### **ADMINISTRATIVE OFFICER'S REPORTS**

# **Chairperson's Report**

Dan A.

Hello everyone,

Please remember that the Colorado Regional Assembly will be held from 10:00 AM - 3:00 PM, Saturday April 14, 2007 at the Odd Fellows Hall, 575 S Union Blvd, in Colorado Springs. It is each GSR's responsibility to attend and represent your Group at the Regional level. The Pikes Peak Area will host the 2nd Entertainment Extravaganza immediately following the Regional Assembly. There are printed fliers for both events on the table.

I was unable to attend Unity Day but have heard many good things about it. I am eager to hear their report.

Please be aware that MHASC Subcommittee and Administrative Committee elections are only two months away. I ask that all Subcommittee Chairs identify their likely successor and advise this body if you do not have someone to step up and take your position.

We will hold our next regularly scheduled meeting on May 5, 2:00 P.M. at 1212 Mariposa.

I welcome any suggestions as to how I can facilitate this body in accomplishing our primary purpose. My email address is <a href="mailto:danthone@juno.com">danthone@juno.com</a>. My cell phone number is 303-570-3342.

Thank you for letting me be of service. Dan A

### Vice-Chairperson's Report

**Jerry** 

Hello, everybody.

This month was a good month. I had the privilege of attending the Rio Grande Regional Convention in New Mexico and I am happy to report that recovery down there is alive and well. I also got to attend Unity Day. There were some good speakers. Thanks to the Activities committee for putting on such a great event. As always, I am here if you need any type of help or support. My phone # is 303-332-4495. Thank you for letting be of service, Jerry

**Secretary's Report** 

Karen W.

Thank you for allowing me to be of service, Karen

#### **Treasurer's Report**

Lindsay

**Opening Balance for March, 2007:** 

Working Balance: \$789.02 Emergency Reserve: \$1,413.97

**Bank Account:** Balances

**Bills Paid:** 

Rent for MHASC Meeting and Subcommittee Meeting \$50 each

Public Storage \$38 Qwest \$203.96

#### GSR's

As always, if you are paying in cash for your Literature Order, you must have **exact** change. We are not required to accept cash payments, but I know not all of the GSR's and/or groups have checking accounts. If you would like to continue having the option to pay with cash, please do your part and have the correct amount ready for your order. If you are writing a check, please do not fill in the amount of the check until you see Jay, as we cannot accept checks written for incorrect amounts.

#### **Subcommittee Chairs:**

- 1. Please include on all disbursement requests whether or not this amount is to be taken out of your budgeted amount for the quarter. If it is not, give it to the chair to be voted on for approval.
- 2. For literature orders, do **not** include the 10% handling fee in your order. Subcommittees do not have to pay this additional fee.

**Treasurer Alternate:** I am concerned about electing a new Treasurer come July, mostly because it is such a detailed position and the numbers being correct is of paramount importance. I would like to suggest that we look into electing a Treasurer Alternate, or some such thing, to shadow the Treasurer during the last 6 months of his/her position. This person would obviously then still have to be elected into the Treasurer position in July, but we would at least have someone already trained. I am personally willing to serve another term, if it is the will of this body. If not, however, I think it is important to have someone else trained and ready to go.

## **SUBCOMMITTEE REPORTS**

#### **Activities Subcommittee**

James K.

CRCNA Liaison Tracy

Gave verbal report, no written report submitted.

H&I Jay Mc.

We had our last subcommittee meeting on march 11, 2007. We had 10 people in attendance. Our next subcommittee meeting is next Sunday (April 11<sup>th</sup>) at 5pm at 1212 Mariposa. We will have training for new volunteers at that time. I ask all GSRs to make sure they get a flyer and announce the training at the home groups.

We are looking for people to go in to several different facilities. There is a list of facilities that we go to on the back table.

I went to Region last month representing the H & I Subcommittee and was given \$1552.00 to buy Basic Texts to be taken into several facilities that we go into. This was a very generous donation from the Region and I want to acknowledge it. I think it's important that GSRs tell their home groups that this money was donated by Region and that these 160 Basic Texts will be made available to a total population of 5,000 people – the vast majority who are incarcerated for drug related issues.

Our subcommittee will be doing an inventory. We will make up questionnaires to be given to H & I volunteers, facilities contact, groups and members. I have received some input from members of the fellowship and would welcome any more. It is my hope that when I step down from the H & I Subcommittee, I leave it a little better then when I started as Chairperson.

In loving service, Jay M.

#### **Literature Subcommittee**

Alan T.

Here are the spreadsheet, order form, and my written report:

This month, we spent \$1,558.12 on literature. We have a transfer in the amount of \$151.37.

As a reminder, June will be my last month as Literature Chair.

It has been my experience that in order to serve as Literature Chair effectively, one should have the following:

- 1. A truck, SUV, or other means to carry 9 bins of literature;
- 2. The ability to lift at least 50 pounds; and,
- 3. A basic understanding of Microsoft Excel.

It has also been my experience that a Literature Chair should expect to donate approximately 8 hours a month to the commitment. I would add that the Chair should appoint a Vice Chair shortly after taking the position, as it is difficult to handle the whole operation alone during MHASC.

I will be happy to work with the new elect in order to make sure they are up

to speed. As a reminder, please do not block the walkway outside. Thank you for letting me serve, Alan T.

#### **Outreach Subcommittee**

Nick S.

The Outreach Subcommittee for the Mile High Area meets the 2nd Sunday of the month at 1212 Mariposa St. at 5:00 pm. All are welcome.

Last month:

We received 12 letters

we sent 8 letters

we sent 2 books

I don't believe we had any activity on our Meetings-on-Wheels program

nth. We are supporting 2 meetings with our Adopt-a-Meeting program. They are

lap't Miss It" and "Getavay to Screnity". Any halp would be

"Just Can't Miss It" and "Gateway to Serenity". Any help would be appreciated.

Four people showed up to our Subcommittee meeting last month.

Thank you for letting me be of service Nick S.

#### **Phone Line Subcommittee**

Brenda C.

All positions for the phone line are taken; there are 2 to three positions that the volunteers are wanting give up, so we are still looking for more volunteers. The Phone line will be needing someone to be the Phone Line Chair, Co-Chair, Training Coordinator, Information Coordinator and Secretary. So if anyone is interested, please let us know. Thank you for allowing me to be of service. Brenda C.

**Public Information Subcommittee** 

Dawn S.

I'm sorry I could not attend today, but one of my closest friends in recovery died suddenly, and I have missed the past two days of work, so I need to be responsible elsewhere right now. Please welcome Patty in my stead.

Last month we had an even dozen in attendance, which was very cool. We so appreciate everyone who keeps reminding folks that we need members' support. We are finally beginning to have some continuity from month to month, and that is what will build the foundation of reaching out to the community to carry the message.

We ordered the new PR handbooks from world. As a committee, we will read through and get a better understanding of where PI/PR is headed in our larger worldwide NA community. One of the things that is stressed is that we are all doing PI work, whether we know it or not. How we handle ourselves both in and out of the rooms reflects on NA as a whole. Our job as recovering addicts is to make that as "attractive" as we can – both to the newcomer and to the public we encounter in our daily routines.

We are hoping to do a Poster Party sometime in May. We'll invite you to come help us get some posters put up around town. Stay tuned.

The Colorado region was kind enough to donate a bunch of literature to us, so that should help us get through this reduced budget and still fill the literature racks we have out there. We are looking for places to add literature racks. If anyone knows of a place that could and would accept a rack, please let us know.

We have a tentative meeting set up for April 25 to meet with 4-7 representatives who have a hand with drug court, from district attorneys to maybe a judge or two.

Also, we have had a request for speakers from a local high school and Joseph is helping to put that together.

Our Subcommittee will meet again one week from today, Sun., April 8, at 5p.m., right here, at 1212 Mariposa. Come join us. In service, Dawn s.
