, but they happen regardless.

It is a privilege to serve Narcotics Anonymous
